OF THE

PARISH WORK

OF

St. Mark's Church,

PHILADELPHIA.

ALL SAINTS' DAY,

1876.

The Rector again presents the Annual Reports of the various departments of the Parochial Work, to the members of St. Mark's Parish, with renewed thankfulness for the work which, by God's blessing, has been accomplished in the year that is past. May the great Head of the Church pardon its many deficiencies, and grant to each member of the Parish larger measures of His Holy Spirit, to enable them to devise and do still more in His service, before "the night cometh, wherein no man can work."

ANNUAL REPORT.

Our Sunday School, with but two or three exceptions, continues under the same management, Officers and Teachers, that it has had for the past three seasons.

The session is from 9 o'clock to 10.30, every Sunday morning, except during the months of July and August, when most of our Teachers are absent from the city, and the School is closed.

During the seasons of Advent and Lent, in order not to interfere with the regular lesson, an extra session is held Sunday afternoons, to practice the carols for Christmas and Easter.

The School service is choral, with the view of familiarizing the children with the chants and responses, teaching them to take part in the services of the Church.

A Teachers' Meeting is held regularly on Tuesday evening of each week, to promote uniformity of teaching.

The Offertory of the School for the past year has amounted to $60.

Annual Examination, Whitsun Tuesday, 22 May, 1877.

TWENTY-SIXTH ANNUAL REPORT.

After more than a quarter of a century of successful work, by the blessing of God and the liberality of the congregation, the Managers of the Parish School are again enabled to present a favorable Annual Report of its condition and progress.

There are at present 53 children in the school—30 boys and 23 girls Thirty-seven of these have been admitted during the past year, twenty of whom have been placed on the free scholarships. This fills the list of scholarships at the disposal of the managers.

The teachers in charge of the school merit special commendation for their earnestness and devotion, not only in teaching but also in visiting the children.

It may not be out of place in this report, to answer a question often put to the managers—"What is the use of Parish Schools when the Public Schools are so good?" They reply, to provide a place where children may receive sound religious as well as secular instruction—to make them good christians as well as good citizens. A visit to the school would show that many of the children receive little or no religious teaching at home. The instruction begins in the Sunday School, and is continued through the week. The daily opening of the school is in the Church, where they join in the Morning Prayer, and where they are catechized once

each week; and whilst full time is given to secular instruction in all the English branches fitted for their years, no day passes on which a portion of the catechism, creed or collect is not learned, and the teachings of the christian year, in which the life and death of our Saviour is so beautifully portrayed, is brought home to the heart of every child. Many of the children enter the school unbaptized, but it rarely happens that one leaves the school without having been received into the fold of Christ by Holy Baptism. Can any question the advantages of such training for children, be they rich or poor, in a school where they are shielded from many unhappy influences arising from the promiscuous gatherings of the public schools, and where the tone of everything in the way of morals and religion is higher and healthier?

The managers earnestly ask for increased offerings, to provide free scholarships and clothing for a number of applicants waiting to be received, and who cannot be admitted until provision is made for them. The cost of each free scholarship is only $10 per annum.

The managers cannot but feel that, while they may record the number of the children who come and go, there is a still higher record, with its peculiar blessing, for those who help to support the school, and enable them to "receive such little children in His Name," and thus receive Him who died for them, and perhaps in doing so save their souls.

TWENTY-FIFTH ANNUAL REPORT.

Mrs. William Ellis, *Superintendent.*

Mrs. H. G. Clay, Miss Esther K. Bowen.

The Mothers' Meetings have been in successful operation during the past winter, and were much enjoyed by the members, both as a means of instruction and of pleasing social intercourse with each other. The names of *sixty* women were on the roll, and the average attendance *thirty-five*. A Coal Club was instituted in connection with the meetings, which enabled the members to procure coal at a greatly reduced price, and allowed them to pay for it in weekly instalments. Religious services at the close of each meeting were conducted by one of the Clergy of the Parish. The season closed with an entertainment, kindly provided by Ladies of the Parish.

The Library, for the use of the members, needs to be enlarged, and contributions for this, as well as for the ordinary expenses of the meetings, are respectfully solicited.

It is with grateful hearts that the ladies of the Employment Society review the work of the past year, and look forward to the duties of the approaching winter with great hopefulness.

The managers would beg to remind the congregation that many persons will be without employment this winter, and unless the number of subscribers to the Society is increased, many poor women who will call upon it for aid must be deprived of their usual assistance.

The managers call the attention of the members of the Parish to the fact that a variety of garments and towels may be purchased at the Society Rooms, in St. Mark's School House, on Wednesdays, between the hours of 9.30 and 11 A. M.

With many thanks to all those who have so generously aided them in their work, and an earnest request for a continuance of their interest and liberality, the managers beg leave to close their report.

TWENTIETH ANNUAL REPORT.

This Society has now continued its useful work for twenty years. The amount of good which it has been able to accomplish, by supplying some of our poorly paid clergy with wearing apparel, household linen, and other useful articles, can scarcely be overestimated.

During all these years it has annually sent a large box of clothing to be distributed among the more needy Students of Divinity at Nashotah. In response to the last one, the President wrote: "I cannot tell you how very acceptable its contents are, but I can assure you that your provision for their bodily necessities is a great relief to the minds of many who are studying for the Holy Ministry here."

The following extract from the letter of a clergyman, to whom a box was sent last winter, will show the manner in which the work of the Society is appreciated: "I wish you and all the kind ladies who contributed (to the box sent) could know how vastly you have added to our comfort. Could you have witnessed the unpacking of the box, it would have given you as much pleasure as the packing doubtless did. Words are inadequate to express our deep and heartfelt gratitude. Those wonderfully warm and comfortable undershirts, stockings, flannels, and other under-clothing, coming to us this freezing weather, are peculiarly acceptable. The

nice blankets are a comfort indeed. * * * My husband and children unite with me in sincerest thanks to all who sent us these nice things, and in prayers for blessings upon each kind donor."

The Society acknowledges the receipt, during the past winter, of Four hundred and seventy-five dollars, which, with donations of material, &c., enabled it to send out four boxes, containing six hundred different articles, valued at Seven hundred and sixty-five dollars.

The aid of every member of the Parish is earnestly solicited. Donations of money or materials may be handed to any of the Officers of the Society, or sent to the School House on Thursday mornings, between Epiphany and Easter.

SIXTH ANNUAL REPORT.

The Altar Society, in presenting its Sixth Annual Report, begs to remind the members of the congregation that its work consists in:—

I. Caring for and renewing the altar furniture, vestments of the clergy and choir of St Mark's Church, books, cushions, carpets, &c.; all of which belong to the due and reverent performance of Divine Service. The flowers for the decoration of the Altar are provided by special subscriptions for this purpose.

II. Assisting feeble parishes, as far as possible, in making suitable provision for the worship of the sanctuary.

It gratefully acknowledges the receipt, during the past year, of Seven hundred and eighty-four dollars and nineteen cents.

The work accomplished during the year has been:

For St. Mark's Church—

2 Clerical Surplices,
3 Stoles,
2 Cassocks for Choir Boys,
1 Set of Red Book Markers, embroidered.
1 Green Desk Fall (for Sunday School Room).

For Other Churches—

26 Clerical Surplices,
1 Chorister's Surplice,
17 Stoles,
3 Cassocks,
2 Albs,
3 White Linen Girdles,
1 Chasuble,
1 Amice,
14 Boxes of Altar Linen,
2 Sets of White Markers, embroidered,
2 White Desk Hangings, embroidered.

Many of these have been donations from the Society to feeble parishes in remote and destitute Missionary fields. Vestments and Altar Linen have been sent also, during the past year, to the following Dioceses:

Colorado,	Missouri,	Northern Texas,
Idaho,	Massachusetts,	Ohio,
Illinois,	Michigan,	Pennsylvania,
Iowa,	Nebraska,	Virginia,
Maine,	New Hampshire,	Western Michigan,
Maryland,	New Jersey,	Wisconsin.
	Nevada,	

The Society relies entirely on subscriptions for the means to do its work. Active members pay at least One dollar per annum; Honorary members not less than Three dollars per annum. It earnestly asks the active co-operation or a subscription from every member of the Parish.

The Society also calls attention to the fact that the work is for the benefit of the Church at large, and it therefore feels authorized to ask for the sympathy and active co-operation of the communicant members of other parishes than St. Mark's.

All orders for Vestments and Altar Linen may be sent to Mrs. Ephraim Clark, 247 South 18th Street.

All orders for Silk Embroidery may be sent to Miss E. D. Wagner, 1819 Spruce Street.

All subscriptions and donations for the Society, or for any of its branches, should be sent to Mrs. George M. Conarroe, Treasurer, 1415 Spruce Street.

FOURTH ANNUAL REPORT.

The Association takes pleasure in being able to present so satisfactory a report for the past year. Not much has been received in money—the total receipts amounting to only Twenty-two dollars—but the monthly donations have been very generous in delicacies for the sick, and a variety of articles, which have added greatly to the comfort of the patients in the Hospital. The thanks of the Association are due to those who have remembered this charity so frequently, and it asks the continuance of their kindly interest.

The Association has received, and sent to the Hospital, the following articles during the year,—worth about Two hundred dollars:

398 Oranges,
317 Lemons,
60 Bananas,
18 quarts of Cranberries,
32 jars of Jellies & Preserves,
6 jars of Pickles,
182 cans of Vegetables,
75 cans of Fruit,
1 jar of Marmalade,
3 barrels of Apples,
26 Turkeys,
60 lbs. of White Grapes,
1 jar of Chocolate Paste,
30 pairs of Socks,
16 pairs of Shoes and Slippers,
8 Quilts or Spreads,
6 Pillow Cases,
2 Tables,
16 Cups,
91 articles of Clothing,
Books, Newspapers, Magazines and various small articles.

PLAN OF ORGANIZATION.

St. Mark's Workingmen's Club and Institute was formally opened on December 20th, 1870, in Rooms on Bainbridge Street, below Sixteenth.

Its organization was undertaken under the conviction that, by its means, a large number of men engaged in daily manual labor might be reached and brought under good influences for their moral welfare and improvement. Accordingly its plan is, to make available under one comprehensive Association, *all* the various means of intellectual and moral culture, and of mutual temporal assistance. To this end it has schools for elementary instruction, conducted in the evenings. Lectures and improving entertainments take place through the winter season.

The department of Education is supplemented by regular religious instruction.

A Beneficial Society provides help in cases of sickness.

A Building Association aids members in securing homes of their own.

A Coal Club ensures the important item of fuel at a low uniform rate, throughout all the winter months.

An Employment Bureau is intended to assist worthy members out of work in finding suitable places.

Six years of experience have satisfied the promoters of this mode of "doing good," that it is well calculated to effect its purposes, and is a most useful addition to

the parochial work of St. Mark's, and one which its people would do well to foster and maintain. Accordingly, the Vestry, at their stated meeting in June last, decided by resolution to accept the property and funds of the Club and Institute, and to make this the *peculiar missionary work of the parish.*

In accordance with this action of the Vestry, it seems proper that the following Report should be made to the member's of St. Mark's Parish, that they may more generally become interested in this work, aid in maintaining it properly, and in carrying out the plans proposed for the future.

THE LIBRARY.

The efficiency of this department has been greatly increased during the past year, by the gift, by Mr. I. V. Williamson, of ground rents, which produce annually $206; and which sum, in accordance with the wish of the generous donor, is expended in the purchase of new books. To the members, the Library is perhaps one of the most valuable branches of the Club, and the books, now numbering more than 2000 volumes, are greatly in demand.

THE READING ROOM

still continues to have on its tables a general assortment of the Daily Journals, Weekly Illustrated Papers, and Monthly Magazines, and affords to the members an opportunity of access to the current literature of the day.

THE RECREATION ROOMS

have been in operation as heretofore, and their agreeable influence upon the members shows the necessity and advantages of this feature of the plan.

THE CLASSES OF INSTRUCTION

have been conducted as follows:

Sunday—Biblical Instruction.

Monday—Vocal Music.

Tuesday—Writing, Mechanical and Free-hand Drawing.

Friday—Arithmetic, Book-keeping and Accounts.

THE SCIENTIFIC AND LITERARY ENTERTAINMENTS

were given according to the following scheme:

Wednesday Evening, January 12, Lecture on "Light," with its application to the Art of Photography, showing, by stereopticon illustrations, the whole process of Photography, by Carl Seiler, M. D.

Wednesday Evening, January 26, Stereopticon Exhibition and Lecture, "Sketches of Travels in Europe," by Messrs. William H. Merrick and Samuel Wagner, Jr.

Wednesday Evening, February 9, First Lecture on "Ventilation," with illustrations and experiments, showing how fuel may be saved and our houses made comfortable and healthy, by Horace Binney Hare, M.D.

Wednesday Evening, February 23, Concert of Instrumental and Vocal Music.

Wednesday Evening, March 8, Second Lecture on "Ventilation," with illustrations and experiments,

showing how fuel may be saved and our houses made comfortable and healthy, by Horace Binney Hare, M.D.

Wednesday Evening, March 22, Lecture on "Co-operation," its true uses, and its value in the developement of skilled labor, by Rev. D. O. Kellogg.

Wednesday Evening, April 5, "Readings" from the "Pickwick Papers" and other works of Charles Dickens, by Mr. Francis Wells.

Wednesday Evening, April 19, Stereopticon Exhibition of the "Projected Microscope," showing upon the screen remarkable illustrations of animal and vegetable life, enlarged by means of the Microscope, by Mr. D. S. Holman, of the Franklin Institute.

THE YEARLY BENEFICIAL SOCIETY,

numbering at present two hundred and fifty members, has been working very satisfactorily, and at the close of the last fiscal year returned a good dividend from the surplus fund.

THE BUILDING ASSOCIATION

has just issued its fifth series of stock, and is in a most healthy financial condition. It ranks the highest of the numerous Building Associations in the south-western portion of the city, and its stock is greatly in demand.

THE COAL CLUB

is well patronized by the members, and during the three years of its existence, has supplied, at low prices, 350 tons of coal.

Nearly three years ago a movement was begun to provide suitable buildings in which to carry on the work of the Club and Institute. Such work should have a building especially arranged for the purpose; and moreover, the full execution of the plan requires a Free Church or Chapel, that the privileges of the Church may be afforded to all who are connected with it, and the Church be the source from which its vitality and strength are derived. For this purpose, a most desirable lot was secured on the corner of Seventeenth and Bainbridge streets, a portion of the purchase money paid, and a considerable sum of money obtained for the building fund; but not enough, however, to warrant a commencement of the building on the plans proposed. The continued depression of money affairs for the last three years has prevented any considerable increase of this fund. It is proposed now to erect a temporary Chapel on the lot, for which contributions will soon be solicited.

The members of St. Mark's Parish are earnestly requested to take this matter into careful consideration, and to unite in giving to this work the support which is required to carry it on with the efficiency which its importance and usefulness as the missionary work of the Parish demand.

In closing this brief report, the Committee desire to extend to all those who have assisted them by their means and co-operation, their most sincere thanks.

The Choir is under the personal supervision of the Organist and Choir Master, who devotes every afternoon to its instruction. The chorister boys are twenty in number. Fourteen of them are divided into seven classes of two each, (those seated nearest the people in the Church being the highest,) their pay and position in the choir depending on their conduct and proficiency. The remaining six are probationers, and admitted to pay as soon as a vacancy occurs. They all are taught music free of charge, and receive special religious instruction on Sunday afternoons. Those on duty Sunday evenings have tea provided for them in the School Buildings.

The Organist and Choir Master is glad to receive new candidates, with good voices, from eight to twelve years of age. He may be seen in the Choir Room, in the second story of the School Building, west of the Church, daily, from 10 to 11 A. M., and from 5.30 to 6 P. M.

The Bells.

The Rector takes pleasure in stating that the four larger bells of the Peal of Eight (which it was decided to procure for the Church) arrived from London on Whitsun Day last, by the American steamer "Illinois," and have been safely placed in the Tower. Their tone and tune have been pronounced by experts to be perfect, and to reflect great credit upon the founders, Messrs. Mears & Stainbank, London. Long may the Bells continue to announce the Lord's Day, and to call the people to the House of Prayer.

The inscriptions on them are as follows:

Tenor Bell, Weight 2006 pounds.

The Rector's Bell.
This Peal of Bells was cast for
St. Mark's Church, Philadelphia.
Rev. E. A. Hoffman, D.D., Rector.
A. D. 1876.

Holy, Holy, Holy, Lord God of Hosts,
Heaven and Earth are full of Thy glory.

Seventh Bell, Weight 1407 pounds.

The People's Bell.
A. D. 1876.

O ye Servants of the Lord, bless ye the Lord;
Praise Him, and magnify Him for ever.

Sixth Bell, Weight 1167 pounds.

A. D. 1876.
In loving memory of
John Edgar Thomson,
who departed this life, 27 May, A. D. 1874,
Aged 66 years.

Mark the perfect man, and behold the upright;
For the end of that man is peace.

Fifth Bell, Weight 983 pounds.

The Children's Bell.
This Bell was bought with the Offerings of
The Sunday School.
A. D. 1876.

O ye Children, bless ye the Lord;
Praise Him, and magnify Him for ever.

The cost of these four bells, including a new floor in the tower, and frame for the entire peal, was $4,980.05, which was contributed as follows:

By Saints' Day Offerings, . . .	$2,427 80
" Sunday School Offerings, . .	1,106 42
" Cash from Mrs. J. E. Thomson, for Memorial Bell to her late husband,	1,000 00
" Sundry Donations, ...	329 00
" proceeds of Concert given by the Choir,	116 83
Total, ...	$4,980 05

The four bells, still required to complete the peal, will cost about Five hundred dollars each. This sum, it is earnestly hoped, will soon be contributed, in order that the peal may be complete, like those of Christ, St. Peter's, and St. Stephen's Churches in this city. The collections on Saints' days will be devoted to this purpose; and special donations, of any amount, may be dropped in the box in the Church porch, or will be thankfully received by the Rector.

The Parish Library.

WALTER A. BUCHANAN, *Librarian.*

The Parish Library contains nearly Four hundred volumes of instructive and interesting books. It is constantly made use of by the women who attend the Mothers' meetings, and as the books are generally read by their friends as well as themselves, it has been the means of doing much good. *It should be largely increased.* If members of the congregation would only send to it the useful books which they have read, and cast aside, it would soon be doubled in size. The Rector will be glad to receive for it suitable instructive or entertaining books, or donations in money for the purchase of them.

The Library will be open hereafter to any of the parishioners who desire to avail themselves of it, on Friday evenings, at 7 P. M., and on Wednesday afternoons, immediately after Evening Prayer.

ALL SAINTS' DAY.

1877.

The Rector presents to the members of the Parish the Annual Reports of the various departments of their Parochial Work, with thankfulness that, by God's blessing, they show an increase in good works over those of former years. He asks their careful perusal; and while they must rejoice that there are so many willing workers, he cannot but remember how much more might have been accomplished if *all* the Parishioners had manifested a like mind to work according to their ability. May the God of peace make you *all* perfect in every good work to do His will, working in you that which is well pleasing in His sight, through Jesus Christ, to whom be glory for ever and ever.

ANNUAL REPORT.

It has been thought expedient during the past year to change the sessions of the School from morning to afternoon, and the time of meeting is now from half-past two o'clock until four P. M.

The "Teachers' Meeting," for study of the Sunday lesson, is still held each week, though changed in character, the "Instruction" this season being given by one of the assistant Clergy, the Rev. G. M. Christian. The meetings are held every Monday evening, in the School room, at quarter before eight o'clock.

The number of volumes in our library, it may be well to state, since our last report has been reduced by removing from the shelves some books never taken out by the scholars, and many more so worn as not to be even worth rebinding. The old book case, also unfit for further service, has been replaced through the instrumentality of a few of the younger girls of the School, by a large and well arranged one capable of holding about nine hundred volumes.

The offerings of the School during the past year, amounting to one hundred and fifty dollars, have been appropriated to purchase a clerestory window, to be of stained glass, bearing figures of St. Mark and St. Luke.

The offerings for the coming year, and until such time as a sufficient amount can be collected, are to be devoted to procuring a memorial window to the Rev. George Pauley, sometime assistant minister in this Parish, and devoted to the interests of the School. This window, by permission of the Rector and Vestry, will be placed in south side of the sanctuary.

In making this Report, the Superintendent hopes a more general interest may be manifested in the welfare and success of the School, by the members of the Church, during the ensuing year.

Annual Examination, Whitsun Tuesday, 11 June, 1878.

TWENTY-SEVENTH ANNUAL REPORT.

The Managers of the Parish School, in making their Annual Report, gratefully acknowledge the receipt of eight hundred and ten dollars and thirty-seven cents, two hundred and seventy of which was subscribed to provide free scholarships.

There were also many valuable donations of clothing sent to the school-room, which contributed greatly to the comfort and health of the children, and enabled them to be more regular in their attendance in School.

During the year forty-six children have been admitted, thirteen of them on scholarships.

At present there are sixty-six names enrolled, twenty-eight boys, and thirty-six girls; twenty-seven of them are on scholarships, which fills the entire list subscribed.

The children have had some days of recreation and pleasure which will not soon be forgotten,—the Christmas festival, which they shared in common with the other children of the Parish; a picnic in June, near Belmont, with the teachers and some of the parents; and one very happy and instructive day passed in the Zoological Gardens, Miss Lennig having provided the tickets of admission.

The annual examination, on Whitsun Tuesday, was very satisfactory; and the year closes with a larger

number of children, a much larger average attendance, and in all respects shows a marked improvement. But we cannot close our report without mention of her to whose constant supervision, energy and faithfulness much of this is due, our late loved Directress, who had endeared herself to all during the three years she was associated with us. With untiring patience she watched the progress of the children, with loving interest ministered to their personal wants, and in every sense was the children's friend; and during this glorious Easter season many loving thoughts have been of her at rest in the Paradise of God.

ANNUAL REPORT

OF THE

Industrial School for Girls.

In offering a report for the year just closed, it is necessary to refer to the very great loss the School has sustained, in the removal by death, after a long and painful illness, of its much valued and most efficient Superintendent, Mrs. Van Pelt.

The sessions of the School have been held on every Saturday, without interruption, from 10 A. M. to 12 M., from November to April 14. There are at present seventy-four scholars on the roll, and these are in charge of eight teachers. The average attendance during the year past has been about sixty. One hundred and thirty-five articles of clothing made by the children of the School have been sent to the Children's Hospital.

The financial condition of the School is as follows:

By subscriptions from various sources,		$67 08
Cash paid for materials,	$19 26	
Reward Cards,	4 25	
Prizes,	16 20

The Mothers' Meetings.

TWENTY-SIXTH ANNUAL REPORT.

MRS. WILLIAM ELLIS, *Superintendent.*

MRS. H. G. CLAY. MISS ESTHER K. BOWEN.

The Mothers' Meetings are constantly growing in favor, and increasing in usefulness, among the class of women for whom they were begun. *Eighty* women were connected with them during the winter, and the average attendance each Friday evening was *forty-five.* Through the aid of the Parish Communion Alms, coal was furnished to those who needed it at a greatly reduced price, and they were allowed to pay for it in weekly instalments. Each meeting was closed with a religious service and a short lecture by one of the Clergy of the Parish. An entertainment for the members was kindly provided by friends at the close of the season. The entire expense of these meetings was but thirty-seven dollars, which was paid by donations received for the purpose. The Library has been somewhat enlarged, but it is still greatly in need of more books. It is constantly made use of by the members of the meetings, and is a most valuable auxiliary.

EIGHTH ANNUAL REPORT.

In submitting to the Subscribers and Friends of the Employment Society the result of the last year's work, the Board of Managers cannot refrain from referring to the good which has been done to the poor of the Parish by this weekly employment. Every year increases their sense of the importance of this charity, which, while providing for the wants of the poor, gives them habits of industry and self-reliance, by aiding them to support themselves by the work of their own hands. While the general stagnation of trade still largely increases the demands made upon the Society, the managers are compelled earnestly to solicit the co-operation of all the members of the congregation in their work for Christ's poor during the coming winter.

The following work was accomplished during the last season:

Number of articles made,	1,591
" " sold,	1,390
" permits given,	1,491
" women employed,	68

A variety of garments and other articles will always be found for sale at the Society's Rooms, in the School House, on Wednesdays, from 9.30 to 11 A. M.

The managers cannot close their report without recording their sincere sorrow and their sense of the great loss they have sustained in the death of their late associate and Secretary, Mrs. J. K. T. Van Pelt. Untiring in her devotion to the work, and always at her post, even when her failing health should have kept her at home, her place cannot easily be filled. "Blessed are the dead who die in the Lord: even so saith the spirit; for they rest from their labors, and their works do follow them."

TWENTY-FIRST ANNUAL REPORT.

"The Ladies' Missionary Aid Society" gladly and gratefully makes its Report of unchanging interest and effort, by the members of St. Mark's, in behalf of those portions of the "Great Household, the Church," who need their help.

Many homes have been brightened by this gentle sympathy and kindly remembrance of their wants, and if it could ask any less reward than the blessed words, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me," it would be found in the comforting letters from those so lovingly helped. Fathers, mothers, little ones, each sending grateful rejoicings over their well filled boxes of every thing so welcome, so needed. Nashotah, too, sends "heartiest thanks for the Society's kind and constant remembrance of us in our need."

The Society has received the past winter five hundred and ten dollars, which, with donations and material, &c., enabled it to send out three boxes, valued at five hundred and eighty-four dollars.

The Society pleads again for its usual, and, if possible, increased generous share in the many charities of our Parish. Donations of money and materials may be sent to any of the Officers of the Society, or to the School House on Thursday mornings, between Epiphany and Easter.

SEVENTH ANNUAL REPORT.

The Altar Society, in presenting its Seventh Annual Report, begs to remind the members of the congregation that its work consists in :—

I. Caring for and renewing the Altar Furniture, Vestments of the Clergy and Choir of St. Mark's Church, and other fittings of the Chancel ; all of which belong to the due and reverent performance of Divine Service. The flowers for the decoration of the Altar on Sundays and Holy Days are provided by special subscriptions for this purpose.

II. Assisting feeble parishes, as far as possible, in making suitable provision for the worship of the sanctuary.

It gratefully acknowledges the receipt, during the past year, of eleven hundred and ninety dollars and eighty-four cents.

The work accomplished during the year has been :

For St. Mark's Church—

A very handsome set of Altar linen made by the Society for the Church, of which the cost was provided by an individual donor.

3 Clerical Surplices,
4 Black Stoles,
18 Choristers' Surplices,
1 Cassock,
Green Protector for the Altar.
Covers for the Pulpit and Desks.
5 Red Alms Basin Mats.

For Other Churches—

38 Clerical Surplices,
11 Black Stoles,
3 White Stoles,
2 Violet Stoles,
2 Violet Maniples,
1 Cassock,
1 Linen Chasuble,
9 Boxes of Altar Linen,
1 White Silk Chalice Veil,
3 Red Altar Cloths,
1 Red Super Frontal,
1 Red Pulpit Fall,
1 White Altar Cloth,
2 White Pulpit Falls,
1 White Desk Hanging,
4 White Alms Basin Mats,
4 Sets of Book Markers.

Many of these have been donations from the Society to feeble parishes in remote and destitute missionary fields. Orders have been filled and donations given to the following Dioceses :

Arkansas,
California,
Central Pennsylvania,
China,
Colorado,
Connecticut,
Dakotah,
Iowa,
Maine,
Maryland,
Minnesota,
New Jersey,
Niobrara,
Pennsylvania,
Pittsburgh,
South Carolina,
Texas,
Wisconsin.

The Society relies entirely on voluntary subscriptions for the means to do its work. Active members pay at least one dollar per annum ; Honorary members not less than three dollars per annum. It earnestly asks the active co-operation or a subscription from every member of the Parish.

Special attention is called to the work of the Embroidery Committee. Feeble parishes who can collect sufficient money to pay for the materials can have the work done gratuitously ; but a fund is greatly

needed to meet the appeals of destitute *mission* stations. This committee therefore earnestly ask liberal contributions for its special branch.

The Society cannot close its Annual Report without expressing their deep regret at the death of one of its Active members, Mrs. J. K. T. Van Pelt. Her constant and faithful labors were always cheerfully given, and will be greatly missed.

All orders for Vestments and Altar Linen may be sent to Mrs. Ephraim Clark, 247 South 18th Street.

All orders for Silk Embroidery may be sent Miss E. D. Wagner, 1819 Spruce Street.

All subscriptions and donations for the Society, or for any of its branches, should be sent to Mrs. George M. Conarroe, Treasurer, 1415 Spruce Street.

J. P. W. Ross,
Secretary.

FIFTH ANNUAL REPORT.

The Association cannot render so favorable a report for the past year as heretofore, not from lack of interest in its work, but because many have not had the ability to give as generously as in former years. Possibly the Association may not have made the wants of the Hospital sufficiently known. It urges therefore upon the strong and well not to forget the sick and suffering in the wards of our Hospital, who are dependent on this Association for many comforts.

The Association has received twenty-four dollars in cash, and the following articles—worth about one hundred and fifty dollars—which have been sent to the Hospital:—

11 Turkeys,
5 barrels of Apples,
1 large bag of Apples,
1 basket of Apples,
1 case of Tomatoes,
87 cans of Tomatoes,
238 Oranges,
108 Lemons,
12 pounds Grapes,
24 Bananas,
3 pounds Candy,
15 cans of Peaches,
12 jars of Preserves,
15 jars of Jellies,
18 quarts Cranberries,
1 package of Cranberries,
10 bundles of old Linen,
2 bundles of Clothing,
2 bundles of "Living Age,"
1 bundle of Tracts,
2 calico Wrappers,
1 flannel Wrapper,
5 pairs Stockings,
3 pairs Boots,
1 Chair,

SEVENTH ANNUAL REPORT.

By the action of the Executive Committee, St. Mark's Day, the 25th of April, in each year, has been designated as the time for observing in a suitable way the anniversary of our Club and Institute. As our first Annual Reunion for this purpose was held in the Easter season of the year 1871, we are therefore assembled now to celebrate our Seventh Anniversary.

Just as the child, year by year, acquires the strength of youth, and the strength of youth ripens into the power of manhood, so our organization, which but a few years since seemed only a helpless child, and a year or two later but a stripling youth, may now fairly be considered to be grown to manhood's estate, and to possess the knowledge and the strength which years of life and experience only can give.

For more than three years our whole country has suffered from "hard times," and our Club and Institute has, of course, had its share of the troubles arising from the long-continued depression to all mercantile and manufacturing interests. But "hard times" are, of all times, those in which organizations such as ours should hold strongly together, for it is in such times that the power of true co-operation and sympathy, of manly affection and Christian brotherhood, the very fundamental principles of our Club, is most

needed, and is most powerful in producing sound practical results. If we have stood by one another in times of difficulty and trouble, and have "drawn upon contentment for the deficiencies of fortune," we shall certainly feel when days of prosperity come, that our Club and Institute has been the sensible and practical thing which it is intended to be, and that we have all derived substantial benefit from our connection with it. We may not, each of us, be conscious of just what benefit we derive from it, and the benefit may not be in such form as at the time to advance our material interests, but certain it is that as each year rolls around we find ourselves stronger and better by reason of the associations we here enjoy. Our sympathies and affections become enlarged. The feeling of brotherhood and the desire to help one another grow stronger. We get up to a higher level of thought and purpose. In a word, the influences which here surround us tend to make us better men. Let us then, one and all, try to keep up the high standard of our organization, and let each one try to induce others to join us, that by increasing our numbers we may increase our strength and enlarge our influence in the community.

According to our usual custom, the Executive Committee submit a brief report of the various departments of our Club and Institute during the past year.

I. The Library has grown gradually, by gift and purchase, until it numbers about two thousand volumes, and we have money in hand with which to buy at least two hundred volumes more. The usefulness and per-

manent value of the Library has been very much increased by the gift of Mr. I. V. Williamson, of ground rents amounting to $3,433.33, the annual income of which ($206) is applied, by the expressed wish of the donor, to the purchase of new books. The Library is very much used by the members, and as it is the only one of considerable size in the south-western portion of the city, it is of great convenience and value, and moreover it ought to serve to increase the number of our members.

II. The Reading Rooms continue to have on their tables a general assortment of the Daily Journals, Weekly Illustrated Papers, Industrial Journals and Monthly Magazines, thus affording to the members access to the current literature of the day. Besides the Reading Room where the Library is placed, in which conversation is allowed, another Reading Room has been opened, in which members can enjoy their books or magazines without being annoyed by conversation going on around them.

III. The Recreation Room, by a rearrangement of the rooms, has been enlarged. It is now roomy, well lighted, and very comfortable, and its attractiveness has been much increased by the recent addition of an excellent Billiard Table.

IV. The Classes of Instruction have been conducted during the winter season on the following plan:

TUESDAY EVENING, Writing, Mechanical and Free-hand Drawing.

FRIDAY EVENING, Arithmetic, Book-keeping and Accounts.

The attendance at these classes, excepting the class of Mechanical and Free-hand drawing, has been, during the past season, unusually small. Whether this arises from the inability of the members to attend them, or from the fact that similar opportunities are offered elsewhere, your Executive Committee are unable to say; but we take this opportunity of urging upon the members the usefulness of this department of our Club and Institute. We shall be very glad to receive suggestions on special subjects to be taught, and the way in which the instruction shall be conducted, so that the convenience of the members may be consulted, and their wants in this respect supplied. It has been suggested that a Reading Class shall be formed, for reading, recitations, and perhaps short discussions or debates on matters of interest. If a sufficient number of members are willing to join such a class it will be commenced at once.

V. The Scientific, Musical, and Literary Entertainments were given during the past year, as follows:

Wednesday evening, December 13, Lecture on "The Human Eye," illustrated by models, drawings and diagrams, by William W. Keen, M. D.

Wednesday evening, December 27, Amusing and Instructive Entertainment, "Ninety Minutes in Kweer Kompany," by Mr. B. F. Duane.

Wednesday evening, January 10, Lecture, "How we hear and how we talk," illustrated with experiments and stereopticon views, by Carl Seiler, M. D.

Wednesday evening, January 24, Reading and

Recitations from various authors, by George T. Barker, M. D.

Wednesday evening, February 7, Stereopticon Exhibition and Lecture, "Rome," by Messrs. William H. Merrick and William P. Pepper.

Wednesday evening, February 21, Concert of Vocal and Instrumental Music, under the direction of Madame Seiler, Principal of the "Philadelphia School of Vocal Art."

Wednesday evening, March 7, Lecture on "Food," with stereopticon illustrations of objects enlarged by the microscope, by Horace Binney Hare, M. D.

Wednesday evening, March 21, Stereopticon Exhibition of the Projecting Microscope, showing upon the screen remarkable illustrations of animal and vegetable life, enlarged by means of the microscope, by Mr. D. S. Holman.

Wednesday evening, Apri 4, Reading from the works of Charles Dickens, and other authors, by Francis Wells, Esq.

Wednesday evening, April 18, Stereopticon Exhibition and Lecture, "The Cathedrals of England," and other views, by Messrs. William H. Merrick and Samuel Wagner, Jr.

VI. The Yearly Beneficial Society has maintained its usual efficiency, and numbers two hundred and fifty members. It is now approaching the close of its seventh year, and by its steady success has given evidence of the excellent character of the plan on which it is conducted, while the careful and judicious

management of its officers and committees has commended it largely, and given it a high reputation.

VII. The Building Association has issued its fifth series of stock, and is in excellent condition. It ranks the first among the numerous building associations in the south-western portion of the city, and its stock is very greatly in demand. During the fiscal year ending October, 1876, $18,203.60 in cash was loaned, and at the close of that year the value of each share in the first series was $110.65.

VIII. The Coal Club is now somewhat more than three years old, and has supplied in all three hundred and fifty tons of coal, at low prices, to its members.

Your committee regret very much to be obliged to report that no steps have yet been taken to put up the building for the use of our Club and Institute as projected some time ago. The continued depression in business affairs has rendered it difficult to obtain additions to the building fund, and it has not been thought wise to begin the work without having a sufficient fund in hand to secure its completion. We must wait for a time longer, and, if the times improve, we hope to be able to carry out the project of building, if not precisely according to the plan prepared, at least in such manner as to secure for ourselves suitable accommodations for all the departments of our work.

In conclusion, we extend our thanks to all who have so kindly aided us in various ways during the past year.

By order of the Executive Committee.

JOSEPH M. CHRISTIAN,
Resident Secretary.

The Choir is under the personal supervision of the Organist and Choir Master, who devotes a portion of every afternoon to its instruction. The chorister boys are twenty in number. Fourteen of them are divided into seven classes of two each (those seated nearest the people in the Church being the highest), their pay and position in the choir depending on their conr duct and proficiency. The remaining six are probationers, and admitted to pay as soon as a vacancy occurs. They all are taught music free of charge, and receive special religious instruction on Sunday afternoons. Those on duty Sunday evenings have tea provided for them in the School Building. During nine months of the year the boys sing at the Daily Evening Prayer.

The Organist and Choir Master is glad to receive candidates, with good voices, from eight to twelve years of age. He may be seen in the Choir Room, in the second story of the School Building, west of the Church, daily, from 10 to 11 A. M., and from 5.30 to 6 P. M.

The Bells

The Bells of our Church have been made the subject of annoying and vexatious litigation during the past year. The facts of the case are simply recorded here as part of the current history of the Parish.

In January last Mr. George L. Harrison and others filed a bill in equity against the corporation, as we had been notified after the bells were ordered would be done when they were placed in the tower, praying that an injunction be issued to restrain us from using them. The case was heard in the Court of Common Pleas, No. 2, Judge Hare presiding, and on the 24 February, for the first time, it is believed, in the history of Christendom, a preliminary injunction was granted, forbidding a church the ordinary use of its bells for announcing its services. Under the advice of counsel an appeal was immediately taken to the Supreme Court of the State. After the case had been heard, the Supreme Court so far modified the injunction of the Court of Common Pleas as to allow us to ring our bells *only* for "the usual three Divine services on Sundays—forenoon, afternoon and evening," in a specified manner. The decree of the Court was in the following words:

"And now, June 14, 1877, the appeal having been fully argued and heard, it is ordered and adjudged

that the decree of the Court below be affirmed, and the injunction continued until final hearing, with the modification that the defendants are permitted to ring their chime of bells on Sundays, for five minutes, at thirty minutes before the time of the commencing of Divine service, and to ring the smallest bell alone for five minutes immediately before such time."

[Endorsed.]

"We dissent, for the reason that we do not think this a proper case for a preliminary injunction."

(Signed), Ulysses Mercur,
Ed. M. Paxson,
Jas. P. Sterrett.

Two days later the Court made the following order:

"And now, June 16, 1877, it is ordered that the permission accorded to the defendants below in the decree of this Court, June 16, to ring the chimes or bells, be limited to the usual three Divine services on that day—forenoon, afternoon and evening—and not to any early morning service."

A decree which silences our bells on all days but Sundays, and allows their use then only at specifically prescribed times and manner,* and precludes their use at all on Church and National festivals, (such as Christmas and Thanksgiving day,) and forbids their being tolled for funerals, in accordance with the immemorial usages of the Christian Church, and with

* Even the ringing of the bell for the Sunday School, which the children purchased with their little savings, is forbidden.

what has been, ever since the existence of this commonwealth, and is now the practice of other churches in this city, was felt to imperil so seriously the privileges which have hitherto been accorded to the Church in all Christian lands, that it was decided to ring the bells, as prescribed by a majority of the Judges of the Supreme Court, *under protest* until we can succeed in procuring the removal of the injunction.

It is difficult to understand how any Christian men could be induced to use their influence to silence the Church's means of calling people to prayer. One would think love for the Saviour and His Holy Word would make the voices of the bells, which summon people to the House of Prayer, sound like music in their ears. When they are silenced the Church has no other recognized means of annouucing its services, and awakening the attention of the thoughtless multitude who wander aimlessly about the streets of our cities to the duty and privilege of Christian worship. It seems impossible that this decree can be reaffirmed when the case is finally and more fully heard.

The Rector has on deposit four hundred and eighty-five dollars and twenty-four cents towards the purchase of the four bells to complete the peal, and the cost of one bell has been promised by a member of the Parish as a memorial to deceased children. Less than one thousand dollars additional will now secure to the Church one of the finest and most complete peal of bells in the country. The Rector will gladly receive donations for this purpose.

The Parish Library.

WALTER A. BUCHANAN, *Librarian.*

The Parish Library, now containing over four hundred volumes, is used constantly by those who attend the Mothers' meetings, as well as by members of the Parish and the older Sunday School scholars.

Since the last report a donation of twenty-five dollars has been received, and expended in purchasing books.

All donations of suitable reading matter will be thankfully received, and added to the Library.

The Library is open on Friday evenings at 7.30 P.M., and on Wednesday afternoons after Evening Prayer.

1878.

The Annual Reports of the results of the Parochial Work for the past year, herewith presented, afford gratifying evidence of the continued prosperity of the Parish. The offerings, notwithstanding the continued depression in business, have exceeded those of last year, and the number of communions made in the Church has been much larger than in any former year in the history of the Parish. To God's Holy Name be all the praise.

Annual Examination, Whitsun Tuesday, 3 June, 1879.

TWENTY-EIGHTH ANNUAL REPORT.

The Board of Managers of the Parish School, in again presenting their Annual Report to the congregation, are happy to say that the School is in its usually satisfactory condition. The attendance is nearly sufficient to fill the rooms; and the progress of the pupils is both gratifying to the Managers, and creditable to the Teachers, to whose ability and faithfulness it is due. There are at present on the roll sixty-four names, of which twenty-seven are boys, and thirty-seven girls. Twenty-five children are on free scholarships.

During the vacation, the school rooms, through special, generous contributions, have been renovated and much improved in many ways, and a wainscot added around both rooms. It is also important to paint the walls of the rooms, all of these improvements having been long needed, but the funds in hand were not sufficient, and the Managers now earnestly appeal to the members of the Parish for contributions to enable them to complete this work so well begun, and to make the school rooms more sightly as well as more useful. They would urge the congregation to visit the School, and see for them-

selves the good work which is so quietly and simply going on there, hoping that through the interest thus awakened, means may be put at the disposal of the Managers to extend the usefulness of the School to those neglected children who would not otherwise come under the care of the Church.

ANNUAL REPORT

OF THE

Industrial School for Girls.

In giving a report for the school year just closed, it will be gratifying to those interested in this branch of Church work to know that there has been a greater number of scholars, and consequently more sewing done than last year. We hope that next winter may be even still more prosperous. The School now numbers seven teachers and eighty scholars, with an average attendance of about sixty. One hundred and fifty-two articles made by the children were sent to the Indians' Hope Mission. The financial condition of the School is as follows:

By Subscriptions, ...		**$91 32**
To Cash paid for Materials, &c.,	**$22 31**	
" Reward Cards, . . .	4 70	
" Prizes, ...	18 38

The Mothers' Meetings.

TWENTY-SEVENTH ANNUAL REPORT.

MRS. WILLIAM ELLIS, *Superintendent.*

MRS. H. G. CLAY, MISS ESTHER K. BOWEN,
MISS EMILY WAGNER.

The Mothers' Meetings have been very successful during the past year. They had over *one hundred* members, with an average attendance of *seventy-five*. The Managers take pleasure in reporting a great improvement in the interest taken by the mothers in these meetings, and their enjoyment of their privileges.

Through the kindness of a few friends, the Managers were enabled to pay the women a small sum for garments made in the meetings. Many of the women, who are too poor to purchase them in any other way, were enabled to procure articles of clothing for themselves and their children. About four hundred garments were thus made and purchased. The Managers ask donations for this fund for the coming winter.

By the aid of the Communion Alms, coal was again furnished to the most needy at reduced price, and paid for in weekly instalments. This plan has been found to answer much better than giving coal free of cost. The coal when paid for, even at the reduced rate, is more carefully husbanded, and the women are also taught to rely on themselves.

The meetings enjoyed the constant weekly care and instruction of one of the clergy, whose ministrations were highly prized.

NINTH ANNUAL REPORT.

The Board of Managers of the Employment Society again offers to its subscribers and friends a report of the work accomplished in the last season. Never, during the past few years of business depression, has the particular aid given by this Society been so greatly needed by the poor of the Parish, or so thankfully received. The value of the habit of industry, fostered by certain weekly work during the winter, has been beyond estimate, not to allude to the spark of hope thus kept alive, when almost every other avenue of employment was closed. With the continued needs of Christ's poor still before them, and the demands upon the Society

at least as great as ever, the Managers would most earnestly urge upon every member of the congregation the importance of prompt co-operation in this good work, reminding each that, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

TWENTY-SECOND ANNUAL REPORT.

"The Ladies' Missionary Aid Society," in discharging the trust placed in its hands, of providing for the comfort and help of the more needy clergy of the Church, would first most cordially thank the many helpers in this work—those who, by generous subscriptions and donations, enabled others to give their time and labor; and those who remembered the Society in their prayers, as well as by their alms.

The record of the good and gracious work done can best be known through the touching words of the aided ones.

One afflicted Clergyman, by reason of his blindness, dictates in a letter to the Rector: "Through your kind notice of me to the Ladies of St. Mark's, a prompt and most generous response has been given. You will permit me to thank you with all my heart for this expression of sympathy. Truly does it lighten my burden to know that I have loving hearts and willing hands to aid me in my trouble." And his wife writes: "What can I, what shall I say to the good Ladies of the Society, that will give them even a faint conception of our gratitude. How they could in so short a time make up such an elegant box seems wonderful. I could fill pages enumerating the nice and useful things sent." Another Missionary writes: "Words are not fully adequate to express, as I wish

to express my sense of gratitude to the Missionary Aid Society, and good people of St. Mark's Church, for this timely aid, as the result of their generous labors of love." To the little son of this clergyman, the children of the Parish School enclosed a silver dollar in a small purse, and of this pleasant gift his mother says: "H. is perfectly delighted, and has been walking about the house alternately displaying the silver and returning it to his pocket. The little folks may feel assured that he appreciates their gift, and thanks them for it."

The box sent to the Yankton Agency, for the Indian children, was partly filled by the children of the Sewing School with their nicely made little dresses, aprons, flannel skirts, &c.

The usual hearty response from Nashotah comes to the Society, filled full with thanks for the much needed aid.

Five boxes were sent this year, valued at six hundred dollars; and if, in the straitness of the times, so much was done, may we not offer most glad thanksgivings to the Dear Lord, and pray Him to give us the will and the power to do yet more in the future?

Donations of money and materials will be thankfully received by any of the officers of the Society; or may be sent to the School House on Thursday mornings, between Epiphany and Easter.

EIGHTH ANNUAL REPORT.

The Altar Society of St. Mark's Church presents to its subscribers and friends its Eighth Annual Report. It reminds the congregation that its work consists in:—

1st. Caring for and renewing the Altar Furniture, Vestments of the Clergy and Choir of St. Mark's Church, and other fittings of the Chancel, which belong to the due and reverent performance of Divine Service. The flowers for the decoration of the Altar on Sundays and Holy days are provided by special subscriptions for the purpose.

2d. Assisting feeble parishes, as far as possible, in making suitable provision for the worship of the sanctuary.

It gratefully acknowledges the receipt, during the past year, of Seven hundred and thirty-eight dollars and fifty-nine cents.

The following will show what has been accomplished in the past year:

26 Clerical Surplices,
23 Stoles,
5 Cassocks,
1 Alb,
2 Amices,
9 boxes of Altar Linen,
1 Violet Silk Chalice Veil,
1 White Altar Cloth,
1 Red Altar Cloth,
2 Red Pulpit Falls,
1 White Pulpit Fall,
1 Violet Funeral Pall,
1 Set of Book Markers,
3 Red Alms Basin Mats,
1 White Banner, embroidered, and presented to St. Mark's Sunday School.

Many of these have been donations from the Society to feeble parishes in remote and destitute Missionary fields. Vestments and Altar Linen have been sent, during the past year, to the following Dioceses:

Albany,	**Massachusetts,**	**North Carolina,**
Central Penn'a,	**Mexico,**	**Ohio,**
China,	**Minnesota,**	**Oregon,**
Delaware,	**Nevada,**	**Pennsylvania,**
Indiana,	**New Jersey,**	**Pittsburgh,**
Maine,	**New York,**	**Wisconsin,**
Maryland,	**Niobrara,**	**Wyoming.**

The Society relies entirely on subscriptions for the means to do its work. Active members pay at least One dollar per annum; Honorary members not less than Three dollars per annum. It earnestly asks the active co-operation or a subscription from every member of the Parish.

Special attention is called to the work of the Embroidery Committee. Feeble parishes who can collect sufficient money to pay for the materials can have work done gratuitously; but a fund is greatly needed to meet the appeals of destitute *Mission* stations. This committee, therefore, earnestly asks liberal contributions for its special branch.

A new set of Cassocks and Surplices is immediately needed for the use of our Choir. Contributions for this purpose are particularly solicited.

All orders for Vestments and Altar Linen may be sent to Mrs. Ephraim Clark, 247 South 18th Street.

All orders for Silk Embroidery may be sent to Miss E. D. Wagner, 1819 Spruce Street.

All subscriptions and donations for the Society, or for any of its branches, should be sent to Mrs. George M. Conarroe, Treasurer, 1415 Spruce Street.

J. P. W. Ross,
Secretary.

EIGHTH ANNUAL REPORT.

The design and work of St. Mark's Working Mens' Club and Institute have been so fully described in former reports in St. Mark's Year Book, that no repetition seems now necessary. For the information of those members of the Parish who are interested in this important branch of the parochial work, it may be stated that the methods already established for the well-being and improvement of the members have been fairly sustained through the last trying year. The only modifications which it has seemed desirable to make for the coming winter are, the dispensing with the Night Schools (the generally enlarged facilities in this respect now supplied by public schools and institutes affording the men more available opportunities), and the discontinuance of the Coal Club, a source of assistance which answered its purpose well before the present largely reduced rates in the price of coal.

The pressure of the times has, of course, diminished the gross membership—many not being able to keep up the small monthly due of twenty-five cents. Still there are now one hundred and sixty-five members in full standing. With the revival of better times, this number will undoubtedly approach the former much higher figures.

The Library, now containing about 1,600 volumes, yearly increased by judicious selections, and the Reading Room, continue to supply a steady demand, and serve a most wholesome purpose. The Recreation Room fills in a pleasant hour for its never-lacking patrons.

The usual variety of Lectures and Entertainments, most of them supplied by former generous volunteers, was appreciatively attended the last winter.

The Treasurer's account for the last year presents a pleasing side, in the fact that the dues paid in by the members ($628.65) are in excess of the previous year. On the other hand, owing to the falling off of subscriptions from friends of the Club, and a diminished yearly offering in the congregation, there is a deficiency of $400. Surely a work so useful and, all things considered, so successful, ought not to suffer from this embarrassment, which a few liberal gifts would remove.

We cannot close this report without a sorrowful remembrance of the great loss which the Club has lately sustained in the death of its devoted and efficient Resident Secretary, Mr. Joseph M. Christian. May God raise up, in His good time, to take his place, one who will tread as well the path of duty, and prove as helpful to his fellow-men.

The Choir is under the personal supervision of the Organist and Choir Master, who devotes a portion of every afternoon to its instruction. The chorister boys are twenty in number. Fourteen of them are divided into seven classes of two each (those seated nearest the people in the Church being the highest), their pay and position in the choir depending on their conduct and proficiency. The remaining six are probationers, and admitted to pay as soon as a vacancy occurs. They all are taught music free of charge, and receive special religious instruction on Sunday afternoons. Those on duty Sunday evenings have tea provided for them in the School Building. During nine months of the year the boys sing at the Daily Evening Prayer.

The Organist and Choir Master is glad to receive candidates, with good voices, from eight to twelve years of age. He may be seen in the Choir Room, in the second story of the School Building, west of the Church, daily, from 10 to 11 A. M., and from 5.30 to 6 P. M.

The Bells.

The hope expressed by the Rector, in the last Annual Report of the Parish, that sufficient might be contributed to complete our Peal of Bells, was soon realized. We were enabled to order the four remaining bells at the beginning of the year. They arrived from London on the twenty-sixth day of April, by the steamer "Caspian," and were immediately hung in the tower, and rung for the first time on the Third Sunday after Easter (12 May), 1878. The cost of these four bells, including freight and expense of hanging, was $1,986.83. In perfect tune with those already there, they now make one of the finest and sweetest Peals in this country.

The Supreme Court of the State, in January last, so far modified the preliminary injunction against the bells as to allow them to be rung for a few minutes on Washington's Birthday, the Fourth of July, Christmas Day, the Feasts of the Circumcision, Epiphany, Ascension and All Saints, and on Ash Wednesday, Good Friday, and on Thanksgiving Day; also at Weddings and Funerals. The bill for a permanent injunction, we regret to say, is still in the courts.

The following are the inscriptions on the new bells:

Fourth Bell, Weight 867 pounds.

A. D. 1878.

In memory of
Marie Louise Moon,
Who died 20 April, A. D. 1861, aged 8 years.

Without fault before the Throne of God.

Third Bell, Weight 788 pounds.

A. D. 1878.

In memory of
Mrs. Elizabeth Bowen,
Who died 8 Jan., A. D. 1875, aged 63 years.

O ye Spirits and Souls of the Righteous, bless ye the Lord.

Second Bell, Weight 646 pounds.

A. D. 1878.

The Marriage Bell.

Those whom God hath joined together, let not man put asunder.

The Treble Bell, Weight 623 pounds.

A. D. 1878.

The Festival Bell.

My mouth shall speak the praise of the Lord.

ANNUAL REPORTS

OF THE

VARIOUS DEPARTMENTS

OF THE

PARISH WORK

OF

St. Mark's Church,

PHILADELPHIA.

ADVENT,

1879.

The Annual Reports of the Parochial Work for the past year are herewith presented to the congregation. The Rector, while regretting the long delay in the appearance of this present Year Book, is yet moved to say that the large press of duty which has come upon him since his recent connexion with the Parish, has prevented an earlier attention to its compilation. It is now sent out with his best wishes and hopes for the continued prosperity of St. Mark's Parish.

EPIPHANY, 1880.

NOTE.—The Officers and Committees of the various Societies are always those holding their positions at the time the Year Book is issued, while the reports are, of course, those for the year just past.

Annual Examination, Whitsun Tuesday, 18 May, 1880.

TWENTY-NINTH ANNUAL REPORT.

In presenting their Annual Report, the Managers of the Parish School thank those members of the congregation who have aided them in supporting the School during the past year. There are now on the roll the names of 31 boys and 34 girls, making the total number 65, of whom 22 are on free scholarships. The children have shown great interest in their studies during the year; and the managers are particularly glad to commend their attentive conduct, both in Church and School. It also affords them much pleasure to report favorably of the Teachers, who maintain, as heretofore, the same good discipline, and are very faithful in the performance of their duties.

The managers earnestly beg the members of the Parish to provide as many Free Scholarships ($10.00 a year) as they can. The continued difficulty in finding steady employment among the laboring classes, makes it very important to extend the blessings of Church education to as many children as possible, by means of these scholarships. Those who visit the School constantly, can testify to the great advantage of this training for children thus protected

from the promiscuous influences of the public schools.

Through the kindness and liberality of some members of the Parish, the painting and repairing of the walls of the School Rooms have been done. The much needed improvements are thus completed, and the contributors will find the rooms in suitable order for the autumn work.

The Board of Managers wish to express their regret in losing the aid of their former Rector, Rev. Dr. Hoffman, whose judgment and co-operation were ever valued, and who always took great interest in the School.

The managers again earnestly beg *all* the members of the Parish to bear this important branch of the Church's work in mind, that by their liberal contributions the good influences of the School may be constantly extended.

NINTH ANNUAL REPORT.

The Altar Society of St. Mark's Church presents to its subscribers and friends its Ninth Annual Report.

In the year just closed, a large amount of work has been accomplished, of which the following list gives the items:—

FOR ST. MARK'S CHURCH:

2 Clerical Surplices, 28 Choristers' Surplices,
4 Pieces of Altar Linen.

FOR OTHER CHURCHES:

25 Clerical Surplices,	1 White Altar Cloth,
8 Stoles,	1 Green Altar Cloth,
4 Cassocks,	1 Red Super Frontal,
11 Boxes of Altar Linen,	4 White Orphreys,
4 White Stoles,	1 White Pulpit Fall,
1 Violet Silk Chalice Veil,	1 Red Pulpit Fall,
1 Violet Silk Burse,	1 Red Lectern Hanging,
4 Red Alms Basin Mats,	1 Set White Book Markers.

A very handsome Violet Memorial Funeral Pall was made by the Society, and presented to St. James' Church by an honorary member.

Many of the above have been donations from the Society to feeble parishes in remote and destitute Missionary fields.

Vestments, Altar Linen and Embroidery have been sent, during the past year, to the following Dioceses:

Central Penna	Louisiana,	New York,
Colorado,	Maine	Oregon,
Florida,	Maryland,	Pennsylvania,
Georgia,	Massachusetts,	South Carolina
Hayti,	Minnesota,	Texas,
Illinois,	Nebraska,	Utah,
Iowa,	New Jersey,	Western New York.

The Altar Society gratefully acknowledges the receipt, during the past year, of Nine hundred and sixty-four dollars and twenty cents. The Society relies entirely on subscriptions for the means to do its work. Active members pay at least One Dollar per annum; honorary members not less than Three Dollars per annum. It earnestly asks the active co-operation, or a subscription, from every member of the Parish. It would, at the same time, call attention to the great importance of more volunteer workers for the Embroidery Committee. One great object of this branch is almost entirely defeated by this want. Feeble Churches constantly offer sufficient money to buy their materials; and if ladies would conscientiously devote part of their time to this work for the Church, funds now required to pay for this embroidery could then be devoted to assisting other feebler parishes, and thereby greatly extend its usefulness.

The Society cannot refrain from an expression of its sense of the loss it has sustained in the removal, to another field of labor, of its late President, the Rev. Dr. E. A. Hoffman. His constant interest in the Society, added to his judicious counsel and con-

stant liberality, were always gratefully appreciated, and are already much missed.

All orders for Vestments and Altar Linen may be sent to Mrs. Ephraim Clark, 247 South Eighteenth Street. Orders for Silk Embroidery may be sent to Miss E. D. Wagner, 1819 Spruce Street.

All subscriptions and donations for the Society, or for any of its branches, should be sent to Mrs. George M. Conàrroe, Treasurer, 313 South Sixteenth Street.

TWENTY-THIRD ANNUAL REPORT.

Once more "The Ladies' Missionary Aid Society" presents its report of stewardship committed to its charge; and again tells to its faithful friends the story of relief, of comfort, of joy, and gratitude.

A voice from Oregon says: "Please present our most heartfelt thanks to the ladies of your Society for their kind consideration of our wants. May God abundantly bless them in this their labor of love."

Another writes: "We thank you a thousand, thousand times. Every thing that the box contains is so nice, and so many things for our comfort. How much trouble and expense you were at on our account."

One more letter speaks thus: "I want to add my sincere thanks, with my husband's, for all the interest and kindness manifested in the arrangement and sending of the box. How good and thoughtful all the kind friends were. How very much we thank them would be hard indeed to express. Such exceeding liberality and tender sympathy we do value, and would endeavor, though feebly, to convey to you our sense of it. You understand the sweet blessedness of giving. May He, for whose dear sake you labor, bless and prosper you in your 'basket and in your store,' and in all that brings peace and joy to each faithful believing heart."

Dr. Cole responds in these words: "The box has arrived in good order. I can only repeat to you my heartfelt thanks for the valuable help your Society gives us in our work at Nashotah. It is by no means an unimportant item in the yearly expense of our work of preparing young men for the Holy Ministry, to provide them with suitable raiment."

Six boxes were sent this year, valued at nine hundred dollars.

Through the legacy of the late Mrs. William Rush, the Society was enabled to prepare more largely than usual for the comfort of the faithful servants of the Church. Her loving kindness for all in need or trouble will be held in grateful memory.

We cannot close our record of the past year without loving mention of the earnest, efficient, devoted interest, in all the work of this Society, of the late Rector and his wife. We pray for richest blessings to follow them.

The Society meets in the School House, on Thursday mornings, between Epiphany and Easter, where donations in money and materials will be thankfully received.

TENTH ANNUAL REPORT.

The Board of Managers of the Employment Society once more present their annual report of the work accomplished this season. The record has much to encourage, that in the midst of great depression in business our charities have not been so reduced but that many poor and needy ones have been aided and comforted by the small sum earned each week.

We therefore can only continue our earnest plea for greater effort in subscriptions and donations, that the work may go on with larger means and more substantial help to those so greatly needing all that can be done for them,—many of whom express warm gratitude for the kindness shown in enabling them to help themselves.

But our annual report is given this season with feelings of unusual sadness and regret. Originating,

as this Society did, with its First Directress, Mrs. Hoffman, and carried on as it has been by her energy, devotion and faithfulness, her fellow workers cannot, without deep pain, remember that she is going from them to another sphere of duty elsewhere; that she will not again give them her counsel, her sympathy, her cheerful aid, her rare ability for this work. We can only pray that every blessing from the great Head of the Church may go with her, and be with her always.

The Managers report the following work accomplished this season:

Number of Articles made, . . .	1,038
" " " sold, . . .	1,255
" " Permits given, . . .	1,176
" " Women employed, . . .	51

A variety of garments and other articles will be found for sale always at the Society's Rooms, in the School House, on Wednesdays, from 9.30 to 11 A. M.

THE TWENTY-EIGHTH ANNUAL REPORT

OF THE

Mothers' Meetings.

MRS. W. ELLIS, *Superintendent.*

Aids:

MRS. H. G. CLAY, MISS PENNOCK,
MISS EMILY WAGNER, MISS ASH.

This Meeting has been carried on as usual during the past season. The Managers take pleasure in reporting the good they feel has resulted from these gatherings. The pleasant social hours passed by the mothers in sewing, while some interesting book is read aloud, is much appreciated by them. Material is sold them at cost prices for garments, which they make in the meetings, and pay for in instalments. Books are loaned them, and at the close of the evening the religious services are held, conducted by one of the clergy of the Church. The system here acted upon, of helping the poor to hel themselves, is found very efficient. Those cases of extreme need that come under the observation of the Managers are aided from a fund provided by the kindness of a few members of St. Mark's.

By the aid of the Communion Alms, coal was again furnished to the most needy at reduced price, and paid for in weekly instalments. This plan has been found to answer much better than giving coal free of cost. The coal when paid for, even at the reduced rate, is more carefully husbanded, and the women are also taught to rely on themselves.

REPORT.

The general character of this organization, and the special purposes of its work, are so well known to the members of St. Mark's Parish that it is not necessary to submit, at this time, any detailed statement of its operations for the past year. Working Men's Clubs and Institutes have by this time become well established institutions in this country; their value has become well known, and their usefulness generally recognized. Our own, the first established on this side of the Atlantic, is the one which has served as a guide to nearly all the rest, and after which, in their main features, they have been modeled. Its maintenance and efficient conduct, therefore, not only secures the continuance of a work which is doing much good in the locality in which it is situated, but also the development of a scheme of much larger usefulness, by giving encouragement and aid to the establishment of other organizations of the same kind.

It is a matter of great satisfaction to be able to report that a New Building for the use of the Club and Institute has been begun on the lot of ground on Seventeenth Street, below South Street, bought for the purpose some years ago. The plan of building a Church or Chapel, according to the design then

made, has been abandoned, because it was not found practicable to obtain money for the purpose; and there being no prospect of carrying out the plan in the future, it was decided to sell the portion of the ground intended for that purpose, rather than to hold it longer at a heavy annual expense. As the original plan contemplated the two buildings under one roof, and so connected that neither could be completely built without the other; and as no satisfactory modification of the plan could be made to reduce the expense of the building, a new plan was obtained from the designs of Mr. Charles M. Burns, Jr., Architect, for a substantial brick building, and at a cost within the limits of our means. The fund in hand now is not sufficient to pay in full for the building, and it will be necessary to have an additional sum of five thousand dollars, or else to place a mortgage on the building for a portion of the cost of it. But, as it was estimated that the building and ground together would represent a value of about $15,000, and the rental of the stores and upper rooms would be sufficient to pay the taxes and the interest on a mortgage, it was decided, in September last, to build without further delay. By doing so, the Club and Institute will be put in possession of a building especially adapted for its use, without having to pay any rent; and a great deal of money will be saved by having made the contract at a time when the price of all building materials was exceptionally low. The building is now under roof, and will probably be

finished and ready for occupation before next summer. It has a front on Seventeenth Street of 34 feet, and extends in depth westwardly along Kater Street 92 feet, and is three stories in height. On Seventeenth Street, there are two stores, each 16 x 25 feet. The entrance to the building is on Kater Street, and on the first floor, on the right of the entrance, there are two rooms for the use of the Club, one, 32 x 35 feet, is to be used as a recreation room, where billiards and other games may be played, and the other, 18 x 32 feet, may be used as a conversation room, and also, at stated times, for the meetings of the Beneficial Society, the Building Association, the various Committees, or for Classes of Instruction. On the second floor, in the front, is a room 23 x 30 feet, to be used as a Library and Reading Room; and at the back is the Lecture Room or Hall, which is 32 x 57 feet in size, with an arched ceiling 20 feet in height, and seating capacity for about three hundred and fifty persons. On the third floor front are three rooms, which may be occupied by the Resident Secretary or other officers or employees of the Club; or they may be used for meetings, or for classes of instruction. In the basement a suitable space has been provided for bowling alleys, and also for baths.

With the occupation of the new building, St. Mark's Working Men's Club and Institute will certainly begin a new era in its existence; and it is hoped that it will enter upon a season of prosperity such as it has never enjoyed before. If the money

shall be provided to pay in full for this new building, the Club and Institute will not only be on a self-supporting basis, but will have money in hand each year to make improvements in the building, and carry on its work on a larger scale. It earnestly appeals, therefore, to the people of St. Mark's, for liberal subscriptions to the building fund, that sure provision may be made for its future success, by placing it in such a position that it will be able to carry on all its work with the income derived from the dues of its own members.

The Choir is regularly trained, and the boys instructed in music by the Organist and Choir Master, Mr. Mills, who devotes a portion of every afternoon to that work (with the exception of Saturdays). The chorister boys are at present eighteen in number, and their general conduct and spiritual welfare are under the special charge of the Rector's Assistant, the Rev. C. H. Hibbard. The boys are all taught music free of charge, and receive special religious instruction. Those on duty on Sunday evenings, have tea provided for them in the choir practice room in the school building.

During the season from November to May, the boys sing at the daily prayers, and it is earnestly hoped that gentlemen possessing a knowledge of music and ability to sing, will lend their efforts by augmenting the choir at these services.

Mr. Mills will be glad to receive candidates (both boys and men) for the Sunday or week-day choir, any day after the five o'clock evensong; or letters may be addressed to him at the Choir Rooms.

Annual Examination, Whitsun Tuesday, June 7, 1881.

THIRTIETH ANNUAL REPORT.

The record of the School during the past year has been most satisfactory to those who have had its interests at heart, and the Board of Managers take pleasure in presenting so favorable a report to the congregation.

The same good discipline is maintained, and the teachers deserve much credit for the manner in which the children are taught to conduct themselves, both in Church and School, and also for the marked improvement in their studies during the past year.

There are now on the roll the names of 28 boys and 37 girls, making a total number of 65, of whom 24 are on free scholarships.

The managers thank those who have aided them during the past year, and earnestly beg *all* the members of the Parish to contribute, according to their ability, towards the support of the School. Free Scholarships ($10.00 a year) are solicited; and annual subscriptions of $5.00, or donations of any amount, will be very acceptable.

The friends of the School may be assured that whatever aid they give towards its work is carefully and prudently expended.

Some improvements about the Rooms and the Building have been made, which largely add to the comfort of the children and convenience of the School.

The children are regularly catechized every Friday morning, publicly in Church, and are carefully taught and trained by the Clergy of the Parish in all such things as a Christian ought to know to his soul's health. They are also instructed each week in singing, by the Rev'd Mr. Hibbard.

TENTH ANNUAL REPORT.

Once more The Altar Society of St. Mark's Church presents its annual report, at the close of ten years of diligent work. Beginning in the year 1871, with a small band of earnest workers, for the purpose, more particularly, of caring for the special needs of our own Parish, the work, as time has gone on, has widened in every direction. It now gladly reports to the members of St. Mark's, that there is scarcely a diocese in the United States some of whose parishes have not been aided by this Society, as well as some beyond our own borders, even to Canada, China and Hayti.

As formerly, it again reminds the congregation that its work consists in :—

1st—Caring for and renewing the Altar Furniture, Vestments of the Clergy and Choir of St. Mark's Church, and other fittings of the Chancel which belong to the due and reverent ministration of Divine Service. The Flowers for the decoration of the Altar on Sundays and Holy Days are provided by special subscriptions for the purpose.

2d—Assisting feeble parishes, as far as possible, in making suitable provision for the worship of the sanctuary.

With gratitude, the Society acknowledges the receipt, during the past year, of Fourteen hundred and eighty-two dollars and twenty-four cents. The

amount of work accomplished in the year just past is as follows :—

35 Clerical Surplices,	2 Red Altar Cloths,
4 Cassocks,	1 Violet " "
29 Choir Cassocks,	2 Violet Pulpit Falls,
30 Cottas,	3 Green " "
2 Chasubles,	3 Red " "
1 Alb and Girdle,	1 White Chalice Veil,
8 Boxes of Altar Linen,	1 Green " "
9 Black Stoles,	1 Red " "
5 White "	1 White Burse,
3 Green "	1 Green "
3 Violet "	1 Red "
3 Red "	1 Large Altar Mat,
6 Sets of Book Markers,	2 Small " "
4 Pairs Altar Book Markers,	4 Red Alms Basin Mats,
1 White Sermon Cover,	4 White " " "

Vestments and Altar Linen have been sent, during the past year, to the following dioceses :—

Central Pennsylvania,	New Hampshire,	Tennessee,
Illinois,	New Jersey,	Virginia,
Iowa,	New York,	Wisconsin,
Kansas,	Pennsylvania,	Maryland.
Springfield,		

Special contributions were given for a new set of cassocks for our own Choir, which were made up through this Society.

The Society relies entirely on subscriptions for the means to do its work. Active members pay at least one dollar per annum ; honorary members not less than three dollars per annum. It earnestly asks the active co-operation, or a subscription, from every member of the Parish.

All orders for Vestments and Altar Linen may be sent to Mrs. Ephraim Clark, 247 South Eighteenth Street. All orders for Silk Embroidery may be sent to Miss E. D. Wagner, 1819 Spruce Street.

All subscriptions and donations for the Society, or for any of its branches, should be sent to Mrs. George M. Conarroe, Treasurer, 313 South Sixteenth Street.

TWENTY-FOURTH ANNUAL REPORT.

The Ladies' Missionary Aid Society makes its twenty-fourth annual report with continued thanks to its many friends and helpers. The workers in this labor of love sent forth their well filled boxes very promptly this season, and have been abundantly cheered and gratified by the grateful response from those thus aided.

Nashotah's reply comes to us thus: "It is a most valuable and useful box. I welcome it with great joy as a token of the continued interest of the Ladies' Missionary Aid Society of S. Mark's Church in Nashotah and its work. Such encouragement is gratefully appreciated amid the anxieties and difficulties attendant upon the charge of an enterprise of faith. We thank God and take courage whenever anything comes from S. Mark's Church."

Our letter from Faribault says: "Please accept the assurance of our sincere thanks for this most generous and valuable gift. The articles for the hall, and those for the students, are all excellent, well chosen, and sure to be very useful. May your Society be richly blessed by the 'Everlasting Captain of the Missionary Work.'"

Subscriptions and donations, amounting to Three hundred and ninety-six dollars, with contributions of materials and made-up clothing, enabled us to send three boxes, valued at Five hundred and twenty-six dollars.

The Society asks the renewed generous and hearty interest of the Church. Gifts of money and materials may be sent to any of the officers of the Society, or to the School House, on Thursday mornings, from Epiphany to Easter.

ANNUAL REPORT
OF THE
Industrial School for Girls.

On the second Saturday in November the School was again opened, and continued its sessions until April 3d, the first week in Easter. There were six teachers and fifty-six scholars on the list, with an average attendance of thirty-five. One hundred and sixteen articles of clothing were made, and sent, by permission of the Rector, to St. Christopher's Hospital for Sick Children.

The object of this School is to teach the children habits of industry, by sewing and ordinary needle-work. It meets each Saturday, from 10 to 12 A. M., in the School Rooms.

ELEVENTH ANNUAL REPORT.

The report of the eleventh year of the Employment Society's work is, as usual, one of mingled regret and gratification; regret, that it could not meet all the demands of the poor for much needed help, and gratification that at least a few have been aided and comforted.

May we earnestly beg the members of the Parish to give us larger means next season to increase the number of permits to the women who so anxiously seek this work for the support of their families.

The managers report the following work accomplished this season:

Number of Articles made,	890
" " " sold,	1,074
" " Permits given,	1,058
" " Women employed,	50

A variety of garments and other articles will be found for sale always, at the Society's Rooms, in the School House, on Wednesdays, from 9.30 to 11 A. M.

THE TWENTY-NINTH ANNUAL REPORT

OF THE

Mothers' Meetings.

The Managers of the Mothers' Meeting of St. Mark's Church, with pleasure offer this, their twenty-ninth annual report of its continued existence and usefulness.

During the past season its meetings have been regularly held each week, with an average attendance of about forty members. These greatly enjoy the meetings; and the time passed in pleasant intercourse with each other and the ladies in charge, is, we trust, profitable to many. Material for clothing has been furnished at cost price, which the women make up in the meetings, and are permitted to pay for in instalments, thus helping them to obtain necessary clothing for their families. At the close of each meeting a short religious service is held, and an address made by one of the clergy, the Rev'd Mr. Hibbard.

In connection with the meeting is a library, the use of which is much prized by the mothers, but unfortunately this is in a very low condition. Donations towards this object would be thankfully received, either of books suitable for the women to read, or of money, that may be used in the purchase of new books.

Donations towards our coal fund, to aid in the purchase of fuel, to be given at lower rates to the members, and of old clothes, particularly for children or men, would be of very great assistance.

REPORT.

Since the report of last year, the New Building at the south-west corner of Seventeenth and Kater Streets has been finished, and the Club entered into possession of it on Monday, the 28th of June, 1880. The Building has been found well adapted for use in every way, and the enlarged space and increased facilities for carrying on the various departments of the Club and Institute, have served to add already more than fifty per centum to the number of members, and to increase very much the interest of all connected with it. The Vice President, the Rev. George McClellan Fiske, has established his library and study in the building, and devotes himself very largely to the interests of the Club.

Thus securely settled in a building especially designed for its use, and carefully arranged both as to plan and details of furniture, with a view to all its requirements; with an active and energetic executive committee, and with a rapidly increasing membership, the Club and Institute enters upon a new era in its life. That it has been enabled to reach this point is largely due to the valuable support and assistance of those who have provided the money to put up the new building; and to all who have contributed to the building fund, the executive committee extend their sincere thanks. There will be needed still, to

pay for certain additional work, and for furniture, about one thousand dollars. This is now in the shape of a "floating debt," but when that is paid, and the stores rented, the Club will be entirely self-supporting.

The details of the operations of the Club and Institute during the year will appear in the annual report, which will be prepared and presented at the anniversary on St Mark's Day.

It is expected that during the coming winter the work of the Club, in all its departments, will go on very actively, and there will be needed the active sympathy and assistance of all the people of St. Mark's who are interested in it. The Building is open every evening, from 7½ until 10 o'clock, and can also be seen during the day. All who feel interested in the matter are cordially invited to come and see it.

REPORT.

The Choir, as at present constituted, consists of nine paid and nine probationer boys, together with two paid and twelve volunteer gentlemen. The probationers are new boys being taught the services and how to sing, who attend the instruction lessons and practices, the same as the paid boys; and it is from their ranks that all vacancies are filled.

Since the last report, the Choir has lost eight boys and five men, among the latter two professionally engaged singers. Mr. William Bradshaw has been engaged, but the other two vacancies have not yet been filled. The Choir is therefore at present without the support of any second bass at all, or a tenor for the decani side.

The duties of the Choir are as follows: To attend the services on Sundays, at the morning, afternoon and evening services; at the morning services on Christmas, Circumcision, Epiphany, Ash Wednesday, Good Friday, Ascension, St. Mark's, All Saints, and Thanksgiving Days, and at the service of the annual Confirmation.

It is greatly to be desired that gentlemen of the congregation, with good voices, should interest themselves in the music of the Church, and become active members of the Choir. Mr. Mills will be

pleased to meet any gentlemen with reference to joining the Choir, any day after the evening prayers.

The Choir has been vested in new cassocks the past year, which were sadly needed. New cottas are now also being made up by the Altar Society. The old cassocks were presented to the Church of the Evangelists, in this city; and some of the old cottas have also been donated to St. George's Church, Cardington, West Philadelphia.

Public Services in Church,	982
Number of Sermons and Lectures,	162
Celebrations of Holy Communion, in Church,	274
" " " in Private,	42
Number of Families in Cure, estimated,	500
" Individuals " "	2200

*NOTE.—It is thought, after a careful reckoning, and after allowing liberally for all removals from the parish, and all transfers to other cures, that this represents somewhat accurately the number of communicants now attached to S. Mark's.

NOTE.—In making the above enumeration of the public services, and the priestly offices rendered by the clergy of the parish during the year, it is but right to make thankful mention of the constant aid received from the Rev. Dr. James W. Robins, so long and so well known to the congregation. Though prevented by his official duties, as Head-Master of the Episcopal Academy and Registrar of the Diocese, from taking any actual connexion with this, or with any parish, yet the clergy of S. Mark's have repeatedly received his kind and voluntary assistance, in the saying of the daily public offices of the Church, and chiefly in the many important ministrations of the Lord's Day. The Rector is especially glad thus to put on record his own large debt of gratitude to Dr. Robins, and to express his warm appreciation, as also his great affection and regard.

ADVENT,

1881.

To the Parishioners of S. Mark's.

The Year-Book, containing the Annual Reports of the Parochial Work for the past year, with other items of general interest, is herewith again presented to the congregation by the Rector. A few changes may be noted in it,—specially the omission of the several long lists of donors of money. It is thought the publication of these is neither desirable, nor edifying, nor right. Some suggestions have also been ventured, as to improvements which might be made at S. Mark's. Since 1876 these Annual Records have thus been printed. May they ever prove a Record of progress, of increased activity, and of permanent gain!

Annual Examination, Whitsun Tuesday, May 30, 1882.

THIRTY-FIRST ANNUAL REPORT.

The managers again take pleasure in presenting their report of the School. The Whitsun-Tide Examination showed a marked improvement in the various studies; and the conduct of the children, during the year, was generally reported satisfactory.

The School roll has at present the names of 61 children, of whom 26 are boys and 35 girls, with an average attendance of 44 scholars.

The teachers take a deep interest in the moral as well as mental training of the children, and they are exceedingly conscientious in the performance of their duties.

The managers gratefully acknowledge the aid extended them by those members of the Parish who have contributed towards the support of the School, and trust that *all* who have not heretofore done so may help them in carrying on one of the most important branches of the Church work. Free scholarships ($10.00 a year,) are earnestly solicited. Annual subscriptions of $5.00, or donations of any amount, however small, will be gratefully received.

The children are catechized and instructed by the Rector, every Friday morning, in the Church. They are also instructed in singing, once a week, by the Rev. Mr. Hibbard.

The receipt of an unusually large amount of material, in the way of useful donations for the children, such as shoes, hats, outer and under clothing, &c., which cannot in detail be enumerated here, is also thankfully acknowledged from many thoughtful friends of the School, scattered throughout the Parish. The value and usefulness of these could hardly be over-estimated.

ELEVENTH ANNUAL REPORT.

The Altar Society of St. Mark's Church presents its eleventh annual report to its subscribers and friends, with renewed thanks for their interest and assistance in its work.

As is well known, the chief work of the Society consists in:—

1st—Caring for and renewing the Altar Furniture, Vestments of the Clergy and Choir, of St. Mark's Church, and other fittings of the Chancel which belong to the due and reverent ministration of Divine Service.

2d—Assisting feeble parishes, as far as possible, in making suitable provision for the worship of the sanctuary.

The Society gratefully acknowledges the receipt, during the past year, of Fourteen hundred and sixty-two dollars and five cents.

It has provided the flowers for the decoration of the Altar on all the High and Minor Festivals, Sundays and Holy Days, furnished the Altar Linen and Vestments of the Clergy and Choir of St. Mark's, besides assisting many feeble parishes all over the United States in making suitable provision for the due and reverent celebration of Divine worship in

the Church's Sanctuary. The amount of work accomplished in the year just past is as follows:—

28 Clerical Surplices,	1 Red Altar Cloth,
10 Cassocks,	2 Violet " "
1 Chasuble,	2 Green " "
1 Alb and Girdle,	1 Red Pulpit Fall,
3 Amices,	2 Violet " "
16 Boxes of Altar Linen,	2 Violet Lecturn Hanging,
7 Black Stoles,	2 White Chalice Veils,
1 White "	2 Violet " "
5 Violet "	1 Green " "
4 Red "	2 White Burses,
2 Green "	2 Violet "
7 Green Alms Basin Mats,	1 Green "
4 Violet " " "	5 Sets Book Markers,
4 Red " " "	1 White Silk Banner.

The Society relies entirely on subscriptions for the means to do its work. Active members pay at least one dollar per annum; honorary members not less than three dollars per annum. It earnestly asks the active co-operation, or a subscription, from every member of the Parish.

All orders for Vestments and Altar Linen may be sent to Mrs. Ephraim Clark, 247 South Eighteenth Street. All orders for Silk Embroidery may be sent to Miss E. D. Wagner, 1819 Spruce Street.

All subscriptions and donations for the Society, or for any of its branches, should be sent to Mrs. George M. Conàrroe, Treasurer, 1701 Spruce Street.

TWENTY-FIFTH ANNUAL REPORT.

Twenty-five years of service gives to the Ladies' Missionary Aid Society of St. Mark's Church a venerable age, and the cheering hope that its maturity may be yet more blessed by still greater efforts in aiding the Missionary work of the Church.

The hearty aid always sent to Nashotah brings back these comforting words from Dr. Cole: "The many good things in the box have been so useful, and replenished so many exhausted wardrobes, that they claim more grateful acknowledgments than can be expressed. Whither the Lord may hereafter guide those who have shared the bountiful kindness of the Society this year, cannot now be told. Sharers of like kindness, in years past, are in Japan, Idaho, Texas, Fond-du-Lac, and other Missionary fields. Indeed, only He, whose watchful eye notices all things, can follow to their results, remote in time and place, your many kindnesses to Nashotah. He surely does; and when the books are opened, He will show all the blessings thus bestowed."

A box sent to the Sisters at Santee Agency, Nebraska, was detained by the great snow blockade, and only reached its destination on the 4th of July. Sister Mary writes: "Don't think we should have appreciated it more if it had come long ago. There are so many useful things, of various kinds, in the box, which show so much thought for our comfort, that we do not know how to express our gratitude.

Give our thanks to the Ladies of St. Mark's for their beautiful Easter offering."

From the letter of a clergyman, to whom a box was sent, these words are copied: "The box brought unbounded pleasure to our household, and will add immeasurably to our comfort and enjoyment. Perhaps the most rapturously delighted person in the family was our little L., whose kilt suit meant for him promotion from petticoats; and when he discovered the little portmonnaie cunningly pinned in a pocket, he was as happy as if he had lighted on the philosopher's stone. Will you please thank the six choristers for their loving thoughtfulness, and tell them of the unbounded pleasure which their gift has caused to our little boy. And be pleased to thank the little boy whose generous heart provided the lovely doll marked for little C. Please convey to the Missionary Aid Society the assurance of my warm gratitude, and that of my family, in whose name, as well as my own, I would thank them."

The Society acknowledges the receipt, during the past winter, of Five hundred and fifty-seven dollars and fifty cents, which, with donations of clothing and material, enabled it to send out four boxes, valued at Seven hundred and seventy-five dollars.

The aid of every member of the Parish is earnestly solicited. Donations of money or material may be sent to any of the officers of the Society, or to the School House, on Thursday mornings, from Epiphany to Easter.

ANNUAL REPORT
OF THE
Industrial School for Girls.

The School opened on Saturday, the 6th of November, and continued its sessions until April 16th (Easter Even). There were eleven teachers and fifty-seven children on the list, and an average attendance of forty. Owing to the severe winter, and much sickness, the attendance was more than usually irregular.

The children were always read to, while sewing, which they much enjoyed; and singing would have added greatly to their pleasure, but unfortunately we had no one who could play for us. Will not some one *volunteer* for this simple duty?

There were one hundred and eighty-one (181) garments made, which were sent to St. Christopher's Hospital for Sick Children.

The School meets every Saturday, from 10 to 12 o'clock A. M., in the School Building, from November to Easter of each year.

NINTH ANNUAL REPORT.

The Hospital Aid Society must this year begin its report by acknowledging the severe loss which has fallen upon it, in the departure from earth of its revered secretary and treasurer. So long had her name, her labors, her prayers, her affectionate interests, been bound up in this parish aid, towards the sick and the suffering of the Episcopal Hospital, that the work seemed almost her own. We shall miss her, but we doubt not the grace of those quiet ministrations for human good, which she so constantly did in its behalf, are now well remembered on high—in the heavenly places. And that her "works do follow her."

The Society has received, during the past year, $99.36, and has expended $87.17. Each month, during the summer, $10 were sent to the matron of the Hospital to provide delicacies for the sick.

The Society has done a most effective work in keeping up the active interest of St. Mark's Parish, each month, in the Episcopal Hospital. Regularly, large and acceptable supplies are sent to the sick wards. We are glad also to report that members of the Visiting Committee have periodically visited the Hospital, in order yet further to advance our parochial interest in this noble and humane work.

In addition to the above mentioned donations of money, we have also received donations in provisions and material, valued at about $150, all of which is gratefully acknowledged, from various members of the congregation.

TWELFTH ANNUAL REPORT.

The managers of the Employment Society of St. Mark's Church, in this, its twelfth year of aid to the poor, gratefully report the results of the kindly interest of the Parish in their work, hoping that these may be the best encouragement to continue and increase their gracious gifts to those so needing help and comfort.

At a time of some anxiety for the means to supply the sewing to the women, Mr. David Pepper came to our relief, and presented to the Society Photographs, taken by himself, of the Interior of St. Mark's Church, by the sale of which our difficulties were overcome. Most cordially do we thank him for his generous and timely gift.

A donation of material was also very thankfully received.

The managers report the following work accomplished this season:

Number of Articles made,	1,382
" " " sold,	1,343
" " Permits given,	1,125
" " Women employed,	55

The managers call the attention of the members of the Parish to the fact that a variety of garments and towels may be purchased at the Society's Room, in St. Mark's School House, on Wednesdays, between the hours of 9.30 and 11 A. M.

The Parish Committees on Church Work

AMONG THE

COLORED PEOPLE AND AMONG THE INDIANS.

The important field of Church work among the colored people, hitherto almost unnoticed in S. Mark's, was specially placed in charge of two ladies during the past winter, and their efforts solicited in its behalf. The results of their labors may thus be seen, copied from their reports to the Rector:

"We have just packed and sent off (December 10) a box of books and clothing to the Rev'd . . . , of Rodney, Miss., for a Freedman's Sunday School under his care, applied for through Miss Emery, of New York; also two large packages of books and clothing to Mrs. B's work, at Gordonsville, Va., under the care of the Rev'd Mr. J. In each of these we sent fifteen new Prayer Books, and fifteen Hymnals, which were kindly secured from the Bishop White Prayer Book Society. The contents of the box were valued at $30, and the packages at $18."

From another report: "We have just handed in to the Freedmen's Mission $65, as from S. Mark's, in addition to the Maundy Thursday collection in

the Church, which amounted to $30, making in all nearly $100. St. Mark's has done very creditably this year for the colored work, and we hope it may regularly become a feature in our many and increasing Parish charities."

The Rector would add that, through his own hands, independent of the above items, there was sent to various Colored Missions in the west and south, during the past year, $150. This, added to what was so faithfully done by the ladies, as mentioned above, is evidence of an increased and increasing interest in one of the most important departments of the Church's Missions. He would commend it to the attention of the congregation. The ladies of this committee, who have again kindly consented to renew their labors this winter, are Mrs. George M. Conarroe and Mrs. J. Marx Etting.

In regard to the Missions to the Indians, besides the large box sent to the Santee Agency, mentioned in the report of the Missionary Aid Society, there was also given to the Indian Hope League, by the kindly offices of Miss Kate Hawley, over $90, as a contribution from S. Mark's.

ADVENT, 1881.

The S. Mark's Working Women's Society

(Formerly called the Mothers' Meetings.)

THE TWENTIETH ANNUAL REPORT.

The Managers report but little of change in the character of the meetings during the past winter. On each Friday evening the meetings were regularly held in the Parish School Rooms. The attendance largely varied, as the winter was a severe and inclement one. The religious exercises were conducted by the Rev'd Mr. Hibbard. Purchases of coal and fuel were made, on behalf of the members of the Society, to a much larger extent than usual, on account of the extreme cold. The work of making up and purchasing clothing was also continued.

A sad calamity has happened to the Parish of S. Mark's in the loss of Mrs. William Ellis, so long the head manager of this Society, and connected with it from its beginning. Her loss is one deeply felt, and universally deplored. In devotion to this special work, in her religious enthusiasm, and in her peculiar fitness as a teacher of others, her place is one not easy to be filled. Long will Mrs. Ellis be remembered by all who have been attached to the Mothers' Meetings of S. Mark's.

It has been determined, this coming winter, to change the name of this organization to that of "The Working Women's Society," as being more expressive of its real character. It has also been determined to confine its field of work more strictly to members of our own Parish, and also to change the hours of meeting to Friday *afternoons*, from 2 to 4 o'clock.

REPORT.

The Workingmen's Club and Institute might justly claim a larger page than usual in the Year-book for 1881–82. For it is no platitude to say that its progress during the past year has been marked and substantial. Its membership has steadily risen to nearly, if not quite, 300. The Beneficial Society, that sturdy nucleus of the club, shows the almost unprecedented number of 225 names.

This book's last notice of the club, after speaking of the completion and occupancy of the new club-house as the notable fact of the year, went on to say, "there will still be needed to pay for certain additional work, and for furniture, about one thousand dollars. This is now in the shape of a 'floating debt,' but when that is paid, and the stores rented, the club will be entirely self-supporting."

Since these words were printed that need has been met, and that assertion verified. We are now able to record the "floating debt" as paid, the stores as rented, and can safely say that the club is nearly self-supporting. From a business point of view the club was never better managed, nor its interests more carefully guarded than now. Its co-operative societies are in thoroughly competent and skilful hands and are among the most successful organizations of their kind.

Plans for the improvement and pleasure of the members are constantly considered. The Weekly Music Class, and the Monthly Entertainments of last winter, every way so enjoyable and elevating, were good illustrations of the forethought which devises, and the appreciation which follows such modes of brightening the lives and minds of so many around us.

One very gratifying note of gain in this department of our parochial work, is the increased interest in the club, so manifestly awakened in the Parish. Within the last year many new, fresh and valuable workers, have been drawn into the circle of club laborers, and it is hoped that it may continue to enlist the sympathies and active exertions of all earnest-minded people. The aim of the club is simple, broad, and tangible. It is no matter of sentiment or verbiage. It is a plain, real effort of practical Christian philanthropy, which ought to arouse and call out the energies of all who have any willingness or desire to help their less favored fellow-men to help and respect themselves.

Life Memberships have recently been established at $25 each; the proceeds to be invested as a permanent fund for the benefit of the club. A number of these have been taken already, and we shall be glad to add new names. Persons may become Annual Members by subscribing $3 a year. Such a list ought to be a full one. The prayers, the time, the money of the men and women of St. Mark's Parish

are invoked for this noble work of such obvious benevolence.

We renew our invitation to the parishioners to visit the club-house any evening between 7.30 and 10, and see for themselves this work which has made St. Mark's famous in the Church at large, but which, alas! has been too long a prophet without the honor *due* unto him in his own country.

It is earnestly desired that as many as can will become Annual Contributing Members or Life Members of the club. Payments for Life Membership are added to the permanent fund.

The Girls' Friendly Society.

A branch of this well known and extensive Society has been formed this year in S. Mark's. The Society is one which has its mother organization in England, and which has of late been creating branch guilds in this country. It is designed for young girls, from fifteen years of age and upwards, the advanced classes in Parish and Sunday Schools. The object is, a friendly guild, for mutual improvement, help and protection. It has a few simple rules, which the members bind themselves to keep, and daily endeavor themselves to practice. The meetings are held monthly, and are both social and religious. This S. Mark's branch already numbers some twenty members, and is growing. The mistress of the organization is Mrs. C. Willing Littell. The Branch Society was founded on S. Andrew's Day, and is the only local Philadelphia branch of this wide-spread Church organization for young girls, except that of S. Mary's in West Philadelphia.

REPORT.

A change in the entire character and composition of the Church Choir is to be noted as having been made during the past year. And further and yet more radical changes are in contemplation, so as to secure, if at all possible, a devout and reverent musical service at St. Mark's, a luxury it has not enjoyed for many years past. After the resignation of Mr. Mills, Dr. Cutler was placed in temporary charge of the organ, and served faithfully and acceptably, under very great disadvantages, for about nine months. During this time the organ, which had become thoroughly dilapidated, was put in complete repair, indeed, was entirely rebuilt under the supervision of Mr. Roosevelt, of New York. Two large water engines were placed in the cellar for moving the bellows, which now do their work in a most admirable manner. During the summer the Choir Committee secured the valuable services of Mr. Minton Pyne, Organist and Choir Master at St. Augustine's, Pendlebury, and Assistant Organist at the Cathedral in Manchester, England. On November 1st, Mr. Pyne entered upon his duties. He comes to us not as an entire stranger, for there are yet many in the congregation who pleasurably recal the good work done in St. Mark's by his brother, some six years ago.

It may be too early as yet to promise what shall be our musical future at St. Mark's, and any vivid

prophecies in this direction might be unwise; but we think the promise can now be faithfully made of good times which are really coming, and of such a character of musical worship as shall bring back to us the olden days, and that once goodly, but now lost, heritage of the past.

The Rector would add that Mr. Pyne will always be grateful for any aid the congregation may make towards furthering this end we all have in view, of developing the tone and character of our services. This help can best be given by sending in boys with good voices; by the volunteer aid of gentlemen who can sing, and by aiding in the formation of a Choral Society for weekly practice among the members of the Parish. It will be a bright day for St. Mark's when its religious worship is thus made as fitting and as attractive as so noble a building does amply demand and deserve.

Attention may here be fittingly called to the "S. Mark's Choral Society," lately formed in the Parish, an account of which follows this choir report.

Executive Committee,

(Composed of six gentlemen, yet to be appointed by the Rector.)

Musical Director,

MINTON PYNE, Organist of S. Mark's,

309 S. Fifteenth Street.

WEEKLY REHEARSALS:

Once each Week, from 8 to 9½ P. M., in the Choir Rooms.

CONSTITUTION.

[Adopted December 12th, 1881.]

ARTICLE I.

NAME.

The name of this society shall be "The St. Mark's Choral Society."

ARTICLE II.

OBJECTS.

Its objects shall be: 1st. To encourage a more hearty congregational singing in the parish. 2d. To enable the active members to acquire the greatest proficiency in rendering vocal music. 3d. To develop, by careful instruction, male voices as material for a volunteer Choir. 4th. To awaken throughout the city a greater interest in Church music, by the production of the highest order of sacred compositions.

ARTICLE III.

MEMBERS.

The society shall be composed of active, associate and honorary members. Active members shall be such as take an active musical part in the work of the society; they shall be nominated to the Executive Committee, and be elected by them; they shall be either seniors or juniors, all under fourteen being classed as juniors. Senior active members alone shall be entitled to vote at the meetings of the society. Active members shall pay such sum, not exceeding $5 per season, as may be prescribed by the Executive Committee. *Associate* members are all such as are interested in the objects of the society, and shall pay the sum of $5 per annum.

ARTICLE IV.

OFFICERS.

The officers of the society shall be a President—the Rector of St. Mark's Church filling the office *ex officio*—a Secretary and Treasurer, a Musical Director, a Librarian, and an Executive Committee consisting of six senior active members appointed by the President, who shall also be their Chairman. All of these officers, except the President, Musical Director, and Executive Committee, shall be elected by ballot at the annual meeting. All vacancies occurring during the year, shall be filled at a special meeting called for the purpose by the Executive Committee.

ARTICLE V.

MEETINGS.

The Annual Meeting of the society shall be held on St. Mark's Day. Special Meetings may be called by the President at the request of seven active senior members, which number shall constitute a quorum at all meetings.

ARTICLE VI.

EXECUTIVE COMMITTEE.

The Executive Committee shall have power to prescribe such rules and regulations as they may deem necessary for the proper government of the society, provided the same be not inconsistent with this Constitution. They shall also appoint the Musical Director.

ARTICLE VII.

AMENDMENTS OR ALTERATIONS.

No alteration or amendment shall be made to this Constitution except by a two-thirds vote of the members present at an annual meeting of the society.

THINGS WHICH MIGHT BE DONE AT S. MARK'S.

SUGGESTIONS.

(1) The extension and enlargement of the Sunday School and Parish Rooms. These are now chiefly remarkable for two things—their extreme beauty on the outside, and their extreme ugliness, bad ventilation, darkness and radical inconvenience on the inside. They were evidently constructed on the too common architectural principle of "how not to do it." If the main wing were extended out to the Locust Street front, we would gain about double the extent of room and size, and also greatly improve the exterior look of the buildings, and hide the deformity of an ugly blank wall. S. Mark's has never done any large or influential work in the Sunday School line, in all its long history; and it never will, till we have the proper rooms and conveniences to do it with. This is the short history of its failures.

(2) The establishment of an Orphanage, or Home for Boys,—which shall also become a Parish *Choir* School. By an institution of this kind, owned and controlled by the Church, a vast amount of good might be done, and a steady reserve fund for choir material always be at hand. If this were

within our power, then we might regularly and properly carry out the Church's idea of the daily offices of Morning and Evening Prayer, sung with the vested choir present at each daily service throughout the year. Till this is done, or something like it, that ideal will never be attained.

(3) The beginning of an Endowment for the Church. S. Mark's will, in the not very distant future, begin to be one of the *down-town* parishes. It must then decline, in its capacities and powers for work, unless it has some endowment to fall back on. Perhaps it may be a neat and fitting thing to begin this coming Easter Day, with a parish offering for this purpose, in order to, at least, start and launch the project. We would also commend this matter to the earnest thought of parishioners, who are, or who shall hereafter, make up their last wills and testaments,—for a strictly *Christian* will is that one only, in which CHRIST and His CHURCH are remembered, and have a recognized place among the legatees. Another object gained by this, would be the making of our Vestry "Committee on Legacies" something more than an empty name. That honored Committee has stood there, on the Parish Books, for now a great many years, and with never a thing to do. As yet, no "Legacy" has ever been entrusted to their watchful keeping. Shall it always remain so?

ADVENT of this year brings to us the loss of one of the oldest, one of the most faithful, and one of the most devoted vestrymen and parishioners, S. Mark's has ever had—Mr. ALFRED HORNER, who quietly entered into rest, on the morning of Tuesday, December 6th.

At a Special Meeting of the Vestry, held Thursday, December 8th, 1881, the following minute was adopted:

The Vestry of St. Mark's Church desire to record their sense of the Church's loss by the sudden death of Mr. Alfred Horner, for over a quarter of a century a member of the Vestry, for many years one of its deputies to the Diocesan Convention, and at the time of his death its senior vestryman.

Mr. Horner was a man whose gentle modesty shrank from that self-assertion too often met with, but in all the relations of life he so performed his part as to win the just approbation of all who knew him. Prominent for many years in the financial affairs of a large corporation, he faithfully fulfilled the Apostolic injunction to "keep himself unspotted from the world." His high integrity and purity of life furnish bright examples for those who come after him. His devotion to the Church was marked, and his services on her behalf were never neglected. No stress of weather prevented his attendance at Divine worship, and the last Sunday of his life found him performing his customary official duties in this Church he so much loved. He was indeed a Christian gentleman, and it may be truly said, he was "faithful unto death."

Resolved, That this Vestry tender to the family of our deceased fellow-vestryman, the assurance of its sincere sympathy in this hour of sudden bereavement, and its high appreciation of the worth and character of the deceased.

Resolved, That the Vestry will attend the funeral in a body.

GRANT UNTO HIM ETERNAL REST, O LORD, AND LET PERPETUAL LIGHT SHINE UPON HIM.

ADVENT,

1882.

To the Parishioners of St. Mark's.

—✝—

Once again this Parish Year-Book is sent out upon its annual mission. That mission simply is—to place before the eyes of our many parishioners, new and old, some account of what is, in our quiet and steady manner, being done at St. Mark's, in the way of advancing the material work and welfare of the Master's Kingdom. In very many respects, the short records printed here can rightly make us thankful. But we rather ask that they serve the higher and nobler purpose of making us lament that indeed so little is being done in a congregation of such large numbers as is ours, and possessed of such large spiritual privileges. And lament also, that there are so few, proportionately, whose hands and hearts and wills are actively in the work. If this Yearly Record at all serves that purpose, and stimulates us to better endeavors, its mission shall then be well fulfilled.

Annual Examination, Whitsun Tuesday, May 15, 1883.

THIRTY-SECOND ANNUAL REPORT.

The School, during the past year, has been carried on in a most satisfactory manner; and the managers report, with great pleasure, the continued interest taken by the teachers, in both the moral and mental training of the children.

There are at present on the school-roll the names of 59 children, of whom 25 are boys and 34 girls, with an average daily attendance of 45 scholars.

The attendance at the Whitsun-Tide Examination was not so large as usual, owing to a number of cases of sickness among the scholars; but those who were present passed very creditably, and showed that they had paid attention to their studies during the year.

The managers again extend their thanks to the friends of the School who have aided them in the past, and hope for a continuance of their support. And to those who have not yet contributed, they earnestly appeal to help them in carrying on this very important branch of the Church's work. They feel confident the monies received are most usefully and carefully expended, in doing great good in the cause of Christian education.

Free scholarships (Ten dollars a year), or annual subscriptions of Five dollars, are solicited. Donations of any amount will be gratefully acknowledged.

The managers extend their sincere thanks to a number of friends of the School who have sent clothing for distribution among the children, and beg that they will continue this charity during the coming year, as the articles sent are of the utmost value and usefulness to the scholars.

It would be unfair to close this report, without making special and grateful mention of the continued benefaction of Mr. & Mrs. Samuel Robb. These good friends of the School have, for years, given tickets of admission to the Zoological Garden, to all the children of the School, and have thereby largely enhanced the pleasure and enjoyment of the little ones.

The children are catechized and instructed by the Rector, every Friday morning, in the Church. They have also been instructed in singing, once a week, by the Rev. Mr. Hibbard.

TWELFTH ANNUAL REPORT.

The Altar Society of St. Mark's has actively continued its work during the past year, and now offers its Twelfth Annual Report. The Committee on "Vestments and Altar Linen" made up and distributed during the year:

29 Surplices.	7 Stoles.
3 Cassocks.	9 Boxes of Altar Linen.
1 Alb.	

These went to the various Dioceses of Central Pennsylvania, Colorado, Connecticut, Delaware, Indiana, Iowa, Louisiana, Minnesota, New Jersey, New York, Pennsylvania, Texas and Wyoming. This list well shows the increasingly wide extent of the Society's work and influence. It is, of course, well known to the friends of the Society, that much of this work—indeed a large share of it—is given, gratuitously, to poor and enfeebled parishes.

The Committee on "Silk Embroidery" report the making up of:—

A Green Altar Cloth, with Pulpit Hanging and Cover for Credence Table, for St. Mark's; Red Altar Cloth, with Pulpit Hanging, Lecturn Hanging, and Book Markers, for Dundaff, Pa.; White Altar Cloth, for the Educational Home, Philadelphia; White Silk Burse and Veil, for Centralia, Ills.; Violet Super-frontal, Pulpit Hanging, and Book Markers, for Calvary Church, Germantown; Red Super-frontal, Green Frontal, and Pulpit Hanging, for Radnor Chapel, Pa.; White Silk Pulpit Hanging, and Stole, for Dayton, Ohio; Black Stole, and Violet Altar Cloth, for Delaware City, Del.; Violet Stole, for Bethlehem, Pa.; 3 sets of Book Markers, for New Orleans, La.

This Committee on Silk Embroidery earnestly asks for more workers in their especial line. They are hampered greatly in two ways—first, by the lack of good volunteers, and secondly, by the very serious lack of a room in which their labors can be thoroughly carried on. Until these two great obstacles are overcome, they will be compelled to refuse orders which are increasingly being sent in. We have, unfortunately, no room in the Parish Building which can be had for their purposes. Will not some one secure the Altar Society a room of its own, and so enable it to accept these opportunities for doing good which are literally crowding upon it? And will not other ladies of the congregation, than those already on our lists, many of whom have talent, taste and time for this peculiar Christian work, "come over and help us?"

The Treasurer's Report is attached, showing receipts of $1,678.32. We would further note the good work of the Committee on Altar Flowers, in keeping up, through the monies collected by them in the Parish, the constant decoration of the Altar throughout the year. Thanks are also extended to the young ladies who have the care and cleansing of the Sanctuary—especially those few who did this work all through the summer months, when so many others were necessarily away. It may here be added that nine Choir Cottas were made up by the ladies who have charge of the Choir Rooms, in addition to their other work.

The Society relies entirely on subscriptions for the means to do its work. Active members pay at least one dollar per annum; honorary members not less than three dollars per annum. It earnestly asks the active co-operation, or a subscription, from every member of the Parish.

All orders for Vestments and Altar Linen may be sent to Mrs. Ephraim Clark, 1833 DeLancey Place. All orders for Silk Embroidery may be sent to Miss E. D. Wagner, 1819 Spruce Street.

All subscriptions and donations for the Society, or for any of its branches, should be sent to Mrs. George M. Conarroe, Treasurer, 1701 Spruce Street.

TWENTY-SIXTH ANNUAL REPORT.

The "Ladies' Missionary Aid Society of St. Mark's Church" was enabled, through the kind contributions of its many friends, to send four boxes of clothing, and other necessary articles, to various points of Missionary work. One to Nashotah; one to the Indian work at St. Paul's School, to be shared by Hope School, Dakota; one to a Clergyman doing Mission work; and one to the Sheltering Arms in this City.

From all and each, the Society has received most grateful acknowledgments, which it gladly renews and repeats to the members of the Parish who have aided in this good work.

Nashotah we love to help—and who knows how its grateful thanks and prayers bless us!

The Missionary Priest says, "Please accept our warmest thanks and highest appreciation of the splendid effort you have put forth to supply our wants as a family; everything in the box is beautiful—beautiful, indeed—and the articles will be so useful to us, and meet so many wants. What a dressing-up time we had of it, after 'the box' had arrived! If you could have seen us all, you would have been impressed with the blessedness of the work in which you have engaged for the common cause we love."

Our Indian box reached its destination two months earlier than last year. The Head of Hope School writes, "I hardly know how to express to you my thanks for the very valuable gifts. It seemed to me, when unpacking, that there was every thing in the box, not only for the ladies, but for the School."

Equally grateful appreciation of the gifts from the Society comes to us from St. Paul's School.

The clothing sent to the little ones at the Sheltering Arms, in Philadelphia, was much needed, and most thankfully welcomed by the managers of that Institution.

The Society acknowledges the receipt of Five hundred and forty dollars, and donations of clothing and material, making the value of our boxes Six hundred and twenty-five dollars.

Gifts of money or material may be sent to any of the officers of the Society, or to the School House, on Thursday mornings, from Epiphany to Easter.

ANNUAL REPORT
OF THE
Industrial School for Girls.

The School opened on the 19th of November, and closed with the Festival, on Monday, in Easter week.

There were eight teachers and forty-one pupils on the roll, with an average attendance of six teachers and thirty-two scholars, an unusually small number, and very irregular.

As usual, the children were read to while sewing, which they enjoy; added to this, we had singing, for which our thanks are due to Herman Cotter and George McKinney, two boys who kindly volunteered to come all winter to play and sing for the children; also William Caffrey, who joined them near the close of the season; they were very faithful and punctual.

There were 107 pieces of work made up by the children, all of which was sent to St. Christopher's Hospital for Sick and Disabled Children.

TENTH ANNUAL REPORT.

For ten years the Hospital Aid Association has kept on its course, of sending out monthly, during the whole year, material aid in the way of delicacies and extra supplies for the sick—such as do not usually come within the ordinary care of hospitals—to the suffering inmates at that noblest of our Church charities, the Episcopal Hospital. St. Mark's is the only parish in the city which now keeps up this special manner of aid to the Hospital. It supplies, therefore, a peculiar want—the pre-eminent value of which is constantly being testified to by the physician in charge. We are glad to report that the interest of our parishioners in this parish association has not waned during the past year. We note here the kind and number of contributions which have been, from time to time, sent in to the Committee, and by them re-sent to the inmates of the Hospital,—all of which is gratefully acknowledged :—

369 Oranges,
246 Lemons,
2 Turkeys,
25 bundles of old Linen,
102 cans of Tomatoes,
25 cans of Canned Fruit,
96 Bananas,
32 jars of Currant Jelly,
29 jars of Preserves,
1 basket of Apples,
1 peck of Apples,
26 quarts of Cranberries,
12 lbs. of Grapes,
1 box of Apple Jelly,
6 boxes of Guava Jelly,
2 boxes of Marmalade,
5 lbs. of Hominy,
1 paper of Corn Starch,
Lot of Cut Flowers,
Paper and Envelopes,

Basket of Eggs,
6 pairs Carpet Slippers,
6 pairs Knit "
Pictures and Toys for Children,
2 packages of Toys,
1 Hat,
1 portmanteau of Old Clothes,
Books, Periodicals & Magazines,
Wrappers, Underclothing, Boots,
Stockings, Handkerchiefs, and
Clothes for Men, Women and
Children.

In all, representing a valuation of about $100. This list will indicate the character of the donations which are particularly useful for our work at the Hospital. If those of the congregation who are interested, would make it a habit to note what is specified on the printed appeals, distributed monthly in the pews, it would greatly assist us.

In addition to the above supply of materials, the Treasurer reports $105.19 as received in cash, of which $91.95 has been expended for additional Hospital comforts,—chiefly during the summer months, when so many of the constant friends of that Institution are out of the City.

The Mothers' Meetings.

1881—1882.

These are now held each Thursday Evening, from 7 to 9 o'clock, in the Parish School Rooms. The meetings were conducted all the past winter, with a varying, and at times a discouraging attendance. Twenty-seven tons of coal were distributed, during the winter season, to poor and needy women, at an expense of $182. Other expenses of the meetings, for druggists' bills, dry goods, and other benefits to the members of the meetings, amounted to about $45—all of which was collected from friends of this parish organization, now in the twenty-first year of its existence. An interesting Festival closed the winter's work, at which the Rev. Mr. Daniel, of the St. Chrysostom's Chapel, gave an instructive exhibition with the stereopticon.

This Society numbers about twenty-five members at present. Its work will be continued this coming winter, and, we hope, with an increased average of attendance. The Library, so long used by those who attend, is sadly in need of replenishing. The books have been read, and re-read, till they have ceased to be attractive. Books of Travel, good Biographies, and Story Books adapted to persons in middle life, are in very great need. Cannot some friends of the Mothers' Meetings remember these needs, and assist them in this practical way?

The Girls' Friendly Society.

This Parish Society—practically, a Parish Guild for young girls, from fifteen years of age and upwards—begun last winter, has continued its work. The parent Society is in England, with scattered branches in many parts of this country. Its objects solely are, the mutual improvement, and frequent friendly intercourse and aid of its members. It holds semi-monthly meetings, in the Parish Buildings, which are made social as well as instructive in their character. The members also are expected to do whatever of religious and Churchly work may be given them to do. The numbers now on the roll are about twenty-five. The Directress of the Guild is Mrs. C. Willing Littell, aided in her labors by the Misses Weir, Vaux, Biddle, Littell and McIntyre. It is hoped that additions to this Society may be had from the grown-up girls of the Sunday School and the Bible Classes. It will prove a valuable aid to young communicants of the Church, in their daily endeavors to "lead a Godly and a Christian life."

The St. Andrew's Guild, for Boys.

This Guild for Boys had its first anniversary on the Sunday after St. Andrew's Day, 1882. It is designed to meet a long felt want in the parish, to keep together the grown-up boys of the Sunday School, the former members of the Choir, and the many youths of the parish who are so apt to wander off from religious control as they approach the critical years of manhood. It numbers now thirty-seven members. It meets twice each month, for social and religious exercises. It consists of baptized boys, from twelve years old and upwards. It has a few simple rules, concerning daily habits of prayer, attendance upon Church worship, frequenting Holy Communion, the avoidance of bad habits, such as swearing, drinking, &c., all of which each member pledges himself to endeavor to keep. It also binds each member to try to do some special work for God and His Church.

The Guild, one of the youngest of our many parish agencies, has already had a most useful record, and has been of great benefit to its members. Its anniversary service, at St. Mark's, on the Sunday night after St. Andrew's Day, when several neighboring parochial guilds were invited to be present with us, was extremely interesting. REPORT.

The St. Mark's Working Men's Club and Institute, as its name implies, is the parish organization, now in the thirteenth year of its existence, designed and carried on for the rest, recreation, instruction, amusement and general welfare, socially, mentally and morally, of working men. It is glad to report another year of greatly increased gain and usefulness. It has now four hundred and fifty actual paying members, all in good standing, and all, more or less, making profitable use of the Club. The average nightly attendance at the Club is fifty—scattered throughout the various parts of its splendid building, engaged in the reading room, in the amusement rooms, or in other social and pleasurable occupations. It is also glad to report that it no longer makes yearly appeal for support in the list of collections at St. Mark's Church. With its very large increase in numbers, it increases also in financial independence, and is now quite able, with the guaranteed aid of a few annual subscribers in the parish, to stand on its own feet, and support itself.

Perhaps a few items concerning the Club may here stand repetition. The Reading Room is furnished with the leading daily papers, and with the best American and foreign weekly papers and magazines. The Library has nearly two thousand volumes of books, all carefully arranged and well selected. The

Recreation Rooms are nicely fitted up with four billiard, pool and bagatelle tables; also with chess, checkers, dominoes, backgammon, &c. In the large, spacious Hall, seating comfortably four hundred, entertainments of a literary and musical character, instructive, amusing, and free to all the members and their families, are given once each month. The Beneficial Society, for the assistance of members disabled by sickness or accident, meets usefully a most pronounced want amongst this class of our population. The two Building and Loan Associations have made a noble record throughout the city, in their good way of enabling careful workmen to procure homes of their own, for themselves and their families. Nor is some religious oversight of the Club quite forgotten, a bible class having lately been begun for the benefit of the members—held each Sunday afternoon, at four o'clock, in the Lecture Hall, and taught by the Vice President, the Rev. Mr. Fiske. In short, the St. Mark's Working Men's Club and Institute, now safely passed through the pains and perils of its early infancy, now so pre-eminently successful in its varied operations, stands forth a shining credit to the few earnest men who gave the project birth, and who struggled so bravely, through years of gloom and darkness, to make it succeed. And we think it ought to appeal now, if never before, to the personal interest and sympathy of every member of the parish who is large-hearted enough to look beyond himself; and who is unselfish enough to have any

personal care for the interests and the welfare of our toiling artizans and working men, in Philadelphia.

It may not be amiss here to return sincere thanks to those in the parish—some twenty in number—who generously subscribed to the Life Memberships of the Club ($25.00 each), collected through Mr. Geo. M. Conarroe; and also to those others in the parish—some sixty in number—who kindly joined the *annual* membership list of $3.00 each year, collected through the Resident Secretary, Mr. John C. Donovan.

The Club is open each night, from 7.30 to 10 o'clock. Full information, and explanation of its varied workings, will always be gladly given at the Club House, Seventeenth and Kater Streets; or may be had by addressing the Resident Secretary, who resides on the upper floors of the building. The Treasurer's last annual report is here annexed.

✝

SPEEDILY following the death of Mr. Alfred Horner, recorded in the last Year-Book, came the sudden demise of another valued Vestryman, and warm friend of St. Mark's, Mr. George N. Allen, who departed this life on Tuesday, January, 17th, 1882.

A special meeting of the Vestry was held Friday, January 20th, in reference to his death, and the following minute was adopted:—

The Vestry of St. Mark's Church wish to place upon record their keen appreciation of the sorrow which has again come among them by the sudden death of Mr. George N. Allen, a valued member of this Vestry.

Mr. Allen was a gentleman of more than common prominence in this community, whose confidence he had justly earned. A merchant of high standing, of the strictest integrity, he was elevated by his fellows to numerous positions of trust and usefulness, which he filled with marked faithfulness and ability. In business affairs, especially, his information was full, his faculty of expression large and exact, and his knowledge of parliamentary law exceptionally good. A leader among the merchants of his own city, his ability had not only a local, but a national scope, and he was at the time of his death a delegate (as he had frequently been) to the National Board of Trade.

Mr. Allen's perceptions were quick and clear, and his convictions strong, and he possessed the faculty of convincing his hearers by sound and temperate reasoning. His quality of straightforward manliness won him the respect of all who knew him. As a Vestryman of this Church his loss will be most deeply felt. He was one of its Deputies to the Diocesan Convention, and one of the Trustees of the Workingmen's Club. Amidst his active, busy life, he carefully remembered all his religious duties. He was prompt, exact, courteous, faithful in every duty; a conscientious giver; an earnest, consistent, and intelligent Churchman. His wise counsel and sober judgment will be sorely missed.

Resolved, That this Vestry desire to express to the family of their deceased fellow-vestryman the assurance of sincere sympathy, and their appreciation of the great loss sustained by the parish.

Resolved, That the Vestry will attend the funeral in a body.

SAMUEL WAGNER,
Secretary.

NOTES AND SUGGESTIONS.

Though the long lists of names of the donors of monies given to our various parochial organizations are no longer published in the Year-Book, it is sincerely hoped this will have no deleterious effect upon the amounts received. Let subscribers send in their gifts speedily and generously. It ought not to make us less prompt, or less generous, when our names no longer appear in print. There is certainly very good authority for not seeming desirous of "so doing our alms as to be seen of men."

The Christmas Dinner Fund—collected each Christmas Day, in the alms boxes at the Church porch, enables us to send a little of Christmas joy to fifty-one poor families. It is a quiet, but a noble benefaction. The amount collected in this way reaches always from $80 to $90.

Some five years ago, there was a very large and useful Parish Library at St. Mark's, numbering about four hundred volumes. It has ceased to exist, for the same reason that a furnace fire sometimes goes out—because no fresh coals are put in. This Parish Library was simply used up in the reading, and never replenished. Parishioners might help us to revive it, by sending in unused books from their own book shelves

—Histories, Biographies, Books of Travel, Church Books, &c. It could be made extremely useful to the members of the Mothers' Meetings, the Boys' Guild, the Girls' Friendly Society, and in other ways. Any thing sent to the Sexton will receive attention.

We have also large opportunities of using clothing, linen, &c., amongst the poor, and in the Hospitals of the city. If sent to the Sexton, contributions of this kind can be most helpfully distributed.

Several notable additions have been made this year to the ornamentation of the fabric of St. Mark's. Two beautiful Memorial Windows have been generously placed in the nave of the Church—one from the manufactory of Mess. John Hardman & Co., of London, and one from Mess. Clayton & Bell, also of London. These are both most valuable additions to the Church, and we are grateful for the thoughtful piety of the donors, which moved them to make such fitting and permanent memorials of departed relatives.

Two other Memorial Windows are now in course of making, in England, designed to go along the south side of the clere-story. For the two proposed windows on the south side of the chancel, to be placed by the voluntary gifts of the congregation, in memory of the late Rev'd Drs. Mahan and Washburn—both formerly connected with the parish—the sums of $200 each have so far been promised. These windows will be placed under order so soon as at least $500 each may

be guaranteed. Offers, and promises, and gifts, are asked now to this end, and may be made or sent to the Rector.

We also desire to note the addition of a most beautiful Violet Altar Cloth, for the penitential seasons; and also a rich and striking Green Cloth for the Altar. Both of these are memorials, and are the kind gifts of parishioners. On the latter, much of the work was done by the ladies of our own parochial Altar Society, and extremely well done.

The beginning of an Endowment Fund for St. Mark's was asked for last Easter Day. Nearly $700 was given for this special purpose, and therefore that beginning has duly been made. This will be added to by each year's Easter offerings, when not otherwise specially appropriated. The Vestry are now engaged in preparing a scheme for the permanent investment of all such funds as may, from time to time, be added to this Endowment of St. Mark's, so as to secure its independence of any future control by the Vestry, and also its complete inalienability from this specific purpose for which it has been obtained.

When will we ever have good and proper accommodations at St. Mark's, for doing our parish work? When will the time come to give each of our twelve organizations, societies, &c., its own room and special fittings? At present, only the Working Men's Club

is independent in this respect, and nobly independent—having its own splendid property, and *almost* paid for. But our other twelve minor and local Societies—the Employment, the Altar Society, the Guilds, the Missionary Aid, and others—all have to be huddled together into the one small Sunday School room; and all are busily engaged, during the whole winter's scope of work, in trespassing upon each other, and complaining that each one is unable to get along as things are—and each complaint is well founded. The truth simply is, we have far more organization about the parish than the parish buildings can accommodate, and everything is crowded, and everything suffering for want of additional room. The Altar Society has to turn away much work for this reason. We want larger buildings, and more breathing space. The parish has far outgrown the beautiful but small building erected many years ago. Something *must* soon be done, or else much of our present parish organization will certainly have to be abandoned. On Sundays, for instance, it is not right that even the Vestry Room of the Church, the body of the Church itself, and the Choir Rooms, all have to be occupied by different branches of the Sunday School, for the reason that the Sunday School Room proper, crowds one-half of its own classes quite out of the premises.

We ought to begin again the proper celebration, by a special service, of each recurring St. Mark's

Day, as the Yearly Parish Festival Day, abandoned some years ago. It is really also the parish birth-day, as the corner stone of St. Mark's was laid on St. Mark's Day, 1848. Surely we ought duly to commemorate our own birth-day!

The estimated valuation of the Church Property, the Parish Buildings, the Rectory, the Working Men's Club Building, is at least $280,000. On this there is no encumbrance or debt of any kind, except a mortgage of $5,000 on the Club Building, lately erected. The interest of this, however, is met by the Club itself, and is no charge on the Parish funds.

One of the most pressing needs at St. Mark's, is the very great need of shortening our 10.30 A. M. Sunday Service. Although shorter now, by an average of fifteen minutes, than it was three years ago, yet it certainly needs a further abbreviation. Human nature is weak, and is not yet capable—unlike the angels—of long continued and sustained devotions, without great weariness to the flesh. And we are satisfied there is only one true, permanent and *right* way to make this shortening; that is, by leaving out the Mattins entirely at that hour; placing this office where it clearly belongs, at an earlier hour of the day, and said in a plain and quiet way. And thus, throwing out into bold and prominent light, and into its right and true place, the Lord's own office, made for the Lord's own day, and which makes it honor-

able,—the Eucharist—with all its fitting accessories of the best music, and the noblest worship we can throw into it. And thus, too, enabling the whole congregation to remain throughout the entire Divine office—from beginning to end—avoiding that wholly wrong, ugly and unauthorized habit of going out of Church after the Prayer for the Church Militant. It is not commonly understood that this very general habit has no rubrical authority or direction, at all, in the Prayer Book. It rests solely on the authority of a very common, very popular, but comparatively recent, and very bad custom. In the early Christian Church, none were wont to leave the Christian assemblies, before the celebration of this most solemn Mystery of the Faith, except the unbaptized, the irreligious, and the profane. It was counted the highest possible privilege of all the baptized to remain. And those early Christians were right.

This is the only good way to solve our perplexing problem at St. Mark's, of how to shorten the chief mid-day function on Sundays; and this is certainly the Church's duly appointed way. It is high time we began to heed it.

Annual Examination, Whitsun Tuesday, June 3d, 1884.

THIRTY-THIRD ANNUAL REPORT.

Another year has closed, the thirty-third since S. Mark's Parish School first commenced to do its good work, and now we again present, to our friends and benefactors, our Annual Report, trusting they will give it their earnest attention.

There are at present fifty-two names on the roll, twenty-two boys and thirty girls, with an average attendance of thirty-seven. The Annual Examination took place on Whitsun-Tuesday, and was unusually successful; the exercises being most creditable to both teachers and scholars.

The Rector and Assistant Ministers of the Parish are constant visitors at the School, and the children are publicly catechised and instructed every Friday morning by the Rector; they also receive from one of the Clergy, instruction in Singing and the principles of Music.

We tender our sincere thanks to the friends of the School for the kind interest and support they have always given us, and we trust that it will be renewed and even increased during the coming year. Free Scholarships of ten dollars each are earnestly solicited, but subscriptions and donations of any amount will be gratefully acknowledged; also clothing, for distribution among the children, will be most useful and acceptable, and may be sent to the Parish Building any time during school hours.

Again, we have to thank Mr. and Mrs. Robb, on behalf of the children, for a very happy day spent at the Zoological Gardens, a day which they thoroughly appreciated and enjoyed.

When we claim that for thirty-three years the School has done a good work, we think we have not claimed too much, and we feel confident that it will continue, as it has always done, to prove the truth of those well-known words, "Train up a child in the way he should go, and when he is old he will not depart from it." It may here be noted also, that the Parish School of St. Mark's has now lived the average life of a generation of men, and in entering upon this thirty-fourth year of its continued history, we point back with a reasonable pride at its past, and look forward with a strong hope to its future. May GOD ever prosper it, and make it more and more a nursery where good schooling, good morals, and warm faith, go hand in hand.

We should be glad if parishioners, and other friends of the School, would so far interest themselves in its welfare as to increase the number of its scholars—boys or girls. Ten or twelve more could easily be accommodated in the rooms. And we hardly doubt that a few words, spoken here and there on behalf of the School, might easily secure them for us, and fill these vacant desks.

THIRTEENTH ANNUAL REPORT.

The Altar Society of St. Mark's Church presents its Thirteenth Annual Report for the information of all who are interested in this important branch of our parochial work.

It gratefully acknowledges the receipt, during the past year, of $1,960.07, which has been used in the various branches of its work. The willing and ever ready workers of the Altar Society only await more liberal contributions to extend their efforts in all directions. In the year just closed a large amount of work has been accomplished, of which the following list gives the items:

For St. Mark's Church.

1 Alb, 2 Amices, 40 Choir Cottas, 11 Choir Cassocks, 1 Violet Stole, 1 White Stole, 2 Green Stoles, 4 White Alms Mats, Cere Cloth for Altar.

For other Churches.

1 set Eucharistic Vestments, handsomely embroidered; 2 Bishops' Rochets, 25 Clerical Surplices, 9 Cassocks, 13 boxes Altar Linen, 3 Choir Cottas, 9 Black Stoles, 4 White Stoles, 2 Green Stoles, 1 White Silk Chalice Veil, 1 White Silk Burse, 2 White Altar Cloths, 2 Green Altar Cloths, 1 Violet Altar Cloth, 1 Red Altar Cloth, 1 Red Super Frontal, 1 Green Super Frontal, 4 Green Pulpit Falls, 2 Red Pulpit Falls, 2 Violet Pulpit Falls, 2 Credence Covers, 1 Red Silk Chalice Veil, 1 Red Silk Burse, 2 Re-table Covers, 6 sets Book Markers, 4 Alms Basin Mats, 1 White Dossal; 1 Brass Alms Basin, for Davidsonville, Maryland, and 2 Brass Alms Plates, for Robinsville, Maine, the work of a lady member of the Society.

The Society begs to call the attention of each member of the Parish to this important work. Constant applications are made to it from poor Churches, and it is very desirable to increase the number of its working members, as well as the funds of the Society. It asks the renewed generous and hearty interest of the Church. Active members pay at least one dollar per annum; honorary members not less than three dollars per annum.

All orders for Vestments and Altar Linen may be sent to Mrs. Ephraim Clark, 1833 DeLancey Place. All orders for Silk Embroidery may be sent to Miss E. D. Wagner, 1819 Spruce Street.

All subscriptions and donations for the Society, or for any of its branches, should be sent to Mrs. George M. Conarroe, Treasurer, 1701 Spruce Street.

It ought to be added here that an earnest effort will be made this coming winter to secure a rented room, near the Church, where regular instruction in Ecclesiastical Embroidery will be given to all who desire to learn the art; and where also much of the larger work of the Society will be carried on. This has to be done, we regret to say, only because S. Mark's has not, at present, room enough within its buildings to accommodate all its own societies and parish agencies. We are really "crowded out," and are compelled to look out for ourselves as best we can.

ALL SAINTS, 1883.

THE TWENTY-SEVENTH ANNUAL REPORT.

The "Ladies' Missionary Aid Society" reports, work done, and boxes well filled and sent to Nashotah, to two families of Clergymen, and to St. John's Indian School, Dakota.

The comfort thus given, and the grateful appreciation of these good gifts, will be found recorded in the following extracts from letters received.

The President of Nashotah writes—"The box came to hand, and, as usual, filled our hearts with gratitude and joy. I desire to make my most grateful acknowledgments to every one who joined in sending to Nashotah so timely and so valuable aid in its great work. We depend upon the St. Mark's box to give an outfit, more or less extensive as may be needed, to those who graduate on St. Peter's Day. The graduates are leaving home, where, for three years, they have been sheltered and cared for as they never can be again. It is rather trying to go forth from our roof with nothing but good wishes to cheer them. They are always brave and ready to face any thing. They can go, if they have nothing but a staff in their hand. They are willing to be like St. Paul, and to say, 'these hands have ministered to our necessities.' Still, a valise, properly filled, is no drawback. Five graduate next St. Peter's Day, and each one has been aided, as his needs seemed to require, from the St. Mark's box. The remainder has distilled gladness, like the dew, to all who required aid."

Mrs. Kinney, the head of St. John's School, Dakota, writes—"The box sent to this School by the 'Missionary

Aid Society of St. Mark's Church,' reached here safely by the first boat up the river this season, which came a few days ago. What a nice box it was; and how can we thank you all enough for your kindness in thought and work? Miss Stevens joins me in sincere thanks for remembering *us* so generously. How many, many, stitches somebody took for us, whom they had never seen. All the articles sent to the children we send hearty thanks for. Especially are we glad of the *tea* spoons. I wish you could have seen the girls' looks of pleasure when they were put on their tables. The ready-made dresses and cloaks will do most excellent service. Many thanks for the stockings, thread, buttons, soap and books. Every thing is appreciated. I only speak of these things because we never can get enough of some particular articles. It takes so much to supply thirty-six girls, for a a school year, though used with a sparing hand. The scrap-book will while away the hours of a stormy day, and the fancy things we think best to lay aside for next Christmas."

The Society acknowledges the receipt of four hundred and fifty-one dollars, and donations of clothing and material, making the value of our boxes five hundred and sixty-dollars.

The officers of the Society will most gladly welcome the personal aid of the members of the Parish at their meetings, held at 10 o'clock every Thursday morning. They will be very thankful for any gifts of clothing or material sent to the School House, on Thursday mornings, from Epiphany to Easter.

In addition to this report of the Missionary Aid Society, may here be recorded the sending of $150, in cash, to the

Indian work of the Church, in the western territories, besides the large box mentioned above. Also the sending of a box of useful household goods, clothing, &c., through the kind agency of Mrs. George M. Conarroe, to Mrs. Brent's work among the colored people, at Gordonsville, Virginia; and $280 in cash, to several other portions of our Church work among the colored people of the South. These donations were all gathered in from parishioners, and are here again thankfully mentioned,—with the hope that this mention may stimulate more, and provoke others unto like good works, for the Master's sake.

ANNUAL REPORT

OF THE

Industrial School for Girls.

The School was opened on the 4th of November, and closed with a Festival on the 14th of April.

There were seven teachers and thirty-one scholars on the rolls, with an average attendance of twenty-four. An unusual amount of sickness among the children, and most inclement weather, caused the School to be exceedingly small. There were 83 pieces of clothing made, which were sent, as usual, to St. Christopher's Hospital for Sick and Disabled Children.

We again are indebted to George McKinney and Herman Cotter for their aid in the music.

Much might be done by well disposed people to make this Industrial School, on Saturdays, more useful and more successful. Young girls might be sent there to be taught plain sewing, and to be taught also the better art of making themselves useful and helpful in the way of doing good. The teachers are always glad to give this aid to those whose home advantages in these particulars may not be great. The children range in age from six to fourteen years. The sessions of the School are from 10 to 12, on each Saturday morning, in the Parish Building, where the ladies in charge will gladly welcome all and any who come.

ELEVENTH ANNUAL REPORT.

This is an Association of a few ladies connected with S. Mark's, who desire to maintain, and show practically, our continued interest in the comfort and welfare of the sick and enfeebled patients at the well known Episcopal Hospital in this city. S. Mark's not only takes up its annual stated offering for this Hospital Fund, on Thanksgiving Day—amounting to nearly one thousand dollars—but it also sustains this parochial league, which is glad to send out to the Hospital monthly, throughout winter and summer alike, supplies of delicacies, and other material comforts, for the many suffering inmates of that noble charity; and thus to show that our interest in them is more than a merely annual and stated one, and is even more than a mere matter of money consideration. It is a humane, generous and quiet work, and the only one of its kind in the city, and again we are glad to put on record its good deeds for the past year.

The articles received and sent to the Hospital, were:

429 Oranges, 499 Lemons, 156 cans of Tomatoes, 62 cans of Peaches, 26 cans of Peas, 9 cans of Corn, 11 jars of Preserves, 8 jars of Jelly, 8 Turkeys, 10 quarts Cranberries, 37 Bananas, 11 lbs. Dried Peaches, 6 boxes Marmalade, 1 box Dried Fruit, 1 box Grapes, 1 bottle Piccalilli, 1 bag Prunes, 3 boxes Fresh Flowers, 13 bundles of Old Linen, 4 pairs Slippers, 1 pair Boots, 3 Suits, 2 Flannel Wrappers, and a large quantity of Underclothing, Books, Periodicals, Toys, Pictures, Cards, etc.

The children of the Parish School sent a very large offering of:—

Toys, Pictures, Periodicals, Fruit, Candies, Cabres, and some jars of Preserves (which are in the above list).

It was a kind act, for which we specially thank these little messengers of mercy to the sick.

The receipt of $73 in cash is also gratefully acknowledged, most of which was spent on the patients during the summer months, when so few, comparatively, seem to remember the Hospital, the people generally being away from the city at that time of the year.

The ladies are always glad to receive these donations, at the School Rooms of the Parish, on the receiving days, of which notice is always duly given in the Church.

THE FOURTEENTH ANNUAL REPORT.

For the fourteenth time, the Employment Society of S. Mark's makes its annual report of its work to its friends and patrons; and it can again begin its yearly record by saying, with deep gratitude, that increased and increasing age does not seem to diminish either its energies or its opportunities for doing good in those special and peculiar lines which, fourteen years ago, its founders wisely laid out for it to walk in.

In the beginning of this season, the Directors prudently and carefully sifted the lists of the poor women who have long been accustomed to sew for the Society, and reduced the number of the beneficiaries to forty-eight. We think it can safely be said that in each of these cases of the forty-eight needy women—mostly mothers of families—the work and the money was carefully spent where it did great good, and in each case met and supplied an actual need. The two-fold object of this Society has never been better fulfilled than during last winter—to help poor and suffering women, but, at the same time, to make them work for and earn what they get.

The following is a detailed list of the actual work of the Society during the past season, and the outline and scope of its operations may be seen by this record:

Number of Articles cut,	2,220
" " " made,	1,972
" " " sold,	1,826
" " Women employed,	48

We ask our friends all through the Parish to note carefully the kind and character of the goods made up and sold by the Society. Our work might be largely increased,

and our always suffering treasury aided, if the ladies of the Parish would kindly come, or send, and purchase from us, such articles as these: Maids' aprons, sheets, pillow cases, glass and kitchen towels; or leave orders for any particular size and quality of the above named articles; also a cheap class of underclothing.

Sales of any of these articles are made at the Society's Rooms, in the Parish Building, on each Wednesday and Friday, from November to May, between 9.30 and 11 A. M.

We would also again ask for active helpers, and especially for more contributors to the funds of the Employment Society, from any of the good people of S. Mark's Parish.

It is a peculiar and effective charity, and one of which we may be reasonably proud.

The Treasurer's report is herewith annexed, showing a balance on hand of $110.57.

The Mothers' Meetings.

1882—1883.

This is now the 22d year—during which, continuously, the Mothers' Meetings of S. Mark's have been held. When first begun—while the great civil war was going on—they supplied an immediate and pressing want, and were largely attended by the wives and widows of soldiers who were, or had been, in the Nation's service on the battle fields. At that time also, these Mothers' Meetings at S. Mark's were almost a sole monoply with our Parish, in this part of the city.

But now, with various associations of the same or a similar kind in almost every parish in the city, the scope of our work has materially lessened, and the attendance, naturally, is far more limited than in the beginning. Yet, notwithstanding these discouragements, the meetings at S. Mark's have steadily continued, and are yet very beneficial in their quiet way. During the winter past, the number of members has been thirty-two. The meetings were held weekly, in the Parish Buildings, each Thursday evening, from 7 to 9 o'clock, from November to May. The evenings are profitably passed in religious reading and instruction to the good women who gather there, as also in the practical work of sewing and making up goods for sale and distribution. Coal was furnished to those who sadly needed it, to the extent of $52. Money was given and loaned, in cases of pressing want, for rents, druggists' supplies, groceries, &c. In the Spring, an Excursion to Fairmount was given to the members, and also a Summer Festival, pleasures which

were thoroughly enjoyed. A Benefit Club has also for a long time been connected with these Mothers' Meetings, from which the members, by their small deposits from week to week, become entitled to draw benefits in case of sickness and death. Subscriptions to the extent of $50 were received from friends in the Parish, which are now thankfully acknowledged. Limited though its work has necessarily grown to be, yet we continue to trace out the material good which is being done by our Mothers' Meetings at St. Mark's, and we are thankful for its long and honorable history.

An interesting fact may be stated here, which is certainly exceptional, a donation of $100 from a soldier's widow—herself a former member of our Mothers' Meetings—to her old friends in the Society, being the Christian tithe deducted from her pension of $1,000 received from the Pension Fund of the Government. It was a generous act, and done in a right Christian way.

ADVENT, 1883.

The S. Agnes' Guild, for Girls.

This Guild has been re-organized from the Girls' Friendly Society, of last year. It was deemed better to form that Society into a distinct Guild of its own, in order to make it do a better and more definite work, and to be more within our own parish lines. The Guild numbers twenty active members—all young girls, from fourteen years old and upwards. They meet twice a month, on each alternate Tuesday night. These meetings are partly social, and partly for religious instruction. The Guild makes its corporate communion on the first Sunday of each month. It also aims to do some special missionary work for the Church in poor and needy parishes. It has its special office, said at its meetings, and the members are specially bidden to pray for and help each other. It is designed to supply a much felt want—to meet the needs of young communicants of the Church, who outgrow the ordinary course of instruction and influence in our Parish and Sunday Schools. We hope to see its influence extend and grow, under its new and larger scope of duty and work. The officers of the Guild are:

Miss Mary Ross, . . .	*Superior.*

The S. Andrew's Guild, for Boys.

Is now in its third year of existence. It numbers forty-seven members, and is composed of young boys and men of the parish—all, or nearly all, being communicants. This Guild also has its semi-monthly meetings, for pleasurable intercourse, and for churchly and spiritual guidance. The Guild communicates, as a body, on the third Sunday of each month, at 8 o'clock. It has a set of definite rules, which are binding on each member. These are designed to incite to a more Godly and a Christian life, and to stimulate toward a more active usefulness for the Church. The Guild aims to make its members more loyal and faithful—first to the Body of Christ, our Lord, and then to S. Mark's parish in particular. Its anniversary is regularly held on the Sunday night, next after S. Andrew's Day, with a special service in S. Mark's Church. That one just holden this past fall, will long be remembered by all who were present as an occasion of great interest and profit. Any information desired, concerning the Guild, its rules, its work, &c., can be had by application to its Secretary, at 413 Chestnut Street, Philadelphia. Any person desiring to become an honorary (contributing) member can do so on the payment of one dollar per annum. The officers are:

The S. Mark's Working-Men's Club and Institute.

REPORT.

This noble institution—one of the best of the many good works connected with S. Mark's—can again be reported as in a most gratifying condition. Its membership, in actual and active connexion with the Club, is over four hundred and fifty. Its Library has increased to over twenty-one hundred volumes. The average nightly attendance is now sixty. The amusement rooms have had the attraction added of new games, new billiard tables, and other sources of innocent recreation. Also a grand piano has lately been purchased for the lecture and entertainment room. The library and the reading tables were never so freely and continuously used as now. The books, magazines, &c., are all the while improving in number and in quality. The Club can boast of a most efficient and courteous Resident Secretary—ever faithful to his trying duties, and ever on the alert as to its better and more healthful improvement. We think also, that never in the whole history of the Club, has there been more of unanimity, harmony, and congenial fellowship among its large array of members. The entertainments, given monthly, and free to all the members, have never been so crowded as were those of the past season. The two Building Associations in connexion with the Club, and also the Beneficial Society, continue their helpful and beneficent assistance. A Debating Club and Lyceum has lately been begun, most auspiciously, among the membership. The finances of the Club are in a

sound and healthy condition. Indeed, the Club and Institute—as a broad and humanitarian field of work—as a means of elevating the moral, mental and social tone of its members—is well fulfilling its intent in each particular. Much more might be done, and ought to be done, most certainly. But we are grateful for its work, even as it is, and again can we assure its many friends and well-wishers in the parish that their interest and sympathy does yet fall into good and fruitful soil.

The Club is open each night, from 7.30 to 10 o'clock. The Resident Secretary, whose rooms are in the building, will always be glad to receive visitors, and give information in regard to the workings of the Club.

Examined, compared with vouchers, and found correct.

RICHARD LEE,
REV. G. MCC. FISKE,
WM LINDSAY,
Committee on Accounts.

IN each Year-Book, of the three past years, we have been obliged to make, amongst our other records, somewhat also of a record of sorrow. In each year we have made note of the decease of some one of our Vestrymen. This year we must make the mournful mention of the decease of the venerated MR. JOHN ROSS—than whom S. Mark's had no nobler son, and no more devoted and loyal friend. Mr. Ross passed gently to his rest on the 10th day of March, 1883.

The following is the minute of the Vestry, made at the time of his decease, and ordered to be placed on the records of the Parish:—

GOD having been pleased to take to Himself the soul of John Ross, the Vestry of St. Mark's Church would place upon their records this brief memento of their respect and affection for their long-time colleague.

Well known as a citizen, a constant worshipper in this Church, and for twenty years a member of its Vestry, Mr. Ross, by his integrity and simplicity of character, commanded the esteem of men, and, we doubt not, has won the Master's approval of a well spent life. Priests and people have ever found in him a friend, a counsellor, and an example. An exquisite sense of honor, conspicuous in every relation of life, produced in him a chivalric loyalty to his pastors, to whom he was greatly endeared, and whom—so far as in him lay—he upheld and cheered.

Of firm and positive convictions, yet courteous and gentle in speech and action—his moderation known unto all men—Mr. Ross was one in whom his associates in the Vestry could implicitly confide as a man of wise and sound judgment. He was one of those who "always keep judgment and do righteousness." A devoted son of the Church, he held fast the mysteries of the faith in a pure conscience, and fervently loved her sacraments and worship—up to his latest hour—being an earnest and frequent communicant. Trusted, revered, beloved, we believe that, as a good and faithful servant, he "has entered into the joy of his Lord."

✝ "GOD, ACCEPT HIM: CHRIST, RECEIVE HIM." ✝

Resolved, That we proffer to the family of our venerated brother our sincere sympathy, and assure them that we shall always cherish the memory of his exalted worth, and many Christian virtues.

Attest: SAMUEL WAGNER,
Secretary.

The Endowment of S. Mark's.

We are glad this year to state that a plan for the future Endowment of S. Mark's has now been accepted and agreed upon. We print here, for the information of our parishioners, the provision for the Trust, as created and formally adopted by the Vestry. No special effort has hitherto been made to bring this project before the parish,—nor was it desired to make such effort so long as the project was merely thought of, and was only a project. But now that the Vestry has approved of the scheme, created the Trust, and made the way legally open by which S. Mark's is to have an Endowment Fund, we think we can the more freely and confidently commend the subject to the affectionate interest, and to the present and future generosity of our people. About one thousand dollars has already been received, and duly invested by the Trustees, under the provisions made as stated below. We hope our many parishioners, who have a regard, not only for S. Mark's as it now is,—but who have also an eye for its future success and prosperity, after our day and generation is passed and gone,—will remember this Endowment Fund. Let them remember it from year to year, in our Easter and other offerings which may be devoted to this object. But more especially, and more largely, let them make some pious commemoration of it, in their last wills and testaments, when they dispose of their worldly goods and substance, wherewith God may have blessed them.

The legal form of Bequest is hereto attached. As a matter of information, it may here be stated that this

scheme, as adopted and printed below, is made up, in its general outline and character, from the Endowment Trust of S. Peter's Parish, in this city—drawn, as is commonly known, by the late, the learned and venerable Horace Binney; and also from that of the Episcopal Academy in Philadelphia—embodying the good and strong features of both. The sources, therefore, which guided those who so carefully drew up our plan for the Endowment Trust of S. Mark's, were certainly such as will at once command the respect and confidence of all.

ENDOWMENT FUND.

A Trust for the supply of a Fund for an Endowment, to insure a permanent revenue for the support of St. Mark's Church and grounds and buildings, on Locust Street, between Sixteenth and Seventeenth Streets, in the City of Philadelphia.

ARTICLE I.

The Trust, and all its securities, shall be held by the Trustees, as hereinafter provided, for ever, to ensure its continuance and faithful execution; the Corporation of St. Mark's Church, by agreeing to this plan, pledging its faith never to use or appropriate the Endowment Fund in any other manner, or for any other use or purpose, than in these articles is provided.

ARTICLE II.

The Vestry of St. Mark's Church shall elect six persons, who shall be called "The Trustees of the Endowment

Fund of St. Mark's Church," and who shall, at their first meeting, divide themselves, by seniority or by lot, into three classes, of which the first class shall cease to be Trustees after one year, the second after two years, and the third after three years, respectively, from Easter Monday, 1884, except such of them as may be re-chosen after the expiration of their several terms. On Easter Tuesday in each year, after 1884, the remaining Trustees shall elect two persons to serve as Trustees for three years. All vacancies arising by death, resignation, removal, or otherwise, shall be filled by the remaining Trustees; and any person who shall be chosen in consequence of the death, removal, or resignation of a Trustee, shall continue in office for the remainder of the term for which said Trustee shall have been chosen. Said Trustees shall be worshippers in, and regular communicants of said Church.

Donations of money and testamentary bequests for this Trust Endowment Fund shall be promoted, and a book or books shall be provided, in which such donations or bequests shall be subscribed or recorded.

ARTICLE III.

All moneys received for the Trust shall be immediately deposited in a substantial institution, incorporated by the State of Pennsylvania, located in the City of Philadelphia, and authorized to receive trust funds on deposit, in trust for the Endowment Fund of St. Mark's Church, in the City of Philadelphia.

ARTICLE IV.

In every year, before Easter Monday, the amount so deposited, with its accrued interest, shall be invested by the Trustees in the public loan of the United States, the

State of Pennsylvania, or the City of Philadelphia, or other reliable municipalities or counties of this State; or in well secured first mortgage bonds of railroads, in the State of Pennsylvania; or in well secured ground rents, or bonds and mortgages, of approved security, in the name of the said Trustees. And this shall be the course in all cases, both as to deposits and investments, until such time as a portion, or the whole of the income, may be used, as hereinafter provided. *Provided*, that not more than twenty-five per cent. of the Trust Fund shall be invested in other than securities allowed by law for the investment of trust funds.

ARTICLE V.

The securities, certificates, and vouchers of such investments shall immediately, on their being completed and obtained by the said Trustees, be deposited for safe-keeping in such deposit institution, and a register of the same kept by the said Trustees, and also by the Accounting Warden, among the archives of St. Mark's Church. A regular account of the receipts and investments of the said Fund shall be reported to the Vestry at its last meeting before Easter Monday in each year.

ARTICLE VI.

The investments, as aforesaid, may be made by the Trustees as often in any year as the funds on hand may advantageously permit or require; but at least once in every year, if practicable.

ARTICLE VII.

Whenever the clear annual interest or income of the said Endowment Fund shall amount to three thousand dollars, and the same be reported by the Trustees to the

Vestry, together with an inventory, containing both a valuation and enumeration of the particulars of the capital, and a detailed report upon the security of the same, and of each part, it may be lawful for a majority of the Vestry, at a meeting specially called for the purpose, to order and adjudge that a portion of the said annual income, not exceeding one-third part of the said clear annual income, shall be applied to the then present needs and uses of St. Mark's Church, as the vote or order of the Vestry shall specify; and, if a majority of said Trustees concur, such portion of the income shall be applied to the said present needs and uses, and the residue of said annual income shall be invested to accumulate for increase of the Fund. When the well secured income of the Fund shall amount to four thousand dollars, and a like inventory and report and valuation are made, one-half part of the then clear annual income may, under a similar order of the Vestry and Trustees, be applied to such uses as aforesaid; and, when the said income shall amount to five thousand dollars, the whole income may, by like order of the Vestry and Trustees, under like precautions, be applied for such uses as aforesaid, as the Vestry shall direct.

But no such order shall be lawful without a review and report upon the particulars, and a vote of the Vestry recorded, that, in their unanimous opinion, the said capital of the Fund is sufficiently and well secured.

FORM OF BEQUEST.

I give and bequeath to the Trustees of the Endowment Fund of St. Mark's Church, in the City of Philadelphia, the sum of dollars, for the use, and in trust for the Endowment Fund for the said Church, established for the permanent support of the said Church, and its Parish Buildings, in their present location, on Locust Street, between Sixteenth and Seventeenth Streets, in the said City.

The following are the names of the six Trustees, who have been duly elected, and who have accepted their positions, under the provisions of this Trust, as mentioned above, and who are now ready to receive monies, or bequests of any kind, for this Endowment Fund.

Trustees:

Ephraim Clark,	George M. Conarroe,
Moro Phillips,	Morton McMichael, Jr.
W. A. M. Fuller,	Samuel Wagner.

A FEW NOTES AND SUGGESTIONS.

The "Christmas Dinner Fund" of this year, gathered in on Christmas Day, in the alms boxes at the Church porch, was the largest ever gathered. It reached the sum of $105, and enabled us to send to sixty families some substantial reminders of joy and good will on that Festival Day. And to most of these families, be it remembered, being not rich in this world's goods, this was almost their only Christmas gift.

There was recently raised amongst our parishioners, chiefly through the efforts of Mr. George M. Conarroe, nearly $500 towards the Pusey Memorial Fund—out of some $1,200 collected in the whole city. This is the Fund now being gathered in the Church of England, whereby to make some fitting memorial to that devout and learned Priest, so lately gone to his rest—the late, the reverend Dr. Pusey—whose, indeed, is the saintliest name, the greatest soul, and the most gifted mind our Anglican Communion has nurtured and held since the days of the Reformation; and whose also has been the largest, the deepest, the truest, and the most effective spiritual work ever done within her borders. We are glad to chronicle this fact, that S. Mark's has been privileged to share somewhat in so holy an undertaking.

We must have, and without much further delay, some other and larger facilities at S. Mark's, for carrying on the details of our ever expanding parish work, than our present parish buildings afford. These are notoriously, and even shamefully deficient in their inner capacity and

arrangement—though outwardly so artistic, so beautiful and attractive. It ought to be well known that, when these present buildings were erected, now many years ago, such an amount of parochial organization as we now have in the parish, was never contemplated or dreamed of. In every sense, we have now outgrown these present accommodations. The few rooms in the building are very small, cut up into odd shapes, ill-lighted, and without sufficient arrangements either for heat or ventilation. Those on the upper floors are approached by stairways of a kind so peculiar, and even dangerous, that we venture to say their parallel would hardly be found in any other public or private building. The trouble chiefly is, that the great bulk of our large congregation know nothing of this,—for the great bulk of our people, like the major part of all congregations, has but little *personal* knowledge of exactly what parish work is being done, and of exactly what its immediate needs may be. They kindly and cheerfully pay their subscriptions, give their sympathy, and then pass by "on the other side," leaving to the ever faithful few who *do* the hard work to realize these ugly obstacles which are for ever in their way. We would be grateful if many of our good people who pass these buildings on Sunday mornings, on their way to Church, and who talk so admiringly of "our beautiful Parish House," "so artistic," "so noble a specimen of true Gothic," and the like,—we would be extremely grateful if these would but go *inside*, and see really what is the dreadful lack of room and accommodation, and convenience, which is to be found there.

A movement is proposed, and must soon be carried through, to supply us with better, larger, and more fitting accommodations for properly doing our unusually large amount of parish work. We want larger rooms for the

Sunday Schools, which are now crowded to painful excess. We want rooms for the Altar Society, in which it may do its growing work—now hampered and cramped in every way, and even compelled to *rent* quarters elsewhere. We want rooms for the several Guilds, suitable work-rooms for the Employment Society, and an office for the Clergy of the Parish. S. Mark's has always made ample and liberal, and generous provision for its own Sunday and other congregations, in its splendid Church, and its manifold and splendid appointments for Divine worship—almost unexcelled in the American Church. But, as a congregation, it has done very little to provide for large and useful Christian work among the many children about us, or to interest the young and growing elements of society in our churchly and parochial activities. We would now cure this evil. Give us a good, and reasonably large, and convenient Parish Building—either by enlarging the present one, or erecting a new one on its site, or by purchasing elsewhere. An effort will have to be made to secure some one of these ends, and made this coming winter. We would now bring it to the attentive consideration of all who really have the welfare of the parish, and a reasonable pride in its present and future success, deeply at heart.

Attention ought to be called to the increased and increasing attractions of the free Sunday Night Services at S. Mark's. These have now so much improved as to make up really a large congregation—sometimes a crowded one—specially in the Festival seasons. This is a matter of deep gratitude. That service is the one when, at S. Mark's, we come nearest to the Divine injunction, when "the rich and poor meet together," and when they seem, indeed, to recognize that "the Lord is the Maker

of them all." We welcome them all, the rich and the poor, the white and the black, the good and the bad—all sorts and conditions of men. The music is always admirable—often the very best which is done by our excellent choir. The services are short, bright, warm and hearty. The people really *sing*, and they also seem really to pray. These night services have done, and, more than ever, are they doing a most excellent work. And, best of all, it breaks down our parochial exclusiveness, and runs the influence and the usefulness of the parish quite outside of its own stated limits. It makes us a *missionary* parish, in the most effective sense of that term. The one blot is—which is so large a blot in all our work—the great bulk of our people take so little interest in it, care so little for it, do so little to help it, and know so slightly of its existence. And this is an evil, too, which might be so easily cured.

But little need be said of the immense gain lately made in the character of our music at S. Mark's, and, indeed, in the character of the whole choir itself, in every way. That is a matter of such universal report, and such common appreciation, that it sufficiently speaks for itself. In all our parish history the music has never been so good, either in the character of what is sung, or in the way in which it is sung. Also be it said, it is steadily improving, under the careful and laborious training of the faithful Organist and Choir-Master. We would take this opportunity of thanking the ladies of the parish for the kind reception given to the Choir on New-Year's Eve, and for the very great pleasure that generous entertainment afforded to all the men and boys, to their friends who were present, and to the Clergy of the Parish.

We would here also call attention to the importance of making a "Musical Fund," by contributions in the parish, on the part of all who may be specially interested in this matter of the music, whereby to keep on steadily and regularly increasing our Choir Library, and to keep up fresh additions, by purchases abroad, to our Musical Repertory, so as to have it constantly re-furnished in new material, for use in the services. Our rule, now in vogue in the Choral Celebrations, is to sing a new service every second Sunday, all the year through, winter and summer alike. This, of course, demands a large Musical Library; and this, in turn, demands a goodly sum of money, wherewith to buy. We ought to spend, at least, $250 a year on new music, of the best quality, for the Choir, and in keeping the old in due order. Who will take this up and carry it through?

The Fund now on hand, in cash and in pledges, for the proposed windows on the south side of the choir and sanctuary, in memory of two of the former clergy of the parish, now deceased, amounts to $500. A collection to increase this fund will again be taken up this winter. At least $500 more must be had, ere anything can be done in the way of giving final order for the two windows.

If any in the parish are minded to remember the Church, and some measure of God's work, in the making up of their last wills and testaments, we would plead for the Endowment Fund of S. Mark's, of which more is spoken elsewhere; also for the claims of the S. Mark's Working-Men's Club and Institute, for the further endowment of its Library and Recreation Funds. We would like, too, to pay off the mortgage debt of $5,000 yet remaining on the Club Building—recently erected. And,

as also suggested in another place, a most fitting object for a Christian testamentary bequest, would be the endowment of a "Choir School and Orphanage," for the Parish, with its own house and properties. May any and all of these soon come.

Our shortened form of the Choral Services, on Sunday morning, has certainly been successful in largely increasing the congregation. We are, however, not entirely satisfied with the experiment, and may yet return to the olden way of singing the Matins. But that old chronic abuse yet remains—an abuse of ugly and long habit, and therefore so hard to break from—one with no trace of authority in the order of the Prayer Book—with no good result following—with only the result of a quiet and continued dishonoring of the Sacrament,—that abuse of the mass of the people flocking out of Church after the Prayer for the Church Militant, just when "the Mysteries" are fairly begun. We make no pause there, in the order of the service, and we shall make none—since the Prayer Book specifies none—rather impliedly forbidding such an innovation and break. The better way is the true way, and the only way which the Church does authorize, of remaining throughout the holy office—even to the very end. This is clearly what the Prayer Book means, and what it directly teaches. Any other practice, however popular and common it has grown to be, is unrubrical and wrong.

Why can we not have, at S. Mark's, a "Choir School, and Orphanage," for Boys—partaking of the features both of an Orphanage, and also a School for the musical training of good boys? Where we can daily train and educate a Choir for the Church services in the most effective and thorough way—mentally, morally, spiritually

and vocally; and whereby, also, we might be enabled to introduce the choral rendering of the daily Morning and Evening Offices of the Church, unbrokenly throughout the whole year. What a blessing that would be! What an honoring of GOD—in His daily worship!—whereby, "day by day," we might really "magnify Him," in His Temple; and wherein "daily may He be praised." We can hope, at least, to impress this thought and aspiration upon the minds and hearts of our people, and make them long for, and pray for, the coming of that day!

A daily Celebration of Holy Communion was had in October, at S. Mark's, during the sessions of the General Convention in this city. A daily Celebration shall also hereafter be the rule during Lent, and perhaps Advent. It is even hoped, at a very early date, to see that still better thing—the daily Celebration, at 7 o'clock each morning, throughout the whole year.

Saint Mark's Parish,

PHILADELPHIA.

S. MARK'S DAY,

1893.

NOTE.

The names and addresses of persons wishing to be attached to the Parish; and of Strangers attending S. Mark's who may desire to be called upon, should be handed to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had of the Accounting Warden, Mr. Samuel Wagner, 251 So. 4th St., or by applying to the Pew Committee, through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. George Stanley Philler, 1811 De Lancey Place.

PREFACE.

A word of explanation seems necessary for putting forth the Year Book of the Parish after its long discontinuance. While fully recognising the force of some of the objections brought against it, other advantages appear to me sufficiently great to warrant at least an experiment with the understanding that it will be discontinued if not found useful.

The advantages are :

i. That every one in the Parish may know what is being done, what needs to be done, and what they can do to help.

ii. That it gives an opportunity of publicly acknowledging and accounting for the expenditure of all money received from every source. This I feel to be a most important matter.

iii. That it affords a full history of the Parish, and enables us to estimate the growth or decrease of the various works we have undertaken.

Some have objected to their names appearing in the various subscription lists, and while this objection will, of course, always be respected, and if request be made amounts will be acknowledged under initials or as "Anonymous." Yet good example is as contagious as bad example, and many years' experience shows that nothing is more contagious than "giving," while the first offertory sentence in our Prayer Book "Let

your light so shine before men that they may see your good work and glorify your Father Which is in heaven," seems clearly to give the mind of our Church on the matter. One cannot but admire the spirit which prompts those who give large sums to withhold their names, but in our ordinary subscriptions to various parochial needs we may well strive to "provoke one another to emulation."

The year began last S. Mark's Day with two great hopes—a Clergy House, which by economising time and strength, and enabling us to have a larger body of clergy and more systematic work, might lead to more efficient development of the possibilities of the Parish, and a permanent home for our Coloured work, which was in great need of separate attention.

Both these hopes have been realised, a most beautiful and well-arranged Clergy House has been built on the lot adjoining the Parish Buildings, not only affording all that was needed for the clergy, but finishing most satisfactorily the Church property on the west and removing the blank wall which had been so great an eye-sore. And we own six small houses on Lombard and Richard Streets, where the Coloured work has both a permanent home and a canonical right to exist.

If the year opened with these bright hopes which have been realised, it also opened with the gravest financial difficulties, which had been impending for some years, but which broke upon us unexpectedly and all at once. By God's blessing and the generous co-operation of the members of the Parish, they have

not merely been tided over but have been met and entirely overcome, and we enter on this S. Mark's Day entirely free from debt (except upon the Mission Buildings) and with all the Church property in good repair. We have cause, therefore, to rejoice together as we thank God for the past, but let us earnestly bear in mind that this must be but the starting point for renewed effort to make our Parish a power for good in the Diocese.

Annual Examination.

Whitsun Tuesday, May 23d, 1893.

FORTY-THIRD ANNUAL REPORT.

During the past year various changes have occurred in the Parish School. Mrs. George M. Conàrroe, who has faithfully discharged the duties of Directress for many years, resigned, in consequence of other demands of great importance on her time.

A resolution was passed, expressing the sincere regret of the Board of Managers, and the Secretary was requested to enter it upon the minutes.

Miss Sarah J. McIntyre resigned her position as head teacher (on account of her delicate health), after many years of conscientious service in the School, and Miss King was elected in her place, entering upon her duties at the commencement of the term in September, 1892, being assisted by Miss Gefrorer, in the primary department.

A change has been made this year in the books formerly in use, adopting those used in the public schools, and grading the classes in accordance. Every effort is being made to improve the facilities of the Parish School, and to give the children the best methods of modern instruction, as well as the advantage of religious training. The number of pupils has steadily increased since the beginning of the term, and the interest of the members of the Parish is earnestly desired, in order that the usefulness of the work may continue.

TWENTIETH ANNUAL REPORT.

This small Association, which has now completed its twentieth year, continues to do its work, though much restricted from want of means. Last Spring it diverted its gifts of fruit and extra delicacies for the sick, from the Episcopal Hospital, feeling that Institution had entirely outgrown such trifling donations, and now sends them instead to The House of S. Michael and All Angels. During last Summer ice cream treats were provided every month for the little Coloured cripples, and a bountiful dinner at Thanksgiving and Christmas of turkeys and cranberries. The Parish School Children every year add a generous share to the Thanksgiving donations, and this last season their offering was much larger than usual.

The articles received and sent to The House of S. Michael and All Angels :

447 Oranges,
8 Turkeys,
2 Glasses of Jelly,
2 Jars of Fruit,
2 Cans of Vegetables,
120 Bananas,
4 Lbs. Grapes,

TWENTY-FOURTH ANNUAL REPORT.

The Managers of the Employment Society in making their Twenty-fourth Annual Report regret to have to call attention to the falling off for some years past in subscriptions, and therefore to the limitation imposed on the usefulness of the Society. When it is realised that this is a charity which helps those who help themselves, and that the whole of the amount subscribed goes directly to poor women for work done, it is to be hoped that larger subscriptions next year will enable the Society to increase the number of its beneficiaries.

Report of work done by the Society from November, 1892, to April, 1893 :

REV. W. W. RUTHERFURD.

Ladies in Charge.

MISS AUSTIN,
MISS CAMPBELL.

Assistants.

MISS KING,
MISS LAURENCE.

The Mothers' Meetings have been held every Friday evening from November 1st till Easter. There are fifty-two women on the roll, and a number of children who accompany their mothers. The attendance has been excellent, in spite of the severe and inclement weather, which naturally affects the old and infirm. Much interest has been manifested, and the women have done good work in preparing a box of over fifty garments for a Coloured Mission in Virginia. While they are at work, one of the ladies reads aloud some entertaining story, and the evening ends with a short service and address from the Chaplain. At Christmas and Easter they had an entertainment of ice cream and cake, which was thoroughly enjoyed. It is a satisfaction to make one bright evening in the week for poor hard-working women, and to give them a little of the brightness of Christmas and Easter-tide.

RULE.—To do what I can to help in Christ's Kingdom.

1. By my own life.
2. By work for others.

MEETINGS.—(Unless ordered otherwise by special notice) on the first Saturday in each month, from November to May, at 9.30 A.M., in the Parish Building.

BADGE.—A silver pin in the form of a cross, with the inscription, "S. Mark's."

DUES.—Ten cents a month. The proceeds to be given at Easter and Christmas to some special object approved by the Rector.

The Guild numbers only fourteen members, but it has done a great deal of work in proportion to its size. The children have not only worked themselves, but have interested their parents and friends, who have helped in many ways.

The first admission was on the Eve of Palm Sunday, 1892. On the following Good Friday a meeting was held, at which the children agreed upon this rule of work:

To save my shoes and clothes for poor children. To collect money in a mite-box to buy shoes for poor children, or to make clothes for them.

Before parting for the Summer each child decided upon his or her work, and the result was most satisfactory.

The contents of the mite boxes called in at the first meeting in November, were $19.07. One dozen children's aprons were made by the older girls.

With the fund from the boxes a Shoe Club was formed for the benefit of the children of S. Mary's Mission Sunday School, by which the Club pays 40 per cent. on each pair of shoes and the purchaser the rest. The plan has been most successful.

The coloured children, especially the boys, have taken great delight in saving their pennies and bringing them to put in the bank, and entered on their account books.

In some cases more than 40 per cent. has been allowed, and when necessary shoes have been given.

It is only to be regretted that the children of the Guild cannot see the delight of these other members of the Club, when, with their hardly earned savings grasped in their hands, they sit perched upon a stool in the shoe store, trying on the new shoes.

The boxes called in before Easter, added to the fund $24.96.

The Christmas offering from monthly dues amounted to $7.00. It was agreed to buy with it books to be divided between the libraries of the white and coloured missions. The result of economical shopping was the purchase of 58 books, (29 for each library) and they have given much pleasure and instruction to their readers.

The Easter offering was $5.76, and was voted towards the much needed awnings for S. Mary's Chapel.

The entire sum raised by this Guild from May, 1892, to April, 1893, has been:

From monthly dues	$12.76
From mite-boxes	44 03
Total	$56.79

The Saturday Class.

This Class is designed for young ladies interested in religious study, and is not confined to members of S. Mark's Parish, but is open to any one who desires to join—the only obligation being to say the Collect for the second Sunday in Advent once a week, if possible, on Saturday.

Each member has the privilege of bringing a friend.

The Rev. Dr. Mortimer will meet the class on Saturdays at 11.30 A.M. from All Saints' Day until Whitsuntide, in the Parish Building of S. Mark's Church, 1625 Locust Street.

Any one wishing to join the class can send her name to the Secretary, Miss Pepper, 1736 Pine Street, and will then be notified of the next meeting.

Secretary,

Number of Active Members, 50.

Probably no work started since the present Rector took charge of the Parish has had so wide-reaching an influence or so quickly reached its ideal as that of this Society.

It was started to provide a Choir for special Services in Lent, 1892, and grew so rapidly that after Easter it was organised under its present title, undertaking to provide a Choral Service on Thursday Evenings in Advent and Lent, and on New Year's Day, Maundy Thursday and Ascension Day a Choral Celebration. During the past year it has sung three Masses, Gounod's second Mass of the Orpheonistes, Haslinger in C, and Tschirch's great Mass in C. At the Ascension Day Service, which is the special Festival of the Society, an Orchestra is added. At the Evening Service the works of Mendelssohn, Schubert, Gounod, Haslinger, Tschirch, etc., have been rendered, and the Society has done a real Missionary work in filling S. Mark's Church at these special Services. All active members must have a good knowledge of music, and be good readers.

The Guild of S. Cecilia.

President,
REV. A. G. MORTIMER, D.D.

Secretary,
MRS. L. LEWIS.

This is a Choral Society for Ladies only. It was started last All Saints' with the purpose of supplying a Choral Celebration of the Holy Eucharist on Saints' Days, from All Saints' to SS. Philip and James, and a daily Choral Evensong during Lent. This it has done most faithfully.

While its object is first to provide these Choral Services for the Church, it is by no means confined to this, but practises Glees and other Secular part Songs, and hopes as it grows in numbers to get up some Oratorios and Cantatas.

It meets for practice on Mondays, at 3.30 P. M., in the Guild Chapel.

The Guild of S. Lawrence.

Chaplain,
REV. F. D. LOBDELL.

Warden,
MR. NEILSON J. RITTER.

Sub Warden,
MR. W. F. H. REED.

Number of members about 20.

This Guild is composed exclusively of the Servers, and forms a most important element in the careful and reverent rendering of the Church's Services. It supplies Servers for all the Celebrations, and there are over 500 Low Celebrations alone during the year, besides the Sunday Services.

Sub Warden,
MR. R. R. STERLING.

This Guild, which we hope to start this Whitsuntide, is to include as Members or Probationers all the Choir boys of the Parish. A Gymnasium and Reading Room has been arranged for them in the Parish Building, and it is hoped by this means to make a much needed improvement in this part of the Church's work by caring for the Choir boys otherwise than merely as vocal machines.

S. Mark's Messenger.

Last Quinquagesima the first number of a new Parish Paper was issued under the Editorship of Mr. George Wharton Pepper. Its purpose is, first to be a channel of communication between the Rector and all his Parishioners, enabling each to know the work that is being done in the Parish, its needs and possibilities, then to be a medium for the discussion of theological subjects, and lastly, to give notice of the Services to be held in the Church. It is circulated gratuitously, but the Rector would be very thankful for contributions toward keeping it up, the expense of printing it being quite considerable.

This Mission was started by some earnest members of the Parish nearly twenty-seven years ago and in 1868 the Vestry after deliberations extending over a considerable time and a most careful investigation of the matter by a resolution undertook to support a Mission and build a Mission Chapel in the neighbourhood of 17th and Kater Streets.

The work after some twenty-five years of vicissitude has been reorganised and the following report shows what has been done during the past year, a record for which we may well be thankful and take courage.

Last Whitsuntide, the consent of the Rectors of the three nearest Parishes having been obtained to establish a Mission for Coloured People, six small houses were bought at Public Auction for $7,000. Of this sum $4,500 was on mortgage, and by the terms of the sale $2,500 was to be paid in cash. This latter sum was provided by a generous member of the Parish, who gave $1,000 and loaned without interest $1,500. The two houses on Lombard Street were remodelled and converted into the present Mission Rooms, while the four on Richard Street were rented for sufficient to pay the interest on the mortgage and the taxes, and as the greater part of the $1,500 has been raised to repay the loan, our buildings are costing us nothing.

On Sunday evening, October 9th, the Mission was formally opened and the first Church Service held by the Rector of the Parish. The little Chapel was crowded to its utmost, and the interest then awakened has not failed.

The work done by the Mission has been most satisfactory, whether measured by its results on the Coloured People or the generous zeal it has awakened among the workers.

Among the benefits of this work, not the least is that it brought the S. Margaret's Sisters into the Parish and provided a Home for them. The work both at the Kater Street Mission and at the Coloured Mission in Lombard Street owes almost everything to the self-sacrificing efforts of the Sisters, and in this sense is an off-shoot of the Home.

We have lately rented the house adjoining the Home, No. 1430 Lombard Street, in order to accommodate both more Aged Women and more Sisters. It will, of course, mean more expense, but much greater efficiency.

The Mission Fund.

This is the principal source of revenue for the support :

1. Of the Home for Aged Women.
2. Of the Sisters and their Home.
3. Of the Mission on Kater Street.
4. Of the Coloured Mission on Lombard Street.
5. Of one Priest whose time is given to the Mission.

It is absolutely necessary to raise not less than $6,000 to keep these various works going.

The Summer Fund.

This most useful Fund is intended to supplement the Rector's Fund from Communion Alms, etc., during the Summer months, when, owing to the absence from the city of most of the Parishioners, the offertories are very small, while the demands upon the Fund are often greater than in the Winter. The total amount subscribed last year was $230.50, and the list of subscribers is not appended, as owing to the absence in Europe of one of the collectors the individual subscriptions are not accurately known to the Rector, though the amount paid over to him is given above.

Gifts.

During the past year we have had many splendid gifts of vessels for the Sanctuary which were greatly needed.

1. A pair of silver mounted Cruets, by Mrs. Rodman Morgan.

2. Six very massive Vesper Candlesticks (to take the place of the wooden ones painted to look like brass), by Dr. J. Van Pelt.

3. Lavabo Dish, Ewer and Paten, all of silver gilt, from a fund collected by some ladies of the Altar Society.

4. Ciborium, a memorial to the late Mr. R. B. Sterling, given by his widow.

This Ciborium which was made by Keith & Co., of London demands more than passing mention, as in the opinion of those well qualified to judge it is perhaps the most elaborate and beautiful piece of ecclesiastical goldsmith's work made for our Communion for many years.

The height is 16 inches and it is of silver gilt and of Gothic design.

The base is a hexagon divided into six panels, three being the richest repoussée work, the other three being chased and all richly studded with precious stones. The three repoussée panels have as their subjects:

1. A Crucifix set with two large diamond stars.
2. The meeting of Abraham with Melchisidec.

3. The last supper. This contains thirteen figures and with a glass each face is seen to have its own character and expression. The chased panels have in the centre of each a large amethyst, and twining around it on the

1. Annunciation Lillies, each flower being formed of pearls and emeralds, symbolising the Holy Eucharist as the extension of the Incarnation.

2. Passion Flowers, each flower being formed of a Sapphire, symbolising the Holy Eucharist as the memorial of the Passion.

3. Bunches ef Grapes, each grape being an uncut ruby.

At the outer corner of each of the six panels is a sapphire of light colour, and at the inner corners a sapphire of dark colour.

Between the base and the boss rises a piece of most delicate canopy work.

The six protuberances of the boss are each set with a diamond.

The cup itself is of repoussée work, studded with amethysts, while the lid is surmounted by a beautiful piece of canopy work forming the base of a cross set with four large diamonds.

5. A very beautiful memorial Chalice was given by a member of the Parish for use at the daily celebration. It is of silver gilt, jeweled with amethysts, and was made by Keith & Co, of London. It is a reduced copy of the Chalice made by them for Newcastle Cathedral.

6. An interesting Chalice and Paten was given by the Rector for use at S. Mark's Mission. It was purchased by him in an Antiquity Store in Milan last Summer, and is a good example of late renaissance, being elaborately molded and parcel-gilt.

7. A Chalice and Paten, which had been made for private use, was given by Mrs. Bernard Henry to S. Mary's Chapel at the Coloured Mission.

8. A pair of ancient silver Cruets were given by the Rector for use at the daily service. They were found by him in an Antiquity store in Fribourg in Switzerland.

9. Last but not least a beautiful ruby-glass silver gilt mounted Flagon was given by the children of the Parish, the fruit of their Lenten savings, which came to within a few cents of the cost of the flagon, $82.00.

In making out the above financial statement the plan pursued has been to give exactly the sums contributed to various works in the Parish, but to exclude

all private gifts to objects outside the Parish, and those large sums which, under the head of "Miscellaneous," go to swell the receipts in so many Year Books.

The amount contributed last year, as reported to Convocation, was about $25,000; so that we have exceeded this by some $22,000. Of this $10,072 was contributed to two special Funds, the Repair Fund, and a fund made up by the Vestry to cancel a floating debt; this, it is to be hoped, may not again be called for, and must be regarded as a special effort rendered necessary by the unexpected discovery of debt and dilapidations, but after deducting this sum we have still left $12,000 more contributed to the regular works of the Parish than the year before, which is indeed a most satisfactory showing, and one which I hope may be maintained. The Parish is now entirely free from debt of any sort, with the exception of a mortgage of $5,000 on the Kater Street Mission Buildings, and $4,500 on those in Lombard Street.

Plan of Offerings.

On the first Sunday of each month, at the late Celebration, and at all the early Celebrations of the Holy Communion, for the poor of the Parish.

On the second, fourth and fifth Sundays of the month, at 11 A.M., for the Parochial funds; also on all Sunday Afternoons and Evenings.

On the third Sundays in the month special collections as follows:

ANNUAL REPORTS

OF THE

SEVERAL DEPARTMENTS

OF

CHURCH WORK

DONE WITHIN

Saint Mark's Parish,

PHILADELPHIA.

S. MARK'S DAY,

1894

NOTE.

The names and addresses of persons wishing to be attached to the Parish; and of Strangers attending S. Mark's who may desire to be called upon, should be made to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had of the Accounting Warden, Mr. George Wharton Pepper, 701 Drexel Building, or by applying to the Pew Committee, through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. Edward Hazelhurst, 1011 Clinton Street.

PREFACE.

In introducing to you the second Year Book of the Parish it may not be out of place to repeat what I said last year about its advantages and about the objection sometimes made to the subscription lists.

The advantages are:

i. That every one in the Parish may know what is being done, what needs to be done, and what they can do to help.

ii. That it gives an opportunity of publicly acknowledging and accounting for the expenditure of all money received from every source. This I feel to be a most important matter.

iii. That it affords a full history of the Parish, and enables us to estimate the growth or decrease of the various works we have undertaken.

Some have objected to their names appearing in the various subscription lists, and while this object will, of course, always be respected, and if request be made amounts will be acknowledged under initials or as "Anonymous." Yet good example is as contagious as bad example, and many years' experience shows that nothing is more contagious than "giving," while the first offertory sentence in our Prayer Book, "Let your light so shine before men that they may see your good work and glorify your Father Which is in heaven," seems clearly to give the mind of our Church on the matter. One cannot but admire the spirit which prompts those who give large sums to withhold

their names, but in our ordinary subscriptions to various parochial needs we may well strive to "provoke one another to emulation."

Our Winter's work began under the most imminent financial discouragements. The financial panic threatened the withdrawal of much of our income at a time when the claims of charity and the needs of our growing mission work were most pressing. As we look back now on the year it must be with thankfulness that we have done as well as we have. There has been a falling off about $800 in the subscriptions to the Mission Fund, which, however, has been more than made up by the balance left from the Fair Fund, after paying off the mortgage on the Mission buildings. I would wish to impress upon every member of the Parish that this Mission Fund should be looked upon as first in its claims upon us, supplying as it does the means of carrying on almost all our now very large work amongst the poor, together with the stipend of one of the Clergy, the support of the Sisters, whose work is of inestimable value, and part of the support of S. Mark's Home. Both at the White and Coloured Missions the numbers have almost doubled in the course of the year. There are in the various guilds and classes at the White Mission under instruction 924 individuals, and at the Coloured Mission about 563. This is quite independent of those with whom we have a less close relationship, and is certainly most satisfactory and encouraging.

Our greatest need now is a Chapel at the Coloured

Mission in Lombard Street. We have only a room holding about 60, and are therefore obliged to turn away numbers of those who desire to come to the services. I would ask your prayers that God may put it into the heart of some one to supply this need.

At the White Mission it would be very desirable to start a Parish School. If suitable accommodation can be obtained, this, I hope, will be done.

The financial statement for the year shows that in spite of the hard times there has been an increase in offerings for work. There are three items which were in last year's Year Book, amounting in all to about $13,000, which do not appear this year—the Repair Fund, the payment of the floating debt, and special gifts to the Church; but leaving these out, almost every other account shows a distinct increase (with the exception of the subscriptions to the Mission Fund). While acknowledging this with gratitude, I must remind you of the duty of all to help. Now, I am sorry to say, the subscriptions are confined to less than half the Parish, and we must not forget that the standard given by God Himself is that one-tenth of our income should be spent in His service.

But if we have cause for thankfulness for our financial condition, how much more so for our spiritual growth. This has been, I believe, wonderful. There are, I am sure, very many in S. Mark's who can say of the past year, that in spiritual growth it has been the best in their lives.

FORTY-FOURTH ANNUAL REPORT.

During the past year the only notable change in the Parish School has been the loss of Miss Katherine King, the very excellent and efficient head teacher who was obliged to resign on account of her delicate health. Her place was taken by Miss Coxe.

After very careful consideration, both by the Vestry of the Church and the Managers of the School it has been decided to discontinue the School as at present held in the Parish Building on account not only of the small number of children who attend but still more because even these for the most part do not belong to our Parish. It is hoped, if suitable accommodation can be secured, to move the School down to the Kater Street Mission, where its influence would be of inestimable benefit and where there would be probably a very much larger number of children in attendance and these really under one spiritual care.

TWENTY-FIRST ANNUAL REPORT.

The Hospital Aid Association of S. Mark's Church has been enabled, through the liberality of a few generous friends, to remember the little coloured cripples in the House of S. Michael and All Angels, each month during the past year.

In the Summer Ice Cream treats were provided, as well as liberal offerings of fresh vegetables and fruit, while the Winter holidays were marked by some special feast.

At Thanksgiving and Christmas generous dinners of turkey were sent, the cranberries being added by two little boys of our parish.

Washington's Birthday was commemorated by an ice cream treat, which was so much enjoyed that it was repeated at Easter.

The Home is very poor and can barely provide the necessities of life, and therefore must depend for any luxuries, which are so important for suffering children, on outside help. It is therefore earnestly to be hoped that friends of the Hospital Aid Association will strengthen its hands by liberal offerings.

The children of the Parish School are warmly thanked for their well chosen and lavish offerings of toys, games and cards.

TWENTY-FIFTH ANNUAL REPORT.

The Managers of the Employment Society in making their Twenty-fifth Annual Report have very great pleasure in calling attention to the renewed interest which has been shown in this Society. In every way there has been a most marked improvement in the work of the Society this year, and their new quarters at the Kater Street Mission House have facilitated their labours. When it is realised that this charity only helps those who help themselves and that the whole amount subscribed goes direct to poor women for work done, it is to be hoped that larger subscriptions next year will enable the Society to increase the number of its beneficiaries.

Report of work done by the Society for the Winter of 1893–1894:

The Cutting Committee cut out	1,656 Garments.
The Examining Committee examined	1,771 Articles.
The Distributing Committee distributed	1,632 "
The Selling Committee sold	1,505 "
The Paying Committee paid out to employés for work	$351 25

The Permit Committee gave permits to forty-three women.

The Mothers' Meeting.

Report of the Mothers' Meeting of S. Mark's Church for the Winter of 1893 and 1894.

Chaplain.
REV. G. L. WALLIS.

Ladies in Charge.
MISS CAMPBELL,
MISS AUSTIN.

Meetings for the Mothers have been held every Friday evening from November 1st to May 1st.

They now meet in the Mission rooms, 17th and Kater Sts., where there is ample space and more comfortable arrangements than at the Parish building.

There are fifty members and the attendance has been good. They have done some excellent work in making up garments for a box for the very poor white population of the mountains of Tennessee. Two large comforts and nice garments have been made and it is touching to see the interest taken, often by the very poorest in working for others. The evenings are pleasantly spent in work, reading and conversation, in the cheerful brightly lighted rooms, and end with a short service and address in the Chapel.

In connection with the Mothers' Union, and Women's Bible Class, there was at Christmas a Magic Lantern entertainment and supper, both much enjoyed.

The Mothers' Meeting has to thank the Employment Society of last year, for a gift of muslin and unmade garments, which have added much to their Missionary box.

Chaplain,

THE REV. A. G. MORTIMER, D.D.

Superior,

SISTER FERNANDA,

Number of Members 13.

Sewing has been done for Mission purposes, and Entertainments given by which over $340.25 has been raised for various charitable objects.

The Guild of S. Catharine.

Chaplain,

REV. A. G. MORTIMER, D.D.

Acting President,

SISTER FERNANDA.

The work of the Guild has been to raise money for the Shoe Club of S. Mary's Mission. Ninety-four pairs of shoes have thus partly been paid for by the Club; the children paying the remainder.

The Saturday Class.

This Class is designed for ladies interested in religious study, and is not confined to members of S. Mark's Parish, but is open to any one who desires to join—the only obligation being to say the Collect for the second Sunday in Advent once a week, if possible on Saturday.

Each member has the privilege of bringing a friend.

The Rev. Dr. Mortimer will meet the class on Saturdays at 11.30 A.M. from All Saints' Day until Whitsuntide, in the Parish Building of S. Mark's Church, 1625 Locust Street.

Any one wishing to join the Class can send her name to the Secretary, Miss Pepper, 1736 Pine Street, and will then be notified of the next meeting.

During the Winter there have been lectures on the Book of Exodus, with special reference to Egyptology, and on the Epistle to the Galatians.

The Men's Choral Society.

President,

REV. A. G. MORTIMER, D.D.

Organist,

MR. ANDREW WHEELER, JR.

Number of Active Members, 53.

This Society has now completed the third year of its most useful existence. In addition to the special Thursday night services in Advent and Lent in accordance with its rules, it rendered three masses during the year. On the Feast of the Circumcision a Mass by Tobias Haslinger in C. On Maundy-Thursday, Gounod's Second Mass of the Orpheonistes, and on Ascension Day, the special Festival of the Society, a grand Mass in A flat, by Robert Volkmann. At this service an Orchestra of Wind instruments was added.

In addition to the rendering of these and other works, the Society has done some good work in original composition and arrangements. Volkmann's Mass was arranged for our Communion Service by our invaluable Organist, Mr. Andrew Wheeler, to whose tireless labours so much of the success of the organisation is due. Haslinger's Mass was adapted by Mr.

W. H. Lex, while the late Mr. Robert H. Neilson wrote an extremely interesting Magnificat and Nunc Dimittis, which the Society sang during Lent. His loss is a great one here as in so many other good works and it may be noticed that he entered into his rest on Maundy-Thursday, the very day that the Society met to render Gounod's Messe des Orpheonistes.

The Society was honoured during the year by the Right Rev. Leighton Coleman, D.D., Bishop of Delaware, the Rev. Morgan Dix, D.D., Rector of Trinity Church, New York, and the Rev. W. L. Robbins, D.D., Dean of Albany, acting as special Preachers.

The large congregations drawn together on New Year Day, Maundy-Thursday and Ascension Day, testified to the usefulness of the work from a Missionary point of view. Indeed, with the exception of the Special Service in Trinity Church, New York, on Ascension Day, S. Mark's is probably the only Church in the country that on that day is able to gather a large congregation.

The Guild of S. Cecilia.

President.

REV. A. G. MORTIMER, D.D.

Secretary,

MRS. L. LEWIS, 1820 Pine St.

Number Members, 45.

This is a Choral Society for Ladies only, and was started for the purpose of supplying Choral Celebrations of the Holy Eucharist on Saints' days and a daily Choral Evensong in Lent.

This year, which is the second of its existence, has seen a very great growth in number and improvement in work. In addition to fulfilling all its duties as aforesaid it rendered on Thursday Evening, March 8th, Pergolesi's Stabat Mater, for the first time in Philadelphia, in this it was assisted by volunteers from other Choral Societies.

While its object is first to provide for the Services of the Church, it also practices Secular Music. It meets for practice on Tuesdays at 2.30 P.M., in the Parish Building.

Ladies desiring to join should send their names either to the President or Secretary.

The Guild of S. Lawrence.

Chaplain,

REV. F. D. LOBDELL.

Warden,

MR. NEILSON J. RITTER.

Sub-Warden,

MR. W. F. H. REED.

Number of members, 17.

This Guild is composed exclusively of the Servers, and performs a most important part in the reverent rendering of the Church's Service. It Supplies Servers for all the Celebrations, and there are over 500 Low Celebrations alone during the year, besides the Sunday Services.

As Serving at the Altar is the highest privilege a layman can have in ministering in GOD'S Service the utmost care is taken in admitting members to the Guild and a high standard of spiritual life is demanded of its members.

Thanks to the earnest work of the Warden and Sub-Warden there has been a most marked improvement in the Guild in every way during the past year.

The Choir Guild.

Chaplain,

THE REV. C. N. MORRIS.

Warden,

MR. R. B. STERLING.

This Guild, which is intended to help the Choir boys of the Parish, has a Gymnasium and Reading Room of its own open several nights a week, and during the summer last year under the care of Mr. Morris and Mr. Eberlein, some boats on the Schuylkill were secured for practice in rowing. Five prizes are given to the boys obtaining the largest number of marks for good behaviour.

S. Mark's Messenger.

With the last issue of the Messenger, our Parish Paper completed its second year. With much regret we have to note the retirement of Mr. George Wharton Pepper from the post of Editor.

The paper owes everything of its success to his good judgment and energy. The election to the onerous post of Accounting Warden of the Parish necessitated his retirement from the Messenger. His place has been filled by one of the most valued contributors to the paper, Mr. W. H. Loyd, Jr.

Its purpose is, first to be a channel of communication between the Rector and all his Parishioners, enabling each to know the work that is being done in the Parish, its needs and possibilities, then to be a medium for the discussion of theological subjects, and lastly, to give notice of the Services to be held in the Church. It is circulated gratuitously, but the Rector would be very thankful for contributions towards keeping it up, the expense of printing it being quite considerable.

The Summer Fund.

This most useful Fund is intended to supplement the Rector's Fund from Communion Alms, etc., during the Summer months, when, owing to the absence from the city of most of the Parishioners, the offertories are very small, while the demands upon the Fund are often greater than in the Winter. The total amount subscribed last year was $394.

It is hoped that the amount may be so much increased this year as to support a Summer Home for women, a furnished house having been placed at our disposal by the thoughtful generosity of a Parishioner.

In making out the above financial statement the plan pursued has been to give exactly the sums contributed to various works in the Parish, but to exclude all private gifts to objects outside the Parish and those

large sums which, under the head of "Miscellaneous," go to swell the receipts in so many Year Books.

The amount contributed last year and acknowledged in the Year Book was $47,061.91. Of this $10,072 was raised for the Repair Fund and to pay off a floating debt of over $3,000, both rendered necessary by past neglect; besides this, some $3,000 was given by private individuals to provide Holy Vessels and Vestments which were lacking. Thus $13,000 of last years contributions were for temporary needs, leaving $34,000 as the amount raised for actual working of the Parish and Missions, this being $9,000 more than the year before. I expressed a hope that this amount might be maintained. Notwithstanding the hard times I am thankful to see it has been exceeded by over $8,000, this is indeed a sign of most satisfactory progress. During the year we have paid off a mortgage of $5,000 on the Mission Buildings in Kater St. and the only indebtedness now is $4,500 on those in Lombard St.; and at the Easter Vestry Meeting for the first time in several years there was a small balance in the Treasury after the payment of every bill, instead of the usual considerable deficit.

Plan of Offerings.

On the first Sunday of each month, at the late Celebration, and at all the early Celebrations of the Holy Communion, for the poor of the Parish.

On the second, fourth and fifth Sundays of the month, at 11 A.M., for the Parochial funds; also on all Sunday Afternoons and Evenings.

Saint Mark's Parish,

PHILADELPHIA.

S. MARK'S DAY,

1895

NOTE

The names and addresses of persons wishing to be attached to the Parish; and of Strangers attending S. Mark's who may desire to be called upon, should be sent to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had of the Accounting Warden, Mr. George Wharton Pepper, 701 Drexel Building, or by applying to the Pew Committee, through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. Edward Hazlehurst, 1011 Clinton Street.

PREFACE.

In reviewing the work of the past year one thought must be uppermost in the minds of those who love S. Mark's—the thought of thankfulness. In spite of the great decrease in the incomes of many of our parishioners through the financial distress which is now afflicting the country, not only has every work been kept up and almost every fund increased, but many things that a year ago seemed only hopes for gradual and future realization are now accomplished facts, and while there has been a falling off in the offertories to the amount of six or seven hundred dollars, there has been an increase in the donations and subscriptions to the various works and charities of the Parish amounting to $15,000, as will be seen by an inspection of the financial statement at the end of this book.

Our Blessed LORD gave us a standard by which we might test our progress when He said, "By their fruits ye shall know them." As these large gifts witness both to self-sacrifice for the love of GOD and unselfish appreciation of the claims of our poorer neighbors, I as your Rector may venture to rejoice not only in the material progress of the Parish, but in the spiritual growth of which it is the result.

We have, however, not only to look back with thankfulness on the past, but to look forward to the coming year, and to consider the work which confronts us, and to resolve by GOD'S help that we will not allow our

efforts to be less earnest or our sacrifices less real; in a word, that we will not be satisfied with what we have done, but will go on to bring to completion what has been so well begun. The special need for which I would ask your prayers and your work in the coming year is the building of a Mission House and Chapel for the S. Mary's Mission for colored people. Started less than three years ago by the purchase of property on Lombard Street, it has now all the organizations of a small parish. Forty persons were confirmed by the Bishop on Easter Eve, there are over 100 communicants on the register, besides Guilds, Sunday Schools, a Day Nursery and all those various agencies which you will find recorded under the head of S. Mary's Mission in this Year-Book. The one terrible obstacle both to future growth and even to present work is the absolutely insufficient accommodation in the little Chapel. It will not hold more than about fifty persons, and as the number enrolled in the Guilds, &c., of the Mission is over 700, it is, as will be seen, absolutely impossible to accommodate one tithe of those who would naturally attend the Sunday Services, and we are obliged to turn away numbers who wish to come. No work has been more successful, no workers in the Parish have been more faithful than those in this Mission, and it deserves our most cordial support, and our most earnest efforts to give it such accommodation as may enable it to minister to the needs of the neighborhood in which it is placed. I propose to put up upon the site which we have secured, a plain but substantial building, containing a large Sunday School room, Guild rooms, and above them a Chapel holding about 350 people. For this purpose and to pay off the mortgage which is on the property, we shall need not less than $20,000. Of this $5,400 has been contributed, and to raise the balance must be the great work and effort of the Parish this next winter. To this end, therefore, I would ask

the prayers and the co-operation of every member of S. Mark's Parish.

At the White Mission the work has been most satisfactory, the numbers having increased, and what is far better, the Church's hold upon the people having been greatly strengthened. From this Mission fifty-two persons were presented for Confirmation, the majority of them adults, and there are over 150 communicants belonging to it, while its organization in Guilds and Classes would compare well with many of our larger parishes. The thoroughness of the work there, the real devotion of the people, the way in which religion has become in the lives of many of them the one bright spot amid the gloom of poverty and distress, the way in which they look to the Church and its agencies not so much for material aid (of which we are able to give but little) as for spiritual consolation and strength, is both pathetic and encouraging.

The Parish School was moved down to the Mission last October, and though a separate organization, is really one of the Mission works. Under Sister Gabrielle and Miss Gefrorer, a most excellent foundation has been laid in the way of order, punctuality and general good discipline, and we need only more teachers for the School greatly to increase in numbers and usefulness.

In making out the table of statistics I would call your attention to two items: First, the confirmation of 115 persons, the largest class that the Bishop has confirmed since he has been in the Diocese, probably the largest that has ever been confirmed in this Diocese. Secondly, to the Communicants. I have known ever since I have been with you that the Communicants' List was extremely inaccurate, names of many persons remaining on it who have not communicated at S. Mark's for many years. Until this year I have not been able to attack this question, but this winter I have sent one of the Clergy

to look up every person whose name I find on the Communicants' List who is not known personally to myself, or one of the Clergy, with the result that we have been obliged to remove no less than 308 names as having no right to be on our list, all of them placed there before I took charge of the Parish. This, of course, reduces our number by 25 per cent., but the list as it now stands is nearly accurate, and as we have gained this year by Confirmation and otherwise nearly 200, it leaves the respectable total of over 1,100 Communicants, after taking away the dead-wood. The first Easter that I was here 680 persons made their Communion; this last Easter, 835; so that while we have reduced the nominal number by 25 per cent., we have increased the actual number by about the same proportion.

I cannot close this Report without expressing to all my parishioners and friends my deep appreciation of their loyal and hearty support in every work which I have proposed to them, and the spirit of loving self-restraint in criticism of those matters upon which we may, perhaps, not all agree. Few Priests, I believe, have more cause for thankfulness and happiness than I have in my relation to S. Mark's Parish in its present condition.

FORTY-FIFTH ANNUAL REPORT.

During the past year changes of a most important character have been made in the arrangements of the Parish School. The House, No. 618 South 17th St., adjoining the Mission at 17th and Kater Sts., has been purchased, and the School is now in session there instead of in the Parish Buildings as formerly. The possibilities of the School are thus greatly increased by the position of the present school house, the locality being one in which the pupils live, and the house well adapted in every way to its purpose.

The Head Teacher is the Sister Gabrielle, of S. Margaret's Community, and the Assistant Teacher, as before, is Miss Gefrorer.

While the subscriptions to the School have greatly increased, considerable expense has been incurred in fitting up the new house for school purposes, entirely new plumbing having been put in and several hundred dollars spent in interior improvements. Owing to the change of neighborhood around S. Mark's it was not only impossible for the old School, which had done such good work for so many years, to increase, but it was steadily diminishing, in spite of the most faithful efforts to keep it up. The neighborhood of the new School is teeming with children, and if sufficient contributions are received to enable us to get more teachers, there need be scarcely any limit to the usefulness of the School.

The children are now entirely under our care, and attend the Services of the Church daily and its Sunday School on Sundays.

TWENTY-SECOND ANNUAL REPORT.

Our report for this year is quite as favorable as that of any previous one. We know that our contributions during the summer months are much valued by the sisters and all the children in the House of S. Michael and All Angels, as at that time so many friends are out of reach. Last summer we provided drives in the Park and ice cream treats, and at Thanksgiving and Christmas gave the dinner of turkey and cranberries. We trust that our friends will remember us, and enable us to do so again this coming season.

Mrs. Henry Reed has resigned from our Board. She was a generous contributor, and was always at her post. We regret losing such old and valued friends. Most unexpectedly we have the pain of recording the death of a beloved member of our Board, Mrs. Isaac Wister. Her genial manner and sweetness of nature made it a delight to work with her, and we all feel her place can never be really refilled to us.

Miss Williams was unanimously elected as our Superintendent. She has always been one of us, and is deeply interested in the prosperity of the work.

ETHEL SMITH.

TWENTY-SIXTH ANNUAL REPORT.

The Managers of the Employment Society are thankful to be able to report that the interest manifested last year in the Society has been maintained and that its work this season has been most useful and prosperous, as a comparison of the itemized report with that of previous years will show. They find their quarters at the Mission House in Kater Street most commodious for the work. When it is realized that this charity helps only those who help themselves and that the whole amount subscribed goes direct to poor women for work done, it is to be hoped that even larger subscriptions will enable the Society to increase the number of its beneficiaries.

Report of work done by the Society for the Winter of 1894–1895:

The Cutting Committee cut out . . . . . 2,104 Articles.
The Examining Committee examined . . . . 1,985 "
The Distributing Committee distributed . . . . 1,938 "
The Selling Committee sold . . . . . 1,697 "
The Paying Committee paid out to employees for work $435 80
The Permit Committee gave permits to 43 women.

The Mothers' Meeting.

REPORT FOR THE WINTER OF 1894 AND 1895.

Chaplain.

REV. S. F. W. SYMONDS.

Ladies in Charge.

MISS CAMPBELL,

MISS AUSTIN.

The Mothers' Meeting has had a most successful winter, though the number of names on the roll is somewhat less than last year,—one member having died, two left the city and several have moved too far away to come to the meetings. The attendance has been excellent, even in the most inclement weather of this severe winter, and great interest in the meetings has been shown.

As usual, they have done some good missionary work, making up over seventy garments, which are again to be sent to the Mountain Mission in Tennessee.

There is also evidence of increased interest in the services of the Church and spiritual benefit from the excellent instruction of the Chaplain.

RECEIPTS.

Meetings have been held every Tuesday evening as follows:

1st in the month, Devotional and Business Meeting.
2d " " Calisthenics Class.
3d " " Lectures on Science, Travel, &c.
4th " " Social Meeting.

Through the kindness of some of the Associates, the former choir-room was beautifully fitted up in January as a parlor for the G. F. S. members, and the weekly meetings have been held there. The monthly devotional service, with address by the Chaplain, and the closing service every Tuesday, are held in the Guild Chapel.

During Lent, the usual classes were suspended and the evenings spent in sewing. A number of garments were made for a poor mission school in Maryland.

RECEIPTS.

Meetings have been held on Sunday afternoons for religious instruction, and on Saturday mornings for work for S. Mary's Mission.

RECEIPTS.

From members' dues	$ 8 65
From Shoe Club	34 95
	$43 60

The Saturday Class.

This Class, which originally was intended only for a limited number of ladies in the Parish, has been practically turned into a general Bible Class and the attendance thus greatly increased.

It meets in the Guild Chapel every Saturday at 11.30 A. M., from All Saints' Day until Whitsuntide.

During the past year the lectures have been confined to the study of the Gospel of S. John.

The Men's Choral Society.

President,

REV. A. G. MORTIMER, D.D.

Organist,

MR. ANDREW WHEELER, JR.

Number of Active Members, 48.

During this, the fourth year of its existence, this Society has rendered only the Masses on the Feast of the Circumcision and on Maundy Thursday, and has not attempted as before the Special Thursday Night Services in Lent.

The Guild of S. Cecilia.

President,

REV. A. G. MORTIMER, D.D.

Secretary,

MRS. L. LEWIS, 1820 Pine St.

This is a Choral Society for ladies only, and was started for the purpose of supplying Choral Celebrations of the Holy Eucharist on Saints' Days and Choral Evensong on their Eves. This is the third year of its existence, and we regret to have to record some falling off in the number of its members. It has, however, in addition to the Saints' Day Services, supplied a Wednesday, Thursday and Friday evening service during Lent. It is hoped that renewed interest will be shown next year in its work. Ladies desiring to join it should send their names either to the President or Secretary.

The Guild of S. Lawrence.

Chaplain,

REV. J. W. ELLIOTT.

Warden,

MR. NEILSON J. RITTER.

Sub-Warden,

MR. W. F. H. REED.

W. Spader.

This Guild is composed exclusively of the Servers.

During the past year the Guild has supplied Servers for over 700 Celebrations of the Holy Eucharist and for all Choral Services of the Church, besides Weddings and Funerals.

The Choir Guild.

Chaplain,

THE REV. J. WOODS ELLIOTT.

Warden,

MR. R. B. STERLING.

This Guild, which is intended for the benefit of the choir boys, has a Reading Room of its own, which is open several nights a week. It also owns a boat on the Schuylkill for practice in rowing. The Guild Meetings on Sunday evenings an hour before Service, for catechising and similar purposes, have been well attended during the winter. A very efficient Instructor has been engaged for the Gymnasium by Mr. Sterling.

S. Mark's Messenger.

S. Mark's Messenger has completed its third year, with Mr. W. H. Loyd, Jr., as its Editor. It has been issued with regularity, and has supplied the parishioners with notices of Services, etc., throughout the year. It is much to be desired that articles be contributed to it on theological subjects. Such articles should be sent to the Editor, or to the Rector.

The paper is circulated gratuitously, but the Rector would be very thankful for contributions towards keeping it up, the expense of printing it being quite large.

S. Mary's Day Nursery was established in the Mission House, 1627 Lombard St., in October, 1894, and occupies the two rooms on the second floor. The work has been most encouraging, and 243 children have been cared for during the past month, exclusive of 28 children who have come to dinner on Mondays. The average attendance has been twelve children.

As this is the only Nursery for colored children in Philadelphia, the applications for admission become more numerous every day, and the necessity for larger accommodations is strongly felt.

The Managers earnestly hope that they may in the Autumn be enabled to rent a small house.

The Treasurer reports receipts from subscriptions and donations:

THE MEN'S GUILD HOUSE.

This House, No. 1628 Lombard Street, has been rented since last Fall for work among Colored Men, our quarters at the Mission being too limited at present to accommodate all the various works. A Night School has been maintained and the attendance has been quite encouraging, instruction being given every Monday and Wednesday evening upon elementary branches. An Orchestra has also been started and receives weekly instruction.

S. Augustine's Guild, composed of all men who are communicants of S. Mary's Mission, meets every Sunday afternoon as a Bible Class and on week days at stated times. During the Winter a number of men have been brought to a realization of their spiritual needs through the agency of the members of S. Augustine's Guild, which could scarcely have been accomplished without the Guild House. The Priest in charge is responsible for the rent of this house, as the Mission Fund has not been drawn upon at all for the carrying on of this important work.

S. MARY'S MISSION
CHAPEL BUILDING FUND.

This Fund was started last Spring for the purpose of building a Mission House and Chapel on the site of the present buildings of S. Mary's Mission in Lombard Street above 16th. The work among the colored people has grown so largely that our present quarters are totally inadequate and numbers have to be turned away from many of the Services for want of room. A house, No. 1627 Lombard St., has been purchased out of the Mission Fund in order to complete the rectangle we own there, and all that is needed now is to pull down the present small houses and build a plain but substantial Mission House and Chapel.

The Summer Fund.'

This most useful Fund is intended to supplement the Rector's Fund from the Communion Alms, etc., during the Summer months, when, owing to the absence from the city of most of the parishioners, the offertories are very small, while the demands upon the Fund are even greater than in the Winter. The Rector expressed the hope last year that the amount might be sufficiently large to support a Summer Home for women, a furnished house, Glenwood Farm, having been placed at our disposal by its owner, Mrs. Samuel Wagner. This hope was realized, and more than double the amount of preceding years contributed. As will appear from the Treasurer's Report of Glenwood Farm, almost the whole of the Summer Fund was used in giving to some 150 women and children ten days' fresh air and rest in the country. The total amount contributed last year was $1029.

In making out the above financial statement, the plan pursued has been to give exactly the sums contributed to various works in the Parish, but to exclude all private

gifts to objects outside the Parish, and those large sums which, under the head of "Miscellaneous," go to swell the receipts in so many Year Books.

In comparing these receipts with those of last year, there is an apparent decrease in the offertories and Mission Fund of $1,958.72 and $6,454.75, respectively. This, however, is only in appearance, as on account of Easter last year falling before April 1st, two Easter offerings were included in the report of the year's offertories, so that, deducting the amount of one of the Easter offerings, $1,263.32, the falling off in offertories is $695.40. This is a matter to be regretted, and, I trust, not to be repeated. The Mission Fund last year contained an item of $6,568.48 from the proceeds of the Fair at the Natatorium. This, of course, was an extraordinary source of revenue, and deducting it, it will be seen that the net income of the Mission Fund has been greater, and that the subscriptions to it have been over $1,000 more this year than last year. However, even leaving these two large amounts standing to our debit, the gross income of the year shows an increase of $7,185.13, and not counting the above two sums, the actual increase of receipts this year has been $15,016.93, which, when one considers the great financial stringency which we have been experiencing, is a most satisfactory showing, and one which proves from facts, not in mere words, the increase of self-sacrifice and love of GOD'S service in S. Mark's Parish.

During the year we have built a most beautiful Cloister on the north side of the Church, and fitted up the old school-rooms in the Parish building as choir-rooms, giving to every man and boy his own separate closet, thus solving a problem which had for many years been pressing upon the Parish and from the great lack of accommodation provided when the Church was originally built, causing demoralization in the Choir and extreme inconvenience to the Clergy. The Cloister cost in the neigh-

borhood of $6,700. In placing only $3,720 to the credit of the Cloister Fund, it must be remembered that the balance came from offertories which had been accounted for partly last year. There is still a deficiency of about $300 to be made up on this account.

We have also purchased the Rectory of the Presbyterian Church, No. 618 South 17th St., adjoining our Mission building on Kater St., and have transferred thither the Parish School. I expressed last year a hope that we might find some means of doing this, although I had then no idea that it would be so soon and so satisfactorily accomplished.

We have also purchased No. 1627 Lombard St., making up, with our Mission buildings, a rectangle, so that we now have the ground on which to build the Mission Church when we succeed in raising sufficient money for that purpose.

Over $1,000 last summer was spent in the maintenance of Glenwood Farm; we can therefore show as special works last year, four things: the building of the Cloister, the purchase of the School building, the purchase of the house on Lombard St., and the maintenance of the Summer Home. To these may be added that we have invested $5,400 to the credit of the Building Fund of S. Mary's Mission, all contributed within the year.

As it is intended to account in the Year Book for all subscriptions and donations, I should esteem it a favor if any one whose name has been omitted or the amount of contribution wrongly entered, would call my attention to the error.

CHURCH WORK

DONE WITHIN

Saint Mark's Parish,

PHILADELPHIA.

S. MARK'S DAY,

1896.

NOTE.

The names and addresses of persons wishing to be attached to the Parish; and of Strangers attending S. Mark's who may desire to be called upon, should be sent to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had of the Accounting Warden, Mr. George Wharton Pepper, 701 Drexel Building, or by applying to the Pew Committee, through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. W. M. Camac, 2131 Walnut Street.

PREFACE.

In putting forth the Year-Book once more, the principal thought I would impress upon the Parish is that it has had a year of rest, and therefore ought to be prepared for a very real effort of growth and work next year. During the preceding three years we had to make many efforts to raise money for pressing needs; the first year the putting the fabric of the Church and Parish Buildings in good repair, then the building of the Clergy House and the purchase of the property on Lombard Street for the Colored Mission; then the next year the paying off of the mortgage on the Mission Buildings in Kater Street; and then the following year the building of the Cloister, the purchase of the School House next door to the Kater Street Mission, and the purchase of No. 1627 Lombard Street to add to the colored work. While I had hoped, as I stated in the last Year-Book, to have gone on to raise at once $20,000 for the building of the Chapel at S. Mary's Mission, yet from various circumstances it has seemed wiser to let this be a year of comparative rest; and so the building of this Chapel remains as our great work to be faced and, I hope, accomplished next year.

From almost every point of view our colored work has special claims upon us; first, because we are the only large Parish in the city that has really undertaken work of this sort; then because we have done so much that, to secure the fruit of past sacrifices, we must do still more; and again, because we meet with such hearty response from the colored people themselves. Indeed, in many ways, they put to shame our own people. When I say

that in each of the last two years we have presented to the Bishop for Confirmation a class of over forty, mostly adults, and all most carefully prepared, that at Easter 125 made their Communion, and that they have themselves contributed very largely to the support of their Mission, one Guild alone, S. Monica's, giving $110, and the envelope pledges, to the Building Fund only, amounting to $386, I am stating facts which not only show how full of encouragement the work is, but which justify a strong plea for earnest effort to put it on a firm foundation.

We have one great need, and that is a Chapel adequate to the number of worshippers. Our present little Chapel accommodates but fifty, so that on Festivals we are obliged to have two or three Celebrations and arrange who shall come to each, in order even to communicate those who are regular communicants. We have hired a hall on the opposite side of Lombard Street for our Sunday evening services and for our Sunday School, but this is not only inconvenient and expensive, but already full to overflowing, and as our workers often say reproachfully to me, "We invite them to come, and then when they come we have not room for them." I would most earnestly commend these facts to the prayerful consideration of every member of S. Mark's Parish, that when next year the effort is made to raise $20,000 for the building of the Chapel and Sunday School rooms, everyone may be ready to respond generously.

The Mission to white people in Kater Street has passed through a time of trial which has tested and proved the steadfastness and devotion of its people. For more than three months it was without any regular Priest in charge, having to depend on the ministrations of different ones from day to day; but the people themselves kept up all their various organizations, and the number of communicants on Easter Day, 108, was only three less than the number of the previous Easter. The Parish School,

which was started last year, has nearly doubled its numbers, and a much-needed Kindergarten Department has been added to it.

While we made no special effort this year to gather in a large Confirmation Class—and, indeed, I rather thought it best to let this be a fallow year in that, as in other works, on account of the change of Clergy and other difficulties at the Mission—yet our Confirmation Class of 93 shows that new life is being constantly drawn in, and that a great need is being met.

The increase in the number of Communions this Easter was 40. There has been during the past four years a steady increase in the actual number of Communions made at Easter, altogether amounting to about 200, or 30 per cent. of the whole.

I cannot close this report without expressing my deep thankfulness to GOD, for the many blessings which He has vouchsafed to us as a Parish, and to my parishioners and friends, my appreciation of their hearty support in the work which we have together striven to do.

FORTY-SIXTH ANNUAL REPORT.

It is now not far from the end of the second year in which S. Mark's School has occupied the house at Seventeenth and Kater Sts. The year has been a very successful one. The number of scholars is larger than ever before, sixty-six having been enrolled this winter, and the facilities of the School greatly increased under Sister Cora's efficient management.

A Kindergarten has been established which has proved very useful. Many young children are receiving the benefit of training, which will prepare them for entrance into the higher classes.

The pupils have the privilege of attending service in the Mission Chapel every morning before going into the school, and are also instructed by the Priest in charge.

TWENTY-THIRD ANNUAL REPORT.

This Association has been so well supported by a few generous friends during the past season that it has been enabled each month to do something for the comfort and pleasure of the children in the House of S. Michael and All Angels.

Last summer, drives in the Park and trips up the river, were provided, as the treats most prized by the children. Once they chartered a trolley car and went to Bartram's Garden, and there enjoyed a feast of ice cream, bought with the proceeds of an entertainment given by the children of S. John's Orphanage, who asked that their money might be used for that purpose.

At Thanksgiving and Christmas, a generous dinner, (consisting of 7 turkeys and a crate of cranberries) was given to all the inmates of S. Michael's House, and games bought that the children particularly longed for. We beg that our friends will continue their benefactions, so that we may not be stopped in our work of providing some holidays for the little coloured cripples left behind in the hot city, while we enjoy our vacations.

TWENTY-SEVENTH ANNUAL REPORT.

The Managers of the Employment Society present their Twenty-Seventh annual report, by which it appears that 44 women were employed as against 43 last year, 2490 articles distributed, as against 1938, and 2213 articles sold as against 1697.

While the work has thus increased they regret to record a slight falling off of subscriptions, and the absence of some of the best workers who are abroad, was much felt, they hope next year to interest more workers in this most excellent charity.

Report of work done by the Society for the winter of 1895 and 1896:

The Cutting Committee cut out	2260 Articles
The Examining Committee examined	1679 "
The Distributing Committee distributed	2490 "
The Selling Committee sold	2213 "
The Paying Committee paid out to employees for work	$417.95

The Permit Committee gave permits to 44 women.

The Mothers' Meeting.

REPORT FOR THE WINTER OF 1895 AND 1896.

Chaplain,

REV. N. D. VAN SYCKEL.

Ladies in Charge,

MISS CAMPBELL,

MISS AUSTIN.

There are at present forty-eight women on the roll of the Mothers' Meeting, and the attendance through the winter has been excellent.

The money contributed is expended in giving them a little Christmas and Easter treat, and in buying materials for missionary work. A number of pretty and useful garments are made during the winter, so that we are able in the spring to send a really valuable box to one of the missionary stations of our Church in the mountains of Tennessee.

A penny collection on the Fridays in Lent has amounted to about a dollar for the same object.

The instructions given by the Chaplain are much appreciated by the women.

Meetings have been held every Tuesday evening in the G. F. S. room, in the Parish Building, except during the month of September. Classes have been given in singing, embroidery and fancy work, and the usual devotional and business meeting has been held on the 1st Tuesday in each month. During Lent there was a Confirmation class in connection with the G. F. S. meeting. The Branch has also worked during Lent, as in former years, for a missionary box, and made a number of children's dresses and sacques for an Indian school in Wisconsin.

S. AGNES' CHAPTER

of the G. F. S., consisting of those members who have been confirmed and will promise to keep a simple rule of devotion, was formed on the Eve of S. Agnes' Day, January 20, 1895.

Meetings have been held every Thursday evening at the Sisters' House, except during Lent, when the members attended the special services at the Church.

Meetings have been held on Sunday afternoons for religious instruction, and on Friday afternoons during Lent for missionary work.

The Saturday Class.

The Saturday Bible Class, which has been in session from the first week in Advent, has this year been very largely attended. The subject treated has been the Gospel according to S. John. This was begun last year, and will be finished before Whitsuntide, so that the class has spent just two years in the study of this Gospel. The Class meets in the Guild Chapel every Saturday at 11.30 A. M., from Advent to Whitsuntide.

The Men's Choral Society.

President,

THE REV. A. G. MORTIMER, D. D.

Organist,

MR. ANDREW WHEELER, Jr.

Number of Active Members, 48.

During this, the fifth year of its existence, the Society has had a holiday. From various causes it was found impossible to keep it up to the standard of previous years, and it was thought best on account of certain local circumstances to omit its services this year. It is hoped that next year it will resume active work.

The Guild of S. Cecilia.

President,

REV. A. G. MORTIMER, D.D.

Secretary,

MRS. L. LEWIS, 1820 Pine St.

This Choral Society, which is for ladies only, was started for the purpose of supplying choral Celebrations of the Holy Eucharist on Saints' Days and special services at other times. It has done but little work during the past year. The loss of several of the strongest voices, and the pressure of other work, has led us to confine the work of the Guild to its festival anniversary on All Saints', when the members sang very acceptably Battmann's Mass in F, and to S. Mark's Day. It is hoped that next year a larger number of members will enable it to resume more active work.

The Guild is composed exclusively of the servers.

During the past year the Guild has supplied servers for over 700 Celebrations of the Holy Eucharist and for all choral services of the Church, besides weddings and funerals.

This Guild, which was begun some three years ago, has just been placed upon a new basis, which we hope will make it more effective. It is intended to weld together the Choir Boys, to give them innocent and wholesome recreation and to counteract adverse attractions. There is a reading-room, a gymnasium, and once a fortnight a social meeting at which certain ladies of the Parish preside.

S. Mark's Messenger.

S. Mark's Messenger has just completed its fourth year, and has marked that event by a very decided manifestation of growth. From a four-page journal it has developed into one having sixteen pages, and from having merely the news of S. Mark's Parish, it now presents articles on theological and literary subjects, which we venture to think will make it far more attractive. Its subscription list, while quite large, will still bear considerable growth; indeed, if the subscriptions grew as much as the paper has, it would relieve the publishers of much anxiety. The *Messenger* in its new form is in the hands of S. Mark's League, to which it owes its great improvement.

S. Mark's League, the youngest, but we hope one of the most efficient organizations of the Parish, was started only in February last. Its purpose is especially to enlist the sympathy of and to do work among men. In joining the League the members pledge themselves to keep a Simple Rule of Life, and to labour for the good of the Parish. Those who have been admitted so far, have manifested a spirit for work and organization which is an earnest of what may be expected in the coming year.

One of its first undertakings was the change of the Parish paper, the *Messenger*, which is now issued in new shape, much enlarged and containing a number of articles of general interest and of a character that will make it readable, it is hoped, even beyond the Parish bounds. Another work of importance is a Guild lately organized for the choir boys.

During Lent the League accomplished much good in the Special Sunday Night Services in inviting men to them, in seating them and meeting those afterwards who were strangers to the Church and the Parish.

On Wednesday nights the League meets weekly at 7.45 in the choir of the Church for a short service and meditation, to which it invites its friends. In connection with these services, it intends to hold from time to time, receptions in the Clergy House, at which an opportunity is afforded to many who are strangers to the Church to meet in an informal way the Rector and Clergy and the members of the League; a simple collation is provided. The plan promises to be very helpful to both Clergy and

those invited. The first of these receptions was given on Wednesday night, April 15, at which some forty men attended. The Church, the Clergy House and Parish Buildings and Cloisters were lighted and open to the visitors.

The Society will consist of two classes—Members and Associates—the former pledged to a Simple Rule of Life; the latter, without such pledge, only promising to work for the League, and enjoying all the privileges of membership, except the right to vote at its meetings.

It is hoped that a large number of the men of the Parish will enroll themselves in one of these classes. It is impossible to exaggerate in these days the enormous power for good of a large body of men leagued together for the common purpose of holiness of life and work for the glory of God and for the good of souls.

S. Mary's Day Nursery has been carried on during the past year at 1508 Lombard Street, where it was removed last May. It has been decided, however, that these quarters are unnecessarily large and 1629 Lombard Street, adjoining S. Mary's Mission, has been secured, and the Nursery will be moved there in the present month. During the four winter months a Kindergarten teacher was employed at the Nursery to instruct the older children.

S. MARY'S MISSION.

THE MEN'S GUILD HOUSE AND MAGNOLIA HALL.

The members of S. Augustine's Guild have continued to make use of the first floor of No. 1628 Lombard St., and, later in the year, of the first floor of No. 1629 Lombard St., for the various meetings of the Guild. Members of the Orchestra now assist at the Night Service. There are twenty men thus actively interested in the Guild and its classes, all of whom are communicants at S. Mary's.

Last Fall, in order to accommodate more fully the growing congregations, the Hall on the southeast corner of 16th and Lombard Sts. was rented by the month. As usual, some good friends came to our aid, and we have been enabled to continue holding the Night Services since they were begun in November.

On Monday nights there are lectures for men, given with the aid of the lantern, by several interested laymen.

The Infant School meets at the Hall on Sunday afternoons, and already quite fills it.

CHAPEL BUILDING FUND

This fund, which last year reached the very respectable proportions of over $7,000, of which part was spent in the purchase of No. 1627 Lombard Street, and a balance of $5.400 deposited in the bank, has received some $2,000 more, out of which a debt upon the purchase-money of the Lombard Street property, amounting to $1,200, has been defrayed. It is hoped that next year sufficient may be raised to build the much-needed Chapel for the colored people.

The Summer Fund.

This Fund is intended to supplement the Rector's Fund from the Communion Alms, etc., during the Summer months, when, owing to the absence from the city of most of the parishioners, the offertories are very small, while the demands upon the Fund are even greater than in the Winter. Last year, in place of supporting a Summer Home for women, an experiment was made of sending a number of boys to the sea-side at Cape May, besides providing funds for excursions in the hot weather for many of the deserving poor of the Parish.

In making out the above financial statement the plan has been to give exactly the sums contributed to various works in the Parish, but to exclude all private gifts to objects outside the Parish, and those large sums which,

under the head of "Miscellaneous" go to swell the receipts in so many Year-Books.

Last year there was a falling off in the offertories to the amount of $695.40. I am glad to say that there is an increase over last year's offertories of $806.96. There is also some gain on pew-rents. While the gross total is some $8,000 less than that of last year, this is sufficiently accounted for by the fact that we have made no effort this year to do any new work. Last year a special effort was made in three directions: the building of the Cloister, and the purchase of 618 South 17th street, and of 1627 Lombard St., and there was also a donation of $5,000 towards the Building Fund of S. Mary's Chapel. Two of these items alone amounted to $11,000, so that deducting this there has been an increase of some $3,000 in the ordinary funds of the Parish.

It had been my intention to have made a great effort to raise sufficient money to build the Church for the Colored People, but while a good deal was promised towards it, there was not sufficient, and for various reasons it was thought best to leave this until next year; so that we may consider this has been a year of rest, with no special demands for new work, and that next year we must do our best to accomplish the building of the Chapel.

Last year we kept up a Summer Home at Glenwood Farm at a considerable cost. This year we only sent people to the sea-shore, at less than half the expenditure.

As it is intended to account in the Year-Book for all subscriptions, I should esteem it a favor if anyone whose name has been omitted, or the amount of contribution wrongly entered, would call my attention to the error.

ANNUAL REPORTS

OF THE

SEVERAL DEPARTMENTS

OF

CHURCH WORK

DONE WITHIN

Saint Mark's Parish,

PHILADELPHIA.

S. MARK'S DAY,

1897.

NOTE.

The names and addresses of persons wishing to be attached to the Parish; and of strangers attending S. Mark's, who may desire to be called upon, should be sent to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had of the Accounting Warden, Mr. George Wharton Pepper, 701 Drexel Building, or through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. W. M. Camac, 2131 Walnut Street.

PREFACE.

It is with great gladness that the Year Book for 1897 is put forth, for it is a record of much for which we must be deeply grateful. The year began with many clouds and misgivings. There was the unprecedented financial depression, which threatened to diminish our income, and so make it most difficult to keep up all the many works of the parish, while, on the other hand, our Coloured Work had so outgrown its limited quarters that it seemed absolutely necessary at once to build a Chapel and Mission Rooms if the work was not to be seriously injured. And yet again, there were some ritual questions which needed solution.

It seemed almost too much to hope that all these difficulties could be met and overcome in one year; and yet, as we look back, this has been done. For, in spite of the hard times and consequent reduction in the incomes of most of our people, the summary of receipts on page 72 shows that we received this year $9,652.74 more than last year, and $1,266.64 more than any year since I have been Rector of S. Mark's.

As regards the Coloured Work, the generous offerings this Easter have brought the building of the Chapel within our reach, and it is hoped that we shall be able to use it for worship next winter. We still need some $2,500 to make up the amount for which I asked, and which seems to be required, but the greater part of this will, I hope, be given by those in the Parish who have not yet contributed to the fund.

Several have told me that they were only waiting until it was really decided to build, and now that this decision has been reached, I trust *every* member of the Parish will send something towards the building of this, the first Mission Chapel of S. Mark's. I shall be glad to receive *now*, either donations or promises of gifts in the Fall.

There are several things which might be given as memorials, viz.: an altar, chalice, cross, candlesticks, etc.

There has been, it is true, some falling off in the contributions to the various funds, notably to the Mission Fund, which for the first time shows a deficit of $234.97 This is partly to be accounted for by the financial depressions of which I have spoken, partly by the great efforts made to raise money for the building of S. Mary's Chapel, towards which almost $11,000 has been contributed this year.

The Services, both as regards music and ritual, have been raised to the full standard of the Church's ideal.

If we turn from the temporal affairs of the Parish to what is of deeper importance, its spiritual progress, we have also the greatest cause for thankfulness to Almighty God. First, there was the blessing of the Mission, with its rare spiritual privileges, attended as it was by some twenty thousand people, ministering thus not only to our own parish but to many outsiders, arousing the careless to a sense of their responsibility, and still more perhaps deepening the spiritual lives of those who were already earnest in the service of God. Then followed a very well kept Lent, with largely increased attendance at the daily Celebrations as well as at the other services, ending with a Holy Week of special devotion, and therefore an Easter of great joy.

Thus ends the fifth year of my Rectorship. For the past I would express my deep thankfulness to God for His help and guidance through so many difficulties and His abundant blessing upon our work, and to my parish-

ioners my appreciation of their great patience and forbearance with my many faults, and for their hearty co-operation in every scheme of work which I have proposed to them. This I feel far more deeply than I am able to express. For the future I would appeal for the same loving support, that, with God's continued blessing, we may make our Parish more and more an influence for good, and a witness to the power of Catholic truth and worship in these days of rationalism and indifference.

FORTY-SEVENTH ANNUAL REPORT.

S. Mark's School has accomplished a large and useful work during the past year. The increased facilities of the School in its present location, 618 South Seventeenth Street, offer many advantages.

Under the capable management of the Sister-in-charge, the classes have been arranged in accordance with the method used in the public schools. An excellent kindergarten, now in its second year, prepares very young children for admission to the higher classes. Daily lessons in calisthenics have been given this Spring, much to the benefit of the pupils.

The school house adjoins the Mission Chapel at Seventeenth and Kater Streets; the children having the privilege of attending the daily service, and also being instructed and catechised by the Mission Priest.

Some alterations in the school building are greatly desired, being rendered necessary in consequence of the rapidly increasing number of scholars. It is earnestly hoped that funds may be raised to enable these improvements to be carried out during the Summer.

TWENTY-FOURTH ANNUAL REPORT.

We have little new to mention in this, our Twenty-Fourth Annual Report. We have been able to do something for the children of the House of S. Michael and All Angels almost every month; either giving them a dinner or ice cream treats, and in the Summer, weekly picnics to the Park and country. Sometimes, after these excursions, there has been enough money left over to apply to the real needs of the House, which this year have been very real indeed. A generous friend of the Association last Autumn made flannel vests and petticoats and knitted comforters, which were particularly welcome in the intense cold of the Winter. We have had the unusual pleasure of fitting out a little child to return to her family, who unexpectedly appeared and claimed her. So our work this year has been somewhat varied.

The Sisters say they look to the Hospital Aid Association for many comforts they could not otherwise obtain for the children, so we must beg our friends to strengthen our hands that these little waifs may now and then have a pleasure as well as needed food.

TWENTY-EIGHTH ANNUAL REPORT.

The Managers of the Employment Society present their Twenty-Eighth Annual Report, which shows the work to be growing, although they regret to say that some of the subscriptions of former years have not been received. The Managers beg to call attention to the weekly sales at the rooms of the Society, Seventeenth and Kater Streets, on Wednesday mornings, from November to May. If all the ladies of the congregation would remember this Society, and buy from it such household articles as they needed, the number of poor women employed might be greatly increased.

Report of the work done by the Society for the Winter of 1896 and 1897:

Number of pieces distributed, 2,973.
Amount paid to women, $508.25.
Number of articles sold, 2,042.
Number of permits given, 44.

The Society made up 456 articles free of charge for certain charitable institutions, and gave away 22 garments to the "Needlework Guild."

The Mothers' Meeting.

Chaplain,

REV. HARRY RANSOM.

Ladies in Charge,

MISS CAMPBELL,

MISS AUSTIN.

The Mothers' Meetings have continued this Winter, with greatly increased numbers.

The attendance has been good, though affected at times by the weather and by a good deal of illness in the families of the members.

The Christmas festival was a very successful one, much enjoyed by all.

On the Sunday after Christmas, the mothers, in a body, attended the afternoon service at S. Mark's Church, and during Lent they have been present every Friday evening at the service in the Mission Chapel.

The Lenten work of preparing a box of clothing to aid the Sisters of S. Mary at Sewanee, has been taken up with much interest. About one hundred garments have been made, the women doing both the cutting out and the sewing, and nearly all taking some share in the work.

A feature of the meetings this season has been a small circulating library, started by the kind gifts of friends. It seems to give much pleasure, the books being taken by the women, not only for themselves, but for the benefit of husband and children.

The meetings will close soon after Easter, with the usual treat of ice cream and cake, and a growing plant for each member, the most faithful attendants having first choice.

THE REV. WALTER C. CLAPP,
THE REV. HARRY RANSOM.

Secretary and Treasurer,

MRS. M. W. BRINCKERHOFF,
1710 Pine Street.

This Society, which was started only last Lent, is for trained nurses who are working in Philadelphia and its neighborhood, and is in no sense confined to the parishioners of S. Mark's. Its object is to deepen the spiritual life of those who are called to the arduous task of nursing the sick. Its name, the Society of Corpus Domini, was chosen to indicate its purpose, namely, devotion to the Body of our LORD in the Blessed Sacrament, in the person of His sick, and in deepening the spiritual life of nurses as members of His Body. It consists of Members and Associates. The Members must be graduates or students of some recognized training school and communicants of the Episcopal Church. The Associates may be priests, physicians, or women, who, being communicants of the Episcopal Church, may attend meetings and help the work of Society, but are not bound by its rule of life, and have no voice in the legislation of the Society.

Further particulars may be obtained from the Secretary.

The Saturday Class.

The Saturday Bible Class, which has been in session from the first week in Advent, has this year been very largely attended. The subject treated has been the Acts of the Apostles. The Class meets in the Church every Saturday at 11.30 A.M., from Advent to Whitsuntide.

The Guild is composed exclusively of Acolytes, and has supplied servers for over 700 Celebrations of the Holy Eucharist and for all choral services of the Church, besides weddings and funerals.

The Warden wishes to record that Howard Priestly Wells, a most faithful and devout member of the Guild, departed this life in peace, February 9, 1897.

The Choir Guild.

Chaplain,
THE REV. S. F. W. SYMONDS.

Committee in charge,
MR. ROBERT BROWN STERLING,
MR. ELECTUS DARWIN LITCHFIELD.

Warden,
J. RAMON BONACHEA.

This Guild was begun some four years ago. It is intended to weld together the Choir Boys, to give them innocent and wholesome recreation and to counteract adverse attractions. There is a reading-room, a gymnasium, and from time to time, a social meeting, at which certain ladies of the Parish preside.

S. Mark's Messenger.

S. Mark's Messenger has now completed its fifth year. It contains not only the news of S. Mark's Parish, but also articles on theological and literary subjects, four of which during the past year have been reprinted in S. Mark's Parochial Tracts. No. 1, "The Church Ritual;" No. 2, "What is Truth?" No. 3, "On the Papal Encyclical," and No. 4, "On Incense." Number 1 and number 3 have been in such demand that the first edition of one thousand copies of each has been exhausted, and a second issued. Orders for these tracts have been received from S. Johns, New Brunswick on the North and New Orleans on the South. Thus showing how widely they are circulated.

For the future, the *Messenger* will be supplied to subscribers only, and will not be issued in the Summer months. Its publication is in the hands of S. Mark's League.

While S. Mark's League has not yet completed the second year of its existence, it has already become one of the most important organizations of the parish, and, judged from work already accomplished, one of the most useful. Its object may be briefly stated as "work for men and among men." It has edited and published *The Messenger*, our parish paper. During our Mission, in February, it took charge of the seating of the large congregations which attended every night, and it has fulfilled the same office on Sunday nights during Lent. It provided a special series of Conferences for men during Lent, given by Father Huntington. And last, though perhaps best of all, it has held periodical Receptions for men, at which addresses have been given on the relation of the primary truths of Christianity to the questions of the day. The League has been so fortunate as to obtain for this purpose the kind services of prominent laymen, mostly from New York. The addresses this year were given by Messrs. George Wharton Pepper, Albert B. Boardman, George Zabriskie, and General Wager Swayne.

S. MARY'S MISSION.

MAGNOLIA HALL.

Sunday and Friday night services since October have been held in Magnolia Hall, S. E. corner of 16th and Lombard Streets. The services on Sunday nights have been choral, assisted by the Men's Orchestra. The hall seats about 110 persons, and it has been so crowded all Winter that the workers have been unable to make any regular effort to get any new people to attend, as on more than one occasion no seats could be found for the regular attendants. During Lent the extra services during the week were well attended.

The hall has also been used for the upper Sunday School, for the Girl's Sewing School on Saturday morning, and for lectures and other miscellaneous purposes.

S. MARY'S MISSION
CHAPEL BUILDING FUND.

This fund, which last year amounted to $5400, has received the following accessions:

From Pledges, mostly from the Colored Mission	$1,330 00
" the Mischianza	3,290 00
" Easter Offerings	5,924 35
" Interest, etc.	450 00
	$10,994 35
Balance from last year	5,400 00
Total	$16,394 35

Of this, $300 has been expended in cancelling the balance of a debt upon the purchase-money of the Lombard Street property, so that there remains $16,094.35, to which may be added a sum between $3,000 and $4,000 to be obtained by the sale of the Lombard Street property, if it be decided, as it probably will, to choose a better site in the neighborhood. It is hoped that the building will be begun very shortly, and will be ready for occupation by the winter.

S. MARY'S LEAFLET.

S. Mary's Leaflet, the organ of the Colored Mission, has maintained its usual issue of nine numbers during the past year. A general effort was made last Autumn to place the paper on a strictly business basis by securing a sufficient number of subscriptions to ensure cash payment of all bills. 180 subscribers at 50 cents each would secure this. We have now about 40. This effort will be repeated next Autumn, and it is hoped that it will be so successful that the paper will be made wholly self-supporting.

The objects of the *Leaflet* are (1) to be a monthly missionary tract among the people, teaching them by judicious publications the faith and practice of the Church, and (2) to give monthly reports of the general progress of the work, for the use and information of the people themselves and of interested friends.

STATISTICS OF SERVICES.

FROM ADVENT, 1896.

Beginning with Advent, 1896, a careful register of all services, attendances, communions, etc., at S. Mary's has been kept. The following is the summary for the period of five months, beginning with the first Sunday in Advent and ending on S. Mark's Day:

The Mission Fund.

This is the principal source of revenue for support:

1. Of the Home for Aged Women.
2. Of the Sisters and their House.
3. Of the Mission on Kater Street.
4. Of the Mission for Colored People, Lombard Street.
5. Of one priest, whose time is given to the Mission.

It is absolutely necessary to raise not less than $5,000 to keep these various works going.

The Summer Fund.

This Fund is intended to supplement the Rector's Fund from the Communion Alms, etc., during the Summer months, when, owing to the absence from the city of most of the parishioners, the offertories are very small, while the demands upon the Fund are even greater than in the Winter. A part of the money is used for excursions in the hot weather for many of the deserving poor and children of the parish.

In making out the above financial statement, the plan has been to give exactly the sums contributed to various works in the Parish, and to exclude all private gifts to objects outside the Parish, and those large sums which,

under the head of "Miscellaneous," go to swell the receipts in so many Year-Books. In spite of the great financial stress of the year, our gross receipts exceed those of last year by no less than $9,652.74, reaching the largest total of any year since I have been with you, and, indeed, for a long time before that. This, of course, is largely to be accounted for by the effort made to raise the Building Fund of S. Mary's Chapel. But, besides this, there is an increase in the current revenue of $1,284.19, the pew rents being $717.25 more, and the offertories (without counting the Easter offering this year) $524.52 more than last year. This is, of course, most gratifying, and is the result of real self-sacrifice on the part of a great many people.

The contributions to the Building Fund of S. Mary's have not been given in detail in this Year-Book, because they are still coming in. A detailed list will be made later, although those who do not desire that their names should appear, can have the sums contributed acknowledged under initials.

As it is intended to account in the Year-Book for all subscriptions, I should esteem it a favor if any one whose name has been omitted, or the amount of contribution wrongly entered, would call my attention to the error.

Plan of Offerings.

On the first Sunday of each month, at the late Celebration, and at all the early Celebrations of the Holy Communion, for the Rector's Fund for the poor.

ANNUAL REPORTS

OF THE

SEVERAL DEPARTMENTS

OF

CHURCH WORK

DONE WITHIN

Saint Mark's Parish

PHILADELPHIA.

S. MARK'S DAY,

1898.

NOTE.

The names and addresses of persons wishing to be attached to the Parish, and of strangers attending S. Mark's, who may desire to be called upon, should be sent to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had of the Accounting Warden, Mr. George Wharton Pepper, 701 Drexel Building, or through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. W. F. H. Reed, 1601 Chestnut Street.

PREFACE.

The Year Book was put forth last S. Mark's Day with congratulations that we had reached what seemed to be the high-water mark of our work and income, for the receipts last year exceeded by $1,266.64 those of any previous year since I had been Rector of S. Mark's. I looked forward with some anxiety to this year's work, fearing that there would be an ebbing of the tide; and this the more so as it seemed natural that the large sums given for the building of the new S. Mary's would lead to a diminution of subscriptions to the many other works of the parish. A further cause of disquiet was an addition to the plans and therefore to the cost of S. Mary's. We had only expected to build the nave of the Church, and no lecture-room; but in the judgment of the Building Committee this was deemed unwise, because in the end it would have involved a much larger outlay, since the amount spent in temporarily closing up the ritual east end of the nave would have been entirely wasted, and a considerable additional sum would have had to be spent in altering the steam heating, etc., when the Church was completed. It was therefore decided to build the whole plant at once, although we knew that this would oblige us to incur some debt.

These various causes for anxiety, however, have all been removed, for God has blessed us most abundantly in putting it into the hearts of our people to give with even greater generosity than before, and so the outcome of the year has justified the decision to spend more on S. Mary's than had been originally determined. If any are inclined

to criticise the amount spent on Mission work in the parish, and especially on the new Church, I would say that, from the point of view merely of expediency, for the reasons just given, this seemed wise to the Building Committee of the Vestry, who gave the matter their most careful consideration; while from the standpoint of Christian duty, it was surely obligatory, in building the House of God, to make it an offering worthy of S. Mark's and of its people, who have themselves for so many years enjoyed the privilege of a beautiful Church.

The only item about which there could be any doubt was the expense of decorating the interior of the Church. The greater part of this, however, was given by two persons, who were desirous that S. Mark's offering to God should not be left imperfect, and on the condition that it should be done at once.

As will be seen by reference to the Chapel Building Fund, page 63, nearly $36,000 has been spent upon the ground and building, to which must be added some $1,700 for special gifts of furniture, making a total of over $37,000. Of this only $8,000 remains unpaid. The old Mission buildings on Lombard Street had a mortgage of $6,000 upon them, so that we have only increased our indebtedness by $2,000, and possess one of the most beautiful and perfect plants for Mission work in the city.

The past few years have been essentially years of sowing seed, with much toil and self-sacrifice. We are already entering upon the harvest. When we moved out of our small buildings on Lombard Street, we feared that our little congregation would be lost in the new Church, Magnolia Hall holding only 110 persons, while the Church accommodates 500. And yet from the first service the Church has always on Sunday been fairly filled, and we can count not less than 1,000 individuals who are more or less closely attached to the Mission, and whose earnestness is a most satisfactory testimony to the

good work done amongst them. We may fairly expect, too, that each year the burden will be lighter upon the parish as the work becomes more and more self-supporting.

To turn, now, to the other works of the Parish, we may briefly observe that although so large a sum has been contributed for S. Mary's, no single work has suffered. An examination of the various Treasurers' Reports shows in every case a balance in hand, while the gross receipts exceed those of last year by $1,888.12, reaching a total of $53,224.24, certainly the largest income that the parish has had for many years. From this part of the report I cannot pass without noticing the offertory this Easter, which, with some offerings sent me for the same object just before Easter, amounted to over $8,000. This was $2,000 more than last year, and $6,000 more than any previous Easter—the result, I am sure, of a well-kept Lent, and many a real act of self-sacrifice and self-denial for the love of God.

Our Confirmation class again exceeded the century, and that this is not merely from an exceptional year we may see by observing that the number confirmed during the past five years has been 489, while the number confirmed in the five years previous was 282. Our Communions, too, this Easter exceeded by 41 those of last year, and by nearly 200 those of six years ago. Amid some discouragements these facts should make us, indeed, take heart, and stimulate us to even greater efforts and self-sacrifice in the future.

I cannot close this preface without expressing most warmly my deep appreciation of the generous and loving support which I have received from almost every member of the parish, and my thankfulness to God for His many blessings on our work.

FORTY-EIGHTH ANNUAL REPORT.

During the past year, S. Mark's School has continued to increase both in work and usefulness. Eighty-two pupils have been enrolled, which is a larger attendance than ever before. The progress in their studies gives evidence of the thorough instruction they have received from the Sisters-in-charge and other teachers.

In addition to the educational advantages, the children have the inestimable privilege of Church teaching. They attend the daily Service in the Mission Chapel adjoining the school-house, and are catechised and instructed by the Mission Priest.

The Kindergarten is also doing a valuable work, the pupils being advanced into the higher classes of the School as they become sufficiently prepared. The situation of the school building, No. 618 South Seventeenth Street, is an excellent one for the purpose. The majority of the scholars live in the adjacent streets, and the influences instilled by its residence in their midst are apparent in many ways.

The necessary repairs and improvements which occur from time to time in a house of this sort, and the constant need of funds for the maintenance of the work, must appeal to all who are interested in the education and guidance of youth.

TWENTY-FIFTH ANNUAL REPORT.

The Hospital Aid Association of S. Mark's during the past year has had the pleasure of handing to the Sisters in the House of S. Michael and All Angels the sum of one hundred dollars—given by a few faithful friends who never forget the wants of the little sufferers there. Too much praise cannot be given to the Sisters for the judicious way in which they make a little money go very far in providing comforts and pleasure for the children. Last Summer, the Association wanted one little cripple to be sent to the seaside for two weeks to recover from the effects of an operation, but the usual outings were not given as the extra money had to be expended for much-needed clothing for the boys. The usual dinners of turkeys and cranberries were given at Thanksgiving and Christmas, and treats were provided on Lincoln's birthday and on February 22d.

So much more good could be done for the children if we could add some new names to our list of subscribers, which, alas! is far too short.

TWENTY-NINTH ANNUAL REPORT.

The Managers of the Employment Society present their Twenty-ninth Annual Report, which shows a large amount of work done, forty-five women having been regularly employed by the Society and well paid for their work. The subscriptions not having been sufficient for this, it will be seen that a part of the balance in hand has been taken for the current expenses. The Managers hope that when an appeal is made next Autumn for funds, the response may be liberal and sufficient to allow this most excellent work to continue without being hampered by want of money.

Report of the work done by the Society for the Winter of 1897 and 1898.

Number of permits given, 45.
Number of articles made, 2,467.
Number of articles sold, 2,072.
Amount paid to women, $550.82.

The Mothers' Meeting.

Ladies in charge,

MISS CAMPBELL.

MISS AUSTIN

There has been a good attendance at the Mothers' Meetings this Winter.

Though we have been obliged to give up some of our women, through a new rule of membership, it being thought best that they should belong to only one such organization, their places have been partly filled by entirely new members.

All have been interested, and are doing good work in making up a missionary box.

The service in the chapel on Friday evenings during Lent has been well attended and much appreciated.

Easter coming early this year, it has been decided to continue the meetings till May, when there will be a closing festival instead of the usual one at Easter.

The number of names on the book is 38.

Meetings have been held every Tuesday evening in the G. F. S. room, in the Parish Building, except during the Summer months.

Classes have been given as usual in embroidery and fancy work, and a class in practical nursing has met with great success.

At Christmas the girls dressed a number of dolls for S. Mary's Sunday School. They have not engaged in any other missionary work this year, as they are working to raise funds for the enlargement of the Chapel in the G. F. S. Holiday House, at Cape May, furnished by S. Mark's Branch last Summer.

This Society has held its meetings each month during the Winter, in the Guild Chapel. It was started over a year ago and is intended for trained nurses working in Philadelphia and its neighborhood. It is not confined to members of St. Mark's Parish, but is open to any graduate or student of a recognized training school, who is a communicant of the Episcopal Church, and who will promise to keep the rule. The object of the Society is to deepen the spiritual life of those who are called to the arduous task of nursing the sick. There are at present fifteen members and five associates. At the meetings, in addition to the Guild Service and address, there is generally a discussion of some subject agreed upon beforehand, or questions sent in by the members are answered by the Rector.

The Feast of the Annunciation is the anniversary of this Society.

The Saturday Class.

The Saturday Bible Class, which has been in session from the first week in Advent, has this year been very largely attended. The subjects treated have been the Acts of the Apostles and the Gradual Psalms. The Class meets in the Church every Saturday at 11.30 A.M., from Advent to May 1st.

This Guild was organized early last Autumn, and has held its meetings on Sunday afternoons at 3 o'clock. The meetings were well attended through the Winter, and the subject of study was the Apostles' Creed. During Lent, the boys accumulated, from acts of self-denial, the sum of $26.36, which was sent to the Bishop of Delaware at Easter, to help with the work among the colored people.

The Choir Guild.

Chaplain,

THE REV. W. K. DAMUTH.

The Choir Guild has been without definite organization or work during the present Winter, though there have been frequent informal meetings between the Chaplain and the choir boys, and the boys were entertained at the Clergy House in Christmastide as usual. The Music Committee of the Vestry have kindly made an arrangement by which the boys are allowed to spend an hour each week in the well-equipped gymnasium of the Drexel Institute.

S. Mark's Messenger.

In entering upon the sixth year of its existence *S. Mark's Messenger* has undergone quite a number of changes. The two Mission Papers have been merged into it, and under the two separate departments the news and statistics of both Missions are published, and the paper is gratuitously distributed among the Mission people.

In addition to the news and statistics of S. Mark's Church proper, there are now published various clippings selected from the church papers of England and America, taking the place of the longer articles on theological and literary subjects.

The number of advertisers and subscribers has increased, thereby making the paper self-supporting.

The object of this organization was briefly stated in the last Year Book as "Work For Men and Among Men." The opportunities for active work afforded last year by the Mission and by the Conferences for men during Lent have been wanting this year, and therefore there is little to report but progress. The plan for holding periodical receptions for men has been adhered to, and the League was fortunate enough to again secure the attendance of Albert B. Boardman, Esq., of the New York bar, who delivered a most interesting and helpful address. It is proposed to hold one more reception before the Summer season, but the speaker has not yet been selected. The mid-Lent meeting was omitted, owing to the illness of George Zabriskie, Esq., who had been invited to deliver the address. Mr. Boardman's address has been reprinted in pamphlet form at the request of many of those who heard it, and copies of it may be obtained by addressing the League at 1625 Locust Street.

The Sunday School has been instructed at the morning session by Classes. At 3 o'clock on Sunday afternoon there has been a children's service of Solemn Evensong, followed by the Catechism and a short sermon. Since Candlemas the sermons have been in explanation of the emblems on the walls of the new Church. Once a month there has been a solemn procession for all the schools. The services are all rendered chorally by the children.

The work of S. Mary's Infant School during the past year has been most satisfactory. The house to house visiting has had more marked effect on this department of the work than on any other, the number of pupils being increased, since S. Mark's Day, 1897, from 142 to 266. The system of instruction has remained practically the same as in past years. On the first Sunday in each month and on great festivals the Infant School takes part in the Children's Solemn Evensong in the Church.

KINDERGARTEN CLASS.

(For children under 7 years old.)

Teachers.

Miss Pierre, Miss Edna Thompson.

One hundred and twenty children are in the Sewing School, twenty-nine of whom are in the Kindergarten Department. There are eleven classes under instruction. The children are taught to make simple garments, which are given them when completed. Each child brings a penny a week, which is used for the purchase of materials. The Kindergarten Class was organized last October, under Miss Pierre, an experienced kindergarten teacher. The sessions are held on Wednesday and Saturday afternoons. The number of pupils has been limited to twenty-five, although some extra ones have been admitted. A very great many applicants have been turned away, but it is hoped that with a larger corps of teachers the work can be extended next year.

MRS. S. B. RICHARDS. MISS BECKET.

The Mothers' Meeting has had 89 members this year, an increase of 37 over last year's roll. The industrial features of the work have been as in the past, although on much more extended lines. The meetings for the past two years have always been followed by a short service, with instruction on the Creed, in the Chapel. The attendance has been so large this Winter, however, that we have had to go into the Church, and the service has been instituted as a regular one for the Mission generally.

S. MARY'S MISSION SERVICES.

Since the opening of the new Church, at Candlemas, the services have been conducted with the usual regularity. The services on Sunday are a celebration at 7 A. M., solemn Evensong and sermon at 3 P. M., and Evensong with sermon at 8 P. M. On Tuesday morning, a celebration is held in the S. John Baptist Chapel, in the Mission House, at 7 A. M. On Wednesday evening, a Mission service with sermon is held in the Church. This service began in connection with the Mothers' Meeting, but has far outgrown that connection, and is now one of the regular services of the week. It is popular and evangelical in character. On Friday evening, there is Evensong with sermon. During Lent, the Stations of the Cross were made for the children, followed by an instruction in the afternoon; and at night the Stations were used before the sermon. Celebrations have been had on all Holy Days at 7 A. M. All meetings of the Guilds conclude with a short service, and about once a month there is an instruction.

The following is the summary for the year ending on S. Mark's Day, 1898:

Services of all kinds, except for Guilds	368

During the past year 2,284 visits have been paid in connection with the Mission work, besides many others of which no account has been kept.

S. MARY'S SHOE CLUB.

This Club provides the children of the Sunday School with shoes at half price. 126 pairs of shoes have been supplied the Sunday School children during the year. A few were given away and the remainder were paid for in part by the beneficiaries. S. Veronica's Guild has undertaken, as a permanent obligation, to raise the money to pay the Club bills. These amounted last year to $55, and were promptly paid. They are over $81 this year, and the Guild would be glad of assistance in meeting them.

S. MARY'S PENNY PROVIDENT FUND.

The Penny Provident Fund has been helpful to the people in encouraging saving. There are 27 regular depositors, and an average of $2 is deposited weekly. Miss Chase has charge of the Fund, and deposits are made on Saturday afternoons.

The Summer Fund.

This Fund is intended to supplement the Rector's Fund from the Communion Alms, etc., during the Summer months, when, owing to the absence from the city of most of the parishioners, the offertories are very small, while the demands upon the Fund are even greater than in the Winter. A part of the money is used for excursions in the hot weather for many of the deserving poor and children of the Parish.

In making out the above financial statement, the plan has been to give exactly the sums contributed to the various works in the parish, and to exclude all private gifts

to objects outside the parish, and those large sums which, under the head of "Miscellaneous," go to swell the receipts in so many Year Books. Our gross receipts exceed those of last year by $1,888.12, and this year we have reached the largest income of any year since I have been with you, and probably for a long time before that.

The contributions to the Building Fund of S. Mary's have not been mentioned in detail, in this Year Book, because such a very large proportion of them were given anonymously through the two large offertories for that purpose.

As it is intended to account in the Year Book for all subscriptions, I should esteem it a favor if any one whose name has been omitted, or the amount of contribution wrongly entered, would call my attention to the error.

ANNUAL REPORTS

OF THE

SEVERAL DEPARTMENTS

OF

CHURCH WORK

DONE WITHIN

Saint Mark's Parish

PHILADELPHIA

S. MARK'S DAY

1899

NOTE.

The names and addresses of persons wishing to be attached to the Parish, and of strangers attending S. Mark's, who may desire to be called upon, should be sent to any of the clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had of Mr. W. Masters Camac, 2131 Walnut street, or through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. W. F. H. Reed, 1601 Chestnut Street.

PREFACE

In issuing the Jubilee Year Book of the Parish, while we must not entirely pass over the reports of the work done during the past year, yet I realize that the principal interest of the book to most of the Parishioners, will doubtless be that part which contains the history of the Parish and the table of comparative statistics of the various septenniates of the Parish life. In my preface I shall, therefore, pass over with but a few words the work of the year just ended, that I may devote more space to some of the principal events which have marked the record of the past fifty years.

This last year has seen all the various works and agencies of the Parish efficiently kept up. During it both of the Missions have grown satisfactorily, and both are becoming more and more self-supporting. As regards our financial condition, we may notice that for the fourth time (1895, 1897, 1898 and 1899) in the history of the Parish we have passed the $50,000 mark in our income; that the various treasurers' accounts show that there is not one cent of debt upon any one of our works; that this year $2,000 has been paid off the mortgage on S. Mary's, reducing it to $6,000, and that $1,000 has been paid off the mortgage on the school buildings, reducing that to $4,000, besides which over $2,000 has been added to the endowment; so that after paying all our working expenses and spending an unusually large sum in the repairs of the Church, we have been able to put aside a surplus of over $5,000. This is the more satisfactory that, whereas, during the past two years special efforts were made to raise the large sums needed to build S. Mary's, we have this year had no extraordinary appeals

whose results could swell our total income, the contributions to the Jubilee Fund having been deferred until All Saints', when we shall keep the anniversary of the first services held in S. Mark's Church.

On page 19 will be found a carefully compiled table of the statistics of the past fifty years, arranged in periods of seven years, containing the total number of baptisms, confirmations, communicants and the amount of income for each period. It is gratifying to observe the steady growth of the Parish, both in things temporal and spiritual, which a study of these statistics reveals. This is especially the case during the last three rectorships. To Dr. Hoffman we owe the weekly Celebration of the Holy Eucharist, begun in Advent, 1869, very soon after he assumed the rectorship; the purchase of the rectory on Spruce street, the chime of bells, many of the stained glass windows in the Church, the lectern and font and some enrichment of the sanctuary, besides the large increase in the income of the Parish. To him also is due the starting of the Altar Society, the Hospital Aid Society and the Employment Society and other valuable parochial agencies. To Bishop Nicholson's rectorship we trace the inestimable privilege of the daily Celebration, begun on the Feast of S. Michael, 1884; the introduction to the Parish of the Sisters of S. Margaret, who have done so much for our mission work; the addition to the Church property of the house 1627 Locust street, and of S. Mark's Home for Aged Women; while the increase, during his administration, of baptisms and of communicants bears witness to the spiritual activities of the Parish. In our own septenniate of work together, we have reason for deep thankfulness that in spite of adverse conditions which have arisen through the changed habits of our people, leading to their absence from the city for more than half the year, not only has the Parish retrograded in no particular, but there has been an increase in every

instance over the excellent showing of the previous similar period in financial prosperity of $105,142.20, or an average increase of $15,000 a year in the income of the Parish. The number of confirmations has almost doubled and the communicants largely increased, thus showing the results of our mission work; while the Clergy House, the Cloister, S. Mary's Chapel and the new school house, together with the many agencies of the two Missions, bear witness to the sacrifice and devotion of the members of the Parish during this last period.

As a Parish we have indeed much to be thankful for, and I trust that when we celebrate our Jubilee Festival in the fall we shall show our gratitude by a worthy thank-offering for the Jubilee Fund*, which, as you know, is intended to provide a permanent income for the keeping up of the Church buildings, which, after the storms of fifty years, need tender and watchful care that we may hand them on to our successors in a sound and stable condition.

As we enter on the new era of our second fifty years of Parish life, may it be with renewed courage and a determination by God's help to continue the steady progress which S. Mark's has shown from its birth.

ALFRED G. MORTIMER.

History of S. Mark's Parish, Philadelphia

On the 28th of June, 1847, several gentlemen met at the house of Mr. George Zantzinger to organize a Vestry, with the object of erecting a church edifice in the western section of the city. Professor Henry Reed, of the University of Pennsylvania, was called to the chair, and George Helmuth appointed secretary. The following gentlemen were chosen Vestrymen: Henry Reed, of S. Peter's Church; Jesse Coxe, of S. James'; William Musgrave, of S. Stephen's; Richard Lardner, of Christ Church; S. Wilmer Cannell, of the Church of the Epiphany; Richard R. Montgomery, of Christ Church; James A. Farnum, of S. Stephen's; John R. Wilmer, of S. Luke's; Ellis Yarnall, Jr., of S. James'; George Zantzinger, of S. Luke's; Dr. James Carter, of S. Luke's, and George Helmuth, of S. James'. Messrs. Lardner, Yarnall and Carter declined to serve, and Mr. Montgomery was absent in Europe. It was resolved that the title of the corporation be "The Rector, Church Wardens and Vestrymen of S. Mark's Church, in the City of Philadelphia."

At a meeting of the Vestry held February 8th, 1848, a committee reported that they had purchased from the American Fire Insurance Company a lot on the north side of Locust street, west of Schuylkill Seventh (now Sixteenth) street, 200 feet on Locust street by 100 feet in depth to Emerald (now S. James) street, on ground rent at the rate of $6 per foot per annum on Locust street. Plans for the Church building were presented from the Ecclesiological Society of England, and a modification of these plans by Mr. John Notman, architect, of Philadelphia, was adopted, and he was employed to erect the Church and the first story of the tower, while a contract for the organ was given to James Hall of New York.

On April 25th, S. Mark's Day, 1848, the cornerstone of the Church was laid by the Right Rev. Alonzo Potter, D. D., Bishop of the Diocese.

On the 21st of November, at a Vestry meeting, the following notice was adopted and ordered printed, to be posted in different parts of the Church building:

"TO ALL PERSONS EMPLOYED IN BUILDING THIS CHURCH.

"1. A Church is the House of GOD, and, therefore, every work which has to do with a Church is a holy work. Every stone you lay, and every beam you hew, is lain and hewn for the honour of ALMIGHTY GOD.

"2. The behaviour of those who are employed on a holy work ought also to be holy. How careful, then, should Churchmen be in working upon a Church, to avoid (even more than at any other time) all unseemly words, all oaths, and everything like an oath. Every idle word that men shall speak, they shall give account thereof in the Day of Judgment.

"3. This Church, when it has been solemnly dedicated to GOD by the Bishop, will become the House of Peace; therefore let it not now be profaned by lightness of speech, much less by unseemly noise, or words of quarrelling and anger. Remember in what holy quietness Solomon's holy temple was built.

"4. A Churchman while working in the House of GOD will also avoid any act that may *seem* irreverent, such as singing or whistling idle tunes, or taking his meals within the circle of the Church walls.

"The Founders of this Church trust that any visitor who may enter it while in the course of building, will show by his reverent behaviour that he remembers its solemn destination to be the House of GOD."

At a meeting held January 2d, 1849, the Rev. Joseph P. B. Wilmer, D. D., of Goochland, Va., was elected Rector.

In April, 1849, a contract was made with Mr. Notman to erect a school house on the western end of the Church lot.

On the 21st of October, 1849, being the Twentieth Sunday after Trinity, the Church was first opened for Divine Service. The following Advent daily prayers were established in the Church.

In January, 1850, the Parish school was opened, and on the 2d of May, 1850, being Tuesday in Whitsun week, the Church was consecrated by the Right Rev. Alonzo Potter, D.D., Bishop of the Diocese, the sermon being preached by the Rev. Dr. Higbee, one of the assistant ministers of Trinity Church, New York, from the text 2 Cor., ix, 15. Sixty-one clergymen were present.

In June, 1851, two members of the congregation having offered to pay for the completion of the tower and spire according to the original plan, the contract was made for that work.

In 1852 the lot west of the Church was purchased.

In October, 1861, the Rev. J. P. B. Wilmer, D.D., resigned the Rectorship. The Rev. A. C. Coxe, D.D., of Grace Church, Baltimore, and the Rev. J. Ireland Tucker, D.D., of the Holy Cross, Troy, N. Y., were successively elected, and they declined.

In October, 1862, the Rev. E. A. Washburn, D.D., of S. John's Church, Hartford, Conn., was elected and accepted the Rectorship.

In April, 1865, the Rev. Dr. Washburn resigned, having accepted a call to Calvary Church, New York. The Rev. W. E. Armitage, of Detroit, was then elected Rector, but he declined.

The Rev. Walter Mitchell, of S. John's Church, Stamford, Conn., having been elected, entered on his

duties on Quinquagesima Sunday, 1866. During this year a Caenstone Altar and Reredos were erected in the Chancel, and in October, 1866, a surpliced choir was introduced.

In July, 1868, the Rev. Walter Mitchell resigned the Rectorship and the Rev. William Croswell Doane, D.D., was elected to succeed him, but he declined.

On the 1st of April, 1869, the Rev. Eugene A. Hoffman, D.D., having been elected Rector, entered on his charge. The house No. 1620 Spruce street was purchased for a Rectory.

On Advent Sunday, 1869, weekly Communion was established every Sunday at 7 and at half past 10, and on all holy days. Free services every Sunday from November to May, at half past 7 P. M., were begun.

On the 25th of June, 1876, a peal of four bells was hung in the tower and first used for service. In 1878 the four additional bells were placed in the tower, making the complete peal of eight bells.

In March, 1879, the Rev. James De Koven, D.D., Warden of Racine College, was elected Rector to succeed the Rev. E. A. Hoffman, D.D., who had resigned to accept the Deanery of the General Theological Seminary, New York. The Rev. Dr. De Koven wrote a letter declining the call, and the day following died.

In October, 1879, the Rev. Isaac Lea Nicholson, A.M., of Westminster, Maryland, was elected to the Rectorship, and entered on his duties the Second Sunday in Advent, 1879.

On June 28th, 1880, the Workingmen's Club building, situated on the southwest corner of Seventeenth and Kater streets, was formally opened. In 1884 the dwelling-house adjoining the Parish Buildings on the west side of the Church, No. 1627 Locust street, was purchased from the Carver estate and added to the Parish Buildings.

On the Feast of S. Michael and All Angels, 1884, a daily Celebration through the year at 7 A.M. was commenced.

In February, 1886, a Home for Aged and Infirm Women was opened at 1931 Garrett street. In 1886 two beds were endowed in the Episcopal Hospital, Philadelphia, by Mr. Charles D. Clark and his brother, in memory of their parents, these beds to be known as "S. Mark's beds" and to be at the disposal of the Clergy of the Parish. A bed was also endowed in S. Christopher's Hospital for children, to be at the disposal of the Clergy of S. Mark's. In this year a donation of $10,000 from the estate of Moro Phillips formed the nucleus of a Choir Fund.

In February, 1889, S. Mark's Home, No. 1428 Lombard street, was donated to the Parish by Miss Charlotte Key Belt as a memorial of her deceased sister, Mrs. Mary Key Helmuth, and her husband, Dr. William Sheaff Helmuth. In 1889 the Sisters of S. Margaret came into the Parish to take charge of S. Mark's Home, and to do mission work in the Parish.

On the Feast of S. Simon and S. Jude, 1891, the Rev. Isaac Lea Nicholson, D.D., was consecrated Bishop of Milwaukee in S. Mark's Church, and on the 1st of January, 1892, the Rev. Alfred G. Mortimer, D.D., Rector of S. Mary's, Castleton, N. Y., having been elected Rector, entered upon his duties.

In 1892 the spire having been found to be in a dangerous condition, and the roof of the Church and of the Parish building having been condemned, extensive repairs were made to both, costing some $7,000. In this year it was resolved to sell the Rectory, No. 1620 Spruce street, and to pull down the dwelling-house, No. 1627 Locust street, which had been purchased in 1884, and to build a large Clergy House in its place. This was done from designs of Messrs. Hazlehurst & Huckel, architects.

In Passion Week a parochial meeting was held in the hall of the Workingmen's Club, at which it was decided to raise annually a Mission Fund for the support of mission work amongst the coloured and white people of the neighbourhood; to reorganize the work amongst the white people which had been started many years before by the Rev. F. D. Canfield; and, if possible, to obtain separate location for the coloured work. The amount raised this year for the Mission Fund was $6,595.21.

In May of this year two small houses, Nos. 1623 and 1625 Lombard street, together with four houses in the rear, on Richard street, were purchased for the work of S. Mary's Coloured Mission of S. Mark's Church. Canonical consent had been obtained for the same from the Rectors of the Churches of the Holy Apostles, the Mediator, and the Ascension, and Christ Church Chapel, the Bishop's approval having been given to the work. The houses in Lombard street were altered so as to provide a small Chapel, and in October the first service was held in the new buildings.

On S. Mark's Day, 1893, the Clergy-House was opened, and a little later it was solemnly blessed by the Bishop of the Diocese, the Chapel receiving his special benediction. In this year the mortgage of $5,000 on the Workingmen's Club was paid off.

In the fall of 1894 the house, No. 618 South Seventeenth street, adjoining S. Mark's Mission, was purchased for the sum of $6,000, and the Parish School was moved from the Church to this building, Sister Gabrielle and Miss Gefrorer being in charge of the School.

In 1895 the Cloister connecting the Church with the Parish Buildings was built, the rooms formerly occupied by the Parish School being converted into a Choir-room and rooms for the Altar Society. In this year the house, No. 1627 Lombard street, was purchased and added to S. Mary's Mission buildings for coloured work.

On Christmas Day, 1896, took place the first Solemn Celebration of the Holy Eucharist in the Parish, with Deacon and Sub-Deacon, and with the full ritual, but without incense, which was not introduced until the following Septuagesima Sunday.

In 1897 a Mission was preached in S. Mark's Church by the Rev. Arthur R. C. Cocks, Vicar of S. Bartholomew's, Brighton, England, and the Rev. F. Pearkes, of All Hallow's, Southwark, London. Over 20,000 persons attended the Mission, which ended on Septuagesima Sunday with solemn services of thanksgiving, at which incense was used for the first time in the history of the Parish.

On the Eve of S. Peter's Day of this year the foundation stone of S. Mary's Chapel, for coloured people, of S. Mark's Church, was laid on ground on the north side of Bainbridge street between Eighteenth and Nineteenth streets, measuring 48 feet on Bainbridge street, and running through to Kater street, 115 feet. The sum paid for these three lots was $10,600. In the absence of, the Bishop of the Diocese in Europe, and at his request the stone was laid by the Rector of the Parish.

Holy Innocents' Day, 1897, being the twenty-fifth anniversary of the ordination to the priesthood of the Rev. Dr. Mortimer, Rector of S. Mark's, the Vestry took steps to observe it by a solemn service of thanksgiving, at which the Rector was Celebrant, with the Rev. S. C. Hughson as Deacon, and the Rev. W. K. Damuth as Sub-Deacon. The Bishop of the Diocese, the Rt. Rev. O. W. Whitaker, D.D., was present and gave the absolution and benediction. The Rt. Rev. Leighton Coleman, D.D., preached the sermon, which was a review of Church work in Philadelphia for the past twenty-five years. A large number of the clergy of the Diocese, and some from neighbouring Dioceses attended. After the service the Vestry provided a luncheon for the Bishops

and Clergy in the Parish Building, and in the evening a reception was given to the members of the Parish.

In 1898, on the Eve of the Feast of the Purification, at Evensong, the first service in the new S. Mary's Chapel was held, and the Bishop being present, blessed the Church and preached the sermon. At half past 10 on the day of the feast there was a Solemn Celebration of the Holy Eucharist, the Rector being the Celebrant, the Rev. S. C. Hughson, Deacon, and the Rev. Erskine Wright, Sub-Deacon. The sermon was preached by the Rt. Rev. Leighton Coleman, D.D., Bishop of Delaware. The total cost of the building and its furniture was a little over $37,000, of which $8,000 was left on mortgage, the remaining sum having been raised.

At Easter, 1899, this being the jubilee year of the Parish, it was decided to raise a Jubilee Endowment Fund for keeping the buildings of the Church in repair, of which fund the Easter offering should form the nucleus; the jubilee service itself to be held at All Saints', when the Jubilee Fund would be completed. Nearly $3,000 was given at Easter for this purpose. Also $1,000 was paid off on account of the mortgage on the Parish School, 618 South Seventeenth street, and $2,000 was paid off the mortgage on S. Mary's Mission Chapel, reducing it to $6,000.

In order to exhibit comprehensively and clearly the growth of the Parish, the above table has been carefully made up from the reports to Convention printed in the Convention journals. It will be observed that the financial report is missing for the first thirteen years. During Bishop Wilmer's Rectorship, from 1850 to 1863, while the number of baptisms, confirmations and communicants were reported to Convention, the financial statements were so partial and confused that no trustworthy statistics can be made up from them. From 1863, however,

the reports appear to have been accurately and regularly made.

In order to economize space, and also to give a clearer view of the growth of the Parish, I have divided its whole life into septennial periods by adding the statistics for each seven years, thus supplying data from which its septennial growth may be estimated. It will be seen that during the last period there has been an increase over the previous seven years of 326 baptisms, 264 confirmations, 1,853 communicants and $105,132.21 in contributions. In adding the communicants reported to Convention for seven years, of course, one must bear in mind that these do not mean, as in the other statistics, new members, so that the increase of 1853 does not mean that number of new communicants, but it enables us to get a percentage of increase, which will be seen as follows: an increase of about 30 per cent. in baptisms, 70 per cent. in confirmations, 26 per cent. in communicants and 45 per cent. in contributions. The whole number of persons baptized in S. Mark's Parish has been 4,012, 2,191 have been confirmed, and during the past thirty-seven years $1,334,400.03 has been raised for the work of the Parish.

In observing the increase in the income of the Parish during the past seven years, it may be noted that this has not included any legacies received, nor any one large sum. In the previous seven years the Moro Phillips choir legacy of $10,000 was received, and a similar sum for the establishment of S. Mark's Home. No legacies have been received during the past seven years, and with the exception of two sums of $5,000 and $2,000 respectively, no single contribution has exceeded $1,000. From this it will be evident that the large increase has been a healthy one, and has not been made up by exceptionally large gifts.

FORTY-NINTH ANNUAL REPORT

The results shown from the work of S. Mark's School during the past year have been most satisfactory and encouraging.

Under the direction of the Sisters-in-charge and the assistant teachers, the influence of the School is manifest in many ways. The average attendance of the pupils has been good. They receive a thoroughly practical education, the various departments being graded in accordance with those of the public schools, while the advantages of spiritual instruction and daily attendance at the Services of the Mission Chapel, adjoining the School House at 618 South Seventeenth street, inculcates in the children a knowledge and interest in the teaching of the Church. In order to maintain this valuable work, money is constantly needed, and it is earnestly hoped that the support and sympathy of all in the Parish may be enlisted.

TWENTY-SIXTH ANNUAL REPORT

After months of great heat and cold, it is with real pleasure that the Hospital Aid Association of S. Mark's finds that it has done more than it expected, with so small a treasury, to add to the comfort and happiness of the little coloured cripples in the House of S. Michael and All Angels.

During the Summer it sent several children to the seaside to recuperate after operations, and provided awnings for the upper windows which had no shutters to keep out the burning sun.

At Thanksgiving and Christmas the usual dinners of cranberries and turkey were given, also treats on the 4th of July, and Washington's and Lincoln's birthdays.

It is earnestly hoped that the friends of the little children will remember the Hospital Aid, and strengthen its hands for the coming Summer. Even small sums of money bring much happiness, they are so ably administered by the self denying and devoted Sisters. Contributions may be sent at any time to the treasurer, and will be most happily received.

ETHEL SMITH.

THIRTIETH ANNUAL REPORT

In presenting their Thirtieth Annual Report, the Managers of the Employment Society wish to thank the members of the Parish who responded last Autumn to their call for new subscribers. The work has gone on very well, 42 women having been employed; these with few exceptions were all members of our Parish. The only thing which the Society needs to make it thoroughly successful, is that the ladies of the Parish should remember the Wednesday sales at the rooms of the Society, Seventeenth and Kater streets, and try to buy as many as possible of their household articles there, and so help on the work among these poor and very deserving women.

Report of the work done by the Society for the Winter of 1898 and 1899.

Number of pieces made up, 2,574.
Number of articles sold, 2,135.
Number of permits given, 42.

The Mothers' Meeting

Ladies in Charge

MRS. E. ZANTZINGER
MISS AUSTIN

The attendance at the Mothers' Meeting this Winter has been regular, but not large; this has been partly owing to the change of hour and evening, and also to an unusual amount of illness among the women.

Those who have come seem to have been interested and appreciative.

Notwithstanding the drawbacks mentioned, a very large missionary box has been made up by the mothers.

The Easter Festival was a great success.

The number of names on the book is 38.

Meetings have been held every Tuesday evening in the G. F. S. room, in the Parish Building, except during the Summer months.

A devotional service, with address by the Chaplain, has been held on the first Tuesday in each month, and classes in literature, lace-making and dancing given on the other evenings.

The chief work accomplished since the last report is the building and furnishing of an addition to the Chapel in the Holiday House at Cape May. Besides this, the Branch has presented a handsome Bible for the Lectern in the Church, and given a box of useful and fancy articles, made by its members, to the fair held by the Pennsylvania Branch for the benefit of the Holiday House.

The object of this Society, as was stated in last Year Book, is to "deepen the spiritual life of those who are called to the vocation of nursing the sick." The attendance at the meetings, which have been kept up through the winter, has not been as good as heretofore, owing probably to sickness and to the inclement weather. One member has resigned during the year, two have married and one has returned to her home in England. One new member has been received, making eleven members and five associates at present on the roll.

The Annual Meeting was held on the Feast of the Annunciation, and the Society made its Corporate Communion the next day.

The Saturday Class

The Saturday Bible Class, which has been in session from the first week in Advent, has this year been largely attended. The subjects treated have been the Apochrypha and Book of Baruch and the Book of the Prophet Zechariah. The Class meets in the Church every Saturday at 11.30 A M., from Advent to May 1st.

This Guild meets for religious instruction on Sunday afternoons throughout the winter, and in Lent accumulates, by self-denial, funds for some special object.

S. Mark's Cadets

An organization has been formed during the past year, mostly from the boys of the choir, known as S. Mark's Cadets. They meet one evening each week for drill, and several boys already have their uniforms and equipments. It is hoped that next year we can have all the choir-boys in the organization, and that its benefits will show themselves both in their work in Church and in the development of manly characters.

S. Mark's Messenger

S. Mark's Messenger is now in the seventh year of its publication. Financially, it has been a success, and as the Parish organ it has been enabled to do much in interesting its readers in the Parish activities and in the work of the two Missions.

S. Monica's Guild gave its usual sale at Thanksgiving. In Lent it sent a missionary box to S. Mary's Home for small colored boys in Baltimore. It has presented thirteen cottas for the choir, valued at $6.50; a set of black silk Eucharistic Vestments, valued at $75; two black stoles for funerals, valued at $8. They have also made four choir cassocks, and between three and four hundred silk bags for S. Mary's League.

Besides its usual work of attending to the seating and general comfort of the congregation, S. Augustine's Guild has, through a special committee, done a good work in looking up and visiting sick men. As a result of this work quite a number have been brought into the Church, and a number who were most spiritually destitute have been prepared for the last Sacraments, and died in the Communion of the Church. The Guild has also paid the salary of the Sexton, amounting to $6 a week; has given a red super-frontal for the altar, valued at $30, and 12 choir cassocks valued at $30.

S. MARY'S MISSION SERVICES

During the past year the services have been conducted with the usual regularity. The services on Sunday are a Celebration at 7 A. M., Matins with Sermon at 11 A. M., Solemn Evensong with Address and Catechism at 3 P. M., Evensong with Sermon at 8 P. M. On Tuesday morning, a celebration is held in the S. John Baptist Chapel, in the Mission House, at 7 A. M. On Wednesday evening, a Mission Service with Sermon is held in the Church. It is popular and evangelical in character. On Friday evening, there is Evensong with Sermon. During Lent, on Fridays, the Stations of the Cross were made for the children, followed by an instruction, in the afternoon; and at night the Stations were used before the Sermon. Celebrations have been had on all Holy Days at 7 A. M. All meetings of the Guilds conclude with a short service, and about once a month there is an instruction.

The following is the summary for the year ending on S. Mark's Day, 1899:

The Summer Fund

This Fund is intended to supplement the Rector's Fund from the Communion Alms, etc., during the Summer months, when, owing to the absence from the city of most of the parishioners, the offertories are very small, while the demands upon the Fund are even greater than in the Winter. A part of the money is used for excursions in the hot weather for many of the deserving poor and children of the Parish.

*The amount contributed by S. Mary's Mission was $2,364.82 but $740.00 of this is included in the Building Fund.

In making out the foregoing financial statement the plan has been to give exactly the sums contributed to the various works of the Parish, and to exclude all private gifts to objects outside the Parish, and those large sums which under the head of "Miscellaneous" go to swell the receipts in so many Year Books.

In the two preceding Year Books the total receipts were increased by the great effort made on behalf of S. Mary's Building Fund, in the report of 1897 $10,994.35, and in that of 1898 $11,280.00 being credited to this object. During the past year we have made no extraordinary effort for any special purpose, and yet our income for the fourth time exceeds $50,000.00. The Jubilee Fund for a permanent endowment to be used in keeping the Church in repair amounted only to $1,659.57 this Easter, because most persons preferred to give their contributions at All Saints', when we keep our Jubilee Festival. Hence the total of this year shows a real increase in the ordinary income of the Parish, quite apart from special efforts.

As it is intended to account in the Year Book for all subscriptions, I should esteem it a favor if any one whose name has been omitted, or the amount of contribution wrongly entered, would call my attention to the error.

Jubilee Fund

The following appeal for the Jubilee Fund was put forth last Lent, and is commended to the consideration of the readers of the Year Book.

My Dear Friends and Parishioners:

As most of you are aware, the year 1899 is the jubilee year of S. Mark's Parish. While the cornerstone of the church was laid on S. Mark's Day, 1848, the church itself was not opened for divine service until the Twentieth Sunday after Trinity, 1849.

You will, I am sure, all feel that it is most fitting that we should keep in some special way this great event in the life of our Parish, and it is proposed that at the All Saints' Festival in the Fall we should have special jubilee services, and, further, that a jubilee fund should be raised, which, after very careful consideration, it has been decided shall be given for a special endowment, to the conditions of which I desire now to draw your attention. I ought to say that for nearly a year past this matter has been in my mind, and has received the consideration of the Vestry.

We have felt that perhaps the most appropriate and useful memorial of the jubilee would be a fund, the interest of which could be applied, in the first place, for the keeping in thorough repair the church buildings. I believe that the parishioners of S. Mark's have a special love for its very stones; and after fifty years of exposure to the extremes of our climate the buildings require a considerable sum to be spent annually in their conservation and improvement, if they are to be preserved. The neglect to make all needed repairs promptly,

in a very short time leads to an injury which is often irreparable, and which ultimately involves a far larger expenditure of money. Of this we had an illustration some seven years ago.

The income of the church from pew-rents and offertories has for many years been barely sufficient for its current expenses, and thus it is often extremely difficult to find money for such repairs as are needed to keep the buildings always in perfect order; there is, therefore, the temptation either to put off such matters for a time or to make them very superficially. In raising a jubilee fund for this purpose a double object would be gained—the perfect preservation of the church we love so well, and, what is every year becoming more important, a great relief to the current expense account by removing from it a large annual charge.

At a meeting of the Vestry held on Thursday, February 23d, the following resolution was unanimously adopted:

> "*Resolved*, That a fund, to be known as the Jubilee Fund, be raised, which shall include the Easter offertory for 1899, the principal of the fund to be kept perpetually intact, and the income to be applied in each year, first for the expenses incident to the preservation of S. Mark's Church Buildings, now situated on Locust street between Sixteenth and Seventeenth streets, and thereafter to other Parish purposes; title to such fund to be vested in Trustees of the Jubilee Fund, who shall be the Committee of the Vestry on Trust and Legacies, who shall hold the same until such time as a deed of trust shall be prepared, under which the said fund shall be permanently vested in Trustees for the purposes of the trust."

It was also decided to suggest to members of the Parish that contributions in kind, as well as in money, would be thankfully received by the Trustees of the Jubilee Fund, since some might prefer to contribute stocks or bonds which they possess, rather than money.

As you will see from the resolution of the Vestry, it has been decided that the Easter offering this year shall form part of this Jubilee Fund, which will be kept open until the jubilee festival at All Saints'. I would,

therefore, earnestly ask you to make the Easter offering, as you have in the last two years, a very large one; and I shall also ask that next All Saints it be supplemented by a further offering, which I hope will reach a sum so large that the interest may be sufficient for the purpose indicated.

The Accounting Warden states that during past four or five years about $1,000 each year has been needed to keep the buildings in repair. From this you will see that a capital sum of $20,000 at least will be required.

Praying that God may put it into all your hearts to give generously to the preservation of His House, I am,

Your affectionate friend and Rector,

ALFRED G. MORTIMER.

CHURCH WORK

DONE WITHIN

Saint Mark's Parish

PHILADELPHIA.

S. MARK'S DAY,

1900.

NOTE

The names and addresses of persons wishing to be attached to the Parish, and of strangers attending S. Mark's, who may desire to be called upon, should be sent to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had of Mr. W. Masters Camac, 2131 Walnut Street, or through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. W. F. H. Reed, 1601 Chestnut Street.

PREFACE

In the last Year Book our interest was chiefly centered on the history of the Parish during the first half century of its existence, and on the starting of the Jubilee Endowment Fund, to commemorate the Jubilee and to provide a permanent income for keeping in repair and for improving the Church buildings.

Now we have to record the work of the first year of the new half century of our Parish life, and the first word must be one of thankfulness that we have started so well; for, not only has our income, for the fifth time in the last eight years, exceeded $50,000, but it has been the largest we have so far raised; and it is also a matter for congratulation that it has been derived from natural and ordinary sources, no single sum larger than $1,000 having been contributed by any one individual, and almost the whole of the Jubilee Fund and of the S. Mary Building Fund having been given through the offertories at All Saints and at Easter. Perhaps the simplest way to sum up our financial progress will be to point out that after keeping up all the various activities of the Parish and its two Missions, we have this year paid off mortgages and invested in the Jubilee Endowment Fund altogether a sum of over $15,000.

The two events of special interest during the year have been the Parish Jubilee Festival and the paying off the debt on S. Mary's.

During the All Saints octave, the Jubilee Services were probably the most perfect, both in ritual and music, which have ever been held in S Mark's. The Requiem on All Souls' Day for departed members of S. Mark's, being, with the great congregation, most solemn as a service and most impressive musically in the excellent rendering of Mozart's wonderful Requiem Mass. We were privileged to have among the preachers several who had been associated with S. Mark's in its early days: the Revs. Dr. Dix, Dr. Robins, Dr. Newton; of more recent times we had the Bishop of Milwaukee, Dr. Fiske and Mr. Dennison. The offerings for the Jubilee Fund were a little more than $8,000. They have been invested and the income therefrom will be available next year. We hope to add to this fund from time to time until it reaches the full $20,000 needed for this purpose.

The other event, which, indeed, marks an epoch in our Parish history, has been the payment of the last instalment of $6,000 on S. Mary's building debt. When S. Mary's Chapel was opened for services on the Feast of the Purification, 1898, it had cost $37,000, of which about $15,000 remained to be raised. By the following Easter this was reduced to $8,000, last year $2,000 more was paid off by contributions from various sources, and this Easter the offerings, with some small additions afterward, enabled us to cancel the whole debt, so that S. Mary's is now entirely free from debt, and will, I hope, be consecrated in the Fall.

I cannot too warmly express my gratitude to all those by whose generous self-sacrifice this important work has been brought to a satisfactory completion.

We have also been able to pay off another $1,000 on the School mortgage, leaving now only $3,000 on the new School building, and this is the only indebtedness on the Parish.

During the past year we have received several valuable

gifts, among which may be mentioned a very handsome silver gilt gothic chalice, studded with diamonds and other precious stones, a memorial of Mrs. Fanning C. Tucker, for many years a devout communicant of S. Mark's, who entered into rest last S. Stephen's Day; a new bier, reproduced from an ancient design; and, for S. Mary's Chapel, a beautiful Byzantine pulpit and a font.

While thanking God for the prosperity and growth of the past, we must enter upon the first year of the new century with a determination to work still more earnestly for the glory of God and the good of His Church.

ALFRED G. MORTIMER.

This organization has continued its work on Thursday evenings throughout the year. Though the numerical growth has been small (there being, at present, about twenty boys in the company), they seem much interested and are regular in attendance. It has also been the means of drawing several boys into the Sunday school and Church, and so, in a quiet way, does a missionary work at the same time that it fulfills its chief purpose.

For several years past there have been separate classes, but this year the attempt has been made to give them the more corporate form of a Sunday school. The children meet at 3 o'clock in their various class rooms for instruction, and at half-past 3 o'clock all go into the Guild Chapel together for a brief catechising and service. The average attendance has been about fifty, and there is good promise of increase next year. St. David's Guild for boys has been reckoned here with the Sunday school, as its character is that of a class rather than a guild. A Bible Class for women was begun in Advent, and has been well attended. This meets at the same time as the other classes on Sunday afternoon. The Easter offering of the Sunday-school amounted to a little less than $50. It was sent to aid in building the new Church of St. John Chrysostom in this city.

The Men's Bible Class

A Bible Class for men was begun shortly after Christmas, and has been well attended from the first. The members are, for the most part, young men who are connected with the choir or Servers' Guild, but several other young men have joined, and are now regular attendants. The class meets in the library of the Parish House at quarter before ten o'clock, and the instruction lasts for a half hour. The studies have been in St. Luke's Gospel. The class will be discontinued during the summer months, but will meet again on the Sunday in the Octave of All Saints.

FIFTIETH ANNUAL REPORT

This year, the fiftieth annual report of S. Mark's School is presented.

The work accomplished by the School throughout the last half century has been one of great value. Many have received through its influences a knowledge and love of Church teaching, as well as a good elementary education. Every effort is made to keep the standard of the School a high one; the classes are graded in accordance with those of the Public Schools, also comprising an excellent Kindergarten. Great care is taken that the instruction shall be thorough and practical. The children attend the daily Services in the Mission Chapel, adjoining the School House, 618 South Seventeenth street, and are catechised and instructed by the Priest-in-charge. The aid and interest of all in the Parish is earnestly desired, in order that the work may continue and increase in usefulness.

TWENTY-SEVENTH ANNUAL REPORT

In presenting this, its twenty-seventh annual report, the Hospital Aid Association of S. Mark's feels it must make a stronger appeal than ever before for donations of money to enable it to carry on its work this summer. The Association has, during the Winter, as usual, provided good dinners at Thanksgiving and Christmas Day for all in the House of S. Michael and All Angels, and commemorated Lincoln's and Washington's Birthdays by extra delicacies and excursions for the children, but now finds the treasury emptied of all but one dollar and sixty-six cents, and, therefore, appeals to its few but warm friends in this strait.

The Sisters in the House of S. Michael and All Angels are much helped during the summer months, when their friends have scattered to seashore and mountains, by the Hospital Aid Association coming forward to fill many little pressing needs, and it is earnestly hoped that assistance can be sent as usual this season, and need not be withheld for lack of funds.

Contributions may be sent at any time to the treasurer, and will be most thankfully received.

THIRTY-FIRST ANNUAL REPORT

The Managers of S. Mark's Employment Society present their thirty-first annual report, and in doing so would like to call attention to a new feature of their work, that is the number of pieces which they have made free of charge for various institutions. There were 764 articles made in this way during the past winter. In order to do this it is necessary that the subscription list should be large, as the Society does a double work of charity, first, to the poor women whom it employs, and then to the hospitals, homes, etc., whose sewing it does without cost.

Report of work done by the Society during the Winter of 1899 and 1900 :

Number of permits given, 42
Number of articles made, 2,108
Number of articles sold, 1,325
Amount paid to women, $518.25

The Mothers' Meeting

Ladies in Charge

Mrs. Zantzinger Miss Campbell

The attendance at the Mothers' Meeting this year has been more regular and larger than last year. All seem to have been much interested and regretted so much that the pleasant evenings were coming to a close that it has been decided to carry the meeting on for a few weeks longer. A box of clothing and useful articles is to be sent off to the Sisters of St. Mary, Sewanee, Tenn., in aid of their Mission—the work of the mothers during the winter. The Easter party was enjoyed by all. The number of names on the book is 38.

Meetings have been held every Tuesday evening in the G. F. S. room, in the Parish Building, except during the summer months.

A devotional service, with address by the Chaplain, has been held on the first Tuesday in each month, and during Lent the Stations of the Cross have been given every Tuesday evening in the Guild Chapel.

The Branch has raised funds during the year for a handsome banner for its Festival services, and contributed $40.00 to the permanent fund of the Holiday House.

During Lent the members have worked for a missionary box sent from all the Diocesan Branches to S. Augustine's School, Raleigh; and have also made a handsome stole, valued at $12.00, for a missionary in Dakota.

The object of this Society is to "deepen the spiritual life of those who are called to the vocation of nursing of the sick." The attendance at the meetings during the winter has not been good owing to various causes.

The Saturday Class

The Saturday Bible Class, which has been in session from the first week in Advent, has this year been well attended. The subjects treated have been the Epistles of S. Paul to the Thessalonians I. and II., Philippians, Colossians and Philemon. The Class meets in the Church every Saturday at 11.30 A. M., from Advent to May 1st.

S. Mark's Messenger

S. Mark's Messenger is now in the eighth year of its publication. It has been found so useful as a means of acquainting the parishioners with the news of the Parish, and especially of the work which is being done in the Missions, that the Rector hopes it may be better supported, and that this year each family will, at least, subscribe for one copy. Subscriptions may be sent through the Rector or Sexton, or direct to the Treasurer, Mrs. S. Bartram Richards, 2115 Pine Street.

The Sunday School has been instructed at the morning session by Classes. At 3 o'clock on Sunday afternoons there has been a children's service of Solemn Evensong, followed by the Catechism and a short sermon. Once a month there has been a solemn service for all the schools. The services are all rendered chorally by the children.

The work of S. Mary's Infant School during the past year has been most satisfactory. The system of instruction has remained practically the same as in past years. On the first Sunday in each month and on great festivals the Infant School takes part in the Children's Solemn Evensong in the Church. During the past year the children have paid $36, nearly the whole amount for a lot in Lebanon Cemetery, to bury baptized children of the Sunday School.

Besides its usual work of attending to the seating and general comfort of the congregation, S. Augustine's Guild has through a special committee, done a good work in looking up and visiting sick men. As a result of this work quite a number have been brought into the Church, and a number who were most spiritually destitute have been prepared for the last Sacraments, and died in the Communion of the Church. The Guild has also paid the salary of the Sexton, amounting to $6 a week.

S. MARY'S MISSION SERVICES

During the past year the services have been conducted with the usual regularity. The services on Sunday are a Celebration at 7 A.M., Matins with Sermon at 11 A.M., Solemn Evensong with Address and Catechism at 3 P.M., Evensong with Sermon at 8 P.M. On Tuesday morning, a celebration is held in S. John Baptist Chapel, in the Mission House, at 7 A.M. On Wednesday evening, a Mission Service with Sermon is held in the Church. It is popular and evangelical in character. On Friday evening, there is Evensong with Sermon. During Lent, on Fridays, the Stations of the Cross were made for the children, followed by an instruction, in the afternoon; and at night the Stations were used before the Sermon. Celebrations have been had on all Holy Days at 7 A.M. All meetings of the Guilds conclude with a short service, and about once a month there is an instruction.

The following is the summary for the year ending on S. Mark's Day, 1899:

Services of all kinds, except for Guilds	493
Eucharists celebrated	132
Communions made	991

S. MARY'S SUNDAY BREAKFAST

Managers

Mrs. J. Allison Scott — Mrs. Charles Packard
Miss Margaret Riley — Miss Wheeler
Miss Mabel Reed
Mrs. S. Bartram Richards, *Treasurer*

The Sunday Breakfast has proved itself an increasingly successful adjunct to the Sunday School. There is an average attendance of forty-eight children, many of whom are scholars of the Infant School. Mr. Clifford Ellis has donated all the milk that could be used, materially decreasing the expenses.

The Summer Fund

This Fund is intended to supplement the Rector's Fund from the Communion alms, etc., during the summer months, when, owing to the absence from the city of most of the parishioners, the offertories are very small, while the demands upon the Fund are even greater than in the winter. A part of the money is used for excursions in hot weather for many of the deserving poor children of the Parish.

In making out the foregoing financial statement, the plan has been to give exactly the sums contributed to the various works of the Parish, and to exclude all private gifts to objects outside the Parish and those large sums, which, under the head of "Miscellaneous," go to swell the receipts in so many year books.

For the fifth time in the past eight years the income of the Parish has exceeded $50,000, and this year has reached $54,000, which is the largest sum we have yet recorded.

With the payment of the mortgage on S. Mary's Chapel, a heavy burden is lifted from us and we enter upon the new century with our finances in a most satisfactory condition.

S. MARK'S DAY,

1901.

NOTE

The names and addresses of persons wishing to be attached to the Parish, and of strangers attending S. Mark's, who may desire to be called upon, should be sent to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. W. F. H. Reed, 1601 Chestnut Street.

PREFACE

The principal event which we have to chronicle this year, the first year of the new century, is the building of the Lady Chapel. We had hoped that it might have been used at Easter, but, although the Chapel itself is practically completed, the opening has been deferred for some months, in order to build another, and much more beautiful, carved stone Choir-Screen.

The Lady Chapel will be of great service to us for the Celebrations on week-days, and for Guild Services, Bible Classes, etc. It will obviate the impropriety and inconvenience of using the High Altar for all the Low Celebrations. The Priest will now be able to see the people, and

the worshippers to hear the Priest, which is often not the case now at the early week-day Celebrations.

The Chapel will be one of the most beautiful and perfect in this country. I am told that it is the only one which has a real stone vaulted roof, and its furnishing will be worthy of it.

As you know, it is a memorial to Mrs. Rodman Wanamaker, who was baptized, confirmed, a communicant, married, and buried in S. Mark's.

It is very fitting that she who loved S. Mark's so well in her life, should through her death so greatly beautify and enrich it.

I would also remind you that we are entering upon the tenth year of our work together, and would urge you to make this year a fitting close to the decade.

The Lady Chapel, the Clergy House, the Cloister, S. Mary's Chapel and Mission Buildings and the new school, on which there still remains $1,000 debt, the only indebtedness in the Parish, is a wonderful record of GOD'S blessing upon our labours. Let us make a real effort to make this last year of the decade a worthy ending of its work.

This year, through the generosity of a parishioner, a fund has been started towards the purchase of the home in which the Sisters live, thus saving the yearly expense of rent. Towards this fund the first $1,000 has been given, and the last $1,000 promised.

The Sunday School is still a small one, but it has had a steady and satisfactory growth during the year and now numbers about 100 children. The average attendance at the sessions of the school has been about 70. The Lenten offering of the children amounted this year to about $60, and is to be contributed toward the endowment of a bed at S. Michael and All Angel's Home for Crippled Colored Children.

The Men's Bible Class

This class began its work in October and continued its meetings until the opening of Lent, when, for some reason, the attendance became very small, and it was thought best to discontinue, for a while at least. It is hoped that perhaps the class can be revived with a renewed interest in the Autumn.

FIFTY-FIRST ANNUAL REPORT

The work of S. Mark's School throughout the past year has been one of increased usefulness. The number of pupils in both the upper classes and kindergarten is larger than ever before recorded. The thorough elementary education which the school affords, as well as the great care taken by the Sister-in-charge and other teachers, of the general conduct and spiritual training of the children, show the most happy and encouraging results, and cannot fail to appeal to those who realize the importance of the judicious development of the young.

The pupils also receive religious instruction and attend the daily services in the Mission Chapel adjoining the school house, No. 618 South Seventeenth Street.

TWENTY-EIGHTH ANNUAL REPORT

This year the twenty-eighth annual report is presented. No special feature has marked the year, but the usual abundant dinners of turkeys and cranberries have been provided for the household at S. Michael and All Angels, and Lincoln and Washington's Birthdays celebrated by treats and excursions. Last summer during the great heat, the children at S. Michael's were remembered, and from time to time money was sent from the Association for outings and excursions.

Subscriptions and donations, to enable it to continue the same work during the coming season, will be gratefully received, and may be sent to the treasurer.

THIRTY-SECOND ANNUAL REPORT

The Managers of S. Mark's Employment Society present their thirty-second annual report. During five months of the Winter, forty-one women were regularly employed by the Society and given sewing for which they received not less than fifty cents a week and often more. Over 2,000 articles were made and 600 of these were for hospitals and other charities, and were made free of charge.

The Mothers' Meeting

Ladies in Charge

Mrs. Zantzinger Miss Campbell

The ladies in charge of the Mothers' Meeting have been much encouraged by their successful season. Nine new names have been added to the roll, bringing the membership up to forty-seven. The average attendance has been more regular and better.

During Lent quite a number of infants' clothes were made for the Southeastern Dispensary. A Pink Tea given by the mothers for the Building Fund realized $61.50, the outcome of much labor and self-denial.

The meetings will close May 8th, with the usual distribution of plants.

Meetings have been held every Tuesday evening in the G. F. S. room, in the Parish Building, except during the summer months.

A devotional service, with address by the Chaplain, has been held on the first Tuesday in each month, and during Lent the Stations of the Cross have been given every Tuesday evening in the Guild Chapel.

During the year the Branch has contributed towards a box sent by all the Diocesan Branches to the sufferers by the Galveston flood, and to the Easter box for the Oneida Mission, Wisconsin.

The object of this Society is to "deepen the spiritual life of those who are called to the vocation of nursing of the sick."

The Saturday Class

The Saturday Bible Class, which has been in session from the first week in Advent, has this year been well attended. The subjects treated have been the Epistle of S. Paul to the Ephesians and the Pastoral Epistles. The Class meets in the Church every Saturday at 11.30 A. M., from Advent to May 1st.

S. Mark's Messenger

S. Mark's Messenger, our Parish paper, is published once a month from September to July, and is now in the ninth year of its existence. It is most useful in acquainting the parishioners with the news of the Parish, but especially so in bringing before them the works and the wants of the two Missions. The Rector hopes that this paper may be better supported, and that this year each family will subscribe for one copy at least. The subscription is one dollar, and may be sent either through the Rector or the Sexton, or direct to the Treasurer, Mrs. S. Bartram Richards, 2115 Pine Street.

The Sunday School has been instructed at the morning session by Classes on Old Testament subjects. At 3 o'clock on Sunday afternoons there has been a children's service of Solemn Evensong, followed by the Catechism and a short sermon. Once a month there has been a solemn service for all the schools. The services are all rendered chorally by the children.

The work of S. Mary's Infant School during the past year has been most satisfactory. The system of instruction has remained practically the same as in past years. On the first Sunday in each month and on great festivals the Infant School takes part in the Children's Solemn Evensong in the Church. The envelope system has worked wonders in the increase of the children's offertory. They have given to the Church a pair of brass processional torches, for which they paid $31.

Eighty children are in the Sewing School, thirty of whom are in the Kindergarten Department. There are seven classes under instructions. The children are taught to make simple garments, which are given them when completed. Each child brings a penny a week, which is used for the purchase of materials. Since the change of hour from afternoon to morning, there has been an increase in attendance at the Sewing School.

COAL CLUB

Treasurer—Sister Anna Maria

Nineteen tons of coal have been furnished during the past winter at reduced price, to deserving families connected with the Mission, many of whom had laid by small sums during the summer for coal. The club's work began on November 1st.

S. MARY'S CHAPEL RECEIPTS

Shoe Club	63 50
	$2,121 25

Although the amounts from outside sources, excepting S. Mary's League, have decreased during the past year, yet the offerings of St Mary's people themselves have very perceptibly increased.

S. MARY'S MISSION SERVICES

During the past year there has been little or no change in the number and time of services. The week-day Eucharist is now on Friday, not on Tuesday. On Saturday at 9.30 A.M. a children's Eucharist is sung. This additional service was begun in November and has been well attended by the children and many of the older people. It keeps the children from the street on Saturday mornings, and when the service is over the girls remain in the Mission Building for the Sewing School, and the boys work in the gymnasium until 12.30.

Other services are as follows:

Sundays—Holy Eucharist at 7 A.M.; Matins and Sermon, 11 A.M.; Solemn Evensong, Address and Catechism, 3 P.M.; Bible Classes, 4 P.M.; Evensong and Sermon, 8 P.M.

Wednesdays—A Mission service, evangelical and popular, 8.45 A.M.

Fridays—Besides the early Eucharist, Evensong and Sermon at 8 P.M. On Fridays during Lent, the Stations of the Cross at 4 15 and 8 P.M.

Saturday—The Children's Eucharist at 9.30 as above mentioned.

All Guilds end with a short service, followed by an instruction once each month.

The summary of services, etc., since S. Mark's day, 1900, is as follows:

S. MARY'S SUNDAY BREAKFAST

Managers

Mrs. J. Allison Scott — Mrs. Charles Packard
Miss Margaret Riley — Miss Wheeler
Miss Mabel Reed

Mrs. S. Bartram Richards, *Treasurer*

The Sunday Breakfast is excessively valuable to the Sunday School as a means of attracting and providing for many little children. There is an average attendance of 45 children. Mr. Clifford Ellis gives all the milk that can be used; Mr. McCandless kindly supplies us with oatmeal. These gifts naturally decrease our expenses, but in spite of this there is a deficit in the treasury of $6, which will increase as time goes on. Subscriptions last year were $37.15. This year they have only amounted to $18. The absence of the Treasurer prevents the presentation of a more detailed account.

The Bishop of the Diocese has confirmed the action of the Southwestern Convocation in assigning to S. Mary's for systematic visiting, the territory between Walnut street and Washington avenue, and Broad street and the Schuylkill River. The great extent of this district is very discouraging to the most faithful of workers, but something has been done, and much more is hoped for next year.

S. MARY'S SHOE CLUB

This Club provides children belonging to the Mission with shoes at half price. Forty-nine pair have been sold and a few given away. The Club has been greatly hampered in its work by lack of funds. Last year it was possible to sell one hundred and twenty pair at half price, more than twice what has been possible in the year just closed. The club is still in debt.

The Summer Fund

This Fund is intended to supplement the Rector's Fund from the Communion alms, etc., during the summer months, when, owing to the absence from the city of most of the parishioners, the offertories are very small, while the demands upon the Fund are even greater than in the winter. A part of the money is used for excursions in hot weather for many of the deserving poor children of the Parish.

In making out the foregoing financial statement, the plan has been to give exactly the sums contributed to the various works of the Parish, and to exclude all private gifts to objects outside the Parish, and the large sums, which, under the head of "Miscellaneous," go to swell the receipts in so many year books.

The only indebtedness in the Parish is $1,000 of the mortgage on the Parish School, which was not cleared off by the Easter offering.

ANNUAL REPORTS

OF THE

SEVERAL DEPARTMENTS

OF

CHURCH WORK

DONE WITHIN

Saint Mark's Parish

PHILADELPHIA.

S. MARK'S DAY,

1902

NOTE

The names and addresses of persons wishing to be attached to the Parish, and of strangers attending S. Mark's, who may desire to be called upon, should be sent to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. W. F. H. Reed, 1601 Chestnut Street.

PREFACE

IN the Preface to the last Year Book, I reminded you that this was the closing year of the decade of our work together at S. Mark's; and while recognizing the many blessings upon our efforts in the past nine years, I asked you to put forth "a real effort to make the last year of the decade a worthy ending of its work."

I little thought then that the response would be such as to make this year by very far the best year in the whole history of the Parish, whether measured by financial success or by the condition of our many parochial activities, the increase of our communicants, and the larger attendance at our services.

The principal events of the year have been the Consecration of the Lady Chapel on the 10th of February, by the Right Reverend the Bishop of Milwaukee, acting for the Bishop of the diocese, and the Easter offering of $20,041.77 for the Organ Fund. This offering is four times as large as any previous Easter offering, and is, indeed, a worthy ending of our ten years' work together. The Consecration of the Lady Chapel also marks an epoch in the history of the Parish, not only providing us with a Chapel for our early Celebrations, but furnishing an architectural and ecclesiastical example, unique in this country, and of great educational value. Besides this, we have paid off the balance of the mortgage on the school house, so that for the first time for at least twenty-five years there is absolutely no debt of any kind upon the Parish.

At the close of ten years it seems fitting to look back and review the path we have travelled together in order that we may learn from it what God has done for us, and, in acknowledging His great goodness with heartfelt thanksgivings, may realize what we can do in the power of His grace; so that we may begin the new decade with a courage and confidence, which are the fruits of our trust in one another, and our reliance upon God.

For myself in looking back over so long a period of my ministry, there must be much heartsearching at the mistakes made, and worse, the many faults which have hindered the work, and yet I should be ungrateful, indeed, were I not to acknowledge that in spite of all, God has abundantly blessed our efforts. There are probably few Rectors, who, at the end of ten years' work, are able to thank God for so many of their hopes realized, so many of their plans carried out to success.

My first work in coming among you was to consider the ground carefully, and to make plans for the future, which contemplated advances in many directions, most of which plans have been fully realized.

I had in mind a standard of perfection for our services, in accordance with the Catholic heritage of our Church; this has long since been reached. A better test, however, of real progress may be found in the number attending the early Celebrations on week days, and the number of Communicants at Easter. Comparing the latter this Easter with the number on Easter Day, 1892, the increase is fifty per cent.

If we take our evangelistic or mission work, the plan for which was put forth in the Lent of 1892, we find it has developed into two of the most successful Missions in the diocese, counting between them over 500 communicants. One, S Mary's, is fully equipped with buildings, etc., which have cost some $40,000. The other, S.

Michael's, while still needing a permanent chapel, has a Mission building and a school house.

Then if we turn to the Church property on Locust street, to it has been added the Clergy House, the Cloister, the magnificent Lady Chapel, and when we meet again for work in the fall the beautiful organ will be in place.

While our retrospect thus shows, I believe, in every direction nothing but growth, spiritual and material, yet the years have not been for me at times without great anxiety. So much was started that even four years ago the burden was so great that I began to fear that I had attempted too much. There was then a debt of $12,000 on S. Mary's, of $5,000 on the school house, and the constantly increasing drain upon our current expenses in order to keep in repair our beautiful but very extensive buildings, warned us that something in the nature of an endowment for this purpose must be set on foot. In these four years, however, all debts have been cleared off, a substantial beginning of the Jubilee Endowment Fund has been made, and this without in any way diminishing the contributions to our mission work and to our various parochial agencies.

This Lent it was determined to devote the Easter offering to the purchase of a new organ, with the result that no less than the whole sum asked for, $20,000, was given. When we compare this with the Easter offering in 1892 (for the Clergy House), $419, it gives an opportunity of testing in the most practical way the devotion of our people to the Church's work, and is, indeed, a most gracious ending of the ten years of toil. And, again, if we compare our income as reported to the convention, we find that in 1892 it was $30,000, while this year it is $65,470.65, and this sum does not include the Lady Chapel or any of the gifts with which it has been furnished.

This increase has not been caused by the accession of a number of wealthy members to the Parish. Indeed, during the past ten years we have lost many of our most earnest and valued parishioners by the hand of death. (We have lost very few from any other cause.) Of the present Vestry, indeed, only four were in the Vestry which called me to S. Mark's. No, the increase is to be accounted for almost entirely by the growth of a spirit of love, which shows itself, as love always does, by sacrifice. Our contributions come not entirely from a few wealthy persons, but from almost all our congregation.

One other point I would gratefully notice. Dr. Jessup, in his recent essays on the Church of England in the Middle Ages, points out that this love for the Church led people then not only to build and adorn beautiful churches, but to store them with costly vessels and vestments, so that while men's houses in those days were simply furnished, the churches were possessed of great treasures of gold, and silver, and precious stones, the work of the most celebrated artists of those times. He goes on sadly to observe that in our days the reverse is seen, our houses being lavishly furnished, but our churches too often suggesting cheapness rather than simplicity.

S. Mark's was built by men who religiously desired to restore the old order, and now through the loving generosity of her parishioners possesses ecclesiastical treasures, not only surpassing those of any parish in this country and probably in England, but which vie with what Dr. Jessup tells us of the churches of old. And this has been exclusively from the gifts of those who have provided beautiful vessels and vestments for the glory of God and in loving memory of those who have gone before. For of all our treasures, none has been purchased out of the

funds of the church, all being the free-will offerings of individuals.

We must, indeed, be thankful that God has blessed so abundantly the fruits of our labors, but we must not therefore feel that our work is done; rather must we resolve to press on in all good works, for to stand still would soon mean to fall back.

The average attendance at the Sunday School through the winter has been about 70, though the names of more than 100 children are on the roll. The Lenten offering of the children amounted this year to about $70, and is to be contributed to the work of the Church Home and Hospital, at Orlando, in the missionary jurisdiction of Southern Florida. The school will close its sessions on Whitsunday, and reopen on the Sunday in the octave of All Saints.

FIFTY-SECOND ANNUAL REPORT

The Board of Managers of S. Mark's School present their fifty-second Annual Report, and are glad to state that during the past year the school has continued its steady, active usefulness, combining a thorough elementary education with the privileges of spiritual instruction and Church teaching.

The number of pupils enrolled is large, and the attendance good in both the upper divisions and the kindergarten.

Under the efficient management of the Sisters-in-Charge and the capable assistant teachers, a marked improvement in the results of the school is noticed from year to year.

It is a source of great thankfulness that the remaining mortgage on the school house, No. 618 South Seventeenth Street, has this year been entirely paid off, and the building is now absolutely free from debt, or incumbrance of any sort.

TWENTY-NINTH ANNUAL REPORT

The Managers of S. Mark's Hospital Aid Association in presenting the twenty-ninth annual report, wish to thank those whose generous contributions have enabled the work to continue during the past year.

This Association tries to provide extra delicacies and treats for the little colored cripples in the House of S. Michael and All Angels, especially during the summer months. Last July and August money was sent from time to time to the Sister-in-Charge, to be used for outings for the children.

At Thanksgiving and Christmas bountiful dinners of turkey and cranberries were provided, while Lincoln's Birthday and February 22d were marked by special treats.

Contributions for this work may be sent at any time to the Treasurer, and will be most gratefully received.

ETHEL SMITH.

THIRTY-THIRD ANNUAL REPORT

With this, the thirty-third annual report of S. Mark's Employment Society, the Managers wish to make an earnest appeal for more subscribers. During the past winter $471 were paid to the women employed, and this sum should have been covered by the subscriptions, which, however, only amounted to $317.

An appeal will be made in the autumn, to which it is hoped a generous response may be made. The Society works without charge for charitable institutions, and so does a double work, 370 articles having been made in this way since November 1, 1901.

The Mothers' Meeting

Ladies in charge

Mrs. Zantzinger Miss Campbell

The attendance this year has been excellent and the women so interested that it has been decided to carry on the meetings through May.

During Lent the mothers made clothes for poor children under the care of the Sisters of St. Mary, Sewanee—about fifty garments in all—a creditable showing, when it is considered it has been accomplished by those who have to work so hard themselves.

Meetings have been held every Tuesday evening in the G. F. S. room, in the Parish Building, except during the summer months.

A Candidates' Class was started in Advent. Girls under twelve are admitted to this, and the meetings are held on Saturday afternoon.

During the past year the Branch has given a set of "Stations of the Cross" to the Guild Chapel. These pictures are photographic reproductions of those in S. Augustine's Church, Stepney, beautifully coloured and framed, and were hung in the Guild Chapel at the beginning of Lent.

The Branch has also sent a box of clothing, etc., to the Oneida Hospital, Green Bay, Wisconsin, valued at $75, and has contributed articles valued at $15 to the general box sent to a Mission in North Carolina.

The Sunday School has been instructed at the morning session by classes on New Testament subjects. At 3 o'clock on Sunday afternoons there has been a children's service of Solemn Evensong, followed by the Catechism and a short sermon. Once a month there has been a solemn service for all the schools. The services are all rendered chorally by the children. The school has purchased a beautiful missal desk, to be used in S. John Baptist's Chapel.

The system of instruction has remained practically the same as in past years. On the first Sunday in each month and on great festivals the Infant School takes part in the Solemn Evensong in church. The children are taught regular and systematic giving by the envelope system. They have paid $20 towards a lot in Mt. Zion Cemetery, and given $5 for materials for church embroidery, to be sent to a struggling mission in the South.

THE EMBROIDERY CLASS

In Charge

Sister Evelyn Margaret Mrs. S. B. Richards

This class meets on Fridays, at 3 P. M. There are 17 members, 10 of whom are working on church embroidery. The object of this class is to provide altar hangings and vestments for poor colored parishes that would be otherwise unable to procure them; also to provide needed embroideries for our own Mission.

During the winter a superfrontal and pulpit fall have been sent to S. Augustine's Church, Atlantic City. Four stoles, two book markers and the orphreys for a chasuble have also been finished.

COAL CLUB

Treasurer—Sister Anna Maria

Seventeen tons of coal have been furnished during the past winter at reduced price to deserving families connected with the Mission, many of whom had laid by small sums during the summer for coal. The club's work began on November 1st.

Although the amounts from outside sources have decreased during the past year, yet the offerings of S. Mary's people themselves have very perceptibly increased.

S. MARY'S MISSION SERVICES

During the past year there has been little or no change in the number and time of services. The week-day Eucharist is now on Friday, not on Tuesday. On Saturday at 9.30 A. M. a children's Eucharist is sung. This additional service was begun in November, and has been well attended by the children and many of the older people. It keeps the children from the street on Saturday mornings, and when the service is over the girls remain in the Mission Building for the Sewing School, and the boys work in the gymnasium until 12.30.

Other services are as follows:

Sundays—Holy Eucharist at 7 A. M.; Matins and Sermon, 11 A. M.; Solemn Evensong, Address and Catechism, 3 P. M.; Bible Classes, 4 P. M.; Evensong and Sermon, 8 P. M.

The attendance at Matins has increased two-thirds during the past year.

Wednesdays—A Mission service, evangelical and popular, 8.45 A. M.

Fridays—Besides the early Eucharist, Evensong and Sermon at 8 P. M. On Fridays during Lent, the Stations of the Cross at 4.15 and 8 P. M.

Saturday—The Children's Eucharist at 9.30, as above mentioned.

All Guilds end with a short service, followed by an instruction once each month.

The summary of services, etc., since S. Mark's day, 1900, is as follows:

S. MARY'S SUNDAY BREAKFAST

Managers

Miss Emery — Miss Louise Lewis

Mrs. S. Bartram Richards, *Treasurer*

This work has increased this year, and there have been present on some days as many as fifty children. The number present at the 7 o'clock Mass and the Sunday School at 9.30 has greatly increased in consequence of the breakfast, making it possible for the little ones to stay.

The expense has been reduced to a minimum, owing to the kindness of Mr. William McCandless, 326-328 South Nineteenth street, donating the oatmeal; Mr. Jas. Kelly, 1701 Pine street, the sugar, and Mr. Clifford Ellis, 336 South Seventeenth street, providing all the milk that can be used.

Miss Louise Lewis and Miss Emery have given their kind services with great regularity, and the Sunday Breakfast has grown into an important feature in the work at S. Mary's.

The Mission Fund

This is the principal source of revenue for support:

1. Of the Home for Aged Women.
2. Of the Sisters and their House.
3. Of the Mission on Kater Street.
4. Of the Mission for Coloured People, Bainbridge St.
5. Of one Priest, whose time is given to the Mission.

It is absolutely necessary to raise not less than $5,000 to keep these various works going.

The Summer Fund

This Fund is intended to supplement the Rector's Fund from the Communion alms, etc., during the summer months, when, owing to the absence from the city of most of the parishioners, the offertories are very small, while the demands upon the Fund are even greater than in the winter. A part of the money is used for excursions in hot weather for many of the deserving poor children of the Parish.

In making out the foregoing financial statement, the plan has been to give exactly the sums contributed to the various works of the Parish, and to exclude all private gifts to objects outside the Parish and the large sums which, under the head of "Miscellaneous," go to swell the receipts in so many year books.

There is no indebtedness of any kind upon the Parish, and this year has been the most prosperous financially in the history of the Parish.

Saint Mark's Parish

PHILADELPHIA

S. MARK'S DAY

1903

NOTE

The names and addresses of persons wishing to be attached to the Parish, and of strangers attending S. Mark's, who may desire to be called upon, should be sent to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. W. F. H. Reed, 1601 Chestnut Street.

PREFACE

THE year that has passed has been a quiet one in the history of the Parish. The chief events to be chronicled are the installation of the new organ, the funds for which were raised last Easter; the building of the new Sacristies, and the addition to the Lady Chapel of the rood-beam and the organ, the case of which, on the Chapel side, has been most beautifully decorated to correspond with the wood work of the Chapel.

The Sacristies, which have been furnished in quartered oak by some ladies of the Parish, are of really very great value to the clergy, and enable them to have a room apart from the servers.

During the whole of last summer the Chancel was in the hands of workmen, and many improvements, demanded by the condition of the fabric, were made, in addition to those provided by the Organ Fund.

I would especially call attention to the reports from our two Missions, both of which make a most excellent showing in regard to work done and funds contributed by the people of the Missions.

The average attendance at the Sunday School through the winter has been about 70, though the names of more than 100 children are on the roll. The Lenten offering of the children amounted this year to about $100, and is to be contributed to the building fund of our S. Michael's Mission. The school will close its sessions on Whitsunday, and reopen on the Sunday in the octave of All Saints.

FIFTY-THIRD ANNUAL REPORT.

Throughout the past year S. Mark's School has continued its active earnest work in instructing and preparing children for both the spiritual and practical duties of life. The system of elementary education is most thorough, and the pupils also receive daily religious instruction and attend the services in the Mission Chapel at Seventeenth and Kater streets. The number enrolled is large and the attendance good.

Under the care of the Sister-in-charge and the able assistant teachers, both the upper divisions of the School and the Kindergarten show excellent results. The work of the School is rapidly increasing, and its usefulness is widely felt—deserving the support and sympathy of all who are interested in the welfare and careful development of the young.

THIRTIETH ANNUAL REPORT.

Owing to the generosity of a few subscribers S. Mark's Hospital Aid Association was able to give the children in the House of S. Michael and All Angels, outings in the summer time, when the majority of their friends are away from town.

On Thanksgiving and Christmas Day the usual dinners of turkey and cranberries were sent. And the children look forward with much pleasure to their now annual treats on the birthdays of Washington and Lincoln.

THIRTY-FOURTH ANNUAL REPORT

During this, the thirty-fourth year of the work of S. Mark's Employment Society, 38 women were employed, and 1,619 pieces of work were cut, made up and disposed of by the Society. Of these, 786 were made without charge for various charitable institutions. To properly carry on this co-operative work, more money is needed, and for that purpose it is earnestly requested that every member of the congregation shall become a subscriber to the Employment Society. An appeal will be made in the autumn, to which it is hoped a generous response may be made.

Meetings have been held every Tuesday evening in the G. F. S. room, in the Parish Building, except during the summer months.

A class in basket making was organized in October and has proved very attractive and successful.

In January the Branch undertook the support of a scholarship in the Mission School at Anvik, Alaska, as a memorial of their late beloved associate, Miss Anna L. Sabine. They have also raised one hundred dollars for the Holiday House at Cape May, and during Lent have worked for a missionary box to be sent to the Church Hospital in Salt Lake City.

This Guild for boys of twelve years old and under, meets every Saturday morning, from Michaelmas to Trinity, at 10 A. M. An hour is given to games, exercise in gymnasium, reading in library, and opportunity given for banking ("Theodore Starr Stamp System" is used). Then follows a short service in Chapel, with instruction. For many years these boys have given their Lenten offerings for a chalice and paten for some missionary in the West. They also make a large offering of candles at Candlemas.

Members of this Guild for workingmen keep a simple, devotional rule and meet weekly on Thursday nights. A short service is sung, followed by a business meeting. The rest of the evening is devoted to games, reading in smoking room or library, and to gymnasium work. Annual election of officers and anniversary service is held on Ascension night. This Guild has, since its founding, kept in order and repair the burial lots of S. Mark's Parish in Mt. Moriah Cemetery.

This Guild, the oldest and largest of the guilds founded at S. Michael's, is for working girls. From the ages of twelve to sixteen, girls are in the Junior Department, over that age they are placed with the Senior Guild Mistress. This Guild is divided into the four wards of S. Gabriel (highest), S. Raphael, S. Uriel, and Guardian Angels, each ward having its own spiritual and devotional rule and a distinctive veil. This Guild meets weekly in many different classes, and attends in a body the Wednesday night service.

The object of this Guild is purely spiritual, to build up and sustain the devotional life of its members. Guild meetings are held on the first Monday night of each month, followed by a Chapel service, with instruction. Members help the Mission in many ways from their dues and by their work. Members of this Guild, with other Mission women, sing the Requiem Mass at all Mission funerals.

Number of Members, 50 — Number of Children, 50

Meets every Friday, from All Saints to Ascensiontide.

The objects of the Mothers' Union are:

1. To uphold the sanctity of marriage.
2. To awaken in mothers a sense of their great responsibility in the training of their children.
3. To organize a band of mothers who will unite in prayer, and seek by their own examples to lead their families in holiness and purity of life. The Annual Festival is Lady Day, when the mothers attend in a body, with their children, the Choral Celebration at the Chapel.

S. MARY'S MISSION SERVICES

During the past year there has been little or no change in the number and time of services. There is a week-day Eucharist on Friday. On Saturday at 9.30 A. M. a children's Eucharist is sung. This service has been well attended by the children and many of the older people. It keeps the children from the street on Saturday mornings, and when the service is over the girls remain in the Mission Building for the Sewing School, and the boys exercise in the Gymnasium.

Other services are as follows:

Sundays—Holy Eucharist at 7 A. M.; Matins, 9.30 A. M.; Solemn Evensong and Catechism, 3 P. M.; Bible Classes, 4 P. M.; Evensong and Sermon, 8 P. M.

Wednesdays—Choral Litany and Sermon, 8.45 A. M.

Fridays—Besides the early Eucharist, Evensong and Sermon at 8 P. M. On Fridays during Lent, the Stations of the Cross at 4 and 8 P. M.

Saturday—The Children's Eucharist at 9.30, as above mentioned.

All Guilds end with a short service, followed by an instruction once each month.

The summary of services, etc., since S. Mark's day, 1902, is as follows:

CHURCH WORK

DONE WITHIN

Saint Mark's Parish

PHILADELPHIA

S. MARK'S DAY

1904

NOTE

The names and addresses of persons wishing to be attached to the Parish, and of strangers attending S. Mark's, who may desire to be called upon, should be sent to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. W. F. H. Reed, 1601 Chestnut Street.

PREFACE

THE year that has passed has not been marked by any notable events in the Parish life. The winter has been long and severe, and there has been much sickness, and I regret to say we have lost by death several of the older members of the Parish, whose places cannot be filled. In spite, however, of the weather the services have been generally well attended, and Lent was observed with devotion.

Our two Missions—S. Michael's and S. Mary's—have made most satisfactory progress. S. Michael's greatly needs a new Chapel, the temporary Chapel being too small to hold even all the communicants at one time, not to speak of the other members of the Mission. We must pray that God may put it into the hearts of our people to provide this Chapel.

When I call your attention to the fact that the members of S. Michael's, besides contributing over $2,700 this year toward current expenses and work, have put by during the last few years sums aggregating $2,636.15 toward the Building Fund of the new Chapel, you will see how much they desire it, and how thoroughly they deserve to be helped.

S. Mary's Coloured Mission, too, has never been in such excellent condition. The congregation have greatly

increased, and the communicants (among which are reckoned none but *bona fide* communicants) now reach 293. Adding 330 on the roll at S. Michael's, our two Missions together have 623 communicants—a very satisfactory showing.

The only new departure we have to chronicle is a plan to put our income from collections for "General Parish Purposes" on a more satisfactory footing. The plan is outlined in a letter from the Vestry to the parishioners which follows this Preface. As only one week has elapsed since the letter was sent out, it is impossible accurately to report its effect, but sufficient pledges were sent in during this week to insure the success of the scheme, though it is hoped that many more who have not yet responded will do so.

ALFRED G. MORTIMER.

A Letter from the Vestry to The Parishioners of S. Mark's Church

The Rector and Vestry request an expression of opinion from you respecting the subject-matter of this letter.

The parishioners of S. Marks are accustomed to make a prompt and generous response to the many calls made upon them for gifts of money. During the last ten years large sums have been wisely expended in making permanent additions and improvements to the church and to the adjacent buildings. Indeed, when the new floor has been laid the costly process of restoring and renovating the church will (so far as can be foreseen) have been carried to a conclusion. In addition to the sums thus expended, there are annual contributions to the mission work of the parish and stated offerings for the parish school, for the Episcopal Hospital, for diocesan, domestic and foreign missions, and for other church purposes.

There are, however, only 12 Sundays in the year on which offertories are taken for purposes outside the parish. On the remaining 40 Sundays the offertories at the mid-day service are devoted to the current expenses of the parish. The only other sources of income applicable to general expenses are pew rents and the income from the Moro Phillips bequest for the choir, and the income from the Jubilee Endowment Fund, which is used in part payment of annual repairs. The total annual income from these invested funds is only $731. The amount received from pew rents is about $12,000. The offertories applicable to general parish

purposes during the fiscal year that has just closed amounted to $1,664.53.

Out of the funds thus derived, principally from offertories and pew rents, it is necessary to pay for the lighting, heating and repairing of the church and parish building, the salaries of the clergy (except one priest whose compensation is paid out of the Mission Fund), the salaries of the sexton, sexton's assistant, and bellringer, the salary of the organist and of the members of the choir, the cost of laundering and repairing vestments and other articles of a perishable nature, the current supplies needed for use in the church, such as candles, communion wine, etc., and the parish's stated contribution towards the salaries of the Bishop and Bishop-Coadjutor, and other diocesan expenses.

Balancing these disbursements against the receipts, it is found that there is an annually-recurring deficit, against which it is the wish of the Rector and Vestry to make provision. The question at once arises, whether expenses can be reduced. At the last meeting of the Vestry a committee was appointed to take this question into consideration and to examine the books of the Accounting Warden and the various items of disbursement, in the hope that more rigid economy might be practiced. As a result of their investigations, the committee have reported that they do not find any way in which a material reduction can be effected without the adoption of very radical changes which would be much to be deplored.

As the income from investments and the rentals of pews are substantially constant factors, the only way in which to provide for the deficit is by systematizing offertories, with the hope that increased regularity in giving will result, without an appreciable drain upon the congregation, in an increase in the sums annually con-

tributed in this way. At present the sums given through the offertory are most irregular. From May to December, when people are away from town, the offertories dwindle to almost nothing. Sometimes the amount received is less than five dollars a Sunday. Even in January, a wet Sunday has subtracted 66 per cent. from the sum which would be contributed if the day were clear. The non-attendance of parishioners on a Sunday, either because of sickness or absence from town, results in a substantial loss. In many cases the heads of families give generously, but other members of the family give little or nothing, and children are often not trained to give at all.

The plan which you are asked to take into consideration contemplates the making at the beginning of each year by each worshipper in the church (children as well as adults) of an estimate of the sum which he or she can afford to give during that year. This estimate shall be communicated to the Accounting Warden in an envelope and upon a blank furnished by him for the purpose, and the communication shall be regarded by him as strictly confidential. In connection with the estimate, each worshipper shall state how the amount in question is to be paid—whether weekly, monthly, quarterly, semi-annually, or all in a single payment. Envelopes bearing the number by which the worshipper is identified on the Accounting Warden's books will be distributed in such a way that each worshipper will be provided in advance with a number of envelopes corresponding to the instalments in which his contribution is to be paid. These envelopes can be placed in the alms basins, or, in case of absence from the church, can be sent by mail to the Accounting Warden. If payment of the estimated instalments is overlooked by the worshipper for a month's time, the Accounting Warden will send a reminder, so

that the donor may not be embarrassed by falling in arrear. It will be understood, however, that the making of an estimate in the manner above explained will impose no legal liability upon the worshipper or upon his estate; he shall be at liberty to withdraw his pledge at any time.

It is of course true that many of the parishioners of S. Mark's give regularly and largely to churches and missions at their places of summer sojourn. It is not intended to interfere with or diminish the gifts made in this way. Each worshipper will take such gifts into account when he makes his estimate of the sum which he is willing to contribute at S. Mark's. If, for example, he gives a dollar a Sunday during (say) a sojourn of twelve weeks in the mountains or by the sea, he will merely be expected to estimate the amount which he can afford to give at S. Mark's during the remaining forty weeks of the year. If he decides that he will give $40, he will then determine whether he wishes to give a dollar a week, or $10 a quarter, or to give upon some other basis more convenient to him. Fifty cents given on each of the 40 Sundays amounts to $20 a year. Twenty-five cents a Sunday amounts to $10 annually. A child's offering of five cents each Sunday means $2 a year. No sum is too small to be pledged. Any pledge will be gratefully received.

If the worshippers of S. Mark's will give this system a fair trial, it is earnestly believed not only that the material resources of the parish will be greatly increased, but that the givers will find the systematic offering a useful and helpful factor in their religious life. The system is certainly in accord with the method enjoined in Holy Scripture (1st Cor. xvi, 2). The effect of the plan in the training of children is too important to be overlooked.

The Vestry will appreciate an expression of your opinion upon the project, which may be addressed to the Accounting Warden. A blank is enclosed herewith upon which you may make your estimate and send it sealed to him, or place it in the alms basin. Upon receipt of your estimate, he will send you the appropriate number of envelopes, each indicated with your distinctive number. With these will also be sent envelopes for the stated offerings for purposes outside the parish. This is done merely for your convenience; you will understand that your estimate relates only to the amount which you propose to give for general parish purposes, for which forty offerings are taken during the course of the year. As the fiscal year of the church begins April 1st, all the estimates will be understood to date from that time.

The average attendance at the Sunday School through the winter has been about 40, though the names of more than 60 children are on the roll. The Lenten offering of the children amounted this year to about $50, and is to be contributed to Bishop Restarick's work in the Hawaiian Islands. The school will close its sessions on Whitsunday, and reopen on the Sunday in the octave of All Saints.

FIFTY-FOURTH ANNUAL REPORT.

S. Mark's School has fulfilled another year of useful activity. The number of pupils is large, and under the careful guidance of the Sister-in-Charge and her faithful assistant teacher, Miss Gefrorer, the various departments of the School have made good progress—the classes being graded as nearly as possible in accordance with those of the public schools. This year the boys have been taught basket weaving, which has interested them very much, also the sewing class for the girls has shown excellent results. The Kindergarten has done a very useful work, many young children being prepared to enter from it into the higher classes of the School.

All the pupils have the benefit of attending the daily services in the Mission Chapel, adjoining the Schoolhouse, 618 South Seventeenth street, and also receiving religious instruction from the Priest-in-charge.

The expenses necessary to maintain this work are large and the interest and substantial aid of all in the Parish is earnestly desired.

To Priest in Spokane, Wash.	"	125 00
To Priest in Portage, Wis.	"	150 00
To Nashotah Seminary	"	250 00
To King Theological Hall, Washington D. C.	"	75 00
		$725 00

To Mission House of S. Michael and All Angels, a box of very valuable second-hand clothing from a lady of the Parish. The society also has to acknowledge gifts of other second-hand clothing from different members of the Parish.

On the day of shipping four of the boxes, the Pennsylvania Railroad Freight Station was burned, and the boxes with their contents were much injured by the fire and also by water. The Pennsylvania Railroad kindly acknowledged a claim for damages and sent their check to cover losses. The boxes were again prepared and sent off, this time with more fortunate results.

Respectfully submitted,
SUSAN FARNUM WHEELER.

THIRTY-FIRST ANNUAL REPORT.

Owing to the generosity of a few subscribers S. Mark's Hospital Aid Association was able to give the children in the House of S. Michael and All Angels, outings in the summer time, when the majority of their friends are away from town.

On Thanksgiving and Christmas Day the usual dinners of turkey and cranberries were sent. And the children look forward with much pleasure to their now annual treats on the birthdays of Washington and Lincoln

Communicants' Chapter, 12 Number of Members, 110

This Guild for boys of twelve year old and under, meets every Saturday morning, from Michaelmas to Trinity, at 10 A. M. An hour is given to games, exercise in gymnasium, reading in library, and opportunity given for banking ("Theodore Starr Stamp System" is used). Then follows a short service in Chapel, with instruction. For many years these boys have given their Lenten offerings for a chalice and paten for some missionary in the West. They also make a large offering of candles at Candlemas.

This Guild, the oldest and largest of the guilds founded at S. Michael's, is for working girls. From the ages of twelve to sixteen, girls are in the Junior Department, over that age they are placed with the Senior Guild Mistress. This Guild is divided into the four wards of S. Gabriel (highest), S. Raphael, S. Uriel, and Guardian Angels, each ward having its own spiritual and devotional rule and a distinctive veil. This Guild meets weekly in many different classes, and attends in a body the Wednesday night service.

Number of Members, 45 — Number of Children, 40

Meets every Friday, from All Saints to Whitsuntide and monthly from June 1st to November 1st.

The objects of the Mothers' Union are:

1. To uphold the sanctity of marriage.
2. To awaken in mothers a sense of their great responsibility in the training of their children.
3. To organize a band of mothers who will unite in prayer, and seek by their own examples to lead their families in holiness and purity of life. The Annual Festival is Lady Day, when the mothers attend in a body, with their children, the Choral Celebration at the Chapel.

S. ANNE'S GUILD

Founded 1895

S. Anne's Guild has this year been incorporated with the Mothers' Union, forming a higher ward, whose members keep a stricter rule and wear a distinctive badge and veil. It has 22 members, all of whom are members of the Mothers' Union and meet with them in devotional services and business meetings.

Bible Class, 4 P. M.

Chaplain

Rev. C. Frederick Brookins

Superintendent

Mr. J. Clarence Bettiche

Teachers

Sister Evelyn Margaret	Mr. Elbert Smuby
Miss Cooke	Mr. Fred. Peterson

The Sunday School has been instructed at the morning session by classes on Old Testament subjects. At 3 o'clock on Sunday afternoons there has been a children's service of Solemn Evensong, followed by the Catechism. Once a month there has been a solemn service for all the schools. The services are all rendered chorally by the children.

On the first Sunday of the month, and on great festivals the Lower School takes part in Solemn Vespers and in the Processions in the Church.

The children's weekly offerings have gone toward paying the balance on a lot in Mt. Zion Cemetery, and the remainder will be devoted to Church furnishings.

The Epiphany Missionary offering was appropriated to Missions in Africa, the Easter offering to general missions for coloured people.

The Easter missionary offering of the school ($10) has been given for missions in Africa.

Number of pupils, 200.

S. MARY'S MISSION SERVICES

During the past year there has been little or no change in the number and time of services. There is a week-day Eucharist on Friday. On Saturday at 9.30 A. M. a children's Eucharist is sung. This service has been well attended by the children and many of the older people. It keeps the children from the street on Saturday mornings, and when the service is over the girls remain in the Mission Building for the Sewing School, and the boys exercise in the Gymnasium.

Other services are as follows:

Sundays—Holy Eucharist at 7 A. M.; Matins, 9.30 A. M.; Solemn Evensong and Catechism, 3 P. M.; Bible Class, 4 P. M.; Evensong and Sermon, 8 P. M.

Wednesdays—Mission Service and Instruction.

Fridays—Besides the early Eucharist, Evensong and Sermon at 8 P. M. On Fridays during Lent, the Stations of the Cross at 4 and 8 P. M.

Saturday—The Children's Eucharist at 9.30, as above mentioned.

All Guilds end with a short service, followed by an instruction once each month.

The summary of services, etc., since S. Mark's day, 1902, is as follows:

Services of all kinds, excepting Guilds	456
Eucharist celebrated	162
Communions made	1,260
Communions made on Easter Day	206

S. MARY'S BENEFICIAL SOCIETY

President—Rev. C. Frederick Brookins

Treasurer—The Sister in Charge

This association has recently been organized with a view to helping members of the Mission in sickness and at death. Shares of 10 cents each, paid monthly, enable the holder to 50 cents per share a week, for five weeks, in cases of sickness, and to $10 per share, at death.

Balance, $108.00

S. MARY'S SHOE CLUB

The Shoe Club this year has provided about 125 pairs of shoes for the Sunday School children at half price. In very needy cases, the shoes have been given. The funds are very low and more are needed for next year's work.

The Summer Fund

This Fund is intended to supplement the Rector's Fund from the Communion alms, etc., during the summer months, when, owing to the absence from the city of most of the parishioners, the offertories are very small, while the demands upon the Fund are even greater than in the winter. A part of the money is used for excursions in hot weather for many of the deserving poor children of the Parish.

NOTE

The names and addresses of persons wishing to be attached to the Parish, and of strangers attending S. Mark's, who may desire to be called upon, should be sent to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. W. F. H. Reed, 1601 Chestnut Street.

PREFACE

THE year that has passed deserves notice especially for two events of great importance to the Parish of S. Mark's:

First, the increase by some $3,500 in that part of the income of the Parish which is derived from the collections in the Church on those Sundays when no special objects claim them. Last April the envelope system was introduced, among those who were willing to give it a trial, in the hope that it might increase our revenue for current expenses from this source; and with a result, for which we must all be most thankful, that from this source alone we have now $3,500 a year more than ever before. Some feared that this would mean a diminution in our special offerings. That this is not the case, is seen in the fact that they too have increased this year nearly $1,000. This most satisfactory result will, I hope, lead others to give the envelope system their support, and so to add to its success.

The other event which I would record with deep thankfulness has been the receipt of several legacies which will enable us to carry on our work with far greater efficiency. For many years, we have been praying daily "that God would put it into the heart of some one to build a Chapel for S. Michael's Mission." I notice that I called your attention to this in the preface to the last Year Book, telling you of the inadequacy of the temporary Chapel of S. Michael's, it being too small to hold even half of the Communicants at one time,

not to speak of the other members of the Mission. And I asked you to pray that God would put it into the heart of some one to provide this Chapel. Our prayer has been answered; for, by the death of Miss Charlotte K. Belt, a legacy left to the parish by her sister many years ago, became operative for the building of such Chapel in memory of her husband, Dr. Helmuth. To this has been added another legacy of $10,000 left for the same purpose by a most faithful and devoted member of the parish, Miss Anne M. Sharples.

With the proceeds of these two legacies we have purchased the Church of the Mediator, at Nineteenth and Lombard Streets. This will give us a very beautiful Chapel for the Mission. Its parish building however, is too small and quite inadequate for the present needs of our Mission; and we must pray that God, Who has blessed us thus far, may put it into the heart of others to give us a parish building. As we have the land, this would probably only cost about $25,000.

The $10,000 left to S. Michael's Chapel was only a small part of Miss Sharples's legacies to the Church, She left $5,000 to S. Mary's Coloured Mission; and her residuary estate (the amount of which we do not yet know) to the Endowment Fund of S. Mark's Church. She also remembered a charity, which is very dear to all S. Mark's people, though not belonging to our Parish—The S. Michael and All Angels' Home for Coloured Cripples in West Philadelphia. To this she bequeathed $5,000.

Miss Charlotte K. Belt, in her will, also left her residuary estate, after the death of her niece, to be used for the work of S. Michael's Mission.

There is a verse in the Book of Revelation, which we associate with the burial of the faithful departed—"Blessed are the dead which die in the Lord: even so saith the Spirit; for they rest from their labours; and their works do follow them." What a wealth of meaning it has for those, who, by their wills, have provided that, long after they have left this world, their good works may go on and may follow them into the other world! The work of S. Michael's, and S. Mary's and the Coloured Cripples' Home, which has been benefited and extended by these bequests, will surely be remembered by Him Who said, "Inasmuch as ye have done it unto one of the least of these My brethern, ye have done it unto Me" Souls imprisoned by sin, bodies crippled by disease, ministered to for many, many years through the loving thought of these faithful women, will bring to them a glorious reward! May God put it into the hearts of many of you, when making your wills, to lay up similar treasure in heaven, from that which you must leave behind in this world.

FIFTY-FIFTH ANNUAL REPORT.

Another year of S. Mark's School is well ended, the number of pupils and average attendance being large, and very practical work has been accomplished. Under the care of the Sister-in-Charge and her capable assistant teacher, Miss Gefrorer, also of Miss Switzer, the Kindergartner, the different divisions of the school show admirable results.

In addition to the regular classes, the girls are taught sewing, and the boys chair caning and basket weaving, which interests them greatly, and at the commencement of the school excellent specimens of their work were exhibited. The pupils attend the daily services in the Mission Chapel adjoining the Schoolhouse, 618 South Seventeenth Street, and have the advantage of religious instruction from the Priest-in-Charge.

THIRTY-SECOND ANNUAL REPORT.

During the thirty-second year, just completed, of S. Mark's Hospital Aid, the association has contributed to the comfort of the little colored cripples in the House of S. Michael and All Angels, by remembering them in the summer and sending them money from time to time for extra outings. At Thanksgiving and Christmas the usual dinners of turkey and cranberries were supplied, and Lincoln's and Washington's birthdays were commemorated by treats on those days.

THIRTY-SIXTH ANNUAL REPORT.

The Employment Society of S. Mark's Parish was established thirty-six years ago, and has ever since been doing a good work in giving sewing to some thirty-eight or forty poor women, these now coming from S. Mary's and S. Michael's Missions. These women make clothes for their families, as well as plain household articles, such as dusters, sheets, towels, aprons, etc., which may be bought at the rooms of the Society at cost price. Also a great number of articles is made, free of charge, each year for the hospitals. All parishioners are urged to support this Society by their subscriptions and their orders for work.

The Mothers' Meeting

Ladies in Charge

Mrs. Zantzinger Miss Campbell

The Mothers' Meeting has been attended with its usual success. Many new members have been added to the list.

During Lent, quite a number of garments have been made by the Mothers and sent to the Sisters of St. Mary Sewanee.

The Saturday Class

The Saturday Bible Class, which has been in session from the first week in Advent, has this year been well attended. The subjects treated were the Epistle to the Hebrews and the Epistle of S. Jude. The Class meets in the Church every Saturday at 11.30 A. M., from Advent to May 1st.

Communicants' Chapter, 12 Number of Members, 110

This Guild for boys of twelve years old and under, meets every Saturday morning, from Michaelmas to Trinity, at 10 A. M. An hour is given to games, exercise in gymnasium, reading in library, and opportunity given for banking ("Theodore Starr Stamp System" is used). Then follows a short service in Chapel, with instruction. For many years these boys have given their Lenten offerings for a chalice and paten for some missionary in the West. They also make a large offering of candles at Candlemas.

Number of Members, 60 Number of Children, 50

Meets every Friday, from All Saints to Whitsuntide and monthly from June 1st to November 1st.

The objects of the Mothers' Union are:

1. To uphold the sanctity of marriage.
2. To awaken in mothers a sense of their great responsibility in the training of their children.
3. To organize a band of mothers who will unite in prayer, and seek by their own examples to lead their families in holiness and purity of life. The Annual Festival is Lady Day, when the mothers attend in a body, with their children, the Choral Celebration at the Chapel.

S. ANNE'S WARD

Founded 1895

S. Anne's Ward is part of the Mothers' Union. Its members keep a stricter rule and wear a distinctive badge and veil. It has 20 members, all of whom are members of the Mothers' Union and join with them in devotional services and business meetings.

S. MARY'S BENEFICIAL SOCIETY

President—Rev. C. Frederick Brookins
Treasurer—The Sister in Charge

This association has recently been organized with a view to helping members of the Mission in sickness and at death. Shares of 10 cents each, paid monthly, enable the holder to 50 cents per share a week, for five weeks, in cases of sickness, and to $5 per share, at death.

Balance, $117.00

Four members have been helped in sickness during the year.

S. MARY'S SHOE CLUB

The Shoe Club this year has provided about 75 pairs of shoes for the Sunday School children at half price. In very needy cases, the shoes have been given. The funds are very low and more are needed for next year's work.

The Summer Fund

This Fund is intended to supplement the Rector's Fund from the Communion alms, etc., during the summer months, when, owing to the absence from the city of most of the parishioners, the offertories are very small, while the demands upon the Fund are even greater than in the winter. A part of the money is used for excursions in hot weather for many of the deserving poor children of the Parish.

NOTE

The names and addresses of persons wishing to be attached to the Parish, and of strangers attending S. Mark's, who may desire to be called upon, should be sent to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. W. F. H. Reed, 1601 Chestnut Street.

PREFACE

THE year that has passed has been in many respects the most prosperous year in our parochial history.

If we look first at the most important, the spiritual side, there has been a very real awakening, showing itself in greater missionary activity. A parochial branch of the Woman's Auxiliary has been formed and the meetings, both for the study of missionary fields and for work, have been well attended and much enthusiasm has been manifested. A parochial branch of the Junior Woman's Auxiliary has also been started, and there have been most encouraging meetings of the men of the parish in the interest of the Missionary Thank Offering.

The Confirmation Class this Lent was both large and satisfactory, 101 having been confirmed on Easter Eve.

Our own parish Missions too have shown considerable growth. S. Michael's in its new home (the former Church of the Mediator) is in excellent condition, while S. Mary's has had the best year of its existence. On Easter Day there were no less than 260 communions made at the six o'clock Celebration at S. Mary's out of 342 Communicants on the roll. At S. Michael's 185 out of 325 then made their Communion. The numbers at this Celebration were reduced by the heavy rain storm, but the others mostly made their Communions during the Easter Season.

If we turn to that side of our work where results can be more accurately measured we may notice that for the third time the income of the parish exceeded $65,000., this year's total being $66,861.59, the largest we have yet reached, and more than double the annual income when we began our work together fourteen years ago.

The people of S. Michael's Mission raised $4,176.24, and S. Mary's $2,306.15, in both cases the largest sums yet contributed. While some members of S. Mark's gave $11,730 towards the alterations and improvements of the new properties on Lombard street.

S. Mark's School (which has now completed its fifty-fifth year) in its new building has increased both in numbers and efficiency.

Altogether we have much reason, after so long a period of work together, to thank God and take courage for the future.

FIFTY-SIXTH ANNUAL REPORT.

In September, 1905, S. Mark's School commenced the term in its new home, at Nineteenth and Lombard Streets, adjoining S. Michael's Chapel.

The new school-house affords excellent facilities, with its cheerful, well-equipped rooms for each department; also a kitchen for the cooking classes and a play room. The number of pupils this year is larger than ever before; they are thoroughly instructed in the elementary branches, and the classes are graded in accordance with those of the public schools.

There are also classes of sewing and cooking for the girls, and basket weaving, cobbling and chair-caning for the boys, which are a source of great interest and pleasure to them.

The children have the advantage of attending the services in S. Michael's Chapel, and receiving religious instruction from the Priest-in-Charge. The Board of Managers feel much gratitude to the Sister-in-Charge and to the other teachers of the school for their faithful and efficient work; also to Miss Perry, of the Drexel Institute, who has generously given gratuitous instruction in cooking to the girls of S. Mark's School.

S. Mark's Branch of the Woman's Auxiliary to the Board of Missions in the Diocese of Pennsylvania

S. Mark's has always had regularly chosen delegates to the Diocesan meetings of the Woman's Auxiliary; but it seemed as though the time had come for a thoroughly organized and working branch of the Auxiliary in the Parish. To this end, a meeting was held at the residence of Mrs. Ernest Zantzinger, on January 11, 1906, and "S. Mark's Branch of the Woman's Auxiliary to the Board of Missions in the Diocese of Pennsylvania" was duly formed.

The objects of the Society, as set forth in its constitution, are:

1. Prayer for Missions.
2. Work for Missions.
3. Systematic Giving to Missions.
4. Study of Missions.

Any baptized woman of the Parish is eligible to membership. The dues are 25 cents per annum. The regular meetings are held at 4.15 P. M., on the first Thursday in every month, from November to May, inclusive, in the Parish Building.

On February 1st, Miss Emery, General Secretary of the Woman's Auxiliary, gave a very interesting, instructive, and helpful address on the purposes and objects of the Auxiliary.

On April 5th, Miss Agnes P. Mahoney, of Cape Mount, Africa, awakened interest in the work of the Church in that far-off land, by the account of her own Missionary labours in that field.

A most successful Mission Study Class, with a membership of 20 and under the able leadership of

Sister Cora Margaret, was formed and held nine sessions on the Thursdays of Epiphany and Lent.

The membership, which at present numbers 47, is as follows:

THIRTY-THIRD ANNUAL REPORT.

The Hospital Aid Association of S. Mark's has now finished its thirty-third year in which the usual work has been done of remembering the little colored cripples in the House of S. Michael and All Angels. In the summer months money has been sent to them from time to time for outings and extra delicacies and dinners during the winter.

It is with deep regret that we record the death of Miss Gertrude Williams, who for twenty-eight years has been connected with this organization, and whose interest and help never failed, even in this last winter of her life.

THIRTY-SEVENTH ANNUAL REPORT.

The Employment Society has completed its thirty-seventh year of work among the poor women, both colored and white of S. Mark's Parish. About 1,800 articles have been cut out, made up and disposed of and sewing given to 32 women during five months of the winter. The work of the Society could be greatly enlarged if each parishioner would give a contribution, however small, to the support of the Society.

The Mothers' Meeting

Ladies in Charge.

Mrs. Ernest Zantzinger — Miss Campbell

The Mothers' Meeting was resumed in November in its new quarters in S. Michael's Mission House.

The bright, cheerful room provided for the mothers was enjoyed by all, and every heart was gladdened by the services in the handsome church for which they had prayed and worked so long.

The number on the roll was about the same, as new names had been added to the list in the place of several of the older members who had passed away regretted by all. The mothers, in their Lenten work this year, have been sewing for the poor mountaineers in Archdeacon Hughson's district in North Carolina.

The Saturday Class

The Saturday Bible Class, which has been in session from the first week in Advent, has this year been well attended. The subjects treated were the Epistles of S. John and the Revelation of S. John. The Class meets in the Church every Saturday at 11.30 A. M., from Advent to May 1st.

Meets every Friday, from All Saints to Whitsuntide and monthly from June 1st to November 1st.

The objects of the Mothers' Union are:

1. To uphold the sanctity of marriage.

2. To awaken in mothers a sense of their great responsibility in the training of their children.

3. To organize a band of mothers who will unite in prayer, and seek by their own examples to lead their families in holiness and purity of life. The Annual Festival is Lady Day, when the mothers attend in a body, with their children, the Choral Celebration at the Chapel.

S. ANNE'S WARD

Founded 1895

S. Anne's Ward is part of the Mothers' Union. Its members keep a stricter rule and wear a distinctive badge and veil. It has 20 members, all of whom are members of the Mothers' Union and join with them in devotional services and business meetings.

S. MARY'S BENEFICIAL SOCIETY

President—Rev. C. Frederick Brookins

Treasurer—The Sister in Charge

This Association was organized with a view to helping members of the Mission in sickness and at death. Shares of 10 cents each, paid monthly, enable the holder to 50 cents per share a week, for five weeks, in cases of sickness, and to $5 per share, at death.

Balance, $145.77

Two members have been helped in sickness during the year.

S. MARY'S SHOE CLUB

The Shoe Club this year has provided shoes for the Sunday School children at half price. In very needy cases, the shoes have been given. The funds are very low, and more are needed for next year's work. We have received no money for this purpose during the past year.

The Summer Fund

This Fund is intended to supplement the Rector's Fund from the Communion alms, etc., during the summer months, when, owing to the absence from the city of most of the parishioners, the offertories are very small, while the demands upon the Fund are even greater than in the winter. A part of the money is used for excursions in hot weather for many of the deserving poor children of the Parish.

CHURCH WORK

DONE WITHIN

Saint Mark's Parish

PHILADELPHIA

S. MARK'S DAY

1907

NOTE

The names and addresses of persons wishing to be attached to the Parish, and of strangers attending S. Mark's, who may desire to be called upon, should be sent to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. W. F. H. Reed, 1601 Chestnut Street.

PREFACE

WE have to record with thankfulness three important events during the past year. First the addition to our Jubilee Endowment Fund of $67,559.18 from the proceeds of two legacies, left, respectively, by Mr. J. Sperry Willing and Miss Anne M. Sharples. This sum has swelled the total of our year's receipts to $132,754.10, but in estimating our income it should be deducted, and will therefore leave from other sources $65,194.92.

Then there is the very beautiful memorial to Mr. Sutherland Mallet Prevost, given by his widow, consisting of the carved oak choir stalls, the organ gallery and grille, and the carved oak case for the Great Organ; also a solid gold chalice and paten for use at the High Celebrations of the Holy Eucharist.

Lastly, we must add, the completion of a fund of $10,671.35 for placing a new floor in the church. The old floor has not only been in a most unsatisfactory condition for many years, but the amount of dry wood in it has rendered it peculiarly liable to danger from fire. The new floor will be absolutely fire-proof, being constructed of steel beams and reinforced concrete. I desire to express my deep appreciation of the generosity of those who have enabled us to make this great improvement.

The subscriptions to the memorial to Bishop Nicholson are already sufficient to ensure the carrying out of the plan to erect a very handsome Rood-beam in place of the present screen. They are not, however, included in this year's reports, because most of them are not

yet paid in, and there are still some persons who desire to subscribe who have not notified me of the amount they will give.

We have had many sorrows this year in the removal by death of some of our oldest and most devoted parishioners. Their places will be difficult to fill, and the memory of their example and work will long remain with us.

It is my duty to bring before you the need of largely increasing our Jubilee Endowment Fund. We must not shut our eyes to the fact that people are living more and more in the country, and that before many years churches in our neighborhood will have to depend chiefly on endowments, if the services are to be kept up on their present scale.

I cannot therefore too strongly urge on those who love S. Mark's to provide in their wills for its maintenance. No use of the goods entrusted to us can be more fitting than to make provision from them for the support of God's House and its services after we have passed into His presence. If every one, who is able to do so, would leave at least a small legacy for this purpose, the future of S. Mark's would be secured, and a reward stored up by the donor in the treasury of heaven. How comforting to know we have provided that God's praises shall be sung in the church we loved on earth, when our lips are singing those praises before the throne in heaven. A form for such bequest will be found on the outside cover of the Year Book.

FIFTY-SEVENTH ANNUAL REPORT.

The general conditions of S. Mark's Parish School throughout the past year have been satisfactory, and the attendance good. Under the efficient care of the Sister-in-Charge and assistant teachers, the pupils are trained in a very practical manner. They receive thorough instruction in the elementary branches, and there are also classes in cooking and sewing for the girls, and cobbling, chair-caning, and basket-weaving for the boys.

The children attend the daily services in S. Michael's Chapel, adjoining the School-house, 420 South Nineteenth Street, and receive religious instruction from the Priest-in-Charge. The pupils are interested in collecting books for the little Library of the School, which they enjoy very much.

S. Mark's Branch of the Woman's Auxiliary to the Board of Missions in the Diocese of Pennsylvania

The first year of the Auxiliary's existence closes, showing a gain in numbers, in interest, in work, and in contributions to Missions. The membership has increased to 68. Of this number 18 are actively engaged in the work of the Foreign Committee of the Diocesan Branch of the Woman's Auxiliary; 16 of that of the Domestic Committee; 8 of that of the Indian Hope Committee, and 7 of that of the Colored Committee; while all are showing their interest by their prayers and contributions.

There have been seven regular meetings of the Auxiliary during the year, with an average attendance of 29. On November 8, 1906, the Rev. S. Harrington Littell, of Hankow, China, addressed the Auxiliary on the subject of the Church's work in that field. On December 6, 1906, the Rt. Rev. J. M. Francis, Bishop of Indianapolis, spoke of the work in the Middle West. On December 7, 1907, addresses were made by George Wharton Pepper, Esq., of Philadelphia, and Deaconess White, of Oklahoma City; the former in regard to the apportionment of the Board of Missions, the latter about the work in Oklahoma, under Bishop Brook.

Beginning in December, the Auxiliary has made a corporate Communion once a month in the Parish Church.

A second Mission Study Class of fifteen members, with Sister Lydia Margaret in charge, held eight meetings on the Thursday afternoons, from January 10th to March 13th, and faithful and earnest work was done by leader and members. The course of lessons this year was on Missionary work in the "Islands of the Sea."

THIRTY-FOURTH ANNUAL REPORT.

In presenting the Thirty-fourth Annual Report of S. Mark's Hospital Aid Association, the Managers wish to thank the members of the Parish who have so generously supplied them with the means of providing bountiful dinners for all the household at S. Michael and All Angels at Thanksgiving, Christmas, February 12th and 22d, and at Easter.

The Association also remembers the little colored cripples in the summer, and from time to time money is sent for outings and for ice cream treats.

The Mothers' Meeting

Ladies in Charge.

Mrs. Ernest Zantzinger — Miss Campbell

The Mothers' Meeting was attended this winter with its usual success.

The number of names on the roll is forty-three, and the attendance extremely good throughout the winter.

The Mothers, for Lenten work, have undertaken to send a box of garments to Father Hughson to help him in his work among the poor Mountaineers.

The Saturday Class

The Saturday Bible Class, which has been in session from the first week in Advent, has this year been well attended. The subject treated was the Revelation of S. John. The Class met in the Church every Saturday at 11.30 A. M., from Advent to Easter.

Members of this Guild for workingmen keep a simple, devotional rule and meet weekly on Thursday nights. A short service is sung, followed by a business meeting. The rest of the evening is devoted to games, reading in smoking room or library, and to gymnasium work. Annual election of officers and anniversary service is held on Ascension night. This Guild has, since its founding, kept in order and repair the burial lots of S. Mark's Parish in Mt. Moriah Cemetery. It also tithes all its income for the Chaplain's use in Mission work.

The Men's Thank Offering Committee gave, last year, a smoker, attended by eighty-five men, at which addresses were made by Mr. George W. Pepper and Mr. Morris Earle. They also arranged a special lantern service in the Chapel, in the interests of the M. T. O. movement, which was conducted by the Vicar. A muster roll of the men of the Mission has been made of one hundred and twenty-five names, and hung in the vestibule. $50.00 has already been raised and sent in to the Parish Treasurer of the M. T. O. Fund.

The subscription to the Library is $1.00 a year. It is, however, free to Mission people who are regular supporters of the Chapel.

The Library hours are:

Wednesdays	10.00 to 12.00	M.
Wednesdays	7.45 to 9.45	P. M.
Thursdays	3.00 to 5.00	P. M.
Thursdays	7.45 to 9.45	P. M.
Saturdays	7.45 to 9.45	P. M.

The past year has shown a marked increase in the use of the Library, both by contributors to the Chapel and by subscribers to the Library. In addition to its splendid assortment of books, there is an excellent supply of periodicals and magazines; and the Library, being entirely separated from the various Guild rooms of the Mission, affords a quiet and comfortable reading place. This has been taken advantage of and used by a greater number of persons than ever before, particularly by boys and young men.

This Guild, the oldest of the Guilds founded at S. Michael's, is for working girls. From the ages of twelve to sixteen, girls are in the Junior Department; over that age they are placed with the Senior Guild Mistress. This Guild is divided into the four wards of S. Gabriel (highest), S. Raphael, S. Uriel, and Guardian Angels, each ward having its own spiritual and devotional rule and a distinctive veil. This Guild meets weekly in many different classes, and attends in a body the Wednesday night service.

Meets every Friday, from All Saints to Whitsuntide, and monthly, from May 1st to November 1st.

The objects of the Mothers' Union are:

1. To uphold the sanctity of marriage.
2. To awaken in mothers a sense of their great responsibility in the training of their children.
3. To organize a band of mothers who will unite in prayer, and seek by their own examples to lead their families in holiness and purity of life. The Annual Festival is Lady Day, when the mothers attend in a body, with their children, the Choral Celebration at the Chapel.

S. ANNE'S WARD

Founded 1895

S. Anne's Ward is part of the Mothers' Union. Its members keep a stricter rule and wear a distinctive badge and veil. It has 18 members, all of whom are members of the Mothers' Union, and join with them in devotional service and business meetings.

The Summer Fund

This Fund is intended to supplement the Rector's Fund from the Communion alms, etc., during the summer months, when, owing to the absence from the city of most of the parishioners, the offertories are very small, while the demands upon the Fund are even greater than in the winter. A part of the money is used for excursions in hot weather for many of the deserving poor children of the Parish.

NOTE

The names and addresses of persons wishing to be attached to the Parish, and of strangers attending S. Mark's, who may desire to be called upon, should be sent to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. W. F. H. Reed, 1601 Chestnut Street.

PREFACE

WE have passed through a year of exceptional difficulty —a period of unrest in the Church and of great financial depression in the world. It is therefore with deep thankfulness that I record that neither of these has adversely affected S. Mark's. We have had better congregations than usual throughout the year, and especially in Lent, while our income has been some $10,000 larger than ever before in the history of the Parish. Last year we had paid over to the Jubilee Endowment Fund from legacies $67,598.18, and apart from this our income from the contributions of parishioners was $65,194.92. This year we have received from the Estate of Miss Emilie D. Wagner $7,500.00 for Endowment and $1,500.00 for the Sisters' House, leaving an income from other sources of $74,326.53, or about $10,000.00 more than last year, which was showed the largest income which we had ever had.

We must not expect to keep this up, since in both these years there were special demands generously met. On the Church floor some $16 000.00 was expended, on the Bishop Nicholson Memorial $3,328.00, while the Men's Thankoffering from S. Mark's amounted to $12,326.00. As these three items alone account for over $30.000 00, and as such appeals are not likely to come again, we need feel no anxiety, if our income next year is somewhat less.

We may, I am sure, congratulate ourselves on the great improvements in the Church. The new floor has not only removed a source of danger from fire, but it has greatly added to the beauty of the fabric. The stone floor of the nave, together with the lowering of the pews, has given an appearance of greater size to the Church, while the pave-

ment of the chancel constructed of Numidian, Grecian, Italian, and native marbles, and its wainscot of Indiana limestone, renders the Sanctuary one of the most beautiful in our country. The whole restoration of the Chancel was given in memory of Mr. Sutherland M. Prevost.

The seven silver lamps in the Sanctuary are copies of those in the Church of the Holy Sepulchre in Jerusalem, and are in memory of Mrs. R. B. Sterling, while the magnificently carved oak door leading into the cloister was given in memory of Mr. George Tucker Bispham, for twenty-two years a vestryman of the Parish, and the door from the Sacristy into the Chancel is in memory of Mr. Minton Pyne, for twenty-four years our Organist. It was the doorway through which he always passed to the organ, and therefore seems a peculiarly fitting memorial.

No improvement, however, has been greater than the removal of the Chancel-screen, and the replacing it by the beautiful Rood-beam in memory of Bishop Nicholson, for nearly twelve years Rector of S. Mark's The four figures around the Cross are S. Mary and S. John, S. Mark and S. Barnabas. The two latter were added to give symmetry to the work. Indeed, the designing of the beam was a difficu't task on account of the lowness of the Chancel arch, but I think that most people will agree that the proportions a-e wonderfully harmonious, and I have heard many say that the Rood grows upon one every time it is seen. This change has the effect of deepening the appearance of the Chancel and enabling worshippers to see the altar and the Officiants at the Holy Eucharist far better than before.

If we turn from the Church to the Missions, we have abundant cause for thankfulness. Both are steadily growing and bringing blessings into many homes and lives.

In common with the other Churches in our neighborhood, S. Mark's needs a larger endowment. Our people are mov-

ing away into the country, and business is creeping up around us, and it will not be many years before we shall have to depend chiefly on endowments, if the services at S. Mark's are to be kept up on their present scale.

I cannot, therefore, too strongly urge on those who love S. Mark's to provide in their wills for its maintenance. As I said last year, no use of goods entrusted to us can be more fitting than to make provision for the support of God's House and its services after we have passed into His presence. If every one who is able to do so would leave at least a small legacy for this purpose to the Jubilee Endowment Fund, the future of S. Mark's would be secured, and a reward stored up by the donor in the treasury of Heaven. What a joy to know that we have provided that, after we have passed away from earth, God's praises shall be sung in the Church we loved so well, while our lips are singing those praises in heaven itself. A form for such bequest will be found on the outside cover of the Year Book.

FIFTY-EIGHTH ANNUAL REPORT.

The past year of S. Mark's Parish School has been a very active one. The number of pupils enrolled is large, and the system of education, carried on by the faithful and efficient teachers, is thoroughly practical, which combined with the spiritual instruction given, prepares these children for their future duties in life in a manner which a public school cannot do.

A teacher in cooking, from the Drexel Institute, has very kindly given her services to the school, gratuitously, and the cooking class is an important feature. The establishment of a hot luncheon for those pupils who live at a distance from the school has proved very valuable, and facilitates their attendance at both sessions. The withdrawal of the Sisters of S. Margaret from the work of the school necessitated the engagement of a salaried head teacher, which increases the expenses of maintenance very much. The interest and pecuniary aid of all in S. Mark's Parish is earnestly desired in order that this excellent work may be supported.

The experiment of providing a hot lunch at noon for the children living at a distance has been an entire success. From fifteen to thirty children have availed themselves of the opportunity, and the parents have expressed much gratitude for the provision made for them. None of these children would have been able to attend a school regularly if they had been obliged to take the long walk four times a day. The expense has been met in part by the children's own weekly payments of five cents apiece, but principally by generous donations from members of the Board and other ladies, and from provision dealers in the neighborhood. The actual outlay has averaged one cent a day for each child.

The Sisters and teachers are always very glad to have visitors at the school at any time.

S. Mark's Branch of the Woman's Auxiliary to the Board of Missions in the Diocese of Pennsylvania

---

The Auxiliary has held regular meetings on the first Thursday of each month beginning with November. The meeting of April 2nd, however, was omitted owing to the Diocesan Auxiliary being in session on that date. The average attendance has been 23. The present membership is 74. Of this number 19 are serving on the Foreign Committee, 18 on the Domestic Committee, 11 on the Colored Committee, and 8 on the Indian Hope Committee.

A corporate Communion has been made each month by the Auxiliary on the morning of the monthly meeting.

On February 6th Bishop Horner addressed the Auxiliary on his work among the white mountaineers of North Carolina, and on March 5th the Rev. Jules L. Prevost told of his work in Alaska.

Sister Emily Margaret conducted most successfully a third Mission Study Class of thirteen members, on the seven Monday afternoons from February 24th to April 6th, inclusive. The subject of the course this year was China, and there was the same interest and faithful work on the part of both leader and members as heretofore.

THIRTY-FIFTH ANNUAL REPORT.

The Thirty-fifth year of S. Mark's Hospital Aid Association has now closed and the Managers have to report the usual work of sending money during the summer months to the House of S. Michael and All Angels that the little coloured cripples may have ice cream and outings in the hot weather.

Dinners at Thanksgiving and Christmas were also supplied, and treats on Washington and Lincoln's birthdays.

THIRTY-NINTH ANNUAL REPORT

This thirty-ninth report of the Employment Society shows the society to be in a very good condition, having had a successful winter in giving work to a large number of very needy women connected with our Missions. We are very glad to have been able to help the Maternity Ward of the University of Pennsylvania, the Children's Hospital, the Sheltering Arms and the Children's Aid Society, by doing large quantities of sewing for them, thus making the work of the Employment Society co-operative. Through the great kindness of a friend we were able to keep up the work longer than usual, which was much appreciated by the women.

EMILY B. TAYLOR,
Second Directress.

This Guild, the oldest of the Guilds founded at S. Michael's, is for working girls. From the ages of twelve to sixteen, girls are in the Junior Department; over that age they are placed with the Senior Guild Mistress. This Guild is divided into the four wards of S. Gabriel (highest), S. Raphael, S. Uriel, and Guardian Angels, each ward having its own spiritual and devotional rule and a distinctive veil. This Guild meets weekly in many different classes, and attends in a body the Wednesday night service.

Number of Members, 60. Number of Children, 60

Meets every Friday, from All Saints to Whitsuntide, and monthly, from May 1st to November 1st.

The objects of the Mothers' Union are:

1. To uphold the sanctity of marriage.

2. To awaken in mothers a sense of their great responsibility in the training of their children

3. To organize a band of mothers who will unite in prayer, and seek by their own examples to lead their families in holiness and purity of life. The Annual Festival is Lady Day, when the mothers attend in a body, with their children, the Choral Celebration at the Chapel.

S. Anne's Ward is part of the Mothers' Union. Its members keep a stricter rule and wear a distinctive badge and veil. It has 18 members, all of whom are members of the Mothers' Union, and join with them in devotional service and business meetings.

The Mothers' Union sent two Missionary boxes valued at $25.00 and also made a number of cassocks and cottas for choir and servers.

THE MOTHERS' MEETING

In Charge, SISTER ANNETTE

The Mothers' Meeting has suffered a great loss this year in the withdrawal from active work of the ladies who have conducted it so long, Mrs. Zantzinger and Miss Campbell. They have continued their interest in the meetings, however, and their presence at the annual Epiphany party, provided by them as heretofore, added much to the women's pleasure

A few new members have been received and several of the older ones have dropped out on account of increasing age and infirmity. The present number on the roll is 40, and the attendance has been fairly good. During Lent they have been making children's clothing for a Missionary box. Two or three evenings have been profitably spent in listening to an informal talk on domestic hygiene by a trained nurse.

The subscription to the library is $1.00 a year. It is, however, free to Mission people who are regular supporters of the Chapel.

The Library hours are:

Wednesdays	10.00 to 12.00	M.
Wednesdays	7.45 to 9.45	P. M.
Thursdays	3.00 to 5.00	P. M.
Thursdays	7.45 to 9.45	P. M.
Saturdays	7.45 to 9.45	P. M.

There has been the same interest manifested in the Library as heretofore, while there has been a marked increase in the use of the magazines and periodicals by the Mission people, especially by the boys and men. Quite a number of juvenile books have been added during the past year, and it is hoped that through them the children of the Parish School may become interested in the Library.

This Society was founded last January for the purpose of interesting each member of the Parish in the work of the Parochial Missions of S. Michael's and S. Mary's, and to take from the Rector some of the burden of raising funds for their support.

The Summer Fund

This Fund is intended to supplement the Rector's Fund from the Communion alms, etc., during the summer months, when, owing to the absence from the city of most of the parishioners, the offertories are very small, while the demands upon the Fund are even greater than in the winter. A part of the money is used for excursions in hot weather for many of the deserving poor children of the Parish.

NOTE

The names and addresses of persons wishing to be attached to the Parish, and of strangers attending S. Mark's, who may desire to be called upon, should be sent to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. W. F. H. Reed, 1601 Chestnut Street.

PREFACE

IN the last two years we have had to acknowledge legacies towards the endowment of the Parish from the estates of devoted parishioners who have passed to their rest. This year we have to call attention for the first time to two gifts towards our endowment from those who are still living and who, I trust, may be spared many years to work and worship among us. The first is a gift of $5,000 to the Jubilee Endowment Fund from Mrs. Caroline Taitt, which will bring the income of this Fund well above $4,000 a year. The second is from an anonymous friend, not a parishioner of S. Mark's, who has placed in my hands $5,000 to be invested and the income used each year, at the discretion of the Rector, in the work of S. Michael's Mission in memory of the late Rev. Horace Bard Evans, who worked there so earnestly. This Fund is to be known as the "Horace Bard Evans Memorial" and will be so entered among the investments of the Parish.

As the example of the first *legacy* to the Jubilee Endowment Fund was followed by others, I trust that these examples of *gifts* available during the lifetime of the donors may also bear similar fruit. There can be little doubt that in a few years the parishes in this neighborhood will have to depend for their support largely upon endowments. The encroachments of business on the one hand and the attractions of country life on the other, are rapidly denuding our neighborhood of its residents. So far the generosity of our people has kept our income up to and above the standard of past years but in the nature of things this can-

not long continue and those who love S. Mark's must help to provide for its permanent support.

We have had during the past winter sorrows and anxieties of a character from which we have hitherto been free. The Rev. N. D. VanSyckel, who had been for thirteen years in charge of S. Michael's Mission, and whose faithful work had been so largely instrumental in its success, was taken ill at All Saints, and though he took a rest and holiday until Christmas, and came back apparently much better, he broke down again and was obliged, by his doctor's advice, to give up the work he loved so well and to take a long holiday. We were most fortunate at the time in having on our staff the Rev. Horace B. Evans, who at once threw himself with all his energy into the work and won the love of the people of S. Michael's, but in the early part of March he was attacked by grippe, which later developed into pneumonia with heart complications and on March 28th he passed to his reward. I have never known any Priest who in so short a time won the affection and respect of all who knew him. His death was not only a great loss to the work at S. Michael's; it was a deep personal sorrow to all the clergy and many of the parishioners of S. Mark's. By the wisely applied generosity of one who knew him well the work he was doing when he died will be helped year by year as the income of a memorial endowment is spent on the needs of S. Michael's.

After waiting a long time, for it was five years in making, the silver altar was placed in the Lady Chapel and used for the first time on Christmas Eve. I do not need to describe it as you all have seen it. It is without doubt the greatest work of ecclesiastical art in this country and probably the finest example of a silver altar made since the XV century, when the famous silver altar at Florence was produced by

Pallajuolo and his friends. The exquisite alabaster altar which it displaced has been put at the head of the north aisle and not only adds to the beauty of the Church, but is found of great utility.

At the suggestion of some parishioners a full statement of the finances of the parish has been prepared by the accounting Warden, so that everyone can see exactly what monies have been received and how they have been expended. This statement precedes the usual summary of receipts.

I am thankful to be able to say that spiritually the year has been a good one for S. Mark's with an increased attendance at the week-day celebrations and Sunday morning congregations, and the two days of Intercession in Advent and Lent were extremely well attended.

FIFTY-NINTH ANNUAL REPORT.

Throughout the past year the record of S. Mark's Parish School testifies to its continued usefulness and benefit to the pupils and their families.

The attendance has been large, and under the guidance of the faithful and efficient teachers, the progress of the pupils, both in the elementary branches of education, and in domestic work, has been most satisfactory. The classes are graded as nearly as possible with those of the public schools. In the "Lincoln Centenary Competition" for the prize composition, one of the girls of S. Mark's School won a medal. The children also have the advantage of religious instruction and church teaching from the Priest-in-charge of S. Michael's Chapel, adjoining the school house.

This year there has been a very successful Sewing Class, and the girls have made a large number of garments for themselves. The Drexel Institute has very kindly given our school an especially good teacher in Cooking. The Class has been an important feature, particularly the bread making, the girls being allowed to take to their homes what they have made. One girl had baken more than one hundred loaves for her mother.

The boys have had classes in basket weaving and black and white wash drawing, also water colours, which have been of much interest to them.

It is earnestly hoped this excellent work may enlist the sympathy and financial aid of all in the Parish, in order that the school may be maintained.

THE LADIES' MISSIONARY AID SOCIETY.

The Missionary Aid Society of S. Mark's Church presents the following report:

To enable us to send a box out West before Christmas, and as the subscriptions do not come in until January, we kept out a balance to send the first box off on November 20, 1908, and it arrived in time for Christmas. This year we shall do the same. The subscriptions have fallen off each year a little, and to enable the society to do good work, more money is requested.

S. Mark's Branch of the Woman's Auxiliary to the Board of Missions in the Diocese of Pennsylvania

---

The meetings of the Auxiliary are held regularly on the first Thursday of each month from November to May, inclusive. The membership now numbers 79; there have been two resignations, and seven new names added during the year; 19 members are working on the Foreign Committee, 19 on the Domestic Committee, 10 on the Coloured Committee, and 8 on the Indian Hope Committee. The average attendance has been 25.

A corporate Communion has been made each month, with a special intention, either on a Saint's day immediately preceding the day of the monthly meeting, or on the morning of the day itself.

Four unusually interesting addresses have been given during the winter. On January 9th Fr. Hughson, S.H.C., gave an account of his work at Sewanee; February 4th Mr. Pepper told of the urgent need of new buildings for the use of the Priory School, Honolulu; March 4th Miss Sabine, formerly a Missionary in Alaska, told of the work being done at Fairbanks and on the Tanana River; and on April 1st the Rev. Mr. McDuffey, of St. Augustine's Mission, in this city, made an earnest appeal on behalf of the Rev. Mr. Allston and his work at Charlotte, N. C.

A new opportunity has come to us; we have undertaken to help support one of our own members in the mission field. Miss Gates, for some time a parishioner of S. Mark's, has offered herself for work at Wuchang, China; it seemed, therefore, most fitting that this Auxiliary should assume some responsibility for her salary, and it is hoped that every one will have a desire to contribute to this fund. It also gives us a special and personal interest in one who has given herself to the work of the Master in a foreign land.

FORTIETH ANNUAL REPORT

The Employment Society has this year provided work during the winter months for 40 poor women of the parish. A large number of articles, 2,130, have been made, many of these having been made up free of charge for various charitable institutions in the city. The Society has met with a loss in the death of Miss Elliott, for many years a faithful and interested worker R. I. P.

This Guild, the oldest of the Guilds founded at S. Michael's, is for working girls. From the ages of twelve to sixteen, girls are in the Junior Department; over that age they are placed with the Senior Guild Mistress. This Guild is divided into the four wards of S. Gabriel (highest), S. Raphael, S. Uriel, and Guardian Angels, each ward having its own spiritual and devotional rule and a distinctive veil. This Guild meets weekly in many different classes, and attends in a body the Wednesday night service.

Number of Members, 65.

Meets every Friday, from All Saints to Whitsuntide, and monthly, from May 1st to November 1st.

The objects of the Mothers' Union are:

1. To uphold the sanctity of marriage.
2. To awaken in mothers a sense of their great responsibility in the training of their children.
3. To organize a band of mothers who will unite in prayer, and seek by their own examples to lead their families in holiness and purity of life. The Annual Festival is Lady Day, when the mothers attend in a body, with their children, the Choral Celebration at the Chapel.

S. Anne's Ward is part of the Mothers' Union. Its members keep a stricter rule and wear a distinctive badge and veil. It has 18 members, all of whom are members of the Mothers' Union, and join with them in devotional service and business meetings.

MOTHERS' MEETING.

In Charge
SISTER FERNANDA MARGARET

The Mothers' Meeting counts at present 40 members. The average attendance has been very good, and the mothers have shown very much interest in it. They

have always been ready to help with their work whenever it was needed, and during Lent they have been making children's dresses and other garments for a missionary box.

The Epiphany party was much enjoyed, and the presence of Mrs. Zantzinger and Miss Campbell, who, as usual, provided it, added a great deal to their pleasure.

S. Mark's League of Intercession

President: The Rector.

Committee in Charge:
Mrs. Horace Brock, *Chairman.*
Miss Catharine D. Belt, *Secretary.*
Mrs. J. Gardner Cassatt, *Treasurer.*

Membership: 55.

Object

The object of the League is to pray:
For the whole Church: Greek, Roman and Anglican.
For Unity.
For the Anglican Communion, its Bishops and other Clergy.
For the Church in England and in the English colonies.
For the Church in our own land, and all its Missions.
For our own Diocese, its Bishops and other clergy.
For our own Parish, its Missions, Rector and clergy.
For the conversion of the world through the instrumentality of the Church.

Rule

To spend fifteen minutes a week in prayer for these objects. This need not necessarily be all at one time, but may be divided into periods.

The members of the League are also asked, as far as they are able, to take part in the continual intercessions made in the Church on the Rogation and Ember Days and during Holy Week.

It is understood that intercessions should include acts of penitence and and contrition for the sins of the Church, and thanksgiving for many mercies and blessings vouchsafed to her and through her to her members.

Membership.

Communicants of the Church may become members by giving their names to the Rector or some member of the Committee, and agreeing to keep the rule. As the object is not parochial, the membership is not confined to S. Mark's parish.

Meetings.

Meetings will be held in S. Mark's Guild Room at 4 P. M., on the fourth Monday of every month, at which time matters of general interest in the Church will be brought to the attention of the League, and discussed. Women who are not members of the League, will be welcome at all meetings.

At the close of the meeting the League will make its corporate intercession for the Church.

It is hoped that members of the League will, as far as possible, make their corporate Communion every month with the Woman's Auxiliary, as the object of this Eucharist is always intercession for some part of the Church work. Notices of the corporate Communion will be sent by the Secretary of the League to those who are not members of the Auxiliary.

There are no dues, but an offering to pay incidental expenses will be made at every meeting.

There are also no by-laws, as the Committee in charge is appointed every year by the Rector, and the League is under his direction.

Report of the League for the Year Ending May, 1909

The League was organized in May, 1908, with but one officer—a Secretary. The scope of the work having been enlarged this winter, the need of other officers was felt. The Rector, therefore, appointed a committee of three, one of whom was the original Secretary of the League.

Three meetings have been held during the year, at which the attendance was large, and much interest manifested. Watch was kept in the Church on the Rogation and Ember Days, during Holy Week, and on the Parochial and Diocesan Days of Intercession.

It is hoped that the League will continue to grow, and that its power may be felt in the life and work of the Parish as well as throughout the Church.

Chairman.

This Society was founded last January for the purpose of interesting each member of the Parish in the work of the Parochial Missions of S. Michael's and S. Mary's, and to take from the Rector some of the burden of raising funds for their support.

The Summer Fund

This Fund is intended to supplement the Rector's Fund from the Communion alms, etc., during the summer months, when, owing to the absence from the city of most of the parishioners, the offertories are very small, while the demands upon the Fund are even greater than in the winter. A part of the money is used for excursions in hot weather for many of the deserving poor children of the Parish.

PHILADELPHIA

S. MARK'S DAY

1910

NOTE

The names and addresses of persons wishing to be attached to the Parish, and of strangers attending S. Mark's, who may desire to be called upon, should be sent to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. W. F. H. Reed, 1601 Chestnut Street.

PREFACE

THE year that has passed has been of a somewhat uneventful character in our parish life, though it has been in many ways a prosperous year.

The principal subject occupying our attention has been the pressing needs of the Church's Missions. This has been forced upon the notice of the diocese by the death of a layman, who not only gave unsparingly of his time and thought and strength to the mission cause, but gave so largely of his money that, while the diocese was congratulating itself on the excellent showing it made among the dioceses of this Church, it was found to be the contributions of Mr. George C. Thomas which to a large extent brought about this result.

It became therefore necessary, in order to reach even its ordinary appropriations as a diocese, to introduce some systematic plan for raising the amount needed for missions.

At a meeting held at the Bishop's house last June to consider this question, I proposed that a weekly offering for missions be collected in each parish by a number of stewards, who would thus bring individual interest to bear upon the work. This proposition met with no support at the meeting, but later a committee reported a modification of it as the best means of meeting the difficulty.

Before the recommendation of this committee was made public, the plan had been introduced in S. Mark's parish, and though it is too early to measure accu-

rately its results, the Rector hopes that it will nearly double the amount ever before given by the parish for missions.

At the same time an attempt was made to extend the envelope system for current expenses, and a very large number of new subscribers were obtained, so that it seems probable that next year will witness a revival of interest in the needs of the parish as well as of missions.

There have been added this year to the adornments of the Church a very handsome pair of carved oak doors for the western entrance. The old doors needed replacement badly, as since, in conformity with a city ordinance, they were made to open outward, they have warped badly, and could only be opened and closed with difficulty. The new doors are a memorial to Mr. William C. Atwood, for many years a member of S. Mark's, and at one time the Superintendent of the Sunday School. The doors are richly panelled, and the jambs composed of niches with saints, one above the other. On the inside, the tympanum of the door contains our Lord's Baptism carved in high relief; on the outside, the Crucifixion, with S. Mary and S. John, and the city of Jerusalem in the background. The doors were designed by Mr. Henry Vaughan, of Boston, and executed by Messrs. Irving and Casson, of the same place.

SIXTIETH ANNUAL REPORT.

During the past year the number of children attending S. Mark's Parish School, has been large, and the work accomplished of an excellent character.

There is a good system of elementary education, and also instruction of a very practical nature, cooking and sewing for the girls, and weaving and hammock making for the boys. This year the cooking class has done especially well.

The pupils attend the services in S. Michael's Chapel, adjoining the School House, they are catechised and receiving religious teaching from the Priest-in-charge.

The School has the great advantages of the professional services of Dr. William Drayton, which he has given most kindly and gratuitously, aiding the children by his attention to their general health and cleanliness, and also in the matter of vaccination.

S. Mark's Parish of the Woman's Auxiliary of the Board of Missions in the Diocese of Pennsylvania

From November to May (inclusive) the Woman's Auxiliary meets on the first Thursday of the month, in the Parish House, at 3.45 P. M. There are 85 members on the roll, making an increase of 6 during the year.

A corporate Communion has been made each month with a large attendance showing the deep spiritual interest taken in Missionary work.

The addresses given this year have been helpful and interesting; in December Dr. Correll, of Japan, gave an account of the work he hoped to accomplish at Tsu; in January Fr. Hughson, O.H.C., helped us to realize some of the needs of the Mountaineers in Tennessee; in February the Rev. Hugh Burleson told of the Indians in Northern California among whom no Church work of any kind has ever been done.

The amount of work done by individual members is most encouraging, but even so the work and interest would be vastly increased were the members in larger numbers to attend the monthly meetings held at the Church House, when much information is gained and inspiration received from the knowledge of the Church work being done in every department.

Two letters have been received from Miss Alice Gates, our special worker in the foreign field. She is working among the children at St. Mary's Industrial School, Wuchang, China, and writes enthusiastically of the opportunities, looking forward to the time when her probationary period of study will be over and she will have learned enough of the language to really help in the uplift.

She writes, "I will send another letter to the Auxiliary at St. Mark's, it is at present all I can do to thank them for helping me to come here. I hope all will remember Wuchang and me in their prayers."

FORTY-FIRST ANNUAL REPORT

S. Mark's Employment Society gives work during the winter to a number of poor women belonging to S. Michael's and S. Mary's Missions.

Much of the sewing is done free of charge for the Children's Aid Society, the Children's Hospital and various Day Nurseries.

Subscriptions are earnestly solicited for this co-operative charity.

E. A. Reath,
First Directress.

This Guild, the oldest of the Guilds founded at S. Michael's, is for working girls. From the ages of twelve to sixteen, girls are in the Junior Department; over that age they are placed with the Senior Guild Mistress. This Guild is divided into the four wards of S. Gabriel (highest), S. Raphael, S. Uriel, and Guardian Angels, each ward having its own spiritual and devotional rule and a distinctive veil. This Guild meets weekly in many different classes, and attends in a body the Wednesday night service.

Meets every Friday, from All Saints to Whitsuntide, and monthly, from May 1st to November 1st.

The objects of the Mothers' Union are:

1. To uphold the sanctity of marriage.
2. To awaken in mothers a sense of their great responsibility in the training of their children.
3. To organize a band of mothers who will unite in prayer, and seek by their own examples to lead their families in holiness and purity of life. The Annual Festival is Lady Day, when the mothers attend in a body, with their children, the Choral Celebration at the Chapel.

S. Anne's Ward is part of the Mothers' Union. Its members keep a stricter rule and wear a distinctive badge and veil. It has 18 members, all of whom are members of the Mothers' Union, and join with them in devotional service and business meetings.

MOTHERS' MEETING.

In Charge

SISTER FERNANDA MARGARET

The Mothers' Meeting has at present about 40 members. There has been fair attendance, and good interest shown in the work during the winter. Their chief work has been the preparation of a box, filled with many useful articles of clothing, which was sent to S. Mary's-on-the-Mountains, Sewanee. The annual outing at Atlantic City and the Epiphany party were very happy occasions much enjoyed by all the members.

S. Mark's League of Intercession

President: The Rector.

Committee in Charge:

Mrs. Horace Brock, *Chairman.*
Miss Jessie R. Little, *Secretary.*
Mrs. J. Gardner Cassatt, *Treasurer.*

Membership: 69.

Object

The object of the League is to pray:

For the whole Church: Greek, Roman and Anglican.
For Unity.
For the Anglican Communion, its Bishops and other Clergy.
For the Church in England and in the English colonies.
For the Church in our own land, and all its Missions.
For our own Diocese, its Bishops and other clergy.
For our own Parish, its Missions, Rector and clergy.
For the conversion of the world through the instrumentality of the Church.

Rule

To spend fifteen minutes a week in prayer for these objects. This need not necessarily be all at one time, but may be divided into periods.

The members of the League are also asked, as far as they are able, to take part in the continuous intercessions made in the Church on the Rogation and Ember Days and during Holy Week.

It is understood that intercessions should include acts of penitence and contrition for the sins of the Church,

and thanksgiving for many mercies and blessings vouchsafed to her and through her to her members.

Membership

Communicants of the Church may become members by giving their names to the Rector or some member of the Committee, and agreeing to keep the rule. As the object is not parochial, the membership is not confined to S. Mark's parish.

Report of the League for the Year Ending March, 1910.

The present membership of the League of Intercession is sixty-nine. Miss Catharine D. Belt, the Secretary, having resigned owing to absence from the city, Miss Jessie R. Little was appointed in her place.

For various reasons it was impossible to hold any meetings of the League during the year, but the Rule has been kept by the members, and continuous intercessions have been offered in the Church on the Rogation and Ember Days, on the Parochial and Diocesan Days of Intercession, and during Holy Week.

Chairman.

The Summer Fund

This Fund in intended to supplement the Rector's Fund from the Communion Alms during the summer months, when, owing to the absence from the city of most of the parishioners the offerings are very small, while the demands upon the Fund are even greater than in the winter. A part of the money is used for excursions in hot weather for many of the deserving poor children of the Parish.

SEVERAL DEPARTMENTS

OF

CHURCH WORK

DONE WITHIN

Saint Mark's Parish

PHILADELPHIA

S. MARK'S DAY

1911

NOTE

The names and addresses of persons wishing to be attached to the Parish, and of strangers attending S. Mark's, who may desire to be called upon, should be sent to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. W. F. H. Reed, 1601 Chestnut Street.

PREFACE

ONCE again it is my duty to report on a year's work in our parish. The first thing I would notice with thankfulness in the past year is the large increase in attendance at the services, especially at eleven o'clock. Some five years ago, owing to an unusual number of deaths in the parish and to many persons moving away to live in the country, our numbers were sadly depleted. Now, however, I think the church attendance is better than at any time in the twenty years that I have known it; and this is the more gratifying since the exodus to the country still continues, and many parishes are complaining of loss of interest and diminished numbers. Certainly this has not been our experience.

Then, next, we must be thankful for the greater interest in the Missionary work of the Church at large, which has been manifested amongst ourselves and elsewhere. The amount contributed by us to Missions is more than three times what it has been for the past ten years. Only, I must add a word of warning that in some cases it has been at the sacrifice of our own parochial obligations. We have Missions in our own parish to support, and it would be most deplorable if any one should take from their subscriptions to these to give to Domestic and Foreign Missions; for such action, besides crippling our own work, would be sure ultimately to injure the claims of the general Missions of the Church. I am sure that we do not give too much to either cause, and all that is needed is a little

thought and the recognition that all we have comes from God, and that we should not only give what we can spare, but joyfully give what will cost us some sacrifice, to the carrying on of the work of Christ's Kingdom upon earth. To give only what we can spare is indeed to treat God with dishonour, while to deny ourselves in order to give more liberally is to honour God, and to develop in ourselves a spirit of unselfishness.

I have to thank some dear friends in the parish for their kindly thought and generosity in furnishing the new Parish Parlor and the Secretary's office. It has been so tastefully and beautifully done that it provides not only rooms for parochial meetings but an example of parochial interest and liberality.

Soon we shall be scattering once more for the summer. May God have us all in His keeping during these months of holiday, and may we all meet again in the fall for another good year's work.

SIXTY-FIRST ANNUAL REPORT.

The work of S. Mark's Parish School throughout the last year has been one of much usefulness. The number of pupils has been large, and the system of education in the elementary branches and also in domestic work most thorough and practical. The classes are graded in accordance with those of the public schools. The substantial lunches given daily to the children have been of great benefit to them; and the girls of the cooking class have frequently served meals which show the good results of their training. The pupils attend the daily services in S. Michael's Chapel, adjoining the School House, and they have the advantage of religious instruction from the Priest-in-charge.

Dr. William Drayton has been extremely kind in gratuitously giving his professional attention to the School, and in arranging to have specialists treat some of the children.

S. Mark's Branch of the Woman's Auxiliary of the Board of Missions in the Diocese of Pennsylvania

The Auxiliary meets the first Thursday of each month, from November to May (inclusive), at 3.45 P. M., in the Parish House. The present membership is 86. The objects of this society are: 1—Prayer for Missions; 2—Work for Missions; 3—Systematic Giving to Missions; 4—Study of Missions.

In December an address was made by the Rev. Dr. Motoda, Head Master of St. Paul's College, Tokyo, Japan; he told us that the influence of this college is felt over the whole island. In January the Rev. John A. Staunton, Jr., of the Philippines, spoke of his mission station at Sagada, where the industrial work among the Igorots is most encouraging. In March the Rev. Mr. Betticher, of Alaska, gave an account of his newest mission, and told of the work done for and by the Indians living near the Arctic Circle. In April Mrs. Thomas Roberts interested all in a talk on the church schools for colored people in the South, and showed how dependent they are upon our sympathy and alms.

Great enthusiasm and inspiration came from the class for Mission study. Japan was the field covered this year under the able leadership of Sister Cora. Six meetings in all were held at the residence of Mrs. J. Alison Scott.

For the Church in England and in the English colonies.
For the Church in our own land, and all its Missions.
For our own Diocese, its Bishops and other clergy.
For our own Parish, its Missions, Rector and clergy.
For the conversion of the world through the instrumentality of the Church.

Rule

To spend fifteen minutes a week in prayer for these objects. This need not necessarily be all at one time, but may be divided into periods.

The members of the League are also asked, as far as they are able, to take part in the continuous intercessions made in the Church on the Rogation and Ember Days and during Holy Week.

It is understood that intercessions should include acts of penitence and contrition for the sins of the Church, and thanksgiving for many mercies and blessings vouchsafed to her and through her to her members.

Membership

Communicants of the Church may become members by giving their names to the Rector or some member of the Committee, and agreeing to keep the rule. As the object is not parochial, the membership is not confined to S. Mark's parish.

Report of the League for the Year Ending March, 1911

The Parish League of Intercession has continued its work throughout the year, the special days of intercession having been observed as usual.

We have lost one member by death, and one by resignation, and have added four members to the League.

Some of our members are living now in the West and some in the South, and others, through ill health, have not been able to take part in the intercessions in the church; but it is a great happiness to know that they are all keeping the rule and joining with us in our intercessions.

We have very little in regard to our work that can be put in a report, but we may and ought to believe that its influence is being felt in the parish and throughout the Catholic Church.

D. N. C. Brock,
Chairman.

This Guild, the oldest of the Guilds founded at S. Michael's, is for working girls. From the ages of twelve to sixteen, girls are in the Junior Department; over that age they are placed with the Senior Guild Mistress. This Guild is divided into the four wards of S. Gabriel (highest), S. Raphael, S. Uriel, and Guardian Angels, each ward having its own spiritual and devotional rule and a distinctive veil. This Guild meets weekly in many different classes, and attends in a body the Wednesday night service.

Meets every Friday, from All Saints to Whitsuntide, and monthly, from May 1st to November 1st.

The objects of the Mothers' Union are:

1. To uphold the sanctity of marriage.
2. To awaken in mothers a sense of their great responsibility in the training of their children.
3. To organize a band of mothers who will unite in prayer, and seek by their own examples to lead their families in holiness and purity of life. The Annual Festival is Lady Day, when the mothers attend in a body, with their children, the Choral Celebration at the Chapel.

S. Anne's Ward is part of the Mothers' Union. Its members keep a stricter rule and wear a distinctive badge and veil. It has 18 members, all of whom are members of the Mothers' Union, and join with them in devotional service and business meetings.

A Christmas box was sent to S. Mary's on the Mountain, Sewanee, and a package to a poor family.

In Charge
SISTER FERNANDA MARGARET

The Mothers' Meeting has at present about 40 members. There has been fair attendance, and good interest shown in the work during the winter. Their chief work has been the preparation of a box, filled with many useful articles of clothing, which was sent to the Philippines. The annual outing at Atlantic City and the Epiphany party were very happy occasions, much enjoyed by all the members.

The Mission Fund

This is the principal revenue for support:

1. Of the Home for Aged Women.

2. Of the Sisters and their House.

3. Of S. Michael's Mission on Lombard Street.

4. Of S. Mary's Mission for Coloured People, on Bainbridge Street.

5. Of one Priest, whose time is given to the Mission.

It is necessary to raise not less than $4,000 to keep these various works going.

The Summer Fund

This Fund is intended to supplement the Rector's Fund from the Communion Alms during the summer months, when, owing to the absence from the city of most of the parishioners, the offerings are very small, while the demands upon the Fund are even greater than in the winter. A part of the money is used for excursions in hot weather for many of the deserving poor children of the Parish.

OF THE

SEVERAL DEPARTMENTS

OF

CHURCH WORK

DONE WITHIN

Saint Mark's Parish

PHILADELPHIA

S. MARK'S DAY

1912

NOTE

The names and addresses of persons wishing to be attached to the Parish, and of strangers attending S. Mark's, who may desire to be called upon, should be sent to any of the Clergy.

Parishioners should always give prompt information of any change of residence.

Communicants should never leave the Parish without asking for a Letter Commendatory; nor seek admission to it without first presenting the same evidence of transfer from their former parochial home.

Information in regard to the renting of Sittings in the Church can be had through the Sexton. The rentals terminate only on the 1st of October of each year.

Communications for the Vestry should be addressed to the Secretary, Mr. W. F. H. Reed, 1601 Chestnut Street.

PREFACE

WE have to chronicle in this issue the twentieth year of our work together, and if we compare it with the first year, we have certainly much to be thankful for, though I do not propose to dwell on this. The principal events of the year have been the keeping of the twentieth anniversary of my Rectorship, and the great Easter offering.

On Sunday, January 7th, a thanksgiving service was held for my twenty years' ministry in S. Mark's. The Bishop of the Diocese took the eight o'clock Celebration, and I was the Celebrant at the High Celebration at eleven o'clock, the Bishop being present, wearing a cope, and giving the Absolution and Benediction. The day following there was a parish reception, and, for me at least, it was a very happy time.

Shortly after this, however, a serious illness, from which I had been suffering for some months, necessitated my taking a long rest, and I spent two months in North Carolina trying to regain health. In a ministry of forty years I had missed only one Sunday from sickness; so that it was time I should experience what almost all have to endure—ill health. I was greatly cheered during this time by the reports I received every week of the good congregations during Lent, and on my return a great surprise was prepared for me in the Easter offering. As you all know, an attempt was made to raise $25,000 to pay off the debt on S. Michael's Mission buildings and to remodel the Clergy House. I knew nothing whatever of this, but had I

been asked I should have said it was impossible to raise $25,000 in little more than a week. However, when the offertory was counted it was found to have reached $33,000—$8,000 more than was asked for. But there is much in the way of repairs and improvements in the parish buildings and church on which this extra money can be well expended. It is an immense relief to me to feel not only that there is no debt whatever upon our Missions or parish, but that the Clergy House and parish building and church are in such excellent condition. It will be probably many years before any great demand will be made upon us for extensive repairs.

The first Easter I was here the offering was for the building of the Clergy House, and amounted to $249.20. This year the magnificent sum of $33,000 tells the story not of greater wealth among our parishioners, for that I believe is not the case, but of greater love and generosity. Indeed, it was well worth having all the pain and inability to work for a while to learn how deep an affection bound us all together in S. Mark's parish. Great as will be the material results of the raising of this large sum of money in helping forward the work of the parish, I believe that these will be quite surpassed by the sense of unity and mutual love to which it bears witness.

We are entering now on the third decade of our work together. May God bless it and us as abundantly as He has the past two decades, and, if it be His will, may He grant me, in answer to the prayers of many of my dear people, renewed health to work for a few years longer among you.

been asked I should have said it was impossible to raise $25,000 in little more than a week. However, when the offertory was counted it was found to have reached $33,000—$8,000 more than was asked for. But there is much in the way of repairs and improvements in the parish buildings and church on which this extra money can be well expended. It is an immense relief to me to feel not only that there is no debt whatever upon our Missions or parish, but that the Clergy House and parish building and church are in such excellent condition. It will be probably many years before any great demand will be made upon us for extensive repairs.

The first Easter I was here the offering was for the building of the Clergy House, and amounted to $249.20. This year the magnificent sum of $33,000 tells the story not of greater wealth among our parishioners, for that I believe is not the case, but of greater love and generosity. Indeed, it was well worth having all the pain and inability to work for a while to learn how deep an affection bound us all together in S. Mark's parish. Great as will be the material results of the raising of this large sum of money in helping forward the work of the parish, I believe that these will be quite surpassed by the sense of unity and mutual love to which it bears witness.

We are entering now on the third decade of our work together. May God bless it and us as abundantly as He has the past two decades, and, if it be His will, may He grant me, in answer to the prayers of many of my dear people, renewed health to work for a few years longer among you.

ALFRED G. MORTIMER.

The Sunday School meets in the Parish Building at 9.30 A. M. on Sundays, from November to May.

The past year has been one of active work in the Sunday School. Fifty dollars have been given to Father Hughson for his work at Sewanee, Tenn. Fifty dollars were given for Christmas dinners, and gifts for eight poor families connected with the Missions. Fifty dollars were given in the Lenten Mite Boxes for General Missions, and the Sunday School has assumed the responsibility of paying for a scholarship in S. Hilda's School, Wuchang, China, beginning with this year. In addition to this, the Sunday School Missionary Society, which had four missionary services during Lent, contributed $187.00 towards the missionary work of the Rev. H. Hayakawa, Rector of S. John's Church, Osaka, Japan; the Rt. Rev. H. D. Robinson, D.D., Missionary Bishop of Nevada, and the Rt. Rev. Lemuel Henry Wells, D.D., Missionary Bishop of Spokane, Washington, who made addresses at the missionary meetings.

On the third Sunday of each mouth, instead of Sunday School, there has been a Children's Eucharist with an instruction, in the Lady Chapel. The attendance has been most gratifying, and the service has proved an inspiration and has deepened the spiritual tone of the Sunday School.

SIXTY-SECOND ANNUAL REPORT.

The work of S. Mark's Parish School in the last year has been a practical and active one. The classes are graded in accordance with those of the Public Schools, and the children receive good elementary education, as well as religious training. There have also been classes in cooking and sewing for the girls, and in weaving and basket-making for the boys. The substantial hot dinners given every day at the school have been of great service to the children.

S. Mark's Branch of the Woman's Auxiliary of the Board of Missions in the Diocese of Pennsylvania

The Auxiliary meets the first Thursday of each month, from November to May (inclusive). The present membership is eighty-five, with an average attendance of thirty.

A corporate communion has been made each month, the special intention being missions, and the sending forth of an increased number of clergy into the mission-field.

There have been four inspiring addresses made during the winter: In December the Rev. Mr. McGuire, Field Agent of the American Church Institute for Negroes, considered one of the best colored orators in the Church, told of some of the characteristics of his race, and of how the Church was helping them mentally and spiritually; in January the Rev. Mr. Hutchinson, of St. Clement's Church, gave a most helpful talk on the spiritual side of missionary work; in February the Rev. Mayo, of Charlottesville, Va., told of the work being done among the mountaineers; two scholarships were given him for his school; in March Mrs. Thomas Wetmore gave a graphic description of the Industrial School in Arden, N. C., which is doing splendid work among the mountain children; one scholarship and a crucifix were given to her.

S. Mark's League of Intercession

President: THE RECTOR

Committee in Charge:
MRS. HORACE BROCK
MR. J. GARDNER CASSATT
MISS JESSIE R. LITTLE, *Secretary,*
1625 Locust Street

—

OBJECT

The object of the League is to pray:
For the whole Church: Greek, Roman and Anglican.
For the Unity of Christendom.
For the Anglican Communion, its Bishops and Clergy.
For the American Church and its Missions.
For the English Church and its Missions.
For our own Diocese and its Bishops.
For our own Parish, its Missions, Rector and Clergy
For the conversion of the world through the instrumentality of the Church.

RULE.

To spend fifteen minutes a week in prayer for these objects. This need not necessarily be all at one time, but may be divided into periods.

The members of the League are also asked, as far as they are able, to take part in the continual intercessions made in the Church on the special days of intercession.

It is understood that intercession should include acts of penitence and contrition for the sins of the Church, and thanksgiving for many mercies and blessings vouchsafed to her and, through her, to her members.

Membership.

Communicants of the Church may become members by giving their names to the Rector or some member of the Committee, and agreeing to keep the rule. As the object is not parochial, the membership is not confined to S. Mark's parish.

Special Days of Intercession.

The Ember and Rogation Days.

Wednesday and Thursday in Holy Week.

The Day of Intercession for the Parish: The first week in Advent.

The Diocesan Day of Intercession for the Church: the first week in Lent.

S. Mark's Day.

Corporate Communions

"The Eucharist is the Alpha and Omega of prayer. In it prayer reaches its climax, and from it all prayer derives its power and efficacy."

The League makes its Corporate Communion on

The Day of Intercession for the Parish.

The Diocesan Day of Intercession for the Church.

The Parochial Branch of the Woman's Auxiliary have a Corporate Communion every month, with intercessions for Missions. Most of the members of the League are members of the Auxiliary, but those who are not are asked also to join in these intercessions.

The Committee in Charge is appointed by the Rector, and the League is under his direction. There are no dues.

Report of the League for the Year Ending March, 1912.

The League of Intercession has gained twenty new members during the past year. There have been three resignations and one death. The membership at present is eighty-seven. This is encouraging and a cause for thankfulness, and it is hoped during the coming year to bring the membership up to at least one hundred.

It is, of course, desirable that all members should make an effort to take part, as far as possible, in the days of intercession, but this is not obligatory; and, therefore, members living away from the city can keep the rule as well as those near the Church. Indeed, our absent members in Washington, Boston and California are among our most faithful volunteers on the days of intercession, keeping their half hour in the Church of the Parish in which they are at present living.

In addition to the regular intercessions on the Rogation and Ember Days, the days in Holy Week, St. Mark's Day, the day in the first week of Advent (the latter two being days of special intercession for the Parish), and the Diocesan Day in Lent, we had special intercessions the whole of one day during the meeting of the Convention last May, when the Diocese was voting for a Bishop Coadjutor and Bishop Suffragan. The result of this election and the answer to our prayers is indeed a cause for devout thanksgiving, and should, we feel, make more members of our Parish willing to join us in this important work for the Church.

Chairman.

This Guild, the oldest of the Guilds founded at S. Michael's, is for working girls. From the ages of twelve to sixteen, girls are in the Junior Department; over that age they are placed with the Senior Guild Mistress. This Guild is divided into the four wards of S. Gabriel (highest), S. Raphael, S. Uriel, and Guardian Angels, each ward having its own spiritual and devotional rule and a distinctive veil. This Guild meets weekly in many different classes, and attends in a body the Wednesday night service.

MOTHERS' UNION

Founded 1892

Ladies in Charge

MRS. BRINKERHOFF — MRS. LUCAS

MISS DRAYTON

Secretary — MRS. McHENRY

Treasurer — MRS. SIBDALL

Number of Members, 50

Meets every Friday, from All Saints to Whitsuntide, and monthly, from May 1st to November 1st.

The objects of the Mothers' Union are:

1. To unhold the sanctity of marriage.

2. To awaken in mothers a sense of their great responsibility in the training of their children.

3. To organize a band of mothers who will unite in prayer, and seek by their own examples to lead their families in holiness and purity of life. The Annual Festival is Lady Day, when the mothers attend in a body, with their children, the Choral Celebration at the Chapel.

S. Anne's Ward is part of the Mothers' Union. Its members have a stricter rule and wear a distinctive badge and veil. It has 18 members, all of whom are members of the Mothers' Union, and join with them in devotional service and business meetings.

Receipts during the year, $37.20

The Mothers' Union have repaired choir and acolytes vestments, made clothing for the poor and provided a new cassock for the Vicar.

MOTHERS' MEETING

In Charge

SISTER FERNANDA MARGARET

The Mothers' Meeting has at present about 30 members. There has been fair attendance, and good interest shown in the work during the winter. Their chief work has been the preparation of useful and fancy articles which are to be sold for the benefit of Missions to the Indians.

They have had regular readings on missionary topics, in which they have been much interested.

The Summer Fund

This Fund is intended to supplement the Rector's Fund from the Communion Alms during the summer months, when, owing to the absence from the city of most of the parishioners, the offerings are very small, while the demands upon the Fund are even greater than in the winter. A part of the money is used for excursions in hot weather for many of the deserving poor children of the Parish.

YEAR BOOK

OF

Saint Mark's Parish

PHILADELPHIA

PENNSYLVANIA

1914

St. Mark's Church

SAINT MARK'S PARISH was organized June 27, 1847, and the present building completed in 1849.

The Church is a fine specimen of the decorated period of Gothic architecture. The plans were furnished by the Ecclesiological Society, of Cambridge, England, and were carried out with some modifications by the architect, Mr. John Notman. The altar and reredos are of richly carved stone, as are also the pulpit and the choir screen. The gates are of copper gilt. Other notable features of the chancel are the rood beam with its cross and figures, the elaborately carved sanctuary door, and the choir and clergy stalls. All these are memorials. The organ was built by the Austin Organ Company. The side altar is of alabaster and stood originally in the Lady Chapel. The Lady Chapel was erected in 1901 as a memorial of Mrs. Rodman Wanamaker. It contains the famous silver altar and is completely furnished with sacred vessels and vestments of beautiful design and costly workmanship. Other notable works of art are the many stained glass windows and the carved doors on the west and north. The tower is supplied with a full set of sweet toned bells.

Saint Mark's is open throughout the year from 7 A. M. to 5.30 P. M. Except during the summer months, the Lady Chapel is used daily for the early Eucharists. It is also open on Sunday mornings. Visitors desiring to see the chapel at other times may do so by applying to the sexton or at the Clergy House.

PREFACE

NO YEAR BOOK appeared in the spring of 1913, the parish being at that time without a Rector.

In making up the summary of parish work I have made a few changes, which, I hope, will commend themselves to the congregation. The illustrations are from photographs recently taken by Mr. A. S. Haeseler, photographer. It has been thought best, while retaining the list of subscribers to the several parish agencies, to print only the totals of amounts contributed.

I entered upon the Rectorship of Saint Mark's Parish on All Saints' Day, November 1, 1913. A parish reception on the Wednesday following enabled me to meet a goodly number of the people. I have done my best to call on as many as I could, but have not as yet been able to visit all in their homes. I ask your patience. I would suggest here that if any have not been visited and have failed to receive the various communications that have been sent out during the winter, they communicate to me their present address. With the best of care, names are dropped occasionally from parish lists, and I have more than once run across, by accident, St. Mark's people whose names were not on the lists furnished me.

I look back with special pleasure to my institution as Rector by our Right Reverend Bishop, Philip M. Rhinelander, D.D., on January 1st. On this occasion the sermon was preached by Rev. Floyd W. Tomkins, D.D., Rector of Trinity Church, Rittenhouse Square. This evidence of friendliness on the part of the adjacent parish was deeply appreciated, as also the cordial welcome given me by the Rectors and Vicars of other churches of the city. I hope that the relation of Saint Mark's to the other congregations will always be of warm friendship and active co-operation in the work of Christ and His Church.

On November 14th the Diocesan Branch of the Junior Auxiliary held its meeting at St. Mark's, and on January 13th the Women's Auxiliary also held with us one

of its Diocesan meetings. The Day of Intercession, on March 3d, was diocesan in character, and was attended by many outside the parish. I hope during the coming year we may have more meetings of this kind which bring together for mutual help and prayer churchmen and churchwomen from many parishes. Saint Mark's is centrally located for such purposes.

A new Rector has little to say of the past, and perhaps on that account may be borne with in saying much about the future. It is well to plan ahead and set before ourselves a high ideal. God has given us many advantages; wealth, influence, Catholic traditions and ceremonial. These put upon us a large measure of responsibility. To whom much is given, of him shall much be required. We are stewards rather than owners of these good things. The grace we receive from the Sacraments, the inspiration we catch from our beautiful services are spiritual forces which God would have us pass on to others in missionary endeavor and social service. It is with pleasure I note that St. Mark's met her large apportionment for Missions last year, and bids fair to surpass the record during the coming season. And also that we gave as an Easter thank offering a goodly sum for special missionary work.

I hope that during the coming year we may do some distinctly social service work.

Several years ago the Southern Convocation of the Diocese laid out parish bounds for this section of the city. Saint Mark's boundaries are Walnut and Lombard Streets on the north and south, and Broad and Eighteenth Streets on the east and west. The boundaries of Saint Michael's are Pine and Fitzwater, Seventeenth and Twenty-second Streets. Saint Mary's has no boundaries, the colored work not being arranged in this manner. These parish bounds have no legal status, but they have this moral obligation connected with them, the territory within them has been formally assigned to us as our distinctive field. We may not, we have no desire to interfere with, or coax away, or exploit families of other parishes who may happen to reside within these bounds; but we have a special responsibility and mission to the so-called "unchurched" within these limits. That means more than permitting

them to attend our services. It means more than inviting them to come. It means "compelling them to come in that God's house may be full." This involves, more than we are apt to realize, active effort to counteract those forces of evil which, in the poorer sections especially, hold men down. We cannot in religious work limit effort to man's spiritual side only. We have minds and bodies as well as souls. God has joined them together and we may not separate them. Of what use is it to tell people to lead pure and clean lives, if they are living under conditions in which decency, to say nothing of purity and cleanliness, is impossible? Our first efforts in social service must be to survey the field systematically and scientifically. We shall need the help of all, but, most of all, of our hard-headed, practical young business men. It is my earnest hope that the men of the parish generally will be willing to meet and confer together next fall, and work and pray and study to this end. The things that we shall have to do will, many of them, be in their nature secular things, yet, because done in the name of Christ and for His sake, they will nevertheless be distinctively religious work.

May God bless our efforts to promote His glory by the salvation of men's souls.

St. Mark's Branch of the Woman's Auxiliary to the Board of Missions

The Woman's Auxiliary was formed to help in the work of the Board of Missions, the official missionary agent of our Communion.

The Church maintains missionary work in 19 missionary districts and 42 Dioceses in the United States; in Alaska, Africa, Brazil, China, Japan, Cuba, Hawaiian Islands, Mexico, the Philippines, and Porto Rico. Twenty-three bishops and 1,377 missionaries are supported in the home field, and 10 bishops, 232 missionaries in the foreign field, with 1,000 native helpers.

The Church in obeying the command, "Go ye into all the world", is confronting a task which will test its strength to the utmost. We, the women of St. Mark's Branch of the Woman's Auxiliary, as loyal supporters, must aid with our sympathy, our prayers, our gifts, and our labor. To increase our knowledge so that we may pray and give understandingly, we hold seven meetings a year, from November to May, having at these meetings speakers who come from the missionary fields, representing the work among the Indians, the Domestic and Foreign fields, and work among the Colored people.

This year we have had addresses from the Rev. Wm. Cabell Brown, D.D., of Brazil; the Rev. J. W. Foster, of Florida; Archdeacon Stuck, of Alaska; Mrs. Hughson, of Morgantown, N. C.; the Rev. R. S. Nichols, of Haiti; Mrs. North, the new Treasurer for the United Offering in Pennsylvania. Our Rector will make the closing address of the year.

We earnestly desire more members. When we think of our opportunities for service, when we think of our Lord's command to "preach the Gospel to every creature"—the Church's marching orders, the Duke of Wellington said—when we think of the size and resources and influence of St. Mark's Parish we feel sure that the Auxiliary ought to be and could be made much larger. We hope that many who read these words will be led to join us in passing on to others the many blessings we have ourselves received.

Branch No. 1 of the Junior Auxiliary met on Wednesday afternoons from November to May, and during that time made aprons and dresses and provided underclothes and shoes for a little girl at St. Mary's School, Rosebud, South Dakota. In Lent they formed a mission study class, led by Miss Katherine Walsh, and also sent leaders for two other classes (Miss Walsh and Miss Frances Scott) at St. Michael's Chapel, and one class at St. Mary's Chapel, which was led by Miss Plumly. The branch will give this year to Father Wood's work in Ichang, China.

The Junior Auxiliary Branch No. II met in St. Mark's Parish House on Tuesday afternoons, from 4.00 to 5.00 o'clock; first meeting February 3d, ending April 28th. The Juniors seemed to enjoy working for a little Chinese girl, to help educate her, and for a reward of her good behavior dressed a doll. They also raised among themselves $5.25. The doll and money they will send to St. Hilda's School, Hankow. "Chu 'en Shi" was read and talked about while the children worked, and the little play taken from the story is to be acted Christmas.

St. Mark's League of Intercession

President, THE RECTOR

Committee in Charge

MRS. HORACE BROCK
MR. J. GARDNER CASSATT
MISS JESSIE R. LITTLE, *Secretary,*
1625 Locust Street

OBJECT

The object of the League is to pray:
For the whole Church: Greek, Roman and Anglican.
For the Unity of Christendom.
For the Anglican Communion, its Bishops and Clergy.
For the American Church and its Missions.
For the English Church and its Missions.
For our own Diocese and its Bishops.
For our own Parish, its Missions, Rector and Clergy.
For the conversion of the world through the instrumentality of the Church.

RULE

To spend fifteen minutes a week in prayer for these objects. This need not necessarily be all at one time, but may be divided into periods.

The members of the League are also asked, as far as they are able, to take part in the continual intercessions made in the Church on the special days of intercession.

It is understood that intercession should include acts of penitence and contrition for the sins of the Church, and thanksgiving for many mercies and blessings vouchsafed to her and, through her, to her members.

MEMBERSHIP

Communicants of the Church may become members by giving their names to the Rector or some member of the Committee, and agreeing to keep the rule. As the object is not parochial, the membership is not confined to St. Mark's parish.

Special Days of Intercession

The Ember and Rogation Days.

Wednesday and Thursday in Holy Week.

The Day of Intercession for the Parish: The first week in Advent.

The Diocesan Day of Intercession for the Church: the first week in Lent.

St. Mark's Day.

Corporate Communions

"The Eucharist is the Alpha and Omega of prayer. In it prayer reaches its climax, and from it all prayer derives its power and efficacy."

The League makes its Corporate Communion on The Day of Intercession for the Parish.

The Diocesan Day of Intercession for the Church.

The Parochial Branch of the Woman's Auxiliary have a Corporate Communion every month, with intercessions for Missions. Most of the members of the League are members of the Auxiliary, but those who are not are asked also to join in these intercessions.

Report of the Committee in Charge

The League of Intercession goes on its quiet way, year by year, making, we cannot doubt, its influence felt in the work of the parish. Almost all the members have taken part in the regular days of Intercession.

We have lost by death three members, one of them being a charter member, whose presence is greatly missed by all of us. Their work, we are sure, continues with us in greater power.

We have gained no new members, which is sad to report. Are there not some who will come to the help of the Lord in this work?

D. N. C. Brock, *Chairman.*

The Committee in Charge is appointed by the Rector, and the League is under his direction. There are no dues.

ST. MICHAEL'S CHAPEL

St. Michael's Chapel

Early in the 70's Rev. F. D. Canfield, Assistant Minister at St. Mark's, undertook work among the poor in the neighborhood of Seventeenth and Kater Streets. The Rector Rev. Dr. Hoffmann became much interested, and in June 1880, St. Mark's Workingmen's Club was erected, the building being modeled after English plans. In 1892 additional sums were raised for extending the mission work. In 1905 the Kater Street property was sold, and with the help of legacies which became at this time available, St. Mark's purchased the Church of the Mediator, whose congregation had removed. The Church is now renamed in honor of St. Michael. Besides the Church proper, the Parish owns the parish hall and school on the Nineteenth Street side, and Nos. 1911, 1913 and 1917 on Lombard Street. In these are housed the Sisters, the Home for Aged Women, Guilds and Parish School.

The Saint Michael's Total Abstinence Society stands for that reconstruction of character shown by leading a converted life in the practice of the Catholic religion. The Society is especially meant for the group of men

who should not drink intoxicating liquors, and we include wine, cider and drugs. Weekly pledges are taken and buttons bestowed after a given period of sobriety, and recalled when the pledge is broken or attendance irregular.

The work is necessarily of a special character, and religious sympathy, relief and discipline are used in our reconstruction scheme. The Chapel is the spiritual home for all who will use it. As a rule, the men like the definite personal religion as taught at Saint Michael's, and each year, with one exception, we have presented candidates for confirmation. The meetings are held weekly, from fifteen to twenty-five being usually present.

Under the Direction of Mrs. Brinckerhoff and Mrs. Lucas

Secretary, Mrs. McHenry

Treasurer, Mrs. Siddall

Number of Members, 50

Meets every Friday, from All Saints to Whitsuntide, and monthly, from May 1st to November 1st.

The objects of the Mothers' Union are:

1. To uphold the sancity of marriage.

2. To awaken in mothers a sense of their great responsibility in the training of their children.

3. To organize a band of mothers who will unite in prayer, and seek by their own examples to lead their families in holiness and purity of life. The Annual Festival is Lady Day, when the mothers attend in a body, with their children, the Choral Celebration at the Chapel.

During the last year the Union has made children's clothing and sent a Christmas box to Roanoke, N. C.

MOTHERS' MEETING

St. Michael's Cadets were organized December 11, 1913, 15 boys being present. Since then there have been drills every Thursday evening. On January 22, 1914, a formal enlistment was made and 26 boys signed for one year. The boys joined as "awkward" squad, and after taking an examination in the rudiments of drill, they were admitted as regulars and given their suits.

The non-commissioned officers listed above (these being the Corporals and Sergeants) have been picked out to serve until sufficient instruction has been given to enable them to pass examinations for these positions. The average attendance varies from 25 to 35 boys an evening.

St. Mary's Chapel

Special work among the colored people was started by St. Mark's in 1893. Consent being given by the neighboring Churches of Holy Apostles, Mediator, Ascension and Christ Chapel, Nos. 1623 and 1625 Lombard Street were purchased for a Mission House, No. 1627 being soon after added. On the 28th of June, 1896, the cornerstone was laid of the present Church, which occupies a lot 48 by 115 feet on Bainbridge Street, between Eighteenth and Nineteenth Streets. The Church is of Italian architecture, from designs by Hazlehurst and Huckel. The interior is strikingly handsome and contains a number of memorial works of art.

The Budget

The following letters sent out March 1st will explain our financial system:

TO THE PARISHIONERS OF ST. MARK'S, PHILADELPHIA:

The rector and vestry are anxious to inaugurate the policy of keeping all parishioners fully informed respecting parish finances.

Heretofore it has been customary to publish in the Year Book a series of reports of the various parish activities. It was not easy, however, to combine these and so obtain a comprehensive view of the whole situation. Contributions were separately secured for each object, and all parishioners were thus subjected to a number of appeals for subscriptions in the course of the year.

The fiscal year of the parish begins on April 1st.

Hereafter a congregational meeting will be called before the beginning of each fiscal year, and a budget of estimated expenditures for the ensuing year will be placed before the meeting. Attention will be called to the various sources of parochial income, and a calculation will be made of the extent to which the expenditures are likely to exceed fixed income. This deficiency will then be submitted for popular subscription in budget shares of five dollars per annum. Each parishioner will be asked, in addition to his or her envelope pledge, to assume one or more of these budget shares. Unless a preference is indicated by the subscriber, the amount of the subscription will be automatically distributed in fixed proportions among the various parochial activities for which separate appeals used to be made. The result, it is hoped, will be that greater system and certainty will be attained in administering parish finances, and that each parishioner will give in response to one authorized appeal a sum equal to the several amounts for which he has heretofore been separately solicited.

Payment of budget subscriptions may be made in such weekly, monthly, quarterly, semi-annual or other installments as the subscriber may prefer.

The estimated expenditures and receipts for the year beginning April 1, 1914, appear in the following state-

ment. It should be clearly understood that the amount to be raised by subscription to the budget does not represent a deficit, but is merely the aggregate of the sum which the parishioners have been accustomed to contribute to the Mission Fund, the Parish School, Christmas Fund, Summer Fund and other special objects. In other words, it is not proposed to increase the financial demands upon the parishioners, but merely to simplify the method of collecting the sums which they have been accustomed to pay.

THE VESTRY OF ST. MARK'S.

ST. MARK'S CHURCH
Lent, 1914.

TO THE PARISHIONERS OF ST. MARK'S:

I take the opportunity, as the enclosed "budget" goes out from the Vestry, to add a few words of my own. The plan proposed by us is not revolutionary, nor is it a scheme to increase financial burdens. It is simply a plan by which we hope to avoid in the future the necessity of sending out special appeals, and making personal requests for money. We only wish to be assured that at certain times (of your own selection) we may depend upon you for gifts or subscriptions at least equal to those you have been accustomed to make in answer to letters from the heads of the departments of Church work, or calls from the Rector. Of course, if you can add to your contribution it will increase the efficiency of our undertakings. The amounts asked for as "budget shares" are in addition to what is given through the envelopes.

St. Michael's Chapel costs us to maintain, about $2,700; towards which the people contributed last year $1,200, and the endowment brought in nearly $400. I therefore ask for $1,100 for the coming year. The Chapel suffers from the poverty of the neighborhood, but the members are wonderfully devoted, and there are still plenty of people to be got in. It is a glorious opportunity to build up a large charitable institutional work.

St. Mary's colored congregation is one of which we may well be proud. This Chapel costs a trifle less to maintain, but contributions from the people are necessarily smaller. I am confident that they are doing all they can. We need here $1,800. I wish we could have more, for at a relatively small increase our work could be considerably enlarged.

St. Mark's Home for Aged Women has four inmates, maintained at an annual cost of $250 apiece. There is an endowment, but this does little more than pay for light, repairs and incidentals. We need $1,000.

The Sisters of St. Margaret give their services to the Parish, and it is hard to see how we could get along without them. To support five Sisters for the coming year will cost $1,500—surely a modest sum.

In answer to my Advent appeal for Christmas, I received $453 and expended $373. This paid for Christmas greens, Sunday School presents, Choir treats and dinners for the poor. And no one had to go round begging. The balance in this fund I shall turn over to Summer work. If I could have $1,000 for our Fund we could have a "vacation school" and numerous outings for tired mothers and sick babies. When you go away for the Summer, I ask you to remember those less fortunate than yourselves.

The Parish School has had a long and honorable course, but to continue, as an ordinary secondary school, seems of doubtful wisdom, and until we decide what had best be done, I refrain from making any special request.

Extra Parochial expenses call for $5,350.53. This includes apportionments and assessments for foreign, domestic and diocesan Missions, and the expenses connected with diocesan administration. Pennsylvania easily leads in the just distribution of these burdens, its recent Canon being the "last word" on the subject. Our apportionment is less than last year. We ought to give more, for our Chapels are helping us for the first time.

I shall add in conclusion, that as some prefer that the amount of their subscriptions should be known only by the Rector or the Treasurer, the blanks you fill out will be considered confidential, and only the gross returns of the several appeals above mentioned will be made known. Checks or money may be sent either to the Accounting Warden, Mr. G. W. Pepper, Land Title Building, or to me at 1625 Locust Street.

May God bless these and all our endeavors to promote His glory and to benefit our fellow men.

Your friend and Rector,

ELLIOT WHITE.

St. Mark's Church, Philadelphia

YEAR BOOK

OF

Saint Mark's Parish

PHILADELPHIA

PENNSYLVANIA

1915

St. Mark's Church

SAINT MARK'S PARISH was organized June 27, 1847. The Church was built in 1849 from plans furnished by the Ecclesiological Society, of Cambridge, England, somewhat modified by the architect, Mr. John Notman. The altar and reredos are of richly carved stone, as are also the pulpit and the choir screen. The gates are of copper gilt. Other notable features of the chancel are the large rood beam with its cross and figures, the elaborately carved sanctuary door, the choir and clergy stalls. The organ was built by the Austin Organ Company. A beautiful alabaster altar at the head of the north aisle is used at week-day services. The Lady Chapel was erected in 1901 as a memorial of Mrs. Rodman Wanamaker. It contains the famous silver altar and is completely furnished with sacred vessels, vestments and hangings. The stained glass windows and the carved doors on the west and north are notable works of art. The tower is supplied with a full chime of bells, one of which can be rung from the chancel at the sanctus.

Saint Mark's is open throughout the year from 7 A. M. to 5.30 P. M. Except during the summer months, the Lady Chapel is used for the daily Eucharists. It is also open at Sunday services. Visitors desiring to see it at other times may do so by applying to the sexton or at the Clergy House.

Preface

IN sending out this account of the activities of St. Mark's Parish, it seems well to preface the pages with a brief retrospect of the past twelve months.

Last summer witnessed a considerable departure from former customs. Instead of the expensive day's outing of the Choir at Atlantic City, the Rector was enabled, at practically the same price, to give the boys a ten-day outing in the New Jersey Choir Camp, near Bay Head. Most of the boys and three of the men spent this week and a half in July very pleasantly engaged in boating, swimming, tramping, and baseball games. Later in August the camp was hired for St. Michael's cadets.

Daily Vacation Bible School, No. 80, was held at St. Michael's, July 6th to August 14th. It was presided over by Miss Weston, of St. Clement's parish, with two assistants. The total enrollment was 217 children. The object of schools of this character is to keep the smaller children off the streets and to give them, as far as can be given, that religious instruction which is lacking in the public schools. Of the total enrollment it appeared that Jews, Roman Catholics and members of our own Communion were in nearly equal proportions. The school, if it accomplished no other purpose, served to dispose once for all of the worn pleas for not undertaking active religious work in the neighborhood, that "there are no white people there," and "you can do nothing with them; they are all Jews and Roman Catholics."

The St. Mark's Parish School, after a long and honorable career, came to an end last June. The Board of

managers still maintain their organization, having changed their name to the "St. Mark's Board of Religious Education." As an outcome of the Vacation School, the Board undertook the supervision of a parish kindergarten. In spite of many difficulties, the school has prospered and done useful work.

Under the auspices of the same Board the children's books and magazines from the St. Mark's Workingmen's Library were brought down to a room fitted up for the purpose and a reading room for children has been maintained, open every afternoon the public schools are in session from the close of school till nightfall. It has proved a boon to the children of the neighborhood and has been liberally patronized by both boys and girls. Out of it have grown classes in sewing, modeling, etc., duly reported elsewhere.

During the winter the Agnes Irwin School Alumnæ opened up a sewing room in St. Mark's Parish House, furnishing daily work for about twenty women in needy circumstances. The garments made by them were given to the Belgian Relief and the charities of the city. It was a real pleasure to put our "Woman's Auxiliary Room" to this use.

Several changes have been made in the clerical staff. Rev. W. A. Greer resigned in November to take the position of Chaplain at St. Stephen's College. The Rector appointed Rev. F. E. Aitkins, formerly of St. Mary's Chapel, to his position of Assistant at St. Mark's and Rev. S. N. Craven to the Vicarship of St. Mary's. Rev. Samuel Evans left January 1st to take up work in Kansas, and Rev. J. M. Niblo came to St. Michael's from St. George's. Under his energetic leadership, wonderful improvements have been made in the church building, and a "Neighborhood House," 1913 Lombard Street, has been opened. It is hoped,

through it, to interest those living in the vicinity, and the prospects are that St. Michael's will in the near future be a power in the district in which it is situated. That is the *real* test of success, the ministering in things both spiritual and material to the *immediate* neighborhood.

Mr. F. Averay Jones, organist at St. Mark's, sailed in April for England to serve in the British army. He has been given leave of absence till October in hope that events may so shape themselves that he may return. In the meanwhile Mr. Sherlock Wenerd is serving as Organist and Mr. G. A. A. West as Choirmaster.

During the past year, among those who have passed away in the faith and fear of God, three should be mentioned as having been specially identified with parish activities.

Mr. George Stanley Philler, a vestryman from 1889 to 1894, passed away on the last day of June.

Miss Elizabeth W. Vaux, a generous benefactor and secretary of the Church Periodical Club, died on the 29th of August.

Mr. Edward Hazlehurst, a vestryman from 1894 to 1909, was buried from St. Mark's. At the time of his death he was a resident of Media, and a devout attendant of Christ Church, that city.

Cyril Milton Ogden, a faithful acolyte, died December 11th, after a long illness.

May they rest in peace and may light perpetual shine upon them.

During the last year changes of great importance have occurred with reference to St. Mark's Parish School. For several years past it has become apparent that the usefulness of the Parish School was waning, and that radical changes would have to be made to meet the needs of the community to which the School in days past so successfully ministered.

In the summer of 1914 a "Daily Vacation Bible School" was established at the mission buildings of St. Michael's Chapel. It proved a success. Through it the establishment of a kindergarten seemed to give promise of being a successful venture, and, accordingly, one was opened in the parish building of St. Michael's and has done excellent work. Milk is given to the children, some of whom are poorly nourished, at the

noon hour, through the special contributions of several members of the parish.

At Christmas the children had a party, which was much enjoyed.

The former school house, on Nineteenth Street above Lombard, was arranged in the autumn as a library and reading room for children. Several young ladies of the parish have rendered most efficient assistance by going in turn at regular times, to tell stories, play games and amuse the children. Classes of various kinds have been established in clay modeling, singing, sewing and a basket ball team organized. Bible stories are regularly told, those most familiar to us being often quite new to the hearers. These advantages and the friendly welcome have drawn many to our rooms, and our influence over them for good is everywhere apparent.

In November, 1914, the name of the "Board of Managers of St. Mark's School" was changed to "St. Mark's Board of Education," the work of the Kindergarten, Library, Reading Room with its classes, being under its direction.

In February, 1915, the house, 1913 Lombard Street, was altered and admirably arranged as a "Neighborhood House," adding greatly to the facilities for work. The Library and Reading Room for Children was moved over to it. The rooms are bright and attractive, and are the means of furnishing much increased enjoyment and usefulness to the many who frequent them, and form a most valuable asset to the work of the parish. The details of the various activities will be found under the head of St. Michael's Chapel.

During the year the Treasurer of the Board has received $318 in contributions and expended $264.17, the principal item of expense being the purchase of a piano for the Kindergarten Room.

The Woman's Auxiliary was formed to help in the work of the Board of Missions, the official missionary agent of our Communion.

The Church maintains work in nineteen missionary districts and forty-two Dioceses in the United States, in Africa, Alaska, Brazil, China, Cuba, Hawaii, Japan, Mexico, the Philippines and Porto Rico.

Twenty-three Bishops and thirteen hundred and seventy-seven missionaries are supported in the home field, and ten Bishops and two hundred and thirty-two missionaries in the foreign field, with a thousand native helpers.

The Church in obeying the command, "Go ye into all the world," is confronted with a task which tests its strength to the utmost.

We, the members of St. Mark's Branch of the Woman's Auxiliary, must aid with our prayers, sympathy, gifts and labors.

In order that we may know better about the work, we hold seven meetings a year, from November to May, having at them speakers from the different fields.

This year we had Rev. F. D. Lobdell, Rutherfordton, N. C.; Fr. Harrison, O. H. C., Sewanee, Tenn.; Dr. Jefferys and Rev. Arthur Sherman, China; Rev. A. B. Hunter, Raleigh, N. C.; Rev. C. E. Betticher, Alaska; Rev. C. S. Hutchinson, St. Clement's, Philadelphia.

We have lost eight members in the past year and have gained nine new ones; but we are most anxious to have many more join the Auxiliary.

We also began a new work this year, an Auxiliary Sewing Class, which met weekly and to which every lady member of the congregation was asked.

The results have been most gratifying; three hundred garments have been cut and made. We have sent one box to Globe, Arizona; another to Dr. Watson, Trinity Church, Paris, France, for his work among the war sufferers; another box for an Indian girl in St. Mary's School, Rosebud, S. D., and a fourth box for the war sufferers in Servia.

We sincerely hope that all who have so willingly and generously helped in the work this winter will continue their interest and support, and that many more may be aroused to take an interest in the work of the Auxiliary.

Each year the Church's work grows larger and its needs increase.

May God put into the hearts of all its members a deeper realization of their responsibility and a zeal and earnestness to labor for the spread of His Kingdom.

St. Mark's League of Intercession

President—THE RECTOR

Committee in Charge

MRS. HORACE BROCK
MR. J. GARDNER CASSATT
MISS JESSIE R. LITTLE, *Secretary*
1625 Locust Street

OBJECT

The object of the League is to pray:
For the whole Church: Greek, Roman and Anglican.
For the Unity of Christendom.
For the Anglican Communion, its Bishops and Clergy.
For the American Church and its Missions.
For the English Church and its Missions.
For our own Diocese and its Bishops.
For our own Parish, its Missions, Rector and Clergy.
For the conversion of the world through the instrumentality of the Church.

RULE

To spend fifteen minutes a week in prayer for these objects. This need not necessarily be all at one time, but may be divided into periods.

The members of the League are also asked, as far as they are able, to take part in the continual intercessions made in the Church on the special days of intercession.

It is understood that intercession should include acts of penitence and contrition for the sins of the Church, and thanksgiving for many mercies and blessings vouchsafed to her and, through her, to her members.

MEMBERSHIP

Communicants of the Church may become members by giving their names to the Rector or some member of the Committee, and agreeing to keep the rule. As the object is not parochial, the membership is not confined to St. Mark's parish.

SPECIAL DAYS OF INTERCESSION

The Ember and Rogation Days.
Wednesday and Thursday in Holy Week.
The Day of Intercession for the Parish: The first week in Advent.
The Day of Corporate Intercession for the Church: The first week in Lent.
St. Mark's Day.

CORPORATE COMMUNIONS

"The Eucharist is the Alpha and Omega of prayer. In it prayer reaches its climax, and from it all prayer derives its power and efficiency."

The League makes its Corporate Communion on
The Day of Intercession for the Parish.
The Day of Corporate Intercession for the Church.

The Parochial Branch of the Woman's Auxiliary have a Corporate Communion every month, with intercessions for Missions. Most of the members of the League are members of the Auxiliary, but those who are not are asked also to join in these intercessions.

The Committee in Charge is appointed by the Rector, and the League is under his direction. There are no dues.

REPORT OF THE COMMITTEE IN CHARGE.

The membership of the League at present is seventy-seven. It is, of course, desirable that all members should make an effort to take part, as far as possible, in the days of intercession, but this is not obligatory, and, therefore, members living away from the city can keep the rule as well as those near the Church. Indeed, our absent members in Washington and Boston, in California and Maine, are among our most faithful volunteers on the days of intercession, keeping their half hour in the Church of the parish in which they are at present residing.

Intercessions were made on the Rogation and Ember Days, on Wednesday and Thursday in Holy Week and St. Mark's Day, and a day of special intercession for the parish was kept during the first week of Advent. Father Huntington conducted a day of corporate intercession for the Church in the first week of Lent, which was largely attended by people from all over the city and diocese.

The little book of "Intercessions for the Church," compiled for the League, has been in great demand, over ten thousand copies having been sent to various parts of the country.

Chairman.

Board of Managers

The officers above mentioned, the Sister in Charge, and
MRS PHILIP H. BRICE MISS H. M. KING
MRS. WALTER H. BRYANT MRS. E. H. MCCULLOUGH
MRS. CLAYTON MCELROY

During the past year two additional inmates have been received into the Home. One, an aged woman, who had been living alone for many years in a little cottage at Cape May Point, N. J., came to us December 6th, at the request of the Rev. W. H. Graff, as a temporary boarder. She remained in the Home during the winter months and returned to her cottage at the end of March, full of gratitude for the care provided for her in the Home. Though baptized and confirmed in her youth, she had never been a Communicant, and her first Communion was made in the Chapel of the Home.

The other new inmate is an old and faithful member of St. Mark's Parish, who has been obliged by family circumstances to live for the last eight years in a place in the West, where she was entirely cut off from all religious privileges. Through the kindness of friends she has now been received permanently into the Home, and is filled with thankfulness and joy in returning to

the parish, which has always been her spiritual home. We may add here that all the inmates of the Home are regular and faithful Communicants of the Church. They attend the Celebrations of Holy Communion and daily morning and evening prayers in the Chapel of the Home, and those who are able attend the Sunday and week-day services in St. Michael's Chapel.

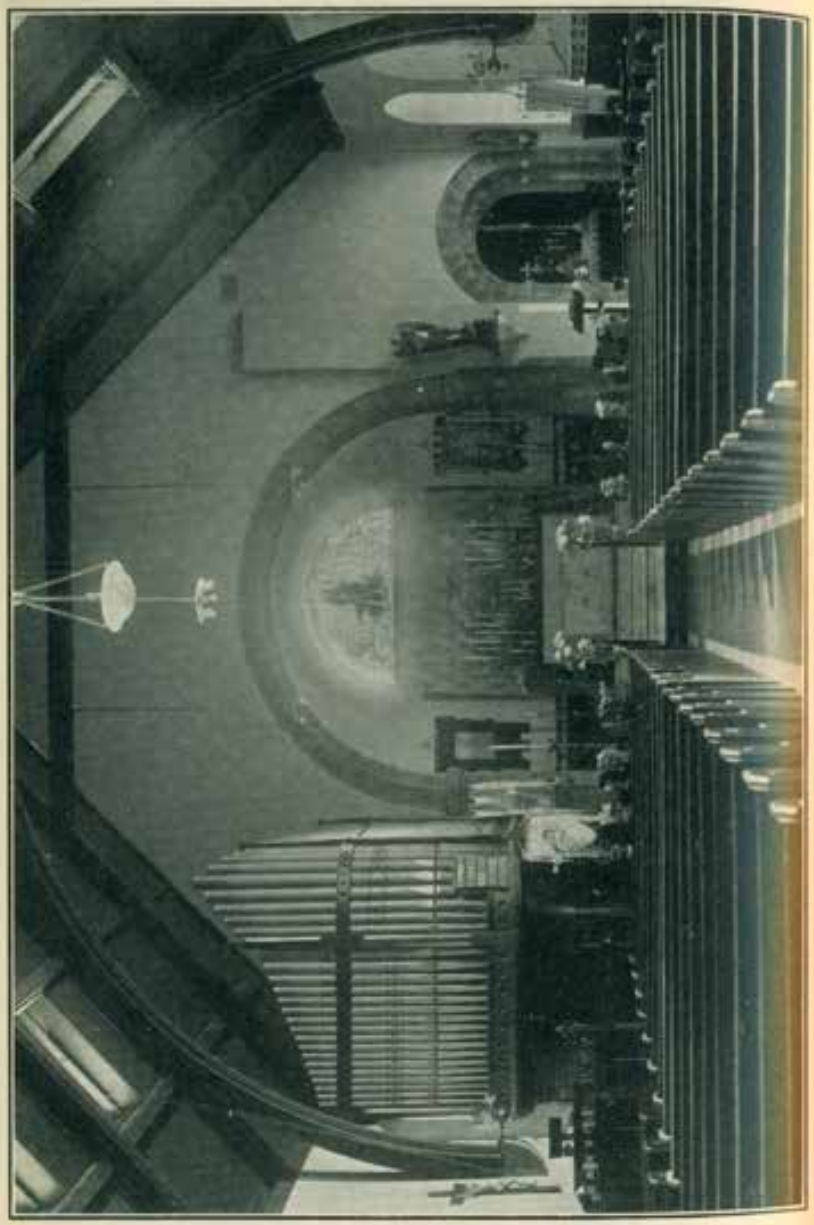

On our annual Donation Day in November twenty-seven dollars were received and handed to the Mission Treasurer. Many useful and acceptable donations of groceries, fruit, etc., were also sent in, and at Christmas and Easter the Home was remembered by our generous friends.

Last summer we were enabled by special gifts and a donation from the Summer Fund to send all the inmates to the seashore for two weeks, and also to provide them with occasional drives and trolley rides and a trip up the river. Our thoughtful friends also sent ice cream for the whole household every Sunday during August and September.

Other gifts too numerous to mention have been individually acknowledged, but we must not omit one most highly appreciated donation, a liberal supply of plants for our roof-garden. This little beauty-spot is one of our greatest blessings during the heat of the summer. It is delightfully airy and sometimes even cool, and the flowers are a constant source of interest and pleasure.

For all these tokens of kind interest in the Home given by members of the parish, we desire to express our grateful acknowledgments.

JANE FRANCES,
Sister in Charge.

St. Michael's Chapel

Early in the 70's Rev. F. D. Canfield, Assistant Minister at St. Mark's, undertook work among the poor in the neighborhood of Seventeenth and Kater Streets. The Rector, Rev. Dr. Hoffmann, became much interested, and in June, 1880, St. Mark's Workingmen's Club was erected, the building being modeled after English plans. In 1892 additional sums were raised for extending the mission work. In 1905 the Kater Street property was sold, and, with the help of legacies which became at this time available, St. Mark's purchased the Church of the Mediator, whose congregation had removed. The Church is now renamed in honor of St. Michael. Besides the Church proper, the Parish owns the parish hall and house on the Nineteenth Street side, and Nos. 1911, 1913 and 1917 on Lombard Street. In these are housed the Sisters, the Home for Aged Women, Guilds and Parish School.

The Sunday School numbers 169 pupils and teachers. It meets every Sunday, from Michaelmas to Trinity Sunday, at 3.00 P. M.; during the summer, immediately after the 9.30 A. M. Mass. The school is graded and offers a systematic course of instruction in "the things a Christian ought to believe and do for his soul's health." The school opens with a short service, but practically all the time is given to instruction, the Vicar catechising at every session. We are thus enabled to stress the fact that the Church is the highest place to worship and to do so intelligently from the instruction given in the Sunday School.

Guilds

SAINT STEPHEN'S GUILD

Founded in 1897, for Men

Warden and Chaplain—The Vicar

Sub-Warden—George Voss

Secretary—Frank A. S. Siddall

Treasurer—George A. Campbell, Jr.

Members, 40. Honorary Members, 2; Visitors, 5

While St. Stephen's Guild provides recreation and social intercourse for the men of the Chapel, its primary purpose is religious work. The members seek to help one another in the performance of their full Church duties, and at the same time make an earnest effort each week to bring some other man to a service at the Chapel or to the Bible Class.

The Guild has done most efficient work this past year, and the men are laying plans for a more aggressive work in the future. Some new men have been interested through their efforts to come to the Chapel, and on several occasions they have provided an evening's entertainment for all the men of the congregation.

SAINT MARTIN'S GUILD

Chaplain—The Vicar

Warden—William Conley

Sub-Warden—Frank A. S. Siddall

Secretary and Treasurer—George A. Campbell, Jr.

Members, the Acolytes of the Chapel,

Active, 14; Probationers, 9

The Acolytes of St. Michael's Chapel take their places in the chancel whether they are scheduled to serve or not. With very few exceptions, they have all been present both at the late Mass and Evensong every Sunday. We owe much to these young men and boys in their contribution to the worship of Almighty God, making it both reverent and beautiful, and they deserve much praise for their faithfulness and devotion.

A monthly meeting of the Guild is held on the first Sunday at 5.00 P. M., when the Guild Office is said. Afterward the members enjoy supper together at the Chapel, which is made possible through the generosity of several members of St. Mark's.

The Saint Michael's Total Abstinence Society stands for that reconstruction of character shown by leading a converted life in the practice of the Catholic religion. The Society is especially meant for the group of men

who should not drink intoxicating liquors, and we include wine, cider and drugs. Weekly pledges are taken and buttons bestowed after a given period of sobriety, and recalled when the pledge is broken or attendance irregular.

The work is necessarily of a special character, and religious sympathy, relief and discipline are used in our reconstruction scheme. The Chapel is the spiritual home for all who will use it. As a rule, the men like the definite personal religion as taught at Saint Michael's, and this year, as usual, we presented candidates for confirmation. The meetings are held weekly, from twenty to thirty-five being present.

ST. MICHAEL'S YEARLY BENEFICIAL SOCIETY

The report of St. Michael's Yearly Beneficial Society for the year beginning January 27, 1914, and ending February 23, 1915, is as follows:

Amount received for Dues, Fines and Initiations	$742 13
Paid out for Sickness and Deaths	544 75

MOTHERS' UNION

Founded in 1892, for Mothers

Under the Direction of Mrs. Brinckerhoff and Mrs. Lucas

Secretary—Miss Tapper

Treasurer—Mrs. Siddall

Number of Members, 60

Meets every Friday, from All Saints to Whitsuntide, and monthly, from May 1st to November 1st.

The objects of the Mothers' Union are:

1. To uphold the sanctity of marriage.

2. To awaken in mothers a sense of their great responsibility in the training of their children.

3. To organize a band of mothers who will unite in prayer, and seek by their own examples to lead their families in holiness and purity of life. The Annual Festival is Lady Day, when the mothers attend in a body, with their children, the Choral Celebration at the Chapel. There has been an unusually large attendance at the meetings this year.

During the last year the Union has made children's clothing, a Christmas box was sent to Rutherfordton, N. C., containing things useful and joyful, and a box of clothing was made and sent to France.

MOTHERS' MEETING

In Charge of Sister Fernanda
Members, 20

Meets Wednesday evenings. The chief work this winter has been the preparation of useful articles of clothing, which were distributed among our own people, and also some articles necessary to the war sufferers in Europe. During the summer the members will be busily engaged in preparation for a bazaar to be held in October.

ST. ALBAN'S GUILD

The Vicar

Mr. Albert Lucas Miss Helen Staley

The work among the boys of the Chapel has been under process of reconstruction. Out of it has evolved St. Alban's Guild. It is the object of this Guild to enlist the boys of the Chapel in an earnest effort toward the goal of Christian manhood, and at the same time to furnish innocent and helpful recreation. The Guild meets weekly and ends with a brief devotional service and short instruction.

ST. MICHAEL'S CONFERENCE

Meets every Thursday at 10.00 A. M.

Chairman—THE VICAR

Full Christian ministry seeks to help the bodies as well as the souls of men. That this may be done effectively, there must be a sympathetic understanding and a personal interest of the needs of those we seek to aid. To accomplish this the personal workers of the Chapel meet every Thursday morning and take counsel for those who make application for temporal aid. Visiting by the members of the conference is no small part of the work, and in consequence a sympathetic bond develops, making the work mutually spiritual as well as temporal. "For the gift without the giver is bare."

This winter has been one of great emergency everywhere, due to the unemployment of so many bread-winners. Much distress of necessity ensued and our own people were compelled to bear no small amount. But the friends of St. Michael's came to our aid, and a special fund was created of contributions ranging from fifty cents to fifty dollars, which did much to relieve the more pressing wants of those of our people affected by the business depression. To all who contributed so generously to this special fund, the members of the conference are most grateful.

ST. MICHAEL'S STORE

Manager—MRS. LUCAS

Treasurer—MISS LEAF

This year saw the beginning of a new venture, in the establishing of a store for the sale of necessary articles at the cheapest possible price. Underclothing, blankets, household linens, etc., were bought at wholesale and sold at the exact cost, payment being made as the purchaser was able to do so. About two hundred dollars' worth of articles were disposed of, and the appreciation of those benefited is shown by the gratifying result that the store closes its first year without debt.

COAL CLUB

Treasurer—MISS SARAH LYNCH

Meets every Wednesday evening from 7.30 to 9.00.

Any one can join this Club, and any sum of money, however small, will be received, but it must not exceed one dollar at any one time, nor the price of four tons of coal in one season. Money collected through the Coal Club from April 1, 1914, to March 31, 1915, amounted to $481.95. Number of tons of coal delivered, 80. Number of depositors, 51.

The Neighborhood House was opened for use with a Service of Blessing by Bishop Rhinelander, Saturday afternoon, April 24, 1915. The purpose of the House is, as its name implies, to provide a place of meeting for the people of the neighborhood, looking forward to bettering social conditions, and in coming to know our neighbors better, to draw them by the bands of kindly interest into the Chapel.

The House has been arranged so as to meet the demands that are to be made upon it. The large front room on the first floor is the reading room. Here comfortable chairs surround the tables upon which may be found a large number of the weekly and monthly magazines, both secular and religious. Back of the reading room is the library, a splendid collection of some eight thousand volumes, to which new books are added, particularly the fiction of the day. The use of the library is free to members of St. Michael's Chapel, and to others recommended by the proper authorities. For others the subscription is $1.00 a year. The library is open Monday, Tuesday and Thursday afternoons, from 3.30 to 5 P. M., and on Wednesday and Saturday evenings, from 7.30 to 9.30 P. M.

Going up-stairs, the rear room is devoted to the juvenile library, while the commodious front room on the second floor is being fitted up with easy chairs, writing table, etc., where one may have rest and quietness, and also at times it will be used as a place for holding conferences and forums. One of our objects in the Neighborhood House is to discuss the problems of the present-day living, social and economic questions, and to show what bearing religion has upon them as the means of solving the difficulties. A class of mothers is being formed to meet weekly during June and July for instruction from the superintendent of a nurses' training school as to proper hygiene and care of children, particularly babies. This is but one of many ways in which the House will be made use of as we seek social and civic betterment.

The main work so far has been among the children. Fully a hundred have come under our care and direction. The measure of success which we have met with in the children augurs well for the work among the

grown-ups and parents. The children have done very well in all their classes. At their party, on the afternoon of May 21st, there was on exhibition a most creditable display of the work which they had done. Plans have been made for several excursions out into the country, and all the children are looking forward eagerly to the eventful days.

Deepest appreciation is felt by all toward Mrs. Cassatt and the committee under her leadership, who made possible the Neighborhood House. And, at the same time, much praise must be given Sister Fernanda and her corps of assistants.

St. Mary's Chapel

Special work among the colored people was started by St. Mark's in 1893. Consent being given by the neighboring Churches of Holy Apostles, Mediator, Ascension and Christ Chapel, Nos. 1623 and 1625 Lombard Street were purchased for a Mission House, No. 1627 being soon after added. On the 28th of June, 1896, the cornerstone was laid of the present Church, which occupies a lot 48 by 115 feet on Bainbridge Street, between Eighteenth and Nineteenth Streets. The Church is of Italian architecture, from designs by Hazlehurst and Huckel. The interior is strikingly handsome and contains a number of memorial works of art.

Financial

A word from the Rector.

The finances of a parish are always important. We cannot work without support. We cannot work to best advantage if our minds are distracted by the thought, "Will the necessary support be forthcoming?"

In the modern parish, the care and management of the finances devolve upon the Vestry. As officers of the congregation and directors of the Church Corporation, they decide what is needful to carry on the work, contract bills, and are responsible for their payment. These things they cannot do properly unless the people stand behind them; and for the intelligent discharge of their duties it is needful to know in advance what the Vestry may reasonably expect to receive and expend.

Each year at St. Mark's, the Vestry, after careful survey of the outlook, draws up an estimate of parish expenditures, and presents it to the people at a parish meeting, at which it is explained and discussed with the utmost freedom and suggestions welcomed.

The estimated expenditures for the year April 1, 1915, to April 1, 1916, are as follows:

1. The Parish Church, including administration expenses	$20,287 00
2. St. Michael's Mission	3,474 50
3. St. Mary's Mission	2,798 50
4. Support of the Sisters	1,651 70
5. St. Mark's Home for Aged Women	1,153 50
6. Chrismas festivals and Summer outings	1,165 00
Extra Parochial:	
7. Diocesan, Domestic and Foreign Missions	5,805 49
8. Convention, Episcopal and Sustentation Funds	932 55
Total	$37,268 24

To meet these expenses the Vestry look to the following sources for income: (1) pew rents; (2) endowments; (3) offertories; (4) envelopes; (5) budget subscriptions. The first three require no explanation; a word may be said regarding the latter two.

Some people are so situated financially that they can without difficulty contribute weekly in sums which aggregate during the year far more than could be afforded at any one time. This they may do, by pledging themselves to give through the envelopes. Our envelopes have two pockets. In one is placed the amount subscribed per week for the support of the parish, in the other the amount for missions. The envelopes make it easier to give, and register automatically the amount given. As the contributor is known by number, privacy is secured. On the other hand the putting of a contribution into an envelope does not make it any larger; and it is requisite for the success of the system that the full amount pledged for the fifty-two weeks be turned in sometime during the year.

Others prefer to subscribe a lump sum to be paid monthly, quarterly, semi-annually or annually, as is most convenient. In that case, they should subscribe to the budget, either leaving to the financial authorities the liberty to apply the money according to the needs of the several causes enumerated above, or designating the contribution to those special charities in which they are more interested.

It will be noted that in the estimate of expenses no mention is made of alms for the poor. This is because the offertories at the early services are devoted to that purpose, together with the income of some endowments left expressly for the care of the poor.

The altar Guild, St. Mark's Employment Society, the Neighborhood House, and the various guilds are also

omitted from the list. The reason is, that they are independent in this respect, that they manage their own affairs and the Vestry is not obligated on their behalf. The Rector acknowledges with gratitude their great help. He commends them heartily to the good will and generosity of the parishioners.

One final comment. A survey of the communicant lists shows that not even a majority of those confirmed here and counting this their spiritual home, contribute systematically through one or other of the ways enumerated above. In some cases this may be due to indifference; in some cases to carelessness; in some cases also to the feeling that as so little can be given, it is hardly worth while to make a pledge. The Rector very strongly urges all, without exception, and as a matter of principle to give what they can for the support of the parish systematically, remembering the Scriptural rule: "If thou hast much give plenteously; if thou hast little, do thy diligence gladly to give of that little."

St. Mark's Church

SAINT MARK'S PARISH was organized June 27, 1847. The Church was built in 1849 from plans furnished by the Ecclesiological Society, of Cambridge, England, somewhat modified by the architect, Mr. John Notman. The altar and reredos are of richly carved stone, as are also the pulpit and the choir screen. The gates are of copper gilt. Other notable features of the chancel are the large rood beam with its cross and figures, the elaborately carved sanctuary door, the choir and clergy stalls. The organ was built by the Austin Organ Company. A beautiful alabaster altar at the head of the north aisle is used at week-day services. The Lady Chapel was erected in 1901 as a memorial of Mrs. Rodman Wanamaker. It contains the famous silver altar and is completely furnished with sacred vessels, vestments and hangings. The stained glass windows and the carved doors on the west and north are notable works of art. The tower is supplied with a full chime of bells, one of which can be rung from the chancel at the sanctus.

Saint Mark's is open throughout the year from 7 A. M. to 5.30 P. M. Except during the summer months, the Lady Chapel is used for the daily Eucharists. It is also open at Sunday services. Visitors desiring to see it at other times may do so by applying to the sexton or at the Clergy House.

ST. MARK'S CHURCH, PHILADELPHIA

Preface

SINCE the appearance of the last Year Book, there have been several changes in our staff of workers.

On November 1st Mr. Lewis A. Wadlow became organist of St. Mark's. Mr. Wadlow comes to us with high ideals of what our music should be. He has thoroughly reorganized the choir and made many changes for the better.

February 1st Rev. F. E. Aitkins, who had been on the staff exactly three years, became Rector of Saint Andrew's, Buffalo, N. Y. His departure is universally regretted, as he has won a place in the hearts of many, both at St. Mark's and at St. Mary's. The parish to which he goes is an important one and the field of his usefulness considerably enlarged.

March 1st the position of assistant at St. Mark's was filled by the coming of Rev. Charles A. Strombom. We hope that he will be long with us.

Sister Evelyn retired in the early fall from the work at St. Mary's Chapel. Sister Bertha was assigned for duty under Sister Mary Angela at this time.

Sister Mary Angela, after a brief illness, passed from us Friday, March 24th. With the exception of a short interval she was connected with our work among the colored people from its beginning, and she will be greatly missed. She probably knew more about the people and conditions among them than any one, and though advanced in years and infirm by reason of waning eyesight, her services were invaluable. The successor to Sister Mary Angela has not yet been appointed.

During the winter St. Mark's Parish House has been given over on Tuesdays to the activities of the Queen

Mary's Needlework Guild. When the list of articles sent out from this source for the relief of the sick and wounded is made, the total will be a large one. It is a pleasure to put our building to such charitable use.

Looking into the future I appeal for three things: The first for our own Parish Chapel of St. Mary's. Saint Michael's is doing an important and effective work in its neighborhood among the white people. We should look forward to making Saint Mary's as efficient in neighborhood work among the colored people. It is even more greatly needed. The work is less attractive, because of the intense—shall we call it *conservatism?*—of the colored race, which makes them so *willing* to go on in the old slipshod ways, and so hard to inspire with the vision of better things. We need workers as St. Mary's, thinkers to plan and leaders to rouse and quicken. I hope some may be found to answer to the call.

For the Diocese, I would strongly urge our people to engage more largely and take a more active part in Diocesan enterprises, to let St. Mark's light shine and in turn to be illuminated and cheered by the labors of others. There would be less bitterness of speech and uncharitable criticism of diocesan officials if we were at pains to know one another better. The spirit of loyalty is more efficient than the spirit of self will, which too often disguises itself in the cloak of "contending for principle." By all means let us contend for principle, but let us be sure that it *is* principle, and not general grouchiness or a mere determination to have our own way.

For the Church at large, the special task this year is the Clergy Pension Fund. I ask you all to help as God enables you the plan of the Commission to put the care of the aged and disabled clergy and of their widows and children on a business like and just basis. Proper

provision in these particulars is not only justice but wise economy. We cannot get good men into the ministry, we cannot keep them in the ministry, and we are not giving men a chance to do justice to their ministry under present conditions.

One change will be noticed in the present Year Book. Special request has been made that the amounts of the subscriptions shall be duly noted. This may properly be done because the societies having these lists are auxiliary and supplementary to Saint Mark's as a corporation. The Vestry does not provide for or support them, and has no responsibility concerning them. The money needed for the work of the parish proper is asked for through the budget, and contributions made to this budget are accounted for by the Accounting Warden.

St. Mark's Board of Education is glad to report that the Kindergarten adjoining St. Michael's Chapel, at 19th and Lombard Streets, has accomplished a very useful work in the past year, filling an urgent need, by bringing the varied elements of the locality under the influence of the Church, as well as the desirable instruction and training of the Kindergarten. Miss Monroe, the head teacher, has had two volunteer assistants all the time from Miss Hart's Training School for Kindergartners. They have been very helpful and have also provided music on the piano. The pupils are of many nationalities, French, Italian, Polish, Russian, German, English and American, but there is no feeling of division among them. They are all virtually Americans. At luncheon the children are given milk, and those who are able are expected to bring a penny for it. An important feature this year is the visitation every week of the School by Miss Michael, one of the Visiting Nurses. She examines the children and suggests treatment for them if necessary. They have responded well, and their mothers have generally been glad to follow the nurse's advice.

The Auxiliary has met the first Thursday of each month from October to May, inclusive, with the exception of January, when the meeting was postponed to the second Thursday.

There is now a membership of ninety, with an average attendance of thirty-five at the meetings. We have lost four and gained ten members in the past year.

The Corporate Communion has been made monthly on the days of the meetings, the special intention being Missions.

Seven most inspiring addresses have been given during the past winter. Those speaking were as follows:

November—The Rector.
December—Rev. A. W. Bostwick.
January—Mrs. Biller
February—Rev. George Hilton.
March—Sister Katharine.
April—Rev. S. Harrington Littell.

A Mission Study Class, with Miss West as teacher, was formed to meet six Thursday mornings, beginning with the first week in Lent.

The Monday Afternoon Sewing Class has met weekly since November, and more work has been accomplished than in the previous year. About five hundred garments have been made and boxes sent to nine places. A box of medicines also was sent to Rev. A. B. Thorn, of Oneida, Wisconsin.

On looking back over the past year's work, we have cause for great thankfulness for opportunities given us for increased work, and that by God's blessing we have been able to do more for the spread of His Kingdom.

St. Mark's Day, 1916.

ETHEL SMITH.

The Baldwin Day Nursery

A meeting was held in the Parish House, March 9th, in order to form a sewing class to make clothing for the Baldwin Day Nursery. Mrs. Porter Bradford delivered an address descriptive of the work and stating that fifty-four dozen garments were needed. Miss Getchell and Mrs. R. M. Elliot were appointed officers of the class which was then formed and which is still at work on the articles of clothing asked for.

The Bishop's Bricks Fund

On Sunday, February 27th, Mrs. Loman, of the Bishop's Bricks Fund Association, addressed the children of St. Mark's Sunday School, asking them to build a little Church for the Bishop with the "Bishop's Bricks," which are sold at ten cents apiece. The children have taken up the idea enthusiastically, and have nearly completed one of the model churches built of "Bishop's Bricks," which will represent gifts to the amount of twenty-five dollars.

St. Mark's League of Intercession

The year ending March 31, 1916

The League of Intercession has continued its usual work during the past year. It has lost, by death, one member and by withdrawal two, one of the latter being a man who has left Philadelphia. Ten new members have been added, making the present membership eighty-four. We had hoped to bring our membership up to one hundred last year and will try to accomplish this during the coming year.

The Day of Intercession for the Parish held in Advent was conducted by the Rector and well attended.

The Annual Day of Corporate Intercession for the Church was held on March 22d. The Rev. George Craig Stewart, of Evanston, Ill., conducted the services and the Bishop said the Litany and Intercessions at noon.

The weather could not have been more unpropitious and this, of course, prevented many old and delicate persons from attending the services, but the Church was well filled all the morning, most persons remaining through the three addresses. Many of the clergy and a number of laymen were present at the services and came in during the afternoon. Nearly a dozen persons remained for the whole day, that is, until after Evensong—two of them being men.

This is the tenth year this day has been kept and interest grows year by year, as men and women realize the value of the breaking down of parochial lines and getting together in the common work of prayer. St. Mark's League of Intercession originated the movement and each year organizes the Committee, but it is in no sense parochial. The cordial letters of appreciation received from those who have served on the Committee and from many who have attended the services year after year are most gratifying and encouraging. Will not St. Mark's people give more help to the League in its great work of prayer?

D. N. C. Brock,
Chairman of the Committee
St. Mark's League of Intercession.

St. Mark's Employment Society has completed its forty-seventh consecutive year of work. Its object is to give sewing to women belonging to St. Michael's and to St. Mary's Chapels and to encourage them to sew for their families rather than to buy in the cheap stores. In addition to this, many articles are made free of charge for the various relief committees. The Society is greatly in need of new subscribers to replace those whom we have lost in recent years.

During the past year one of the inmates of the Home has died and another has been received in her place. Miss Harriet Knorr had been with us more than eleven years, longer than any of the other inmates. She passed away on the last day of the year, December 31, 1915, after a week's illness of pleuro-pneumonia. She was a faithful Communicant of St. Michael's Chapel and a member of the Mothers' Union. She is much missed, both there and in the Home, where she was always noted for her unselfishness and helpfulness. The vacancy in the Home was filled by the admission of an applicant from Hackensack, N. J., at the request of the Rector of Christ Church in that place.

The Home has gone on as usual, quietly and happily, the summer months being enlivened by trips to Atlantic City and to Cape May Point. Our thanks are tendered to the friends who provided means for these outings, and also to those who remembered the Home generously on Donation Day and at Christmas.

Jane Frances, *Sister in Charge.*

St. Michael's Chapel

Early in the 70's Rev. F. D. Canfield, Assistant Minister at St. Mark's, undertook work among the poor in the neighborhood of Seventeenth and Kater Streets. The Rector, Rev. Dr. Hoffmann, became much interested, and in June, 1880, St. Mark's Workingmen's Club was erected, the building being modeled after English plans. In 1892 additional sums were raised for extending the mission work. In 1905 the Kater Street property was sold, and, with the help of legacies which became at this time available, St. Mark's purchased the Church of the Mediator, whose congregation had removed. The Church is now renamed in honor of St. Michael. Besides the Church proper, the Parish owns the parish hall and house on the Nineteenth Street side, and Nos. 1911, 1913 and 1917 on Lombard Street. In these are housed the Sisters, the Home for Aged Women, Guilds and Parish School.

The Sunday School numbers 158 pupils and teachers. The School meets every Sunday morning at 9.30 o'clock. This time for the sessions of the School was changed at the beginning of the year from the afternoons. The reason for this was that our children might attend the Church Service at 10.30 A. M. This is the great act of corporate worship and it does not represent our people unless the children are present. For this purpose the Sunday School exists primarily, and the change has brought about results beyond expectations.

Warden and Chaplain—The Vicar
Sub-Warden—George Voss
Secretary—Frank A. S. Siddall
Treasurer—John Culp

Members, 42. Honorary Members, 2; Visitors, 3.

While St. Stephen's Guild provides recreation and social intercourse for the men of the Chapel, its primary purpose is religious work. The members seek to help one another in the performance of their full Church duties, and at the same time make an earnest effort each week to bring some other man to a service at the Chapel or to the Bible Class.

The Guild has assisted in the work of the Chapel most efficiently during the past year. Through the efforts of the members sufficient money was raised to wire and light by electricity the various Guild rooms and stairways in the Parish Hall. Upon frequent occasions they entertained in an interesting and helpful way all the men of the Congregation.

The monthly meeting of St. Martin's Guild is held on the last Sunday of each month at 5.00 P. M. The Guild Office is said and the business of the Guild attended to, after which all the members enjoy supper together in the Mission House. This last is made possible through the generosity of several ladies of St. Mark's.

The rule of the Guild is to be in the chancel whether scheduled to serve or not. The members have very faithfully kept this rule and their assistance in the Sanctuary has contributed much towards making our worship of Almighty God both reverent and beautiful.

The Saint Michael's Total Abstinence Society stands for that reconstruction of character shown by leading a converted life in the practice of the Catholic religion. The Society is especially meant for the group of men who should not drink intoxicating liquors, and we include wine, cider and drugs. Weekly pledges are taken and buttons bestowed after a given period of sobriety, and recalled when the pledge is broken or attendance irregular.

The work is necessarily of a special character, and religious sympathy, relief and discipline are used in our reconstruction scheme. The Chapel is the spiritual home for all who will use it. As a rule, the men like the definite personal religion as taught at Saint Michael's, and this year, as usual, we presented candidates for confirmation. The meetings are held weekly, from twenty to thirty-five being present.

Girls from 12 to 16 years are in the Junior Department; those over that age are in the Senior. The Seniors act as an Altar Society to help in the Sacristy work and provide the linens used at the Altar. During the year the Guild conducted a small fair, the proceeds of which will be used in furthering certain mission work, and is at present working for the people of the Pines in New Jersey. The Seniors, along with other members of the congregation, have enjoyed a fortnightly dancing class, which has been held in the Parish Hall during the winter.

Meets every Friday, from All Saints to Whitsuntide, and monthly, from May 1st to November 1st.

The objects of the Mothers' Union are:

1. To uphold the sanctity of marriage.

2. To awaken in mothers a sense of their great responsibility in the training of their children.

3. To organize a band of mothers who will unite in prayer, and seek by their own examples to lead their families in holiness and purity of life. The Annual Festival is Lady Day, when the mothers attend in a body, with their children, the Choral Celebration at the Chapel. There has been an unusually large attendance at the meetings this year.

During the past year the members of the Union filled stockings at Christmas for the children in the Philadelphia Hospital, provided material for choir cottas, and sent a box of night-shirts for the boys at St. Andrew's School, Sewanee, Tenn.

The Kindergarten holds its sessions in the Parish Hall of St. Michael's, daily, from 9.30 to 12 o'clock. A full report of this work will be found in the report of the Board of Education.

ST. MICHAEL'S CONFERENCE

Chairman—The Vicar
Meets every Thursday at 9.30 A. M.

The personal workers and visitors meet once a week to discuss the work of the Chapel on its benevolent side. They seek counsel together as to the best way of assisting in the appeals for temporal aid. Besides this, each member assumes a share in the visiting, so that at all times the Chapel is kept in close touch with those whom God has given into our care.

While this year has not been one of such emergency as the year previous, yet there has been considerable distress among our people, due largely to sickness and unemployment. We were enabled to relieve many pressing needs by the monthly grants from the Rector's Fund and also from gifts of individuals.

ST. MICHAEL'S STORE

Manager—Mrs. Lucas
Treasurer—Miss Leaf

The store has again for the second year proven its usefulness as a means of helping the people of St. Michael's. All kinds of necessary articles, such as

underclothing, blankets, household linen, etc., were bought at wholesale prices and sold at the exact cost, payment being made at the ability of the purchaser. It has meant a considerable saving to those who bought and often made possible certain needful articles that could not have been gotten otherwise.

YEARLY MUTUAL AID SOCIETY OF ST. MICHAEL'S CHAPEL

Treasurer—JESSIE R. LITTLE

The Society has been in existence for almost forty years, having been organized by parishioners of the Church of the Mediator. Any woman of good moral character, in sound health, and not less than fifteen nor over fifty-five years of age, is eligible for membership. There is an initiation fee of fifty cents, with monthly dues of twenty-five cents. In case of illness, sick benefits of three dollars a week are paid for a period not exceeding thirteen weeks. In case of death, funeral benefits of twenty dollars are allowed with an additional assessment of twenty-five cents upon each member. Meetings are held on the first Tuesday night of each month. The present membership is 123.

The following is the financial statement for the year ending February 1, 1916:

Receipts from initiation fees, dues, etc.		$519 78
Amount paid for sick benefits	$207 00

The House is open to the children every afternoon after school hours. They come from our immediate neighborhood each day for the various classes and make good use of the library and reading room. The instruction is of necessity casual. Our main purpose is to come to know the children, influence them in moral character building and lead them to desire the religion of the chapel. We have accomplished the first object. A strong barrier of prejudice has been broken down and in its place a bond of friendship has been established. We notice many improvements in the conduct and morals of our young friends. And lately there has been shown a desire to know something of what the Church stands for, some half-dozen having been added to the Sunday-school.

MEN'S WORK

Superintendent—Elliott C. Mitchell

1913 Lombard Street

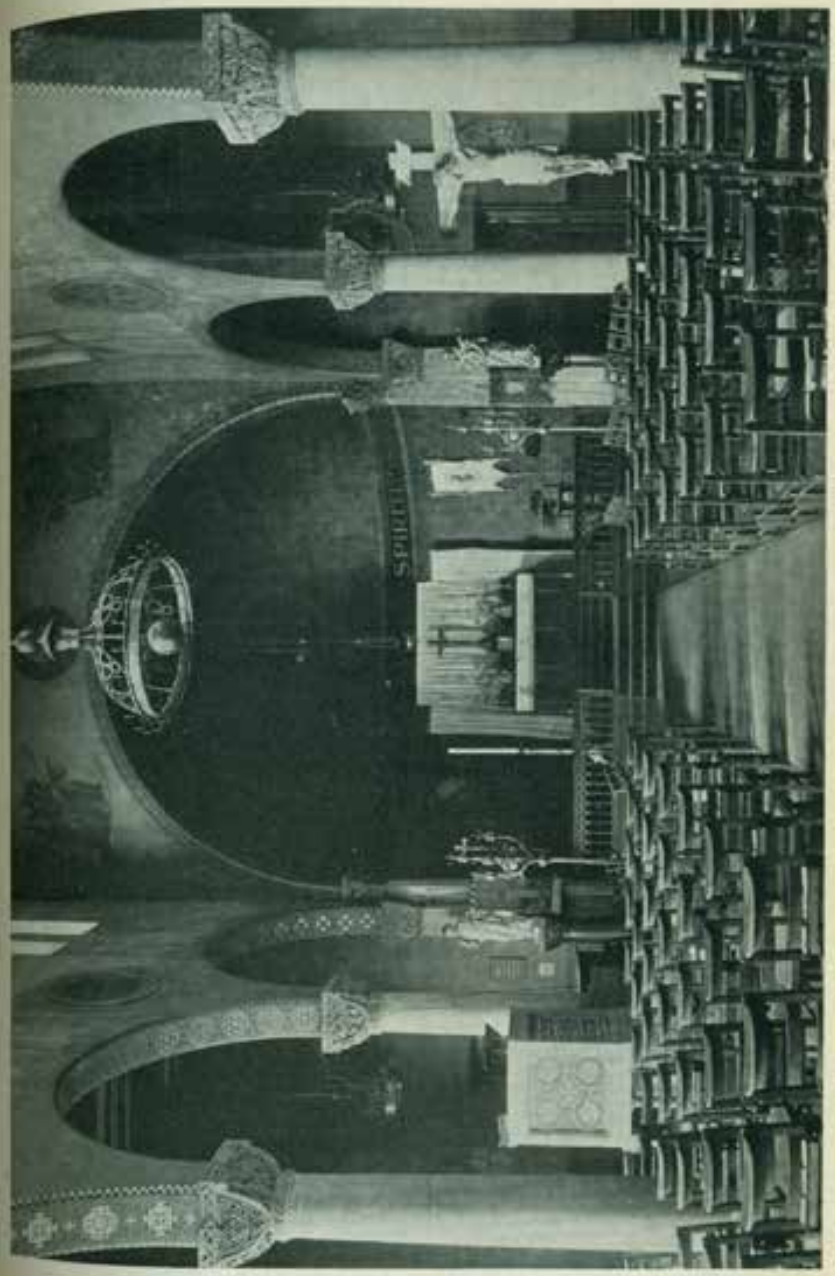

The House has been open for men every evening, Saturdays and Sundays, during the past winter. This has been possible because of the superintendent of this work residing in the House. He has been on call for duty at all times, and from early morning until late at night has been engaged in some phaze of this new work among men. It demands a close personal interest in every man, interceding with a family, finding jobs for men out of work, keeping others at their employment, ever on the alert to help some one over the rough places that might undo previous efforts for good. To do this more effectively, we need men to volunteer and act as the good friend, adviser, the sympathetic "brother's keeper" to someone less fortunate than himself.

THE GOSPEL MISSION

Chaplain—The Vicar

Leader—Mr. E. C. Mitchell

Material aid without religion is distinctly un-Christian. Our plan is to connect up the men's work with the

Interior of St. Mary's Chapel.

spiritual life of the Church. The Gospel Services, held every Friday evening in the Parish Hall, serve as the bridge to connect the Neighborhood House with the Church. The religion of our Lord and Master is taught in the simplest possible way and the services are of a character understandable to everyone.

They have shown us wonderful possibilities. The attendance of men has been from seventy-five to two hundred at each service. Many have come regularly. A good percentage have become attendants at the Church's services on Sundays.

Most of the men who make up the Friday evening congregation belong to the southern section of the city and the floating population of the Wayfarer's Lodge, at 1720 Lombard Street, which institution has heartily co-operated with St. Michael's in the work of reaching men. The services are hearty and full of inspiration, at the same time as reverent as though held in the church. The one aim has been to rekindle in these men a vision of God and the things worth while in a Christian life.

ST. MICHAEL'S HOUSE

2006 Bainbridge Street

Under the care of Neighborhood House Committee

Chairman—THE VICAR

St. Michael's House offers a home to self-supporting, clean-living men, Christian men. It was completely furnished by the committee, aided by several members of the Parish Church. There are accommodations for fifteen men, which can be increased as the need demands. The primary purpose of the House is to give the men better accommodations than the ordinary furnished-room house can provide and in a neighborhood away from the temptations of the crowded centre of the city. It makes possible to these men, most of whom are practically alone in the world, good companionship in a Christian home, wholesome recreation in our own Neighborhood House, and living so close to the Church that attendance easily becomes a part of the daily round. The only qualifications insisted upon in members of the household are clean living and loyalty to the work and spirit of St. Michael's Chapel. The new House will be entirely self-supporting.

St. Mary's Chapel

Special work among the colored people was started by St. Mark's in 1893. Consent being given by the neighboring Churches of Holy Apostles, Mediator, Ascension and Christ Chapel, Nos. 1623 and 1625 Lombard Street were purchased for a Mission House, No. 1627 being soon after added. On the 28th of June, 1896, the cornerstone was laid of the present Church, which occupies a lot 48 by 115 feet on Bainbridge Street, between Eighteenth and Nineteenth Streets. The Church is of Italian architecture, from designs by Hazlehurst and Huckel. The interior is strikingly handsome and contains a number of memorial works of art.

Statistics and Finance

The financial report for the fiscal year ending March 31, 1916, follows. It will be seen from an examination that it divides itself into four parts, namely:

1. General (Parochial), dealing with all items pertaining to St. Mark's.

2. Special (extra-Parochial), pertaining to Diocesan, Domestic and Foreign Missions, and to the collections for special objects, Communion Alms, etc.

3. Parochial Missions. Included under this head are the Chapels of St. Michael's and St. Mary's, the Sisters of St. Margaret, St. Mark's, Home for Aged and Infirm Women, and St. Michael's Kindergarten.

4. Trust Account, in which is recorded the collections and disbursements for special objects within the parish, in accordance with the wills and deeds of the testators and donors.

Special attention is directed to the account of the Parochial Missions. At St. Michael's the people contributed $536.28 in the offertories over and above the sum contributed in the preceding year. In addition, they collected $293.54 for repairs and supplies, and contributed $85.17 for Domestic and Foreign Missions. This reflects great credit upon both the Vicar and the congregation of St. Michael's. A committee, composed of ladies of St. Mark's, collected and contributed the further sum of $1,453.17 for special repairs to the Vicarage and Neighborhood House. From the general funds of St. Mark's parish, a further sum of $1,493.44 was transferred to the Parochial Mission account for the general expenses of St. Michael's. The total cost of maintenance of this Mission during the fiscal year just closed was $5,912.51. At the April meeting of the Vestry, in 1915, two additional properties (previously rented) were handed over to the Mission, one to be used as a Vicarage, the other as a Neighborhood House.

During the year the collections at St. Mary's amounted to $1,001.12. This was a decrease from the preceding

year of $371.92. It is to be noted, however, that the people of St. Mary's contributed $103.00 to Domestic and Foreign Missions and $12.05 for the House of St. Michael and All Angels, raised for repairs and supplies $95.54, and received from St. Mark's for the general up-keep of the Mission $1,581.08. The total cost of maintenance during the year for this Mission was $3,741.13.

The subscriptions to the Budget during the fiscal year amounted to $7,189.80. This is a decrease from the preceding year of $830.12. The amount contributed in the parochial pocket of the Envelopes amounted to $2,423.47. This is a decrease of $58.73 from the previous year.

If the parish is to meet, in a satisfactory manner, its many obligations, and is to take advantage of its many opportunities from its strategic position in what is now the heart of the city, to do progressive work in its own Missions and outside of its parochial limits, the subscriptions to the Budget should be annually at least $9,000, and the sums given through the Envelopes materially increased.

It is only possible to supply what the parish now does towards each Mission, preventing what would be otherwise a yearly deficit, and adequately support St. Mark's Home and the Sisters' House, through the Budget. The Vestry, however, will find increased difficulty from year to year in financing the parish (the smallness of our balance on March 31st makes this self-evident) unless the number of subscribers to the Budget can be increased and the total amount raised to the sum suggested above.

PHILIP H. BRICE,
Accounting Warden.

YEAR BOOK

OF

Saint Mark's Parish

PHILADELPHIA

PENNSYLVANIA

1917

Preface

OUR YEAR BOOK for 1917 appears in a more condensed form than heretofore. I do not believe, however, that any of the items for which a year book is generally referred to have been omitted.

The past season has been a prosperous one, and one in which St. Mark's has taken more than usual interest in affairs outside the Parish.

The appeal for $1,000,000 for the Church Pension Fund met with a generous response. Our contribution amounted to $39,796.43.

On Easter Day our offerings were given to the Belgian Children's Relief Fund to supply the additional rations needed to maintain health. The collection amounted to $2,712.50, a sum which will support 450 children of the town of Hombeeck for six months.

Let us thank God that we have had the means as well as the will, to help the Belgians in their hour of need.

On the First Sunday after the Epiphany, with the help of a men's choir of the Fortnightly Club, Gounod's Second Mass of the Orpheonistes was rendered with full ceremonial. It was a memorable service.

The visit of the Russian Cathedral Choir, on March 8th, should also be recorded. The choir in their brilliant vestments rendered portions of the Russian Liturgy, to the music of Tschaikowsky and Rachmaninoff. The congregation of musical people listened with profound reverence.

The Fiftieth Anniversary of St. Mark's Vested Choir was observed April 22d and 23d and was the occasion of many pleasant reunions.

Queen Mary's Needle Work Guild, not a parish organization, but housed at St. Mark's, has sent 280,000 articles to Allied hospitals.

Much might be said of the splendid work at St. Michael's and St. Mary's, but I leave the pages of this book to give details.

The Kindergarten School, under the management of the St. Mark's Board of Education, is continuing its useful work in the Parish Building adjoining St. Michael's Chapel. The children are much interested and very happy. Many of them did not know how to play when they first came to school, and it is interesting to note their general development under the Kindergarten training.

MRS. PHILIP H. BRICE — MRS. E. H. MCCULLOUGH
MRS. WALTER H. BRYANT — MRS. CLAYTON MCELROY

St. Mark's Home for Aged and Infirm Women

There have been no changes in St. Mark's Home during the past year. Many applications for admission have been received, but owing to our very limited accommodations have been necessarily refused. No cases of serious illness have occurred and the usual quiet and happy routine of life has been followed.

Although four of our inmates are past eighty years of age, all have enjoyed an outing at the seashore and trips to the park and the country, provided by our friends.

The Home has also been generously remembered at Thanksgiving Day and Christmas, and on the annual Donation Day, when besides donations in money which were sent to the Accounting Warden, many acceptable gifts of groceries and provisions were received.

In order that we might have the blessing of those who give as well as receive a branch of the Woman's Auxiliary to the Board of Missions was started in the Home last autumn. Monthly meetings are held in which all are deeply interested, missionary information is given, and a delegate attends the meetings at the Church House. A "tea" was held in February and the proceeds, together with other collections, were included in the amount given by S. Michael's Branch of the Woman's Auxiliary.

Our thanks are due to all who have kindly shown interest in the Home by their prayers, their gifts and personal service.

JANE FRANCES, *Sister in Charge.*

St. Mark's League of Intercession

The League has done its usual quiet work this year. The members have very generally taken part in the special days of Corporate Intercession, even those who have moved to distant States but have continued their membership and interest.

The Day of Intercession for the Parish in Advent was well attended. The Day of Corporate Intercession for the Church was conducted this year by the Rt. Rev. Wilson R. Stearley, D.D., Bishop Suffragan of Newark. In spite of the very bad weather, the church was well filled during the morning services, and also in the afternoon, many of the Clergy and a number of other men coming in during the day, which was very gratifying and encouraging.

It is a matter of regret that so small a proportion of our parish take part in this work of Corporate prayer. Surely during the coming year, when the greatest thing we can do for our Nation is to pray for it, we hope the League will have a large increase in membership.

D. N. C. Brock,
Chairman.

Bible Classes

Sister Lydia M. Miss Cooke

The Sunday School meets every Sunday morning at 9.30 A. M., and the Bible Classes at 7.30 P. M. The course of instruction is so arranged as to meet the requirements of the children entering the full Church life at Confirmation and to be able intelligently to take part in the Church's corporate worship. This latter is practically carried out by having the children attend the 10.30 o'clock Mass every Sunday. It has resulted in an attendance of an average of one hundred children every Sunday at the Lord's own service.

Guilds

SAINT STEPHEN'S GUILD

Warden and Chaplain—THE VICAR
Sub-Warden—GEORGE VOSS
Secretary—FRANK A. SIDDALL
Treasurer—JOHN CULP

Members, 45; Honorary Members, 2; Visitors, 3.

St. Stephen's Guild exists primarily for definite religious work among men. Not the least of their efforts has been the splendid fraternal spirit developed by their weekly meetings of social intercourse and recreation and their quarterly entertainments for all the men of the Congregation. Through the work of the Guild almost one hundred dollars was raised for improvements on the Church property.

SAINT MARTIN'S GUILD

Chaplain—The Vicar

Warden—William Conly

Sub-Warden—Frank A. S. Siddall

Secretary and Treasurer—George A. Campbell, Jr.

Members, the Acolytes of the Chapel.

Active, 15; Probationers, 10

St. Martin's Guild meets monthly, on the last Sunday of each month at 5.00 P. M. After the Guild Office is said and the activities of the Society attended to, all the members enjoy supper together in the Mission House. Every member of the Guild has a place in the Chancel and occupies that place whether required to serve or not. The Warden of the Guild completed twenty years of continuous service at the Altar of St. Michael's at Easter, and most of the members have served from five to fifteen years.

SAINT MICHAEL'S TOTAL ABSTINENCE SOCIETY FOR MEN

Chaplain and President—The Vicar

Executive Committee

Miss E. L. Leaf, Miss Cooke, Mrs. Albert Lucas

Secretary and Treasurer—John McLean

Visitors

Thomas Baker, John McLean, William Kehrum

Number of Members, 50

The Saint Michael's Total Abstinence Society stands for that reconstruction of character shown by leading a converted life in the practice of the Catholic religion. The Society is especially meant for the group of men who should not drink intoxicating liquors, and we include wine, cider and drugs. Weekly pledges are taken

and buttons bestowed after a given period of sobriety, and recalled when the pledge is broken or attendance irregular.

The work is necessarily of a special character, and religious sympathy, relief and discipline are used in our reconstruction scheme. The Chapel is the spiritual home for all who will use it. As a rule, the men like the definite personal religion as taught at Saint Michael's, and this year, as usual, we presented candidates for confirmation. The meetings are held weekly, from twenty to thirty-five being present.

SAINT MICHAEL'S GUILD

Superior—Sister Lydia Margaret

Assistant and Junior Guild Mistress—Miss K. Buckley

Secretary—Miss E. R. Seckel

Treasurer—Miss M. S. Buckley

Members: Associates, 8; Seniors, 26; Juniors, 22; Probationers, 17; Total, 72

GUILD CLASSES

Singing Class—Miss McClellan

12 Members

Embroidery and Wool—Miss Seckel, Miss M. Campbell

6 Members

Dancing Class, Juniors—Miss Haring

Besides the Classes, the members of the Guild have provided Altar linens, sent over 200 pieces of clothing to the people of the Pines in New Jersey, given over fifty dollars towards Chapel expenses and one hundred dollars to start a fund for a new Parish House.

MOTHERS' UNION

Under the Direction of Mrs. Brinckerhoff and Mrs. Lucas

Secretary—Mrs. McHenry
Treasurer—Mrs. Siddall
Number of Members, 60

Meets every Friday, from All Saints to Whitsuntide, and monthly, from May 1st to November 1st.

The special work done by the Union during the year has been the making of Cosy bags for the soldiers in France, pillows for the Red Cross to be used by wounded soldiers and a number of cottas for the boys of the choir.

WOMEN'S AUXILIARY
ST. MICHAEL'S BRANCH

President—Sister Lydia
Vice-President—Mrs. Frank Walker
Secretary—Mrs. Voss
Treasurer—Miss Tapper

Number of Members, 39

St. Michael's Branch of the Women's Auxiliary was formed two years ago. It has steadily grown and increased the interest of the whole congregation in the cause of missions. The special work undertaken this winter was the preparation of a box of new clothing for children of the Niobrara Indians of Nebraska.

THE KINDERGARTEN
UNDER THE CARE AND MANAGEMENT OF ST. MARK'S BOARD OF RELIGIOUS EDUCATION

Miss McElwee, *Teacher*

Number of pupils, 20

The sessions of the Kindergarten are held in the Parish Hall, daily, from 9 until 12 A. M. The majority of the children attending the school this year have belonged to families of St. Michael's congregation.

SOCIAL WORK OF ST. MICHAEL'S

The Conference

Chairman—The Vicar
Secretary—Miss Leaf
Treasurer—Mrs. Lucas

Meets every Monday, at 9.30 A. M.

The purpose of this conference is to afford an opportunity for the personal workers and visitors of the Chapel to meet and discuss plans for the more efficient carrying on of the work. The committee administers the funds for all temporal aid. Special appeals for the latter are brought before the conference and by taking counsel together, the best method of giving assistance is arrived at. Personal visits are frequently made so that at all times the Chapel is kept in close contact with all of our people.

Sickness and high cost of living have made large demands upon the financial resources of the committee. These funds are provided by a monthly grant from the Rector's Fund and contributions of individuals.

ST. MICHAEL'S STORE

Manager—Mrs. Lucas
Treasurer—Miss Leaf

The store is open for business on Wednesday mornings and Friday afternoons, except during the summer months. All kinds of necessary articles for the home and clothing are purchased at wholesale rates and sold for cost price. This means a considerable saving in money and payment may be deferred until a more convenient time to the purchaser. The amount of business this year exceeds that of any previous season, with a larger number of people benefited. The store was able to close its books with not a cent owing from any of the customers.

THE MEN'S YEARLY BENEFICIAL SOCIETY

Treasurer—Samuel J. Gray

This organization comprises over eighty members who form a new Society each year to protect themselves and families in case of sickness or death. An entrance fee of one dollar is charged and monthly dues of fifty cents. In case of sickness, five dollars a week is paid and should a member die, one hundred dollars is paid to his family. At the end of the year the balance in the treasury is divided equally among the members. Over six hundred dollars was paid in during the past year with less than half this amount claimed for relief.

THE WOMEN'S MUTUAL AID SOCIETY

Treasurer—Miss Helen Somerset

Any woman of good moral character, in sound health, and not less than fifteen nor over fifty-five years of age, is eligible for membership. There is an initiation fee of fifty cents, with monthly dues of twenty-five cents. In case of illness, sick benefits of three dollars a week are paid for a period not exceeding thirteen weeks. In case of death, funeral benefits of twenty dollars are allowed with an additional assessment of twenty-five cents upon each member. Meetings are held on the first Tuesday night of each month.

Number of members	124
Total paid in	$472 07
Sick benefits	99 00
Expenses	37 03
Amount returned	336 04

COAL CLUB

Treasurer—Sister Lydia Margaret

Anyone may join this Club. Sums not exceeding one dollar are collected and coal supplied at a reduced cost, though not more than six tons in one year. About five hundred dollars was deposited by the members during the year.

The Children's Work—Sister Lydia

The neighborhood about St. Michael's is simply filled with children of a half-dozen nationalities. The classes conducted by the young ladies are intended primarily to bring these children under a strong moral influence, to show them a better and more wholesome way of living, and to extend a friendship and kindly interest that will win them for the Church. By coming into contact with over a hundred and fifty of these young friends of ours, St. Michael's has not only come to be well known to the people of this section, but the advice and help of the chapel is being sought for in many ways. Some of the children now represent the House in every department of the Church's activities—the Sunday School, the Guilds, the Choir and the Confirmation Class. There has been an abundant return for the efforts so far put forth and greater possibilities are opening to us all the while.

MEN'S WORK

The House has been kept open in the evenings for men with a committee of the T. A. Society men in charge. The reading room and library have proven useful agencies and opportunity for personal work was afforded. Men requiring assistance have come here and in every possible way this has been granted. As a consequence many have been helped to employment and assisted over the rough places at the start. Whatever success in our work among men has come to us, it is due largely to the volunteer assistance of our own men and their sympathetic friendship offered to all who would try to do right.

THE GOSPEL MISSION

Chaplain—The Vicar

The definite purpose of the Friday Evening Gospel Service has been to place before the men who have gone under in dissipation and sin, the way out to a life of usefulness. Men come to these services with conscience stained, bodies so often wrecked and hope almost dead. The Church is held out to them as God's way of cleansing the soul, sympathetic helpfulness is offered so that the body may be built up and the way made possible to face the world again as men, ready to do a man's part, and to enkindle a hope that will sustain in time of temptation and trial.

Men have come to these services from various parts of the city and from the Wayfarer's Lodge, where we have had the co-operation of the authorities. Many of these men have been helped in obtaining work, they have attended the Church's services, but best of all a large group have sought the spiritual relief that the Church offers and have made a splendid new start in life.

ST. MICHAEL'S HOUSE

2006 Bainbridge Street

Under the care of Neighborhood House Committee

The House offers to self-supporting and clean-living men a home with all the wholesome surroundings that the Church can give. The spirit of helpfulness has been engendered and many men have been helped through a crisis in their life by their fellows living in the House. The only qualifications insisted upon in members of the household are clean living and loyalty to the work and spirit of St. Michael's Chapel.

YEAR BOOK

OF

Saint Mark's Parish

PHILADELPHIA

PENNSYLVANIA

1918

Preface

It seems fitting to preface this year book of 1918 with a brief notice of the more important matters of our parish history since St. Mark's Day, 1917.

There has been one change on the Clergy Staff. Rev. Charles D. Fairman resigned as Assistant at St. Michael's November 1st, and Rev. Carl I. Shoemaker has taken his place.

The Choir continues to maintain a high standard of artistic efficiency. On the First Sunday after the Epiphany, Gounod's Second Mass of the Orpheonistes was given again, with the aid of the Fortnightly Club. The music on Easter Day received wide commendation. During the past year special attention has been paid to plainsong settings, and the Missa Marialis sung frequently on Sunday mornings. A sum of money has been given in memory of the late Mr. W. H. Newbold, to be expended at the discretion of the Rector and the Choirmaster, for the benefit of the junior choristers.

In Lent, the congregations of Saint James and Holy Trinity worshipped with us during the week, on account of fuel shortage. The services were "Union Services" in the best sense of the term, the clergy of the different parishes taking turns in conducting them, assisted by the several choirs. The congregations were large, and the collections, amounting to $522.32, were given to the City Mission to help in its work of providing fuel for the poor.

Bishop Rhinelander delivered the last two of his lectures on "Religion in War Time" at St. Mark's. Bishop Matthews conducted the Corporate Day of Intercession on February 20th. Father Hughson, of the Order of the Holy Cross, gave a most helpful Conference for the Parish, March 10th to 17th, inclusive.

The war has occupied a prominent place in our thoughts and hearts. I think I can say that the large majority of St. Mark's people are engaged in some form of war work. We have contributed $2,518.57 to the War Commission. Our Honor Roll of men in active military service contains seventy-three names. Two are marked with crosses: Captain F. Averay Jones, our former organist, shot at the battle of Cambrai, and Lieutenant Commander Richard McCall Elliot, killed in convoy service.

We have also to chronicle the deaths of a number of our older members: Mr. W. H. Newbold, Mr. Wainwright, Mr. Thomas Roberts, Mr. Horace Brock, Miss Reintzel, Mrs. Prevost, Miss Sarah Hart, Mr. W. L. Savage, Miss Keim, Mr. W. M. Camac.

May they rest in peace.

During the summer and early fall, the buildings of our entire plant, St. Mark's, St. Mary's and St. Michael's, were thoroughly overhauled and put in complete repair. The work was expensive, as in some cases nothing had been done to the building for a long time.

ELLIOT WHITE.

HORACE BROCK

The members of the vestry of St. Mark's Church have heard with regret of the death, on August 4, 1917, of their fellow-member, the late Horace Brock.

Elected a vestryman in the year 1909, Mr. Brock took an active interest in the work of St. Mark's, and was always ready to help in the various parish agencies.

St. Mark's parish and the Church at large have in his death lost a valuable member.

The vestry hereby records its appreciation of Mr. Brock's services.

Requiescat in pace.

WILLIAM MASTERS CAMAC

The sudden death of William Masters Camac, a vestryman of this parish, occurred on Saturday, April 20, 1918.

Elected in 1895, Mr. Camac had been an interested and dependable member of this body from that time until his death. He was constant in his attendance both at services and at vestry meetings.

He took a vital interest in the affairs of St. Michael's Mission and rendered valuable service as a member of the special committee in charge of that work.

These local activities were an index of his interest in the Church at large.

It is perhaps unnecessary to say that we shall miss him constantly.

His life presented an example which those of us who remain may do well to follow.

May he rest in peace.

REPORT OF THE LINEN DEPARTMENT

The year from Easter, 1917, to Easter, 1918, has been very uneventful. There has not been a very large amount of work accomplished, as there have been few workers offering their services. Fine sewing seems to be a lost art.

We have been able to send as presents two sets of Altar linen, one to the Philadelphia Navy Yard and the other to a church at Morgantown, Tenn. We have also presented to the Navy Yard Chapel a Surplice, Alb and Girdle. We have also given to a small private chapel a Fair linen.

A very beautiful Fair linen has been presented to St. Mark's Church by one of the parishioners.

We have given away four Albs and one Surplice.

Five Surplices have been ordered and have been paid for.

There were also Altar linens for a private Communion service ordered and paid for, and have been sent.

I hope the coming year more workers will offer their services and more work accomplished.

Sarah C. Drayton,
In charge of the Linen Work of St. Mark's Altar Society.

St. Mark's League of Intercession

The League has carried on its usual work during the past year, and the days of Special Intercession have been very generally observed. The Day of Corporate Intercession for the Church, the first week in Lent, was conducted this year by the Rt. Rev. Paul Matthews, Bishop of New Jersey, and was well attended. It is a great joy to have with us on this day members of other parishes who are interested in this work.

In our last report the hope was expressed that there would be a large increase in our membership during the coming year, through a realization that the greatest thing we can do for our country and the world in this crisis is to pray. This hope has not been realized, but is not dead.

The call in this world tragedy to a League like ours, is a call for increased effort and energy. If we are faithful in our work, its influence will be felt, not only in our parish, but throughout the world.

D. N. C. BROCK, *Chairman.*

St. Mark's Home for Aged and Infirm Women

1919 Lombard Street

Under the Care of the Sisters of Saint Margaret

Sister in Charge—Sister Jane Frances

President—Rev. Elliot White

Secretary—Mrs. W. H. Newbold

Treasurer—Miss Margaret M. H. Thomas

Board of Managers

The officers above mentioned, the Sister in Charge, and

Mrs. Philip H. Brice — Mrs. E. H. McCullough

Mrs. Walter H. Bryant — Mrs. Clayton McElroy

We have no change to report in St. Mark's Home during the past year, and nothing of special interest has occurred. One of the inmates suffered a slight stroke of paralysis in August, and has been confined to her room since that time. The others have continued in good health, and all have been able to enjoy occasional outings and treats provided by the Summer Fund.

Our grateful acknowledgments are due to the many friends of the Home who have generously remembered it at Thanksgiving Day, Christmas and Easter, besides sending gifts on the annual Donation Day. Two ladies of the parish have also kindly given some time every week to visiting the Home and reading to an old lady who has lost her sight, and another friend has beautified our roof garden with flowering plants. For all these acts of kindness, and for the prayers and alms of those who support the Home, we desire to return our sincere thanks.

Sister Jane Frances, S.S.M.,
Sister in Charge.

SOCIAL WORK OF ST. MICHAEL'S

The Conference

Chairman—THE VICAR

Secretary—MISS LEAF

Treasurer—MRS. LUCAS

Meets every Monday, at 9.30 A. M.

The purpose of this conference is to afford an opportunity for the personal workers and visitors of the Chapel to meet and discuss plans for the more efficient carrying on of the work. The committee administers the funds for all temporal aid. Special appeals for the latter are brought before the conference, and, by taking counsel together, the best method of giving assistance is arrived at. Personal visits are frequently made, so that at all times the Chapel is kept in close contact with all of our people. The conference keeps in touch with the various charity organizations, for the purpose of co-operation and to prevent duplicating assistance.

YEAR BOOK

OF

Saint Mark's Parish

PHILADELPHIA

PENNSYLVANIA

1919

Preface

This year has been one of many changes. While the income of the parish has remained stationary, increased expenses involved us in a debt, amounting July 1st to $4,500. In order to retrench, the Vestry decided to dispense with the curate at St. Mark's, to reduce the cost of the choir, to discontinue the services of a visitor at St. Michael's, which, with some other economies and the devotion of a third of the Easter collection, have reduced the deficit more than one-half.

The absence of a curate at St. Mark's made it obviously necessary to discontinue a number of services that were very little attended. The congregations in general have improved. On Sunday morning they have been larger than heretofore. The Sunday evening service has had an attendance several times as great as the old afternoon service. The early Communions in Lent had so many present that it was deemed best to hold them at the side altar instead of in the Lady Chapel.

I take this opportunity to place on record my grateful appreciation of the invaluable assistance rendered me by the Reverend A. J. Arnold, and for the Sunday sermons of the Bishops of Milwaukee, Salina and British Honduras, and Dr. Percy Dearmer.

The terrible epidemic of influenza in early October was without parrallel in our history. In obedience to the orders of the health authorities we, with the other

churches of the city, closed our doors to the public one Sunday, and on the other two limited our congregation to twenty. There were over a hundred cases of influenza at St. Michael's and a somewhat smaller number at St. Mary's. St. Mark's escaped almost entirely. We lost, however, two of our most devoted young men, James Spence, the acolyte at the Sunday early service, and Norris J. Hodson, for nearly ten years a member of the choir. May they rest in peace.

The bells of St. Mark's rang out at the signing of the armistice, which, as Dr. Dearmer noted, was at the eleventh hour of the eleventh day of the eleventh month. On December 8th following we held a British Day Victory service, at which the church was crowded. Another interesting service was that on April 27th, at which the entire center of the church was filled with Greeks, the occasion being the visit of the Rt. Rev. Alexander, Bishop of Rodosto, acting archbishop of the Greek Orthodox Church.

I would again commend the choir for its remarkable efficiency under the adverse circumstances of decreased appropriations and the uncertainties created by the draft. I note with pleasure another gift, increasing the endowment of the W. H. Newbold Choir Prize.

St. Mark's did faithful service in the Every Member Campaign of last March. 149 cards were returned as a result of the canvass. I feel sure that the benefit of the campaign will be felt in the added interest and work of the parish.

St. Mark's League of Intercession

In addition to the regular work of the League this year, there was given to it by the Rector the carrying out of the Advent Call for Prayer. For this work not only members of the League but members of the Woman's Auxiliary volunteered, and the response was most encouraging. Through this campaign and the Every Member canvass, four new members were added to the League, which was very gratifying, although we had hoped for a larger response.

The Annual Day of Intercession for the Parish in Advent was conducted by Father Hughson, and was well attended and most helpful. Bishop McCormick had promised to take the Diocesan Day of Intercession the first week in Lent, but at the last moment was prevented from doing so by reason of illness. The Rev. C. S. Hutchinson, of St. Clement's, consented to fill his place. The League as well as the large congregations who heard his addresses, and were helped by his leadership in intercession, are very grateful for his kindness.

Several leaflets have been issued by the League during the year, and these and the Intercession Books are still in great demand through the country.

The problems of peace are as great as the problems of war. The unsettled condition of the world is reflected in the unsettled condition throughout the Catholic Church. Never has the work of the League been more needed than today, and the call to "pray without ceasing" should be heeded by every member of the League.

The Home has gone on as usual during the past year, only one change occurring in the household. Mrs. Mary Baird, an inmate since March 8, 1910, died on October 29, 1918, after an illness of 15 months. She had been a faithful communicant of the parish for more than forty years, and was known and respected by many of its oldest members. The vacancy has been filled by the admission of Miss Ella Thorn, a member of St. George's parish. We desire to return our warmest thanks to the many friends who have continued their benefactions to the Home during the year, and to assure them that their generous kindness has been gratefully appreciated by the Sisters and the old people.

SOCIAL WORK OF ST. MICHAEL'S

The Conference

Chairman—The Vicar

Secretary—Miss Leaf

Treasurer—Mrs. Lucas

Meets every Monday, at 10.00 A. M.

The purpose of this conference is to afford an opportunity for the personal workers and visitors of the Chapel to meet and discuss plans for the more efficient carrying on of the work. The committee administers the funds for all temporal aid. Special appeals for the latter are brought before the conference, and, by taking counsel together, the best method of giving assistance is arrived at. Personal visits are frequently made, so that at all times the Chapel is kept in close contact with all of our people. The conference keeps in touch with the various charity organizations, for the purpose of co-operation and to prevent duplicating assistance.

YEAR BOOK

OF

Saint Mark's Parish

PHILADELPHIA

PENNSYLVANIA

—

1920

Preface

The past year has been a prosperous one. The congregations at St. Mark's on Sunday mornings have been somewhat larger, and those on the evenings considerably so. Many new faces are appearing. The Confirmation of Easter Even of 1919 (the one reported in our Parish Statistics) was equal in number to any since 1906; this year's, 1920, larger than any since that date. The decrease in the number of communicants is apparent, not real. Over a hundred names have been carried for the past six years on the list, of which the addresses were quite unknown. In the Nation-Wide Campaign a search was made for these vanished communicants, and subsequently the names taken from the list of those "who having removed from the parish without notice, after reasonable time, and due effort, cannot be traced." St. Mark's now reports 530 communicants for 1919; 550 for 1920.

The financial showing of the annual report in January was the best in several years.

On May 29th, Pennsylvania Division No. 1, of the Knights Templar, consisting of eight Commanderies, took part in the service of Ascension night. The knights, in full uniform, filled the entire body of the church and about half of the side aisles. The service excited much interest and was certainly inspiring.

The Sisters of St. Margaret, for so many years connected with St. Mark's and its Chapels, with St. Clements and with St. Michael and All Angels' Home for Colored Cripples, have found it expedient to open a house, 1831 Pine Street, where the sisters can live

together, and from which they may go forth to work. We still have two working in the Parish, at St. Michael's and St. Mary's respectively.

The St. Mark's Home for Aged and Infirm Women was closed in September. The three inmates for whom the Parish was responsible, because of their entrance fee, were transferred by a satisfactory arrangement to Christ Church Hospital, as were also three boarders. They are all reported to be very happy in their new home with its open and beautiful surroundings. This rearrangement will result eventually in a considerable saving to the Parish.

During the fall, a Men's Choir was organized for the study of sacred music somewhat on the lines of one which flourished here some twenty-odd years ago. It has rendered notable assistance on several occasions.

The Chapels have also been unusually prosperous, and plans are now in contemplation to give them, if possible, complete independence.

During the year we have lost through death a number of well-known and prominent members: Mrs. Robins, Dr. Wilson, Mr. and Mrs. Doran, Mrs. Leidy and Miss Ann Bacon Smith. God grant them His eternal rest.

This is the last report in which my name will appear as Rector of St. Mark's. I have accepted a call to become Dean of the Cathedral of Fond du Lac, and leave for my new duties immediately after Convention. To my many kind friends, who have been so constant in assisting me with their interest, their good words, their prayers, their labors and their gifts, I bid a cordial farewell, with best wishes for the future.

St. Mark's League of Intercession

The League has continued its quiet work as usual throughout the year.

The Rev. Samuel B. Booth, of the Diocesan Church, conducted the Quiet Hour and gave us a helpful and stimulating address on the Annual Day of Intercession for the parish in Advent. Rev. Leicester C. Lewis, D.D., of the Western Theological Seminary, conducted the

Corporate Day of Intercession in Lent, and all who heard him have expressed their gratitude to the League for giving them the privilege of hearing these wonderful addresses and the help of his leadership in Intercession.

The League has realized that good Intercession means praying with the understanding. "Ye ask and receive not, because ye ask amiss," the Apostle tells us. The League, therefore, has added to its work the issuing of leaflets and helps to Intercession through informing the mind and stimulating the will. The Red Book is still in great demand. This year another venture was made in issuing its companion, the Green Book, for the Nation-Wide Campaign. It has passed through the first edition of twelve thousand copies.

That men and women everywhere are reaching out to God, "if haply they might feel after Him, and find Him, though He be not far from every one of us," is evidenced in the constant and increasing call for books professing to tell about God, His relations to men, and the life hereafter. The circulation of books and pamphlets on Spiritualism, Christian Science, Theosophy, etc., makes us realize the heart-hunger among men and women today, and the need for Christian literature and teaching.

Great problems are ahead of us in our Parish, our Diocese, our Nation and the World. We feel so small, so insignificant, so helpless in the face of it all; but as we turn our back on this and face God, laying hold upon the promises made to those who pray in His name, we realize how great is our power, our privilege and our responsibility. God grant we may be faithful.

SOCIAL WORK OF ST. MICHAEL'S

The Conference

Chairman—The Vicar
Secretary—Miss Leaf
Treasurer—Mrs. Lucas

Meets every Monday, at 10.00 A. M.

The purpose of this conference is to afford an opportunity for the personal workers and visitors of the Chapel to meet and discuss plans for the more efficient carrying on of the work. The committee administers the funds for all temporal aid. Special appeals for the latter are brought before the conference, and, by taking counsel together, the best method of giving assistance is arrived at. Personal visits are frequently made, so that at all times the Chapel is kept in close contact with all of our people. The conference keeps in touch with the various charity organizations, for the purpose of co-operation and to prevent duplicating assistance.

Saint Mark's Church, Philadelphia

YEAR BOOK

OF

Saint Mark's Parish

PHILADELPHIA

PENNSYLVANIA

1921

Preface

My first word in the Preface must be an expression of appreciation of the service rendered to Saint Mark's by the Rev. Frank Williamson, Jr. Father Williamson gave devoted, wise and competent pastoral care to the parish during the time that intervened between Father White's departure and my coming into residence. I know what the effect of Father Williamson's ministry has been. Saint Mark's will never forget it.

I have been greatly impressed also by the incessant and painstaking labors of the Parochial Secretary, Miss Little. One needs to have but occasional contact with the office to become aware of this. Constant contact reveals the self-sacrifice and competency of Miss Little's devoted work.

I have only been in office for three months. I cannot, therefore, do more than direct your careful attention to the reports contained in this book. I have been impressed by the number of competent and devoted workers in Saint Mark's. The work so wisely planned by my predecessors is splendidly staffed. And there are unlimited resources of personal power waiting to be released for new work. Each time that I have called for enlistments, the response has been impressive. And this applies to the young members of the parish. There is a body of young men and women at work, who will, if I am not mistaken, accomplish much for Saint Mark's.

Several new organizations have been formed: The Executive Council, The Young Men's League, The Young Women's League, The Junior Sewing Class, The Confraternity of the Blessed Sacrament, Saint Cecelia's Guild, The Auxiliary to the Episcopal Hospital.

The Apartment House work is being vigorously carried forward by the Young Men's League. The League is doing real neighborhood work in visiting and welcoming strangers. The effectiveness of this kind of work lies in its persistency. The neighborhood can be won. The League is out to win it.

The Men's Choir and Saint Cecelia's Guild together number over one hundred members who are devoting themselves to the study of ecclesiastical music, under the inspiring leadership of Mr. Wadlow.

There is a quiet confidence throughout the parish. One ideal quite clearly possesses us all. Saint Mark's stands as a witness to Catholic Faith, and a Steward of Catholic Sacraments. It is a House of Prayer. Its Clergy, Sisters and people seem to fulfil their duty to their neighbors, by offering that which they well know the world cannot give. It seeks its fruits, Love, Joy, Peace, Long Suffering, Gentleness, Goodness, Faith, Meekness and Temperance. It desires to lose its life that it may find it. It seeks to do not its own will, but the will of Him that sent it. And it leaves results to God.

F. VERNON.

The Woman's Auxiliary of St. Mark's has continued its work throughout the year as usual, holding its meetings on the first Thursday of each month, with a speaker from the Mission field each time. An all-day weekly meeting was started in January, with luncheon served about noon by members of the Auxiliary. This proved a great success, much more work being accomplished, and at the end of the season the money made over the running expenses was handed to the Treasurer for the general fund. Over 100 garments were made.

The Needlework Guild continued its work, 170 garments and $20 being sent to headquarters.

The Church Periodical Club has the following report: 77 periodicals sent regularly. Contributions of periodicals, 40; Books forwarded, 57; Tracts forwarded, 500; Odd Magazines, 472; 1 Christmas box sent for Indians, North Dakota.

We are hoping for a larger membership and more work accomplished in the coming year.

FORTY-EIGHTH ANNUAL REPORT

St. Mark's Hospital Aid Association gave the household at St. Michael and All Angels their usual ice cream treat on July 4th, and the Thanksgiving and Christmas dinners. The birthday party on December 7 again took the form of a shopping day, the children preferring to buy gifts for their own people instead of having cakes and peanuts themselves.

MRS. J. GARDNER CASSATT

A committee of St. Mark's Church is in the Parish Parlor, 1625 Locust Street, at 4 o'clock on Thursday afternoons from Advent until Passiontide, to welcome members of the congregation, their friends, and strangers in town.

St. Mark's League of Intercession

The League is a society with no statistics to report—only God knows what it has accomplished. It exists for and is dedicated to the work of prayer for the Catholic Church, especially the part of it to which we belong, and this time of sore need and of great opportunity is a call to its members to redouble their efforts. Its report, therefore, is not of work done, but of work to be done.

Bishop Webb and Dr. Jenks told us recently of the seriousness of the situation, and gave us solemn warnings in no uncertain words. Lamentations and denunciations of the clergy are as useless as drives and campaigns. Only prayer and penitence will help, and every member of the Church who is not serving God in his or her vocation and ministry, and is not really praying for the Church, is responsible for the powerlessness and failure of the Church in this world crisis. We could confidently expect a real revival of spiritual life and power, said Dr. Jenks, if earnest Christian people would really pray daily the Veni Creator and the Our Father with faith, with will and with intention for the Church.

The prayer life of our League is being enriched year by year in the passing of our members from the Church militant to the Church at rest and expectant. Most of our men members (one a vestryman) are "over there." Will not you who read this report, and deplore the impotence and lack of leadership in the Church, join with us and with them in this work of prayer, share with us its blessing and the joy of being an instrument in bringing to the world a new Epiphany of our Lord and Saviour Jesus Christ.

Saint Mark's Church, Philadelphia

YEAR BOOK

OF

Saint Mark's Parish

PHILADELPHIA

PENNSYLVANIA

1922

Preface

My dear People:

The year's record is one of definite, constructive work for the General Church and for the Parish, happily accomplished. The Parish is blessed in possessing leaders of marked and outstanding ability. There is a spirit of fine loyalty and whole-hearted co-operation. There is a deep undercurrent of devotion, that carries everything before it, which flows out through the sacramental channels from the fresh springs which are in God. The result of all this is a real growth in the qualities of serenity, stability and strength. Last year was a year of fresh beginning. We faced it with simple faith. The satisfaction of the sense of achievement sends us out to meet the new year with a well-founded, happy confidence. We observe and know most of the points at which we are capable of yet better work, and we see in each a leading and an inspiration, and an opportunity to increase our strength. We know the value and we understand the necessity for constructive criticism of our work in detail and as a whole. The Executive Council is finding itself and its function. It is developing normally and is a salutary protection against superficial standards, unworkable methods, and fictitious activities. We have, I am sure, the foundation for a future, that with the blessing of God will be not unworthy of an honorable past. We will pray. We will work. We will leave results to the Author and Finisher of our work, which is His. For all that you have been to me and done for me, I have a deep and grateful appreciation.

During the year God has called beyond the Veil: Miss Mary S. Buckley, Mrs. Archibald N. Waterhouse, Miss Anne Jones Hanson, Mr. Henry Fell, Mrs. Abraham Henwood, Major Henry E. Smith, Mr. Arthur W. Booz. These are numbered forever among our faithful friends and benefactors. May they rest in peace and may light perpetual shine upon them.

There have been, this year, thoughtful and generous bequests, and memorial gifts of beauty and value. Among which may be mentioned a jewelled chalice, vestments, a silver font and crucifix for the Lady Chapel, and a strong room to contain them, together with the treasured memorials already possessed. As suggestions for the future, I suggest: (1) Great doors for the Locust Street entrance; (2) a font cover; (3) confessionals; (4) tablets for the porch on which to inscribe the names of benefactors; (5) a mortuary chapel.

The total number of Baptisms in the Parish for 1921 was 82; of Confirmations, 76.

During the past year the entire roof of the Church, including the Lady Chapel and Cloister, has been renovated and put in such condition as to last for many years. The roof of the Parish Building has also undergone considerable repairs. All this has been done at a cost of $4,090.00, which has been paid for out of the Easter Offering of 1920.

The two main furnaces in the Church have been put in first-class order at an expense of over $300.00. The tower has been thoroughly cleaned, tin flooring laid on two of the platforms, and all the windows provided with copper screens.

Arrangements have been made to have the silver altar in the Lady Chapel looked after and polished once a month by an expert silversmith.

A contract for $1,500.00 has been made for a new organ console, which will be in place shortly after the beginning of the new year.

Offices for the Rector and Parochial Secretary have been provided in the Parish Building, and these and the Parish Parlor have been painted and refurnished at a cost of about $700.00.

New electric lights, costing $100.00, have been installed in the Guild Room.

Numerous repairs have been made in the Clergy House, all the furniture in the reception room recovered, and large additions made to the general furnishing of the house.

A landscape gardener has been engaged to take care of the grounds surrounding the Church.

A great deal of work has been done at both Missions. The members of St. Michael's have raised a fund of over $2,000.00, which is to be used for repairs at their Mission, and the same firm that did the work at the Parish Church is now engaged in repairing the roof of St. Michael's Chapel, at a cost of $1,771.00, which will be paid out of this special fund.

There is no indebtedness on the Parish, and the report of the Accounting Warden shows disbursements as follows:

For Parochial Purposes	$32,676.10
For Missionary and Special Objects	43,493.32
For St. Michael's, St. Mary's and Parochial Missions	18,080.72
For the Missionary Aid Society, Employment Society and the Poor Fund.....	114.91
Total	$94,365.05

The Vestry has voted that a second Curate for the Parish Church shall be added to the Clergy Staff. We

shall then have five Priests, and St. Mark's will have resumed its full working force.

The list of Guilds gives you the call to enlist. I urge you to be an active member in at least one.

We all feel our responsibility in the matter of welcoming newcomers. More than once I have heard young men say that the most severe test in the life, away from home and in a great city, is the coming back at the end of a day to "only four walls." "Only four walls." Yes, this *is* hard. To relieve the four-wall strain is one of the obvious privileges of our ministry in the heart of this vast city. We will try.

The Daily Prayer Life at Saint Mark's is our starting point, our continuance and our end. Our hope for better Christian work is to be better Christians. It is not the work that makes the Christian. It is the Christian that makes the work. Let us go forth in peace. In the name of the Lord. Amen.

Affectionately in Our Lord,

FRANK VERNON.

The Men's Choir was organized three years ago. Gounod's Orpheonistes Mass has been sung three times at Epiphany, and five Solemn Evensongs have been sung during the seasons. The services of the entire choir are purely voluntary. The expenses have been defrayed by interested friends. We have planned for future support, two kinds of contributors: Patrons, five dollars, and associate members, one dollar, yearly.

Rehearsals are held on Wednesday evening, and are open to all the parishioners and friends.

The Church School

The Church School meets in the Parish House on Sunday mornings at ten o'clock, under the supervision of Father Williamson, assisted by Mr. Everett Reynolds and Miss Nancy Reath. Twenty-five boys and four girls have been enrolled. The attendance has been encouraging.

This organization is intended to represent the men of the parish and of the choir, all of whom are regarded as members.

Several gatherings to promote social intercourse have been held with good results. The activities of its Hospitality Committee have been important. This committee supplies the ushers for the Sunday services. It also endeavors to keep in touch with neighboring apartment houses and hotels, inviting new residents to the church services, and assisting the clergy in keeping in touch with transient Church-goers, also prospective parishioners.

Any of the men of the parish, willing to more actively assist in our committee work, will be heartily welcomed.

Miss Ellen L. Hopkins

The Auxiliary endeavors to enlist members of the Parish who are willing to contribute at least one dollar each year to the Episcopal Hospital of Philadelphia.

A cheerful willingness to respond to requests, made yearly, has always been apparent, and more than one hundred dollars has always been freely donated.

The continued interest of all our members in our Church hospital is most earnestly hoped for.

Thursday Sewing Class

Mrs. Joseph W. Lucas, The Margrave

St. Mark's Branch of the Woman's Auxiliary has continued its work throughout the year, holding its meetings the first Thursday of each month, with speakers from the Mission field whenever possible.

The weekly all-day sewing meetings have been most successful—over 300 garments were made and sent in to the Supply Bureau. A Fair was held in April, which cleared over $600. This amount was divided among a number of missionary appeals.

The Needlework Guild reported six dozen sheets and $20 were sent in to the headquarters.

A Mission Study Class was held by Mrs. Pillsbry beginning on Epiphany.

The Church Periodical Club reports the following: 72 periodicals sent regularly; 43 contributors of periodicals; 3 Bibles; 257 theological and secular books; 1593 tracts; 734 odd magazines and papers forwarded; 3 Christmas boxes sent to Virginia, Tennessee and Porto Rico; $100 given for St. Paul's College Library, Tokyo, Japan.

We are hoping this year that every member of the Auxiliary will take a vital interest in it, and forward the work of God's Kingdom on earth.

FORTY-NINTH ANNUAL REPORT

The work of the Hospital Aid Association of St. Mark's during the past season has kept to its old tradition of giving ice cream in the summer and dinners at Thanksgiving and Christmas. The treats on Lincoln's and Washington's birthdays continue, and the shopping day before Christmas proves such a success it now becomes an annual pleasure.

Parish Teas

Chairman

MRS. HORACE BROCK

Vice-Chairman

MRS. J. GARDNER CASSATT

The Parish Teas on the Thursday afternoons were well attended and afforded a pleasant meeting place for members of the parish, their friends, and strangers in town.

An extra Tea was held during Easter week, Father Hughson being the guest of honor.

The Teas have become a permanent part of the life and work of the parish, and a means of bringing us in closer touch with one another.

St. Mark's League of Intercession

President: THE RECTOR

Committee in Charge:

MRS. HORACE BROCK,

MRS. J. GARDNER CASSATT,

MISS JESSIE R. LITTLE, *Secretary,*
1625 Locust Street.

OBJECT

The object of the League is to pray:

For the whole Church: Greek, Roman and Anglican.

For the Unity of Christendom.

For the Anglican Communion, its Bishops and Clergy.

For the American Church and its Missions.

For the English Church and its Missions.

For our own Diocese and its Bishops.

For our own Parish, its Missions, Rector and Clergy.

For the conversion of the world through the instrumentality of the Church.

RULE

To spend fifteen minutes a week in prayer for these objects. This need not necessarily be all at one time, but may be divided into periods.

The members of the League are also asked, as far as they are able, to take part in the continual intercessions made in the Church on the special days of intercession.

It is understood that intercession should include acts of penitence and contrition for the sins of the Church, and thanksgiving for many mercies and blessings vouchsafed to her and, through her, to her members.

MEMBERSHIP

Communicants of the Church may become members by giving their names to the Rector or some member of the Committee, and agreeing to keep the rule. As the object is not parochial, the membership is not confined to St. Mark's parish.

SPECIAL DAYS OF INTERCESSION

The Ember and Rogation Days.

Wednesday and Thursday in Holy Week.

The Day of Intercession for the Parish: the first week in Advent.

The Diocesan Day of Intercession for the Church: the first week in Lent.

St. Mark's Day.

CORPORATE COMMUNIONS

The League makes its Corporate Communion on

The Day of Intercession for the Parish.

The Diocesan Day of Intercession for the Church.

The Committee in Charge is appointed by the Rector, and the League is under his direction. There are no dues.

Under the guidance and inspiration of our Rector and President, the prayer-life of the League has been greatly developed during the past year.

The noonday Intercessions, which were part of the Lenten program, have been incorporated now in the weekday services. The attendance is steadily increasing, and our hope and prayer is that, as these services become known, they will attract many persons not members of the parish. St. Mark's is conveniently situated for this kind of work, and, if it be God's will, may minister largely to the spiritual needs of the people of the diocese and city.

The number of persons coming into the church during the day for silent intercessions is also increasing. Many have expressed their appreciation for this opportunity of private prayer, and the benefits they have received in this way, and through the noonday intercessions.

We were very happy to have our own Bishop as the leader of our Corporate Day of Intercession in Lent, which was largely attended by the people of the diocese, and all received much help and inspiration for the keeping of Lent.

In our Advent Day of Intercession we were joined by the Church Service League. The Rector had the noonday address and intercessions, and every fifteen minutes during the day there were special topics of intercession for the various societies of the church. It was a great inspiration to us to have these church workers on this day, and we hope it may become an annual custom for them to come to us.

Our membership has not largely increased, and we feel there are many in the parish who might join us, and find help for themselves as well as give help to us and our parish in this corporate way. The purpose of the League is not to get a number of people to say certain prayers; indeed, there are no specific prayers required; nor is it merely to pray for specific objects. Its purpose is primarily to develop the prayer-life, and as this is realized we feel sure our membership will increase.

This committee is responsible for collecting and spending almost all the money used for relief work among the needy white people of St. Mark's Parish, and does for them what would otherwise be left to the Society for Organizing Charity. Detailed information about the work may be obtained from the Committee, but one item of especial interest is that 192 people were sent last summer for one week each, and 30 for a day's outing, to a house at Margate City lent by Father Niblo.

YEAR BOOK

OF

Saint Mark's Parish

PHILADELPHIA

PENNSYLVANIA

Founded 1847

Preface

My dear People:

As we begin our third year together, we will, first of all, remember those who have died during the year, for whose souls we will pray, both in our private devotions, and chiefly in the Holy Sacrifice of the Mass:

Richard S. Brock
Elizabeth C. Newman
Ida Beale Tevis
Anna Henwood
Caroline E. Wilson
Minnie B. Smith
Elizabeth R. Seckel
Meta Vaux
Nancy Brinley Bispham
Emma C. Megill
Catherine Murray Rush Camac

On the Sunday in the Octave of Saint Mark's Day we observed the Diamond Jubilee. The Bishop of Quebec pontificated. The offering was designated for the Memorial to Founders and Benefactors. The day was filled with thankfulness and splendor and joy. The last quarter of the century opens out with thrilling possibilities. It is not without significance that Saint Mark's faces the future strongly entrenched, fully staffed, thoroughly equipped, widely known, and unreservedly trusted. We have returned thanks for the blessings of the first seventy-five years. We are keen to make the next twenty-five worthy of our best traditions.

The names of the Founders and Benefactors have been suitably memorialized by the finely executed inscription in the Porch.

We give humble thanks for the grace that was given to them, and we pray that eternal rest may be granted to them and that light perpetual may shine upon them. Also we take comfort in the knowledge that their prayers for us will be no less constant than are ours

for them. In the conscious power of the Communion of Saints, we will go on in quietness and confidence.

We have had many spiritual blessings. The Sacramental life has borne much fruit. The prayer life has been regular. The daily time table tells the story:

6.58 A. M. Angelus.
7.00 A. M. Mass.
7.45 A. M. Mass.
9.00 A. M. Matins.
9.30 A. M. Mass (Holy Days and Thursdays).
12.30 P. M. Intercessions.
12.45 P. M. Angelus.
5.00 P. M. Evensong.
5.20 P. M. Night Litany.
5.30 P. M. Angelus.

There have been 994 Masses; 2034 Services. The Blessed Sacrament has been carried to the sick 241 times. On Sundays, Compline is sung at 8. After Compline, I am giving a course of instructions on the Christian life.

The staff of Clergy is happily complete. Father Corneil and Father Pottle have won all hearts by their selfless devotion. Father Williamson is fulfilling all expectations at Saint Michael's. Father Craven continues his tireless labors at Saint Mary's. The Sisters of Saint Margaret exactly exemplify the spirit of their Community, and are an inestimable blessing.

My Vestry is a joy to me. Not only does each member contribute valuable service in the particular department for which his vocational training has qualified him as an expert, but also each member is to me personally a trusted adviser and a staunch friend. The Senate of the United States has claimed the public service of Mr. Pepper. We lend him as ungrudgingly as we can, and we give him the more cheerfully be-

cause, after all, he belongs to us. Here we know him and love him as only a Parish can know and love its own son. As Rector's Warden, his contact is unaffected and his service undiminished by the enforced absences which are a part of his sacrifice and ours.

And of yourselves, my very dear people, you must allow me to say that I daily thank God for your devotion to His Church, for your prayers, your example and your kindness to your priests.

We have had many and great material blessings. And each material blessing has been a sign of the hidden life of the several donors. With the payment of bequests made in 1921, the Endowment Fund has been increased by $5,000, and the Jubilee Endowment Fund by about $58,000. In addition to this there has been created the "Archibald N. Waterhouse Fund" of $4,000, the income of which is to be used and divided equally between St. Michael's and St. Mary's, and the "Newbold Christmas Fund" of $100, the income of which is to be devoted to the purchase of Christmas dinners.

The property adjoining the east has been presented to the Parish for the protection of the Altar and as a memorial to John A. Brown, Jr. The far-reaching consequence of this gift is obvious. It will serve to protect for all time the precincts of Saint Mark's, preserving it as a shrine at the very heart of this great city, a blessing to its citizens and a just cause for civic appreciation.

Great doors, for the Locust Street entrance, have been presented, as a memorial to Louis S. Fiske. The massive, ornamented doors will be surmounted by a truly glorious Calvary. How many thousands, by day and by night, will be reached by that silent sermon, only

God and the Angels will know, until the day when the secrets of all hearts shall be revealed.

The trust of the maintenance of the fabric has been carefully fulfilled. The entire property is in excellent repair.

I would suggest that Chalices be not selected as memorials. We really have as many as we ought to possess. And I feel sure that memorials would fail in their purpose if the number of any one kind were such as to preclude frequent use. I would be very happy to confer, when a gift is being considered, and I am not without a measure of confidence that it is within my knowledge to offer data for decisions.

As I see the present stage of our life and work, two outstanding tendencies are clearly marked: The Sacramental and Prayer life, within the Church; The Pastoral, personal ministry in the homes. On this foundation I feel secure, because it rests on the two great commandments of the law, "Thou shalt love the Lord, thy God, with all thy heart, with all thy soul, and with all thy mind. Thou shalt love thy neighbour as thyself." We are safe in our obedience to Our Lord Jesus Christ, whom, with the Father, in the unity of the Holy Ghost, we worship as one God, world without end.

Affectionately in Our Lord,

FRANK LAWRENCE VERNON.

The Men's Choir was organized in October, 1919. Gounod's Orpheonistes Mass has been sung five times at Epiphany, and Solemn Evensongs have been sung during the seasons.

On April 30th, the Diamond Jubilee, or seventy-fifth anniversary, of St. Mark's was commemorated. The Grand Mass in C, by Wilhelm Tschirch, was sung by the Men's Choir, at a Solemn High Mass at eleven o'clock. This work was first given at St. Mark's on Ascension Day, 1893. The composition, written for male voices, solo quartette and chorus, accompanied by wind instruments, drums and organ, was arranged for the Anglican service by Mr. Andrew Wheeler, who played the organ part in 1893, and again on the Diamond Jubilee.

All the services of the Men's Choir are purely voluntary, the expenses being defrayed largely by interested friends, although there are two kinds of contributors, viz: Patrons, who pay $5.00 yearly, and associate members, $1.00.

Choir rehearsals are held on Wednesday evenings, and are open to all the parishioners and friends.

The Church School

The boys of the Choir are given religious instruction Sunday mornings at ten o'clock by Father Pottle, assisted by Mr. Everett Reynolds. Miss Nancy Reath instructs a class of girls at the same time.

This organization is intended to represent the men of the parish and of the choir, all of whom are regarded as members.

Several gatherings to promote social intercourse have been held with good results. The activities of its Hospitality Committee have been important. This committee supplies the ushers for the Sunday services. It

also endeavors to keep in touch with neighboring apartment houses and hotels, inviting new residents to the church services, and assisting the clergy in keeping in touch with transient church-goers, also prospective parishioners.

Any of the men of the parish, willing to more actively assist in our committee work, will be heartily welcomed.

St. Mark's Motor Corps

The Motor Corps was established to furnish automobiles to the Rector for parochial visiting. Seventeen cars have been at the call of the Chairman of the Committee during the past year.

ELLEN LATHROP HOPKINS,
Chairman.

St. Mark's Visiting Committee

Thirty-five visits were made during the year, some to families who were in trouble, some where a little help was needed over a bad time, but mostly to people who desired "a friendly listener." In all instances, a bond of friendship was established, leading to an association with the Church.

MISS ELLEN LATHROP HOPKINS

The Auxiliary endeavors to enlist members of the Parish who are willing to contribute at least one dollar each year to the Episcopal Hospital of Philadelphia. At present the membership numbers sixty.

During the past year $300.00 was contributed to the work of the Auxiliary. Out of this, $250.00 was sent to the treasurer of the Episcopal Hospital, and expended for a metabolism set, and also $32.50 for a table for the babies' clinic. The balance of $17.50 is held as a nucleus for some need during the coming year.

The work of St. Mark's Branch of the Woman's Auxiliary was continued throughout the past year, meetings being held on the first Thursday in each month, with speakers from the Mission field whenever possible.

The weekly all-day sewing meetings were kept up successfully, 229 garments and 113 knitted articles having been made and sent to the Supply Bureau.

The Fair was held in April, and over $400.00 was cleared. This money was voted to various objects.

The Needlework Guild reported 163 articles sent and $20.00 in cash.

A Mission Study Class was held in Epiphany by Sister Lydia Margaret.

The Church Periodical Club has sent 74 magazines regularly, and also 10 Bibles, 27 Prayer Books, 331 theological and secular books, 1775 tracts, 1580 magazines and papers, 2 Christmas boxes to Tennessee and Virginia. Contributions of $84.00 were received for expenses.

At our coming annual meeting in January, we are looking forward with deepest regret to the resignation

of Mrs. J. Alison Scott, who for eleven years has been our most devoted, faithful and efficient president. On account of being president of the Auxiliary of the Diocese of Pennsylvania, she feels she cannot any longer hold the double office. We are very fortunate in having Mrs. J. Gardner Cassatt, our first vice-president, consent to being elected president, and she will ably fill the chair made vacant by Mrs. Scott's resignation.

We hope that every member of the Auxiliary will feel more than ever her responsibility in the coming year, to help spread the knowledge of Christ's kingdom on earth, and to do her share in His work.

CAROLINE B. COOKE,
Secretary.

Parish Teas

Chairman

MRS. HORACE BROCK

Vice-Chairman

MRS. J. GARDNER CASSATT

The Parish Teas on the Thursday afternoons were well attended and afforded a pleasant meeting place for members of the parish, their friends, and strangers in town.

The Teas have become a permanent part of the life and work of the parish, and a means of bringing us in closer touch with one another.

St. Mark's League of Intercession

President: The Rector

Committee in Charge

Mrs. Horace Brock,
Mrs. J. Gardner Cassatt,
Miss Jessie R. Little, *Secretary*,
1625 Locust Street.

OBJECT

The object of the League is to pray:

For the whole Church: Greek, Roman and Anglican.

For the Unity of Christendom.

For the Anglican Communion, its Bishops and Clergy.

For the American Church and its Missions.

For the English Church and its Missions.

For our own Diocese and its Bishops.

For our own Parish, its Missions, Rector and Clergy.

For the conversion of the world through the instrumentality of the Church.

RULE

To spend fifteen minutes a week in prayer for these objects. This need not necessarily be all at one time, but may be divided into periods.

The members of the League are also asked, as far as they are able, to take part in the continual intercessions made in the Church on the special days of intercession.

It is understood that intercession should include acts of penitence and contrition for the sins of the Church, and thanksgiving for many mercies and blessings vouchsafed to her and, through her, to her members.

MEMBERSHIP

Communicants of the Church may become members by giving their names to the Rector or some member

of the Committee, and agreeing to keep the rule. As the object is not parochial, the membership is not confined to St. Mark's parish.

SPECIAL DAYS OF INTERCESSION

The Ember and Rogation Days.

Wednesday and Thursday in Holy Week.

The Day of Intercession for the Parish: the first week in Advent.

The Diocesan Day of Intercession for the Church: the first week in Lent.

St. Mark's Day.

CORPORATE COMMUNIONS

The League makes its Corporate Communion on

The Day of Intercession for the Parish.

The Diocesan Day of Intercession for the Church.

The Committee in Charge is appointed by the Rector, and the League is under his direction. There are no dues.

In 1906, Miss Catherine Dulaney Belt started St. Mark's League of Intercession. The simple rule—fifteen minutes a week of prayer for the Catholic Church in all its parts, particularly our own part; for its Bishops, Clergy and Laity, and its Parochial and Missionary work—was made out by the Rector and Miss Belt at that time and has never been changed, and the observance of the Rogation and Ember Days as days of special intercession have been regularly kept by the members all these years.

A year later (Advent, 1907), when Miss Belt was planning for several years' absence, she asked the Rector to appoint the present chairman in her place, and I suggested, in order to make the work more permanent and not depending on an individual, the appointment of a committee. Mrs. J. Gardner Cassatt was then made vice-chairman of the committee and Miss Belt secretary. On the resignation of the latter, Miss Little was appointed to her place.

This work of prayer being non-parochial, several persons became members of the Guild who were not members of St. Mark's Parish, and, while most of the members were women, there were several men, one from St. Mark's Vestry. The membership numbered at that time about fifty, and has increased to eighty-five. One of the interesting and inspiring features of the League is that resignations are very rare. Members who move away from the city continue their membership, and when we include our members who have gone beyond the Veil, we touch the century mark. Our membership, however, is not what it should be, and we cannot but feel there are many, especially in our own parish, who would be helped in their own lives, and would be a help to us and to the whole Church by joining with us in this corporate work of prayer. We know some do this who are not on our list of members, but their corporate relation would be an added help.

Our two days of special intercessions, one in Advent and one a Diocesan Day in Lent, have been kept as usual. On the latter we had the inspiration of Fr. Huntington's leadership. The daily intercessions at noon, which are the new feature of our work, are well attended, and, as this service becomes more known throughout the city, we believe the attendance will increase. This corporate act of worship and intercession for fifteen minutes at noon provides just what busy people throughout the city need, as many have told us. Will not you, who are our members, make known this service and bring friends to it; and will not you, who read this report and are not among our members, join us? Send your name to any member of the committee.

D. N. C. Brock,
Chairman.

The conference meets once a month during the winter, and, with the Vicar and the Sister-in-Charge, discusses the needs of the people and plans for their relief, through the treasury of the Conference or by personal gifts. Last summer 188 people were sent to the seashore for a holiday, varying in length from one to ten days, Fr. Niblo again providing one cottage at Margate City.

Preface

My Dear People:

My first word is to bid you to prayer for the repose of the souls of

Charles H. Strang	Joseph P. Elliot
Levis L. Mann	Antoinette Moon Hurst
Electa C. Humphrey	Eliza M. B. Jeffords
Ernest Zantzinger	George Waddell
Bessie H. Jennings	Catherine D. Belt
Richard S. Brock, Jr.	Mary Rich Wiley
Richard Caldwell Fonda	Anna Kirtley Almy
Charles Hall Wilson	James A. McCrea
Archie Collins	Emma Alder Giger
James H. Dornan	John William Edmundson

They served in their generation and have been gathered unto our fathers in the communion of the Catholic Church. May they rest in peace, and may light perpetual shine upon them.

The sacramental and prayer life has been regular and sustained. Upon that life has been laid the chief emphasis. From it our works have followed. Because of our location, in the centre of Philadelphia, we are able to minister to many who seek opportunity for private devotions. The attendance at public services has been excellent. The number of men has been noticeable. We have a true mission.

There have been many memorial gifts and thank-offerings. The Great Doors, given by Katharine Fiske in memory of Louis Samuel Fiske, have been added to the fabric. They have been pronounced, by the leading architects and artists of this country, to be works of art of high distinction. They are a constant source of instruction to countless men and women and children. They teach, by day and by night, the lesson

of the triumph of the Precious Blood of the Reigning Lord upon the Rood.

The Silver Reredos completing the Silver Altar, presented by Rodman Wanamaker in memory of Fernanda Wanamaker, has made that Altar one of the great Altars of first rank in the world. The massive silver, the exquisite carving, the gleaming jewels are glorious in their intrinsic beauty. Their crowning glory is that they serve as the throne for Our Lord in the most Holy Sacrament. The Silver Rood, the Massive Beam and the four Silver Statues complete a Chapel of extraordinary loveliness.

Saint John's Altar has been enriched by the transference of the triptych from the Lady Chapel to this alabaster Altar, by the massive Tabernacle (for which a gold Ciborium has been provided), the panels bearing the carved figures of adoring angels, and the Sacrament lamp.

Beside this Altar, on the north wall, has been placed a Crucifix, enshrined in silver, in memory of Nancy Andrews Groome.

A Silver Shield has been placed on the south wall, to commemorate the endowment of Pew No. 66 in memory of Emilie Pope Etting and J. Marx Etting.

The carved figures of the Coronation have been tranferred from the Lady Chapel to a position over the doors at the crossing, leading into the Cloister.

The Statues of Saint John Baptist and Saint Mary Magdalene have been transferred from the Lady Chapel to positions on either side of the inner entrance to the nave, on the Locust Street side.

There have been gifts of two gold and jeweled Chalices, to be known as the Camac and Fell Chalices respectively.

A Chasuble, Maniple, Stole, Burse and Veil, to be used with the new green Frontal, were presented by Mrs. Thomas Reath and Mr. Alexander C. Groome, in memory of their mother, Nancy A. Groome. A green Dalmatic and Tunicle would complete the set of green vestments.

S x Candlesticks for the High Altar have been presented by Miss Katharine Buckley, in memory of Mary Swift Buckley.

In enumerating these gifts, I am appreciative of their worth and beauty, but I am yet more mindful of the spirit of devotion which has prompted the offering. It is this spirit which lends the atmosphere which makes Saint Mark's a Christian shrine.

The parish paid **$35,006.65** on its Quota of $27,159.43 for Missionary purposes for 1923. In addition, $3351.74 was contributed for various Missionary objects not included in the Quota.

There was also contributed from the parish $1608.00 for the Bishop Rhinelander Memorial Fund; $1025.00 for the work of the Rev. Paul S. Huntington, in Norton, Virginia; $1010.00 for the Holy Cross Liberian Mission; and **$4,394.00** for the Japanese Relief Fund.

The Communion Alms of the parish amounted to $1570.18, while our own Chapels of Saint Michael's and Saint Mary's were maintained by the parish at a cost of $15,894.15, and $1248.00 was paid for the care, in Christ Church Hospital, of our inmates from Saint Mark's Home.

The Sister Helen is a most valuable addition to the staff at work in the parish Church. We have five Priests and three Sisters now.

There have been many changes in the neighborhood. Huge apartment houses now stand where single dwelling houses formerly stood. Small streets have been reclaimed and made places of quaint attractiveness. For this reason our congregations, so far from having diminished, have on the contrary increased. As far ahead as one may see into the future, there is every prospect for a thrilling work in this vast city, which demands and deserves the best that we can give to it. We go out together into the new year with joy.

Affectionately in Our Lord,

FRANK LAWRENCE VERNON.

The Men's Choir was organized in October, 1919. Gounod's Orpheonistes Mass has been sung six times at Epiphany, and Solemn Evensongs have been sung during the seasons.

All the services of the Men's Choir are purely voluntary, the expenses being defrayed largely by interested friends, although there are two kinds of contributors, viz: Patrons, who pay $5.00 yearly, and Associate Members, $1.00.

Choir rehearsals are held on Wednesday evenings, and are open to all the parishioners and friends.

This organization is intended to represent the men of the parish and of the choir, all of whom are regarded as members.

This committee supplies the ushers for the Sunday services. It also endeavors to keep in touch with neighboring apartment houses and hotels, inviting new residents to the church services, and assisting the clergy in keeping in touch with transient church-goers, also prospective parishioners.

Any of the men of the parish, willing to more actively assist in the committee work, will be heartily welcomed.

St. Mark's Motor Corps

The Motor Corps was established to furnish automobiles to the Rector for parochial visiting. Cars have been at the call of the Chairman of the Committee during the past year, as heretofore.

ELLEN LATHROP HOPKINS, *Chairman.*

St. Mark's Hospitality Committee

Mrs. Clayton McElroy Mrs. J. Earl Wagner
Mrs. Thomas Reath

For the first three months of the past year this Committee continued to prepare and serve lunch on Thursdays to the members of the Auxiliary. They also served six suppers during Lent to the men and boys of the choir. The Committee also provided milk and cake for the Acolytes after their monthly meetings.

Meals were prepared for 340 people. No donations were received for the work, as they were not needed.

Thursday Sewing Class

MISS ELIZABETH N. COOKE, 1424 Lombard Street

The work of St. Mark's Branch of the Woman's Auxiliary has continued as usual for the past year.

Meetings were held on the first Thursday in each month, with speakers from the Mission fields of China, Alaska, the Philippines and the Southern Mountains. The weekly sewing meetings were changed this fall from all day to just the morning, and they have gone on very successfully. The allotment of last year was finished, and extra work done. This year Miss E. N. Cooke has been in charge.

The Needlework Guild of America reports over 500 garments sent, and $47.50 in cash from 25 money members.

A Mission Study Class was held in Epiphany by Sister Lydia Margaret.

The Church Periodical Club has sent 182 Periodicals regularly, 7 Bibles and Testaments, 24 Prayer Books and Hymnals, 294 Books, 997 Tracts, 1963 Odd Magazines, 976 Cards, Pictures and Photographs, 3 Christmas boxes. Seven institutions in the Diocese aided. One hundred and twenty-nine dollars and eighty-nine cents received for expenses.

In the past year we have lost one of the oldest and most faithful and devoted members of the Auxiliary, Miss Catherine D. Belt. Her death in September was a great shock to her many friends, and we miss her ready interest and strong personality; but we are sure her prayers follow us in our work, as ours do her in her life beyond the grave. "May she rest in peace."

We are missing two of our faithful members, Mrs. Horace Brock and Mrs. Joseph Lucas, who are abroad, but we are hoping to have them with us next year in our work.

We have gained five new members during the year, and are looking forward with renewed interest and a deeper feeling of our responsibilities, to helping on the Kingdom of our Lord on earth.

CAROLINE B. COOKE, *Secretary.*

Parish Teas

Chairman
MRS. HORACE BROCK

Vice-Chairman
MRS. J. GARDNER CASSATT

The Parish Teas on the Thursday afternoons were well attended and afforded a pleasant meeting place for members of the parish, their friends, and strangers in town.

The Teas have become a permanent part of the life and work of the parish, and a means of bringing us in closer touch with one another.

St. Mark's League of Intercession

President: THE RECTOR

Committee in Charge
MRS. HORACE BROCK
MRS. J. GARDNER CASSATT
MISS JESSIE R. LITTLE, *Secretary*
1625 Locust Street.

OBJECT

The object of the League is to pray:

For the whole Church: Greek, Roman and Anglican.

For the Unity of Christendom.

For the Anglican Communion, its Bishops and Clergy.

For the American Church and its Missions.

For the English Church and its Missions.

For our own Diocese and its Bishops.

For our own Parish, its Missions, Rector and Clergy.

For the conversion of the world through the instrumentality of the Church.

RULE

To spend fifteen minutes a week in prayer for these objects. This need not necessarily be all at one time, but may be divided into periods.

The members of the League are also asked, as far as they are able, to take part in the continual intercessions made in the Church on the special days of intercession.

It is understood that intercession should include acts of penitence and contrition for the sins of the Church, and thanksgiving for many mercies and blessings vouchsafed to her and, through her, to her members.

MEMBERSHIP

Communicants of the Church may become members by giving their names to the Rector or some member of the Committee, and agreeing to keep the rule. As the object is not parochial, the membership is not confined to St. Mark's parish.

SPECIAL DAYS OF INTERCESSION

The Ember and Rogation Days.
Wednesday and Thursday in Holy Week.
The Day of Intercession for the Parish: the first week in Advent.
The Diocesan Day of Intercession for the Church: the first week in Lent.
St. Mark's Day.

CORPORATE COMMUNIONS

The League makes its Corporate Communion on
The Day of Intercession for the Parish.
The Diocesan Day of Intercession for the Church.

The Committee in Charge is appointed by the Rector, and the League is under his direction. There are no dues.

This work of prayer being non-parochial, there are many persons members of the Guild who are not members of St. Mark's Parish. The membership numbers ninety-four. One of the interesting and inspiring features of the League is that resignations are very rare. and members who move away from the city continue their membership. When we include our members who have gone beyond the Veil, we exceed the century mark. We cannot but feel there are many, especially in our own parish, who would be helped in their own lives, and would be a help to us and to the whole Church, by joining with us in this corporate work of prayer. We know some do this who are not on our list of members, but their corporate relation would be an added help.

On the Day of Corporate Intercession in Lent we had the inspiration to prayer, in the addresses by the Rev. Charles T. Lewis, Canon of Christ Pro-Cathedral, Trenton, N. J.

The daily intercessions at noon are well attended, and, as this service becomes more known througout the city, the attendance increases. This corporate act of worship and intercession for fifteen minutes at noon provides just what busy people throughout the city need.

D. N. C. Brock,
Chairman.

The Committee wish once again to express their gratitude to Father Niblo for having made it possible to send so many of St. Michael's congregation to the seashore for the summer vacation, and their regret that they will not again have this privilege. A week by the sea helps many tired women and delicate children to bear the heat of the city for the rest of the summer; in fact, the effects are felt during all the year. The people themselves are raising a fund for the purpose of acquiring a permanent summer home which they can all use. Any contributions toward this fund will be gratefully received and acknowledged by the Treasurer of the Conference Committee, Mrs. David English Dallam.

YEAR BOOK

OF

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

1925

Preface

My Dear People:

My first thought as I write this foreword is of Sarah Pepper Brice, Lillie E. Sergeant, William Hopkins, Emily Plumly, Josephine P. W. Ross, Mary C. Campbell, Mary Elizabeth Welsh, Abbie W. Tomlinson, George Upton Favorite, Margaret M. H. Thomas, Lydia Lewis Eyre. Of your charity pray for the repose of their souls. May they rest in peace and may light perpetual shine upon them.

During the year the Holy Sacrifice has been offered 848 times. There have been 5589 Communions. There have been 278 private Communions. The Sacrament of Penance has been easy of access.

The prayer life of the parish has been uninterrupted. The daily timetable has been followed with punctuality and regularity. The church has been visited daily from morning until night, for devotions to the Blessed Sacrament and Meditation.

The outstanding extra-parochial event of the year was the Priests' Convention. It has been truly said that the Solemn Pontifical High Mass, which opened the Convention, has never been equalled in the American Church. The great meetings in Witherspoon Hall will live long in our memories. The fact that Saint Mark's was privileged to be the centre and shrine of so great and so significant a movement in the Catholic revival has given confirming witness to the continuity of the spirit of our Founders and of the stability of our traditions.

The development of the neighborhood, with its unwelcome removal of familiar landmarks, nevertheless indicates with reasonable assurance, that the parish will stand

in the centre of a densely populated area for years to come. As Saint Mark's has been loved and is loved, so it will continue to be loved, as a house of prayer, in the heart of a vast city, and as a shrine of exquisite loveliness.

As stewards of so goodly a heritage we are pledged beyond most to extend our influence to the outermost bounds of the Mission field. Bishops and Priests returning on furlough from the Mission field will always be welcomed and honored guests at the Clergy House. Their work will be remembered always in our intercessions. Their missions will be proportionately supported to the limit of our ability. Our next step in organization should be a Men's Missionary Association, whose chief business will be the raising of the quota. I shall not be content until every man in the parish considers himself a member, by virtue of his Baptism. I shall work for the day when the Men's Missionary Association is as impressively strong a factor in the parish as is the Woman's Auxiliary.

The report of the Accounting Warden indicates that the current income for the year has increased by $3,195.50 and the Trust Funds by $33,999.24.

During the year there was received from the Eliza Key Belt Estate $1,900 for St. Mary's, and $633.49 for St. Mark's Home. From the Charlotte S. Belt Estate there was received $500 for the Summer Fund, $500 for St. Mark's Home, and $1,039.44 for St. Michael's.

The parish met the "Expectation" of $15,000 for Missionary Purposes for 1924, and contributed, in addition, $15,044.12 for various Missionary objects, not counting on the "Quota."

Mrs. Walter H. Bryant presented the Dalmatic, Tunicle and necessary Stoles to complete the set of green vestments made by the Sisters of St. Margaret, East Grinstead, England.

The Antiphonal String Organ, generously given by Mr. Rodman Wanamaker, was installed during the year, and the church is thus provided with a complete instrument of unusual beauty.

The reports of the Chapels provide sufficient evidence that the Missionary opportunities at home are being devotedly and diligently developed.

In the midst of my fifth year as Rector, I repeat what I have so often said, "I thank my God, upon every remembrance of you, always in every prayer of mine for you all, making request with joy for your fellowship in the Gospel, from the first day until now; being confident of this very thing, that He which hath begun a good work in you will perform it until the day of Jesus Christ."

Affectionately in Our Lord,

FRANK LAWRENCE VERNON.

Report of Sister

The Guild of the Holy Child was formed in November, 1923, meeting Wednesday afternoons from four until five o'clock, with fifteen girls.

Friday evenings the older branch of the same Guild met with fifteen members from seven until eight o'clock.

The girls were admitted into the Guild by the Rector, Fr. Vernon, with a service and address.

Knitting was undertaken, and very good work was done. We began bravely to make sweaters, but an hour a week not giving us time for that task, we changed into making hoods, which were attractive and useful.

The Sister is in the Parish House every day, except Mondays, from ten until twelve o'clock, and the afternoons are spent in calling on invalids, or on any one in the parish who may wish to see the Sister for any special purpose.

President

MR. JOHN J. SAUNDERS

This organization is intended to represent the men of the parish and of the choir, all of whom are regarded as members.

This committee supplies the ushers for the Sunday services. It also endeavors to keep in touch with neighboring apartment houses and hotels, inviting new residents to the church services, and assisting the clergy in keeping in touch with transient church-goers, also prospective parishioners.

Any of the men of the parish, willing to more actively assist in the committee work, will be heartily welcomed.

St. Mark's Motor Corps

The Motor Corps was established to furnish automobiles to the Rector for parochial visiting. Cars have been at the call of the Chairman of the Committee during the past year, as heretofore.

ELLEN LATHROP HOPKINS, *Chairman.*

St. Mark's Hospitality Committee

Mrs. Clayton McElroy Mrs. J. Earl Wagner
Mrs. Thomas Reath

At the November meeting of the Woman's Auxiliary it was decided, by vote, that lunch should again be served to that organization every Thursday, from November to May. This and the suppers for the Choir on the Fridays in Lent are the work of this committee.

Thursday Sewing Class

MRS. JOSEPH W. LUCAS, 2028 Pine Street

St. Mark's Parish Branch of the Woman's Auxiliary has continued its work for the past year.

The monthly meetings were held on the first Thursdays, and addresses were made by speakers from the five fields of service, Indian, Colored, Domestic, Foreign and Diocesan.

The morning weekly sewing classes finished their allotment, and did a large amount besides, also sending in over 100 knitted articles. Miss E. N. Cooke was in charge during the absence of Mrs. Joseph W. Lucas.

A most successful Mission Study Class was held in Epiphany by Sister Helen Margaret, the members asking at the end of the Epiphany season that it might be continued through Lent as a Bible Class; Sister Helen consented, and the Class was continued until Holy Week.

The Needlework Guild of America, St. Mark's Section, reports 523 garments sent, with 19 money members. There was a loss of two Directors in the year, Miss Margaret Thomas, who died, and Mrs. Clarence Leidy, who has moved from the city. More Directors are needed.

The Church Periodical Club reports 173 Current Periodicals sent regularly by 43 persons, 6 Bibles and Testaments, 594 Books, Theological and Secular, 2850 Holy Cross Tracts, 1838 odd magazines and papers, 502 Christmas, Easter and picture cards, 60 games, scrap books, etc.; 2 Christmas boxes sent to Tennessee and Maryland; 7 Institutions aided in this Diocese; $169 received for expenses.

We have suffered a severe loss in the death of Miss Margaret Thomas, who was a most faithful Chairman of the Colored Committee; her unflagging interest and generous help will be greatly missed; but we know her prayers will follow the work, and she is one more of our Auxiliary workers, who though unseen are still one with us in the Communion of Saints.

The following resolution was adopted at a meeting of the Auxiliary:

"On November 8, 1924, the call "Home" came to one of God's most devoted and loyal servants: Margaret Maxwell Hinds Thomas, and her death has brought profound sorrow to all who knew her.

St. Mark's Branch of the Woman's Auxiliary, desiring to express its appreciation of her life and character, hereby places on its records this minute, and directs that a copy of the same be sent to her sister, Mabel L. H. Thomas.

A woman of no common capacity, of solid knowledge, of breadth of mind, of balance of judgment, and of true-hearted charity, loyal to the Church, faithful to truth and duty, above all, a servant of God—such was Margaret M. H. Thomas.

For years her time and strength were spent in caring for the interests of the Church and Parish she loved so well. Always cheerful and hopeful, her presence at the meetings of the Auxiliary was most helpful, and her judgment on important matters was keen and wise. Faithful in all things, she was an inspiration to her companions and associates, and in never failing to think of and do for others, she exercised an unconscious ministry that gave to life a deeper, truer meaning and beauty.

We thank God for her life spent with us, and for her splendid example of loving, devoted service for the Master. Her memory will be long cherished as a friend, a co-worker, and a faithful disciple of Christ.

May she rest in peace, and may light perpetual shine upon her."

We have gained two new members in the past year, and we hope that every one will feel their responsibility in helping to spread the knowledge and blessing of Christ's Kingdom in the dark places of the earth.

CAROLINE B. COOKE, *Secretary.*

For the first time in 58 years there is no report from this society in the Year Book. The work done for those years appeared no longer to be necessary or even possible, so it seemed best to discontinue it. The President wishes to thank all those who for the past 28 years have helped so faithfully in this work. E. A. REATH.

Committee

Mrs. H. M. Brinckerhoff	Mrs. Lewis A. Riley
Mrs. J. Gardner Cassatt	Mrs. Andrew Wheeler
Mrs. Albert Lucas	Mrs. David English Dallam
Mrs. William J. Taylor	Mrs. Thomas Reath

This committee, working with the Vicar and Sister Deborah, has as usual looked after the temporal needs of the people at St. Michael's, also acting as a clearing house for money donated for this purpose. Last summer a cottage was rented at Margate City, to which 181 people went for their vacation. Any donations for this work may be sent to the Treasurer, Mrs. David English Dallam, 2034 Locust Street.

PREFACE

My Dear People:

Of your charity, pray for the repose of the souls of

Elizabeth Peterson	George Augustus Denig
Edward C. Mitchell	Esther Ferguson Mears
Alice Turnbull Getze	Catharine Lockwood Relf
Lewis Adams Riley	A. Bessie Wright Tisdale
James Newman Carter	Mary Eleanor Diehl Smith

May they rest in peace, and may light perpetual shine upon them.

The past year leaves us, as its best legacy, the results of Sacraments and the rewards of prayer. Sacraments and prayer never fail. They admit no problems, save to solve them. They allow no uncertainties as to the future. They provide the secret of serenity, stability and strength. God has made Saint Mark's strong and peaceful and happy. Our best act of thanksgiving is steadfast continuance.

We have received two legacies: One of $50,000, as a memorial to Emma R. Catherwood, provided for in the will of Wilson Catherwood, and another of $10,000 for the Endowment Fund, in memory of Edith Boker.

The gift of the land adjoining the Chancel is a most notable one in every way. Its importance cannot be overestimated. It means that the Sanctuary can never be approached by a secular building. There will always be a spacious plot of consecrated ground guarding the Altar. One need only look at Locust Street to realize what this means to us and will mean to future generations. This gift comes to us designated "For the glory of God, the

protection of His Altar and in loving memory of John A. Brown, Jr., J. Marx Etting, Emily Pope Etting." It will be a perpetual satisfaction to all who love the place, wherein God's honor dwells.

A very beautiful gold pyx has been given by Mr. and Mrs. Louis Irving Reichner, in memory of their son, Aiken.

A jeweled morse has been given by Mrs. Thomas McKean, in memory of her mother, Nancy Brinley Bispham.

A very handsome and elaborately embroidered Fair Linen for the High Altar has been given by Mrs. Horace Brock, and two Under Linens for St. John's Altar, one with Duchess and Rose Point lace, the gift of Mrs. Louis Jack Shoemaker, and the other with Point de Burano lace, the gift of Mrs. Walter H. Bryant.

The Men's Choir is deserving of mention. First, because it is, so far as I know, the only men's guild in the Church which has as its one purpose the study of ecclesiastical music and as its one work the rendition of the music of the Mass. When we consider that sixty and more men rejoice in devoting their time and attention to the worship of God, we may well be thankful that we have an organization which unhesitatingly puts first things first. The Men's Choir, under Mr. Wheeler's leadership and Mr. Wadlows' training, is true to the best traditions of Saint Mark's.

Our Acolytes are giving us cause for great satisfaction. They have as their selected work the worthy offering of the Divine Liturgy. The senior members include students and young men in business. Most of the juniors are alumni of the Choir. From this group we may hope for future candidates for Holy Orders.

An old rose dalmatic and tunicle, to match the chasuble which we have, is needed. I offer this as a suggestion for a memorial.

There is one provision for the needs of the neighborhood which should be kept in mind. We ought to have a Mortuary Chapel. At present we use the Lady Chapel. There ought to be a special Chapel easy of access and properly secluded, in which the bodies of the faithful departed may await burial, and in which Requiems may be offered for the repose of their souls. Apartment houses emphasize this need.

I have alluded to the changing conditions in the neighborhood. I am thankful to say that the Parish remains unchanged. The congregations, so far from diminishing, have very noticeably increased. And our numbers are being constantly added to. The number of men at High Mass is impressive. And there are so many young men. All the day long people come to pray before the Blessed Sacrament. The Church is really a house of prayer for all people. The time-table and the rule afford the opportunity and provide the stimulus for living the only life that satisfies. Our Lord, if He is lifted up, will draw all men unto Him. In the long run the Church which remains true to this ideal, will remain firm because of it. It always has been so everywhere else, it always will be so here in Locust Street. I have always felt sure that God gave us our motto, when I began five years ago; I am more sure than ever today: *Serenity, Stability, Strength.*

Affectionately in Our Lord,

FRANK LAWRENCE VERNON.

Thursday Sewing Class

MRS. JOSEPH W. LUCAS, 134 S. 20th Street

St. Mark's Parish Branch of the Woman's Auxiliary has continued its work for the past year on the same lines, the monthly meetings being held on the first Thursday afternoon of each month from November to May, inclusive, with speakers from various fields at all but one meeting.

The morning weekly sewing class, under Mrs. Joseph Lucas, finished its allotment, and did extra work for the House of the Holy Child, besides making quite a number of knitted articles.

Sister Helen Margaret held a most interesting Mission Study Class from Septuagesima till Holy Week. The members sent, for the second time, muffs for the lepers in Miss Riddell's Hospital at Kumumota, the money offering being given to the work of the Sisters of the Transfiguration in China.

The Needlework Guild of America, St. Mark's Section, reports 635 garments, a gain of 133, and $50.30, which is $20 more than last year.

The Church Periodical Club reports 81 Current Periodicals sent regularly by 39 persons, 12 Hymnals, 1,528 Theological and Secular Books, 322 Tracts, 1,531 Odd Magazines, Papers, 410 Christmas, Easter and Picture Cards, 82 Games, Scrapbooks, etc. Three Christmas boxes were sent to Western Nebraska, Tennessee and Virginia. Ten institutions were aided in this Diocese. $221 was received for expenses.

We have lost three faithful members this year, two by death, and one by removal from town; and we have gained four. We need the vital interest of every woman who is a member of St. Mark's Parish, so that our work this coming year may go forward more strongly than ever before, and that each one of us may be a true messenger in helping to send the Church to those who need it so sorely.

CAROLINE B. COOKE, *Secretary.*

St. Mark's League of Intercession

President: The Rector

Committee in Charge

Mrs. Horace Brock Mrs. J. Gardner Cassatt

Miss Jessie R. Little, *Secretary*

1625 Locust Street

Our League begins its twentieth year with eighty-six members in the Church Militant (more than half a dozen of these not members of our Parish, and some no longer living in Philadelphia), and an increasing number of members in the Church at Rest. The great work of intercession as a corporate act goes on steadily and quietly day after day and year after year, and God only knows what it accomplishes in the Church and in the world; but we who have the privilege of this work and this association know what it does for us.

Through our publications the work of the League has spread throughout the Church in this country and even into Canada and as far as New Zealand. Letters asking for literature and for advice in organizing prayer guilds are being constantly received. The Little Red Book, our first venture, has gone through several editions, over fifteen thousand copies having been distributed, and during the War our prayer leaflets were in great demand in camps, hospitals and parishes. Ten years ago we received permission to buy a table and place it in the Church Porch for our use, and in this way thousands of leaflets, our own and others, notably those of Holy Cross, have been distributed. The Night Litany has spread like wildfire over the country. Our Rector, who is also the president of our League, happened, as we say, to speak to the chairman of this beautiful Litany given to him in manuscript, and at her suggestion he gave it to the League for printing. Later its origin was traced to the Sisters of the Holy Cross in England, and the Rector's letter to the Reverend Mother explaining and apologizing for its use without her permission, followed by a check from the League, received in answer not only a most gracious permission to print and use this Litany, but also

the gift of a Morning Litany written by one of the oldest and holiest Sisters of the Order, who had recently died. This Sister, like all mystics, had a great devotion to the Blessed Trinity, and expressed it in the Morning Litany. She had worked for years in the slums of London, and the Night Litany was largely her work. The Morning Litany did not spread like wildfire. We knew it would not, for "the honor of God's truth is so continually, in the modern mind, subordinate to human needs"; but it is a very wonderful little devotion, containing in brief form all the Acts and also the subjects for intercession for which we are bound to pray (we added some subjects). It was a great pleasure to receive and fill orders from several schools for this Litany. It is a fine model and its use would enable one to do the morning duty quickly and fully. May its use increase.

The beautiful meditation on the Visitation by our Rector has had a large circulation, and done much to make the Angelus understood and popular. The last addition to our table is his address given at the Catholic Congress in New Haven on "How to Use the Mass," and over two thousand copies of this have already been distributed.

For the high privilege of this work and this association, Laus Deo!

YEAR BOOK

PREFACE

My Dear People:

Each year, as I begin to write the Preface, my thoughts turn first to those who have gone beyond our sight, and now see with their own eyes what lies on the other side of the veil.

The Reverend Elliot White, my immediate predecessor, died on July 1, 1926, at Bay Head. I went down for the Burial Office, and on November 9, 1926, at Saint Mark's, a High Mass of Requiem was offered for the repose of his soul. Father Williamson, who had served on his staff, was Celebrant, I was Deacon, and Father Pottle Sub-Deacon. The Reverend Charles C. Edmunds, D. D., of the General Seminary, was the preacher. Copies of the sermon were mailed to you. The preacher spoke from our hearts as well as his own.

On November 24, 1926, Andrew Wheeler, Accounting Warden of the Parish, died. The Vestry's resolution summed up the official expression of high regard for a notable Vestryman. Philadelphia shared our sorrow. From the leader in the Public Ledger to the silent tribute at the Orchestra Concert, public honor was accorded to him, such as is given to few citizens. Requiems from the Altars he loved so well are assisting him in his journey to Heaven.

During the year

Fanny J. Fenton

have finished their course on earth. For their repose we pray without ceasing.

The year has been a diligent one. There have been 794 Masses, 505 Private Communions, 1,834 Services in the Parish Church.

The Chapels have been faithfully ministered to, under the care of their devoted Vicars.

The parochial statistics are deserving of thoughtful reading.

There is no uncertainty concerning the future. We have been given a great work. Every day in the year, from early in the morning until evening, the Church is visited by those who come to worship, to pray, to receive Sacraments. As long as Philadelphia lasts, Saint Mark's will last, because Saint Mark's provides the things by which men live. The place throbs with Sacramental life. The atmosphere is saturated with prayer energy. It is a holy, lovely, peaceful, joyful shrine. We are happy, thankful, loyal and keen to give our best in our day and generation.

The things we did not seek first have been added to the greater things we did seek.

The new inner doors are the gift of Mrs. Louis S. Fiske.

The West End Organ is Wilson Catherwood's memorial of his mother.

The Confessionals are also a part of Mr. Catherwood's legacy.

The Sanctuary Lamp, for the High Altar, is the gift of Mrs. John A. Brown, Jr.

The Tabernacle, soon to be erected on the High Altar, is the gift of Miss Katharine Buckley.

The Inscription over the Sedilia has been placed by Mrs. John A. Brown, Jr., to signify her intention in her gift of the land adjoining the chancel "for the glory of God and the protection of His Sanctuary."

The Reverend Robert Cornell, after four years of devoted service, left us to join the staff of the Church of Saint Mary the Virgin, New York. His high sense of duty guided him, but his going caused us regret. We shall always remember him with appreciation and affection.

New York has sought three other members of my staff. But happily the seeking was without success.

The Reverend George Herbert Dennison has joined our company of priests. Father Dennison needed no introduction. He found many old friends here. He has been my personal friend for years.

For the constant kindness we receive, I thank you. Pray for us that we may serve you wisely and well. God bless you.

Affectionately in Our Lord,

FRANK LAWRENCE VERNON.

January 1, 1927.

✝

In pious memory of

ANDREW WHEELER,

for ten years a vestryman of St. Mark's Church, Philadelphia, and at the time of his death, on November 24, 1926, the accounting warden. Beloved of his colleagues and of the members of the parish: scrupulous and instant in the performance of his parochial activities: lover and past master of the art of ecclesiastical music, a polished gentleman, a good citizen, he lived and died in the joy of the Catholic faith, as a faithful soldier and servant of his most gracious Lord and Saviour, Jesus Christ, unto his life's end. May his soul forever rest in peace, and may light perpetual shine upon him.

The vestry of St. Mark's Church have adopted this minute at a special meeting, held upon December 8, 1926, as an evidence of their deep sense of loss; as an affectionate tribute to the memory of a man who will ever be held dear by them; and as an act of thanksgiving to Almighty God for the devoted labors of Andrew Wheeler in behalf of St. Mark's Parish.

MRS. CHARLES P. MAULE, 2217 Rittenhouse Street

Thursday Sewing Class

MRS. JOSEPH W. LUCAS, 134 S. 20th Street

St. Mark's Branch of the Woman's Auxiliary continued its work for the past year in the same way.

Meetings were held on the first Thursday afternoon of each month from November to May, inclusive, with speakers at all but two of them.

One evening meeting was held in February, which was quite successful.

The all-day sewing class on Thursdays, under Mrs. Joseph Lucas, finished the allotment, and knit quite a number of articles.

Sister Ethelwyn led the Mission Study Class on Latin America; the collection taken was sent to Bishop Carson, Haiti.

St. Mark's Branch of the Needlework Guild of America reported 629 garments sent, $55.25 in money, 14 money members, 6 directors.

The Church Periodical Club reported sending Current Periodicals regularly 122, Prayer Books and Hymnals 225, Books, Theological and Secular, 500, Tracts and Father Vernon's Letters 895, Odd Magazines and Papers 1,297, Christmas and Easter Cards 150, Pictures, Games, Scrapbooks, etc., 135; Christmas boxes to Nebraska 2, Tennessee 1. Number of Institutions aided in this Diocese 7. Money received this year $254.

An effort was made to increase the Auxiliary membership by a personal appeal to those who did not belong, and about 30 names were added to the list. We have lost three faithful members by death in the past year.

It is with deepest regret we record the resignation of our beloved President, Mrs. J. Gardner Cassatt, in February, on account of ill health. Her graciousness and charm when presiding at the meetings will never be forgotten by those of us who were privileged to serve with her in the Auxiliary.

Upon the Rector's suggestion, the Auxiliary is to have a Corporate Day of Intercession for Missions the third Thursday of each month, members pledging themselves to say the prayers before the Blessed Sacrament some time during the day. This will be a wonderful privilege for us all.

CAROLINE B. COOKE, *Secretary.*

St. Mark's League of Intercession

President: THE RECTOR

Committee in Charge

MRS. HORACE BROCK MRS. J. GARDNER CASSATT

MISS JESSIE R. LITTLE, *Secretary*

1625 Locust Street

Our League continues steadily and faithfully its quiet, inconspicuous work, and we hear from many sides and quarters how deeply and far-reaching its influence is felt. The daily intercessions are well attended and bring comfort and help to many throughout the city, and the distribution of literature is constantly increasing.

The new work planned by the League is the reprinting of some of our Rector's messages as letter slips. This is quite a new work in this country, but has been attended with great success in England. It is being inaugurated for the Bishop's Campaign, but we believe it will have a much longer life. Those who have not joined our League, we can not but feel, are missing something in their lives. The rule is very simple—to pray for the Church in all its parts for fifteen minutes a week, which may be divided into periods or all covered at one time. This is not a hard rule. Will not some of the readers of this report give their names to the Rector or the Secretary, and ask to be enrolled in this work of corporate prayer?

D. N. C. BROCK, *Chairman.*

St. Mark's Branch Guild of All Souls

The Secretary reports that four new members have been received in the past year: One Priest, the Rev. Vincent F. Pottle; one Life Member, Mrs. Walter Henderson Bryant; and two Annual Members, Miss Ethel Smith and Miss Nancy McKean. The Branch has lost five members by death: Mr. Alfred Harden, Mr. Charles Lammot, Miss Fanny Josephine Fenton, Mrs. Cornelia Corlies Earnshaw and Miss Mary Weir. To these should be added the name of the Very Rev. Elliot White,

who departed this life in July, and who for all the years of his rectorship of this Parish served as President of this Branch of St. Mark's. There are five priests on the roll call, sixteen life members and thirty-nine annual members.

Since the Annual Meeting held on All Souls' Day, two gifts have been made—one of $35 to the Memorial Fund of the late Father Larrabee, and another of $50 to the Philadelphia City Mission, to be applied to the Christian Burial Fund for poor persons dying in the Catholic faith at the Philadelphia Hospital.

ST. MARK'S CHURCH, PHILADELPHIA

YEAR BOOK

of

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

1928

PREFACE

My Dear People:

In making a brief review of the year 1927, my first thought is of those who have departed this life, whose memories we treasure and for whose souls we pray:

Margaret Elizabeth Lucas	Ruth Cuyler Wagner
Emma T. Strang	Ellen F. Grubb
Mary Elizabeth Hamon	Charles Edward Van Pelt
Mary Welsh Strang	Joan Haines Sharpe
Elizabeth C. Lucas	Emily Howard Relf
Mary Katherine Smith	William C. Deitz
William B. Dimon	Mary B. Norris
Frederick D. Baker	Louise Manley

May they rest in peace.

During the year there have been 762 Masses. There have been 463 Communions from the Tabernacle. The primitive ministry of carrying the Blessed Sacrament to the sick and the infirm in homes and hospitals is a daily source of comfort to our people and joy to our priests.

The prayer life of the Parish has continued steadily. Throughout the day people come to pray and to meditate. Saint Mark's may truly be called "a House of Prayer." So far as it is humanly possible, stillness is assured by reasonable regulations for silence. So far as can be arranged, necessary work on the care and upkeep of the building is assigned to hours when there is least likelihood of disturbance or distraction. The things of beauty within the walls are obviously, even to the casual visitors, aids to devotion and not mere objects of art. There is not one memorial which is not literally for the glory of God and in sacred memory of some one who is surrounded with the prayers of the faithful. Saint Mark's stands in the very heart of the third largest city

in this country. Saint Mark's is serving not only our own people, but also the uncounted strangers within its gates. Daily the Holy Sacrifice is offered, which shows forth the Lord's death till He comes. Daily the Divine Office is recited. Daily the intercessions are offered at mid-day, for all sorts and conditions of men. Three times daily the Memorial of the Incarnation bears witness to the world of Him, who for us men and for our salvation came down from Heaven, and was incarnate by the Holy Ghost of the Virgin Mary, and was made man.

The doors are open all day long for those who are minded to seek sanctuary. The Calvary reminds the passer-by of the Saviour who by His Cross and Passion has redeemed the world. Such a centre of witness constitutes a living missionary force of arresting significance and high import. The actual intensive energy of Saint Mark's in Philadelphia is the measure of its potential extensive power in foreign lands. The fresh springs of that energy lie deep in the life that is hid with Christ in God. To sustain that life is our first duty.

A Creche has been given by Miss Katharine Buckley.

A new Trust Fund has been created, to be known as the "Mary Weir Flower Fund," the income to be applied for the purchase of flowers for the Altar on the Sunday nearest the Feast of the Annunciation. This Fund has been established in memory of one of Saint Mark's most faithful and devoted members, Mary Weir, whose loving work with the flowers on the High Altar added so much to its beauty.

A legacy amounting to $11,576.45 has been added to the Jubilee Endowment Fund, and $723, individual gifts, have been added to the principal of the Endowment Fund. The total amount of the Endowment Fund is $98,118.50; that of the Jubilee Endowment Fund, $156,-132.74. I hope that every member of the Parish who has not already done so, will make provision in their will for a legacy to the Endowment Fund. Such a provision will help to ensure spiritual ministrations to those

who will be seeking the consolation of religion in the years to come. To make such provision is to continue personal service long after the donor has begun the life of intercession beyond the veil. Whether the benefaction is large or small, so long as it is in right proportion to the means, the duty will have been performed and the reward will be certain.

It ought to be understood that offerings for the Endowment Fund may be made by direct gifts during the lifetime of the donor.

Saint Mark's Parish gives to extra-parochial objects more than it spends on itself. This is a fixed rule.

The Reverend Vincent Fowler Pottle resigned as Senior Curate, to accept the Rectorship of Saint George's, Philadelphia. Father Pottle had served Saint Mark's for five years, with conspicuous ability. His wholesome ministry has been a blessing. He will be remembered and loved by the entire Parish. To me his going brought a keen sense of personal loss.

The Reverend William H. Dunphy came to us in Advent.

The Reverend George Herbert Dennison serves as Senior Curate.

The work of the Chapels has been faithfully and effectively carried on by the devoted Vicars, Father Craven and Father Williamson.

I am greatly blessed in having a loyal and congenial staff.

The work of the Sisters is beyond praise. They would not have me mention them. But I cannot forbear saying that they are true to the best traditions of their Community. And that is indeed high praise.

If you will forgive one personal word, I thank God for the privilege and happiness of seven years of serving you. And I thank you from the bottom of my heart for your great kindness to me. God bless and guide and guard you.

Affectionately in Our Lord,

FRANK LAWRENCE VERNON.

The Men's Choir is happily very busy, and is looking to the future with an optimism that portends an extended usefulness.

During the early part of the year it had not entirely recovered from the loss of its former President, who gave the Choir a background and guidance that were particularly apparent after he had gone. But Mr. Wadlow has always been an inspiration to the Choir, and has been ably assisted by Mr. Bonachea, its efficient Secretary.

Invitations to sing at other churches give the Choir a full schedule, and the year closed with the Choir very busy in the preparation of music for the services it will undertake up to Easter. All the members are enthusiastic and interested.

MRS. J. GARDNER CASSATT

The Committee in charge of the Parochial Teas being unable to function, with the Rector's permission, asked the Hospitality Committee to take charge of this work for this year. Two successful and very delightful teas were given and our Committee is greatly indebted to Mrs. Reath and her assistants for their good work and kind help.

MRS. THOMAS REATH

In addition to providing lunch for the members of the Auxiliary on Thursdays during the winter, and supper for the Choir on the Fridays in Lent, the Committee gave a Christmas dinner for the Acolytes, and took charge of the refreshments at two Parish teas last January.

St. Mark's Episcopal Hospital Auxiliary

Chairman

MRS. JOHN A. BROWN, JR.

The amount contributed by St. Mark's Episcopal Hospital Auxiliary was $150, which is much less than last year, but the sum fortunately was enough to enable us to modernize the lighting in the chancel of the Chapel of the Hospital, removing the hideous old-fashioned chandelier, thus allowing the window to be seen, and putting in indirect lighting around the arch, which has greatly added to the beauty and dignity of the chancel.

MRS. JOHN A. BROWN, JR.,
Chairman.

St. Mark's Auxiliary of the Seamen's Church Institute

In addition to the thousand dollars originally asked for a room in the Seamen's Church Institute, St. Mark's very generously contributed another thousand dollars, with which a second room was completed; so that St. Mark's now has the distinction of being the only Church with its name on two doors.

Thursday Sewing Class

Mrs. Joseph W. Lucas, Gibbsboro, N. J.

St. Mark's Parish Branch of the Woman's Auxiliary has carried on its work for the past year on the same lines, meetings being held on the first Thursday afternoon of each month, from November to May, inclusive, with speakers at all but one meeting.

The weekly sewing class, under Mrs. Joseph W. Lucas, made 148 articles of clothing, and gave 185 ready-made garments. The knitting section made 11

pairs of socks, 13 sweaters, 1 pair of wristlets, 3 knee pads, 3 scarves. Worn clothing was sent to our Missions. $153.00 was contributed.

Sister Ethelwyn led the Mission Study Class, assisted by Mrs. John D. Thomas. About $25 was received by the class, which was sent to a certain number of young men, to study rural work in different parishes.

The Church Periodical Club reports sending 120 Current Periodicals received from 41 persons; 15 Bibles and Testaments; 7 Prayer Books and Hymnals; 765 Theological and Secular Books; 940 Odd Magazines and Papers; 1,569 Tracts and Father Vernon's Letters; 500 copies of the Night Litany, translated into French for Haiti; 819 Christmas and Easter cards; 1,002 Picture Cards; 10 Carols and Music in Books; 138 Pictures, Games and miscellaneous articles. Eleven institutions were aided in this Diocese; 1 Easter Box was sent to Haiti; 3 Christmas Boxes were sent to Haiti; 1 to Nebraska, and 1 to Tennessee. $322.70 was received.

The Needlework Guild of America collected 499 garments and $34.50 in money. Mrs. Morris J. Lewis and Mrs. George S. Philler resigned as Directors. Mrs. Joseph G. Rittenhouse, Jr., and Mrs. L. J. Shoemaker are taking their places.

In the past year the Auxiliary has sustained a great loss in the death of Mrs. Albert Lucas. Her unfailing interest never flagged, and her gentle presence at the meetings is sorely missed, but we feel sure that in our work on earth her prayers are with us from "beyond the veil," and they aid us here. May she rest in peace.

Two of our faithful members, Mrs. J. Gardner Cassatt, our former President, and Mrs. Lawrence Lewis, are prevented by ill health from attending the meetings, and their absence is greatly felt.

We hope all the members of the Auxiliary will try by every means in their power to arouse the interest of others, so that the work of Christ's Kingdom may go forward more strongly this year than ever before.

CAROLINE B. COOKE, *Secretary.*

St. Mark's League of Intercession

President: The Rector

Committee in Charge

Mrs. Horace Brock Mrs. J. Gardner Cassatt

Miss Jessie R. Little, *Secretary*

1625 Locust Street

Eighty-five members in the Church Militant praying for "the good estate of the Catholic Church," and about twenty-five more members in the Church at Rest, is the report of our League for the year 1927.

For twenty-one years this work of corporate prayer has been going on in our Parish, reaching out in its Intercessions to the uttermost parts of the earth and to the Holy Souls in the joys and pains of their purgation, and furnishing motive power to the active organizations of the Parish. To pray, not less than fifteen minutes a week, for the Church in all its parts, especially for our part; for Bishops, Clergy and Laity; for Missions and Missionaries, and for the reunion of Christendom; is our simple but comprehensive rule, and that our work may be enlarged, if it be God's will, we pray for an increase in membership and in devotion, and for the acceptance by God of our work.

The Daily Intercessions in the Church offer with the day's intentions the special needs of the Church and of individuals at the time, and provide in our great city strength and refreshment to many.

There is a steady demand for our publications, some of which have been translated into other languages, and thousands of leaflets are distributed every year from our table in the Church. The reprinting of some of the Rector's messages has given us much needed leaflets for the Church's seasons, and these are being mailed all over the country and to foreign lands.

Members of our Parish, men or women, not members of our League, who want to share in this thrilling work may do so by giving their names and requests for membership to any member of our committee.

D. N. C. Brock, *Chairman.*

St. Mark's Branch of the Guild of All Souls

At the Annual Meeting of St. Mark's Branch of the Guild of All Souls, held on the 2d of November, 1927, the Secretary reported the loss by death of four members during the year, and the gain of two members, and a total membership of fifty-four. The Treasurer reported a balance in bank of $168.42, and that a gift of $50 had been made to the Christian Burial Fund at the Philadelphia Hospital, and another of $35 to the Memorial Fund for the late Father Larrabee, of Chicago.

The President and the Secretary-Treasurer were re-elected for the following year.

ST. MARK'S CHURCH, PHILADELPHIA

YEAR BOOK

of

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

1929

PREFACE

My Dear People:

It is my custom to devote the first words of preface to our Year Book, to the remembrance of those who have departed this life in the past year. We remember at the Altar:

Mary Tilghman
Emily Allen
Dora Lewis
Frances S. Dallam
Alfred H. Cox
Celeste D. Heckscher
Rodman Wanamaker
John Penn Brock
Mary Louise Simmons
George Herbert Leaf
Henrietta M. S. Leiper
Alfred Dunwoody Merrick
Margaret C. Y. Cope
Emma Worrell Lowber
Annie Montgomery Wilcox

May they rest in peace.

During the year there have been 803 Masses, and a total of 1,562 services. There have been 476 Communions from the Tabernacle.

Every morning Our Lord passes through Locust Street on a visitation to some one who is prevented, by sickness or other cause, from visiting Him at the Altar.

The Sacramental life of Saint Mark's is the one thing that matters. "Sir, we would see Jesus" is the rightfully insistent requirement of instructed Christians. To provide for this requirement, with personal self-effacement, is the supreme duty of the priest who knows the technique of his craft. At the Altar, in the Confessional and in the sick room, the Christian possesses the right to "see no man, save Jesus only."

"I, if I be lifted up, will draw all men unto Me." Upon that promise and upon its certain fulfilment, Saint Mark's continues to serve the city in serenity, stability and strength. Day after day the unknown and un-

counted seekers for the consolations of religion, come for Sacraments and for prayer. They find the peace which the world can neither give nor take away. Saint Mark's is known and loved as a shrine of devotion and a place of beauty.

The temporalities need never cause concern, if the primary duty of the parish is the first concern. During the past year, the parishioners of Saint Mark's have given through the Accounting Warden over $50,000 for the general work of the Church. Other contributions have been made for extra-parochial purposes, of which the Accounting Warden has no record.

The amount received for our current expenses has been more than sufficient to pay all bills. There have been no temporary loans. We have a surplus balance at the end of the year of $5,834.28.

I remind those who love Saint Mark's that legacies, small or great, serve as perpetual thank offerings for life-long benefits received, and as provisions for assuring like blessings for those who will come after us.

During the year there was paid to the Endowment Fund, the legacies of $10,000.00, "In memory of Elizabeth C. Lucas" and of $1,000.00 "In memory of Annie Montgomery Wilcox; and the following gifts for the Endowment Fund: For Emma Worrell Lowber, $1,000.00; "In memory of Richard R. and Elizabeth B. Montgomery," $200.00; "In memory of George Stanley Philler," $140.00; "In memory of Levis Lloyd Mann," $100.00. In addition, $274.00 was added to the Endowment Fund through the Easter Offering.

"The Stations of the Cross" are the gift of Mrs. Horace Brock.

I regret to record the resignation from the Vestry of Mr. John Jacob Saunders. Mr. Saunders has returned

to Louisville, Kentucky. He leaves a record of honorable service at Saint Mark's, and will be greatly missed. He was Vestryman, President of the Men's Choir, Chief Usher and Delegate to the Diocesan Convention.

Mr. John W. R. Hilliard has been elected to the Vestry, filling the vacancy caused by the resignation of Mr. Saunders. Mr. Hilliard also occupies the position of Chief Usher.

Two changes have been made in the staff of priests. Father Dunphy resigned to go to the Faculty of Nashotah in the department of Dogmatic Theology. Father Dennison resigned on account of ill health.

The Reverend Geoffrey Horsfield and the Reverend Francis F. E. Blake joined the staff in the autumn.

Please pray continually for us, as we do for you. And be sure of our devotion to everything that concerns your happiness and well-being.

Affectionately in Our Lord,

FRANK LAWRENCE VERNON.

Thursday Sewing Class

MRS. JOSEPH W. LUCAS, Gibbsboro, N. J.

St. Mark's Branch of the Woman's Auxiliary has continued its work for the past year along the lines heretofore pursued.

The monthly meetings were held on the first Thursday afternoon, from November to May, inclusive, with speakers at all the meetings but one.

The weekly sewing class, under the direction of Mrs. Joseph W. Lucas, reported their allotment of work entirely finished, and a number of knitted articles made in addition.

The Mission Study Class was led by Sister Ethelwyn, the attendance being a little larger than last year.

The Church Periodical Club reports as follows: Current periodicals sent regularly, 137; number of donors of magazines, 42; Bibles and Testaments, 12; Prayer Books and Hymnals, 7; Theological and Secular Books, 425; Medical Books for St. Luke's Hospital, Tokyo, 4; Tracts and Father Vernon's Letters, 1,856; odd magazines and papers, 1,480; Christmas and Easter cards, 2,168; picture cards and calendars, 30; pictures, games, scrap books and miscellaneous, 415; number of institutions aided in the Diocese, 11; number of boxes sent, 5; destination of boxes: 1 to Cody, Nebraska; 1 to Brighton, Tennessee; 1 to St. Elizabeth's, Philadelphia; 2 to Sisters of St. Margaret, Haiti. Amount received for work, $240.00.

The Needlework Guild reports collecting 509 garments and $38.00 in cash. Miss Anna Virginia Lewis is taking the place of Mrs. Charles P. Maule as head of St. Mark's Branch of the Guild, Mrs. Maule having resigned after years of faithful, devoted service.

The Auxiliary has again sustained the loss by death of two of its most loyal and active members: Mrs. Lawrence Lewis and Mrs. Alfred Cope. Their interest and generosity were unfailing. They are greatly missed, but we are sure that their prayers follow us in our work. "May they rest in peace."

Mrs. John J. Saunders, through her return to her old home in Kentucky, has severed her connection with the Auxiliary. Because of her devotion to the Church, and her untiring work in the Thursday sewing class, her place has not been filled.

As the years go on, the need of new and active members is more and more felt. The "falling by the wayside" of the old, faithful, devoted members makes a big gap, which must be filled. May the hearts of many this year be stirred to work for Christ's kingdom on earth.

CAROLINE B. COOKE,
Recording Secretary.

1625 Locust Street

Twenty-two years ago our League of Intercession was organized to pray for "the good estate of the Catholic Church," and never has our work been more needed than today. Wherever we look there are signs of strain, opposition and distress; "but saints their watch are keeping," and we are joining our intercessions with the intercessions of the saints, a mighty stream of prayer ascending to the throne of God all day long in our parish church and in many homes of the "shut-ins," and not only all day but in sleepless hours in the night watches also.

The Noon-Day Intercessions attract many from the streets to join in this corporate prayer and find for themselves strength and refreshment.

There are steady demands for our publications. Our first venture was the "Little Red Book"—"Intercessions for the Church"—now out of print. Forty-five thousand copies of this book have been distributed; and the "Night Litany" is nearing this figure. All over our country men and women are with us in the great work of intercession, and for this we continually offer to Almighty God our thanksgiving.

"O pray for the peace of Jerusalem,
They shall prosper that love Thee."

D. N. C. BROCK, *Chairman.*

St. Mark's Branch of the Guild of All Souls

The Secretary begs to state that in the past year there have been no new members admitted, and that the Branch has lost three members by death, namely, Miss Emily Allen, Mrs. Dora Kelly Lewis and Mrs. Margaret Cheston Yarnall Cope.

Two members have withdrawn, and one Annual Member has become a Life Member.

Included in the fifty members are five Reverend Clergy, seventeen Life Members and twenty-eight Annual Members.

In November, 1927, the Branch sent $35 to Mrs. Reath for the purchase of a set of black vestments to be sent to a Mission in the Hawaiian Islands.

There have been no other appeals in the year, and there have been no other expenditures.

H. J. W. DALLAM, *Secretary.*

ST. MARK'S CHURCH, PHILADELPHIA

YEAR BOOK

of

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

1930

PREFACE

My Dear People:

It is my custom to begin the preface of the Year Book with mention of the names of those who have departed this life during the year and to bid you to prayer for the repose of their souls:

Elizabeth Davison Coxe	Eliza Penn-G. Hancock
Margaret Lennig Oglesby	Peter H. Bowden
Margaret Morton Riley	Eugenia Cassatt
Lewis Alexander Wadlow	Murray B. Rush
Thomas L. Montgomery	Frances Marx Etting

May they rest in peace and may light perpetual shine upon them.

The Sacramental Life is the source of the spiritual energy of the Parish. This energy is directed by prayer and expended in work.

There have been 770 Masses. There have been 1,568 other services. There have been 614 Communions from the Tabernacle.

The report of organizational work is contained in the Guild statements.

The record of pastoral work is so concerned with personal ministrations as to preclude public report. The time, thought, prayers and service of the clergy belong unreservedly to the parishioners. The service of a priest is obtainable at any hour of the day or night throughout the year. I can say this much, however. I am keenly conscious of deeper and stronger claims of personal responsibilities each year. The pastoral ministry of Saint Mark's grows more definite in its character and wider in its scope as time goes on.

The outstanding administrative event of the year has been the transference of the work of Saint Michael's Chapel from Nineteenth and Lombard Streets to Yeadon.

It had been evident for some years that a change must come. The members of the congregation of Saint Michael's were finding more desirable dwellings elsewhere, and they were experiencing greater inconveniences in attendance at church. The Bishop was sympathetic and helpful and generous in offering what he considered to be the most promising missionary opportunity in the Diocese. On Saint Michael's Day the last services were held in the old Saint Michael's and the next Sunday the Congregation began attendance at Saint Mark's. With the slight delay that was necessary, the new mission was opened in a hall in Yeadon. People who continue to live within reasonable distance from Saint Mark's were transferred to the Parish Church. Those who live nearer to Yeadon were enrolled on the list of the Yeadon Chapel. Not one person was lost in the transfer. The work at Yeadon began well and has continued well. New members have been added and are constantly being added to the Yeadon list. As soon as the Lombard Street property has been sold, we shall be in a position to consider the building of the new Saint Michael's.

The Reverend Geoffrey Horsfield resigned his curacy to become Vicar of the Chapel of The Holy Nativity in Saint Luke's Parish, Germantown.

I regret to announce that on account of illness Mr. Philip Brice resigned the office as Accounting Warden after service of marked ability.

Mr. C. Newbold Taylor was elected and is now serving as Accounting Warden.

The Rector, Church Wardens and Vestry record their lasting appreciation of the extraordinary devotion and efficiency of Miss Jessie R. Little's service to the Parish for a period extending over more than twenty years. Miss Little's resignation, by reason of ill health, is cause for deep regret. It is cheering to note that rest has effected a beneficial result and that health and normal activity are assured. The affection and prayers of the Parish are the well deserved reward of the fidelity of a friend whom we all value.

Lewis Alexander Wadlow, Organist and Choir Master, died on July 4, 1929. He served the Parish for 14 years. He was a Christian musician. He was, therefore, an inspiring teacher of ecclesiastical music and a distinguished Choir Master. Copies of the sermon preached by Dr. Winfred Douglas at the Solemn High Mass of Requiem for Mr. Wadlow have been widely distributed. No words of mine could add to that tribute.

H. William Hawke, Mus. Bac., has succeeded Mr. Wadlow as Organist and Choir Master. Mr. Hawke is continuing and adequately sustaining the best traditions of Saint Mark's.

The Parish has sustained a great loss in the death of Thomas Lynch Montgomery. As a member of Saint Mark's Vestry, Doctor Montgomery served the Church with devotion. As librarian of The Historical Society of Pennsylvania, as State Librarian, as Actuary and Librarian of the Wagner Free Institute of Science, as a founder of The Pennsylvania Library Club, as founder of the first branch of The Philadelphia Free Library, as a trustee and chairman of The Library Committee, he served his State, City and the world of letters with distinction. He was a Bachelor of Arts of The University of Pennsylvania and a Doctor of Letters of Muhlenberg College.

To the Rector and his colleagues of the Vestry he was a dear personal friend. We admired him for what he had accomplished. We loved him for what he was and is and always will be.

During the year we have received legacies amounting to $7,590.

I am strongly of the opinion that the policy of the Parish should be to increase the Endowment Fund rather than to further enrich the fabric. The Vestry unanimously confirm and support this opinion. Our aim from now on is to provide for the maintenance of our work in the years that are to come.

Affectionately in Our Lord,

FRANK LAWRENCE VERNON.

St. Mark's Hospitality Committee

MRS. CLAYTON MCELROY MRS. J. EARL WAGNER
MRS. THOMAS REATH

Mrs. McElroy alone served lunch to the members of the Auxiliary last winter, but the Committee as usual served the Friday evening suppers to the Choir during Lent. The members of the Auxiliary have decided not to have lunch this year.

St. Mark's Episcopal Hospital Auxiliary

Chairman

MRS. JOHN A. BROWN, JR.

In the past year the Bishop asked the Auxiliary to furnish a Mortuary Chapel in the Hospital. We raised $550 for the purpose, which we still have in hand, as it was found the vestibule selected for the Chapel was inadequate. If we can collect the same sum this year, when the Bishop returns from his vacation, we might be able to install a suitable Chapel, which is really much needed.

We have lost two of our most valued and generous subscribers, Mrs. Cassatt and Mrs. Riley.

St. Mark's Ward of the Confraternity of the Blessed Sacrament

Objects

1. The Honor due to the Person of our Lord Jesus Christ in the Blessed Sacrament of His Body and Blood.

2. Mutual and special Intercession at the time of and in union with the Eucharistic Sacrifice.
3. The promotion of the observance of the Catholic and primitive law of receiving the Holy Communion fasting.

Rules

1. To Communicate, or at least to be present, on Sundays and the greater Festivals and other Holy days, when the Holy Eucharist is Celebrated, unless prevented by sickness or other urgent cause.
2. To promote, by all legitimate means, frequent and reverent Celebrations of the Holy Eucharist, as the Chief Act of Divine Service.
3. To make such special Intercessions as shall be from time to time directed.

Thursday Sewing Class
MRS. JOSEPH M. LUCAS, Gibbsboro, N. J.

St. Mark's Parish Branch of the Woman's Auxiliary has continued its work the same as in former years.

The monthly meetings were held on the first Thursday

afternoon, from November to May, inclusive, with speakers at every meeting but one.

The weekly sewing class, under the direction of Mrs. Joseph W. Lucas, reported their allotment of work entirely finished, with some knitted articles in addition.

The Mission Study Class was led by Sister Leila and Mrs. John Thomas; the attendance being the same as last year.

The Needlework Guild reports collecting 512 garments, $33.00 in cash and $6.00 for the Shoe fund.

Two new members have been added. Mrs. Charles P. Maule continues as President of St. Mark's Branch of the Guild.

We are called upon to mark with deepest sorrow the death of our beloved former President, Mrs. J. Gardner Cassatt, and also that of Mrs. Lewis Riley.

Mrs. Cassatt's deep interest, unfailing generosity and charming personality will continue to be greatly missed from our meetings, and it can surely be said of her, more than anyone—"None knew thee but to love thee; nor named thee but to praise."

We also miss Mrs. Riley's quiet, gentle presence and deep interest; but we feel with both, their prayers are still for us and our work here.

"May they rest in peace," and may their examples spur us who are left to carry on with greater zeal and interest the work of Christ's Church on earth.

CAROLINE B. COOKE,
Recording Secretary.

St. Mark's League of Intercession

President: The Rector

Committee in Charge: Mrs. Horace Brock

On August 11, 1929, Eugenia Carter Cassatt, our dear sister and fellow-worker in the League of Intercession, passed to her rest. On November 20th we had our Requiem at St. Mark's for her. These are the facts that face us as we review the twenty-third year of our work. We must go on without her presence and loving words of sympathy and advice, but not, thank God, without her prayers.

For twenty-two years, ever since I have been the head of the League, Mrs. Cassatt has been my valued assistant and loving co-worker. No one wrote as many letters or mailed as many circulars for our Days of Intercession as she did, but this was the smallest part of her work. Her whole life was a life of prayer—a hidden life. She often said she felt the day she was unable to get to St. Mark's to say a prayer was a day lost, for this had been her habit for more than half a century; and when the call home came to her I think she answered as usual, "I was glad when They said unto me, We will go into the House of the Lord."

Her life bore the fruits of a life of prayer. The "singular gifts of the Holy Ghost" with which she was endowed (and all who knew her agreed she was a unique personality) she used for the Glory of God. The tongue, that unruly member, so often used for evil and to injure others, was used by her to give pleasure. Many sad and lonely people, rich and poor, were made happy by her visits and her gay and witty talk. "Not peace or unison, not joy, not strength or earnestness, is the *cachet* of the Christian, but gaiety. He is ever shocking worldly men,

strenuous moralists, by some play of the spirit." A gay spirit indicates a loving and thankful heart and how appreciative our friend was of anything done for her and how unforgetting of it! She received as simply and as graciously as she gave and she gave not only of her means but of herself without stint. Every one in need was her neighbor, and how she loved St. Mark's—every stick and stone (she had mementoes of this kind among her cherished possessions). But most of all she loved St. Mark's people, her fellow members of the Parish.

When there were prayers for the sick and afflicted she always wanted to know who was prayed for and was the first to call to see what she could do. She never sent. Her hand was always in her pocket to help when such help was needed. "Thank you so much for letting me know. Of course, I want to help," was her invariable answer when asked to contribute to something in the Parish, and her giving often meant self-sacrifice and self-denial.

During the World War when it was difficult, and sometimes impossible, to get coal, she told the worker in the charity organization in her ward, and the Sisters at our Missions, to come to her cellar and get a bucket of coal if they needed it and couldn't get it for their poor people. They did, and she suffered. "Just like the saints," said someone to whom I told this story, and, of course, it was. Like the saints, too, she gave quietly and unostentatiously, desiring no recognition or reward.

An ancient writer on the spiritual life has said that a deeply spiritual person will be so pleasant that all persons of good-will will want to be continually in his or her company; such a person was Eugenia Cassatt. May she rest in peace.

D. N. C. Brock, *Chairman.*

St. Mark's Branch of the Guild of All Souls

The Secretary-Treasurer reports that three new members have been added to the Branch since the last meeting. One of these has been transferred from St. Elizabeth's Branch, another from St. Clement's Branch.

There are at present five Reverend Clergy, two Religious Members, eighteen Life Members and thirty Annual Members, making a total Membership of fifty-five. Two others are about to be admitted.

The Treasurer would remind the Branch that although there is a nominal balance of $190, of this sum $125 has been contributed at various times with the special object of adorning and caring for the Mission Lot in Mt. Moriah Cemetery, and that we have as a working balance only the sum of $65.25.

The City Mission has again advised us that a gift for the Christian Burial Fund would be most acceptable.

H. J. W. Dallam,

YEAR BOOK

PREFACE

My Dear People:

Our list of the faithful departed in the past year is as follows:

Sara E. Baum	Josephine Bispham Page
Helen Montgomery Philler, 2d	Anne Meirs Taylor
Joseph B. Godwin	Marion Thomas Kelly
Rev. Joseph Sherlock	Jessie R. Little
Mary S. Dallam	Ellen Lane Leaf
Sarah Coleman Drayton	Mary Thomas
Elizabeth H. Crenshaw	Robert Brown Sterling
	Thomas Reath

Robert Brown Sterling was for many years a member of the Vestry. He was a devout Communicant, a regular attendant at worship, a faithful Vestryman; punctilious in the performance of Vestry duties; a kindly, courteous, humble Christian gentleman.

Thomas Reath was for many years Secretary of the Vestry. He also was a model Vestryman. His religion was vital, deep and constant. He possessed humility to a rare degree. It is given to few men to possess so many friends. He deserved every one of them.

Other particular mention appears in the reports contained in this book. Our personal knowledge, association and remembrances are indelibly inscribed on the roll of the servants of God, departed this life in faith, for whom we bless His Holy Name, beseeching that they may be granted continual growth in love and service.

May they rest in peace and may light perpetual shine upon them.

The records of Baptism and Confirmation will be found in the subsequent summary.

The total number of Masses in the Parish Church were 794. The total number of services in the Parish Church were 1,537. The private Communions totaled 481.

The work in the new Saint Michael's shows marked growth. Under the devoted and competent pastoral care of Father Williamson, a neighborhood ministry is being exercised in a new and rapidly growing part of the city. The people of Yeadon have not only evinced interest; they have made a gratifying response and they have rendered such cordial co-operation as to ensure a permanent foundation. In the transference of this work from Lombard Street to Yeadon not one person has been lost. All are present or accounted for.

The sale of the Lombard Street property is delayed by obvious conditions existing in the real estate market. We, with others, must be patient and wait for the opportunity which will surely be presented. Once this sale is accomplished, building operations will be begun without delay. The day of the consecration of the new church will be an epoch-marking one in the history of Saint Mark's. We must pray constantly for its certain coming.

The total amount of legacies in the past year is $8,501.00. I urge that provision be made in wills for the Endowment Fund. I remind you that small amounts from the many serve no less than the large amounts of the few. The important point is that each member of the parish should make some proportionate provision, as a thank offering for spiritual benefits received.

I hear very often of the problems and uncertainties in city churches. As Rector of Saint Mark's I place myself on record as saying emphatically that I see no problem or uncertainty here. The demands for a simple, direct and constant pastoral ministry call for the full time of a parish priest, from the first Mass of each day to the last pastoral call of the day or night. The priest who makes it the first and chief business of every day to present the needs of his people to God by means of the Eucharistic Sacrifice; the priest who feeds his people daily with the Bread of Life; the priest who provides simple access to the Sacramental touch of God; the priest who keeps his church open and quiet as a house of prayer; the priest who visits his people for regard

and not routine; the priest who provides for the traditional liturgical worship of the church; the priest who has sufficient faith in the church to trust the efficacy of her ways, without traffic in trivial substitutes, will in the long run demonstrate that all the lesser things are added to those who seek first the Kingdom of God. One must beware of the fallacy of numbers.

A president of a great university recently affirmed that there were only eight real universities in our country. There are many huge institutions with amazing enrollments. How many of these are real universities is at least a question. I have no direct interest in that question. I am not concerned even to ask how many real churches there are. But, I am concerned with this point, and determined, that Saint Mark's shall stand in the heart of Philadelphia as a real church. In this neighborhood, and in every neighborhood, a real church is a real blessing and will receive the blessing of stable, serene and strong continuance.

We have not lacked this year, nor have we ever, necessary support for temporalities. It is the spiritualities which make the temporalities possible. Back of every offering of money lies a spiritual experience. The offering is a thank offering for that experience. Free gifts to God must never be confused with forced collections of money. Church offerings are devout expressions of personal devotion. That kind of devotion has its roots in the kind of spiritual life upon which I have placed first and final emphasis in this preface.

So we begin our new year. In quietness and confidence shall be our strength.

Affectionately in Our Lord,

FRANK LAWRENCE VERNON.

St. Mark's Episcopal Hospital Auxiliary

Chairman

MRS. JOHN A. BROWN, JR.

St. Mark's Auxiliary of the Episcopal Hospital has little to report for 1930, the matter of the Mortuary Chapel being still held in abeyance.

Twenty people responded to the appeal of February 1930 to the amount of $254.00. This, in addition to the $550.00 from the preceding year, leaves a balance of $804.00 in hand for aforesaid object.

MRS. JOHN A. BROWN, JR.,
Chairman.

St. Mark's Ward of the Confraternity of the Blessed Sacrament

Objects

1. The Honor due to the Person of our Lord Jesus Christ in the Blessed Sacrament of His Body and Blood.
2. Mutual and special Intercession at the time of and in union with the Eucharistic Sacrifice.

3. The promotion of the observance of the Catholic and primitive law of receiving the Holy Communion fasting.

Rules

1. To Communicate, or at least to be present, on Sundays and the greater Festivals and other Holy days, when the Holy Eucharist is Celebrated, unless prevented by sickness or other urgent cause.
2. To promote, by all legitimate means, frequent and reverent Celebrations of the Holy Eucharist, as the Chief Act of Divine Service.
3. To make such special Intercessions as shall be from time to time directed.

Thursday Sewing Class
MRS. JOSEPH W. LUCAS, Gibbsboro, N. J.

St. Mark's Parish Branch of the Woman's Auxiliary has continued its work along the same lines as in former years; with its regular meetings held on the first Thurs-

day afternoon of each month from November to May inclusive, with speakers from the various fields at every meeting but one.

The weekly sewing class, under the direction of Mrs. Joseph Lucas, finished their full allotment of work, with some knitted articles in addition.

The Mission Study Class was discontinued for this year.

The Needlework Guild, under Mrs. Charles Price Maule, reports 440 garments, $23.00 in cash and $43.00 for Shoe Fund.

We greatly need new members to come to the monthly meetings and to help in the Auxiliary work; for since our last report was made, five more of our faithful members have passed "beyond the veil"—Miss H. Philler, Miss S. Baum, Miss J. Page, Miss S. Drayton and Miss J. Little. Their deep interest and enthusiasm for the work, and their familiar faces so welcome at the meetings, are sorely missed, but we are sure their prayers still go on more fervently than ever for us and our work.

"May they rest in peace," and may their examples be a greater incentive to us to work with deeper interest and zeal for the spread of Christ's Kingdom on earth.

CAROLINE B. COOKE,
Recording Secretary.

St. Mark's League of Intercession

President: The Rector
Committee in Charge: Mrs. Horace Brock

Our League continues year by year its quiet work of intercession, sending spiritual power to many in our City, our country and throughout the world. Now and then we get a thrilling report from a far away post, speaking of the help that comes through our intercessions and our literature. Thousands of leaflets are distributed every year from our table in the Church and through the mail.

Our membership in the Church beyond the veil increases year by year. This year we record the death of our Secretary. On Sunday morning, August 10th, shortly after the early Mass at which priest and people had prayed for her safe and happy passing, the soul of Jessie Ruckel Little, for twenty years our Parochial Secretary, and almost as long the Secretary of our League, passed to her rest. Her body was brought from the hospital to St. Mark's and rested in the Lady Chapel where next morning a Requiem was celebrated, followed by the Absolution of the Body, after which it was taken to Pottsville, her home, for burial. Very few of us were in town at this time and able to attend her funeral, but on November 21st the League had a Requiem for her at St. Mark's at which other members of the Parish and members of the Vestry joined with us in praying for her rest and peace.

When Miss Little first came to St. Mark's she lived in the Mission House with the St. Margaret Sisters, becoming an associate of that Community and assisting in

the work of the Sunday School at St. Michael's. She was also the Librarian for the splendid library at the Mission in which she took great interest and pride. Several years later she was made Assistant to the Accounting Warden and organized an office in the Parish House which, because of her ability, sound judgment and rare good sense, became the executive center and the clearing house for the Parish. It was also a social center for parishioners. Men and women got in the habit of dropping into the office frequently and so were in touch with the work and with one another.

That the business—financial and executive—at St. Mark's was conducted as efficiently as that of any secular corporation was a matter of pride and satisfaction to Miss Little, but the manner and spirit in which it was conducted was that of a family, not that of a corporation. Consecrated efficiency, integrity, rare devotion and a woman's insight and touch marked all that she did, and she gave herself without stint. Until three years ago, when she had to cut down, she began her work every day at the seven o'clock Mass, and this was the secret of her power.

That St. Mark's was able to minister to her in her last illness and that the attention and affection shown her made her very happy, is a matter of thankfulness to us all, and one feels that as she entered the valley of the shadow of death the Master she had served so long and faithfully welcomed her with the greeting, "Well done, good and faithful servant. Enter thou into the joy of thy Lord." May she rest in peace.

D. N. C. Brock, *Chairman.*

St. Mark's Branch of the Guild of All Souls

The Secretary-Treasurer reports with deep regret that since our Annual Meeting in November, 1929, five members of the Branch have departed this life. They are:

Fanny Hay Brand Wood
Sarah Coleman Drayton
Ellen Lane Leaf
Jessie Ruckel Little
Hannah Virginia Marshall Long

Two new members from this Parish have been added to the Branch.

There are at present on the list five Reverend Clergy, two Religious Members, seventeen Life Members and twenty-eight Annual Members, making a total membership of fifty-two.

The special work undertaken this year has been that of putting the old Mission Lot in the Mt. Moriah Cemetery in complete and beautiful order, and in caring for it during the summer. The large granite Cross and all the little iron Crosses now stand in orderly array, and doubtless are seen daily by the many people who motor east and west on the Cobb Creek Boulevard.

The Branch has also been enabled to send to the City Mission a gift of fifty dollars for the Christian Burial Fund, in order that some poor patient in the Philadelphia Hospital, dying in the Catholic Faith, may have decent and reverent burial.

H. J. W. Dallam, *Secretary.*

ST. MARK'S CHURCH, PHILADELPHIA

PREFACE

My Dear People:

Our list of the faithful departed in the past year is as follows:

Captain Walter Graham
Benjamin L. Haines
Katharine Holmes Fiske
Anne C. Knight
Dr. Chas. Harrod Vinton
Catharine G. Black
Edna C. Thomson

May they rest in peace and may light perpetual shine upon them.

The total amount of legacies in the past year is $7,418.00.

The outstanding event of the year has been the completion and dedication of Saint Michael's Chapel. Though this important event did not occur within the year, strictly speaking, nevertheless it has occurred since the publication of the last Year Book, and it is fitting that mention should be made this year. As a matter of fact the Chapel was blessed by the Bishop of the Diocese on February 12th.

I quote from Mr. Pepper's report written for the Church News and the Living Church:

"Yeadon is a thriving suburb lying southwest of Philadelphia. Here on February 12th the Bishop of Pennsylvania blessed the newly-erected Chapel of St. Michael, a mission-station established by the people of St. Mark's, Philadelphia. Assisting Bishop Taitt in the service were the Rector of St. Mark's, the Rev. Frank L. Vernon, D.D., and the Vicar of St. Michael's, the Rev. Frank Williamson, Jr. A good congregation had assembled and at the conclusion of the service an informal reception took place, at which the Bishop, the other clergy and members of St. Mark's Vestry extended individual greetings to all those in attendance.

"The erection of the Chapel was made possible by the generosity of Mrs. John A. Brown. Her gift was made in memory of her mother, Mrs. Emilie Pope Etting. On the west wall of the Chapel a tablet suitably records the fact. Mrs. Etting, in her lifetime a devoted parishioner of St. Mark's, was able to inspire her daughter with devotion to the interests of the parish and with zeal for promoting the success of its work. I know of no more perfect expressions of such devotion and zeal than Mrs. Brown's many benefactions, of which the Chapel at Yeadon is the latest. While in theory a temporary building it has been so well constructed by Mr. Frank Wallace, the contractor, that it will prove adequate for decades of service. Both its exterior and interior are characterized by dignity and simplicity and the atmosphere of the little church is such as to impel reverence and encourage worship. The Vicar has already proved his ability to minister to the spiritual needs of this growing community and on every hand there is evidence that his work during the preparatory period has been crowned with success.

"It is a significant fact that this Chapel represents wholesome and effective cooperation between the parish and the Diocese. The large lot on which the little Chapel stands belongs to the Diocese. Neighborhood changes in Philadelphia had led the Rector and Vestry of St. Mark's to determine to move the old-established St. Michael's Mission to a new site and a careful survey had indicated that at Yeadon there was an open door of opportunity. Application was made to the diocesan authorities for a purchase of this lot which the Diocese had then preempted. The Bishop and his advisers were of opinion that mission work in Yeadon might safely be entrusted to St. Mark's. An agreement was accordingly made for the ultimate sale, payment to be made out of the proceeds of the old site of St. Michael's when

sold. Meanwhile, a right of occupancy, on equitable terms, was accorded to the parish by the Diocese, and Mrs. Brown's gift promises to make the period of this occupancy a fruitful one."

We have now a new and growing Saint Michael's which, in the opinion of the Bishop, promises to be one of the strong centres of spiritual influence in suburban Philadelphia.

Saint Mary's Chapel continues the good work so long established. There is no neighborhood problem here. The Chapel is at the centre of the district in which its duty lies. Under the faithful care of the Vicar, the work goes on unremittingly, true to its traditions. I know of no work of its kind based on more solid foundations or with a more reassuring prospect of future usefulness for the years to come.

I mention our Chapels first because they are a trust and a test. A trust because of our responsibility for the maintenance of work begun by others years ago. A test because the vitality of the parish is to be measured by its missionary work. Here I may say that offerings for the missionary work of the Church, Diocesan, Domestic and Foreign, slightly exceeded the amount designated by the work "Expectations." Saint Mark's stood second in the city, and fourth in the Diocese. Many offerings from Saint Mark's receive no recognition because they are not included in the Quota. One thing I can say, Saint Mark's provides for the needs of others before its own.

For this very reason, we have passed through the period of acute financial depression without anxiety or curtailment of work. Many times in past years temporary loans have been necessary, usually to carry through the long summer vacation seasons. These loans have always been paid without undue or anxious delay. This has been the case this year. A temporary loan of $5,000 was all that was necessary. This loan also has been paid. When it is remembered that practically every public institution, educational and charitable, has had a

similar experience, and when it is considered that we have had no alarming situation to face, that we are free from debt, and that so far from curtailing our work, we have enlarged it, and have advanced to the front line trenches, we may devoutly thank God and carry on our work courageously and cheerfully.

The parish church stands in the centre of the business district of the city. All around us are towering office buildings. Within these offices men have been dealing with grave financial problems. The Church owes it to these men to see to it that there is a spiritual centre which radiates faith and hope and courage and cheer rooted in religion. The Secretary of the Treasury has said that the world suffers more from frozen minds than from frozen assets. If our religion is real we cannot have frozen minds, for we seek to have the Mind of Christ. Through all the secular depressions, the words of Our Lord must ring clear as a bell from Saint Mark's, "Be of good cheer, I have overcome the world." This is our mid-city mission.

The mid-day Mass, every day in Lent, is a revelation of the religion of business men and women who work in this neighborhood. The visits to the church all through the day of people who come to pray, reveal a prayer life all too often unrecognized. The very walls are saturated with prayer energy, the very stones live. All the while and all the year, the Angelus rings, the Sacrifice of Calvary is pleaded, the Offices are recited and intercessions are made for all sorts and conditions of men, at mid-day and at the end of the day. Early in the morning the Blessed Sacrament is carried to the sick. At every hour of the day and night priests are on call for those who need them. No one who knows the life here can fail to feel the thrill of it, or miss the joy of it. When a neighborhood discovers that the church can be depended upon, the church discovers that the neighborhood can be depended upon.

Affectionately in Our Lord,

FRANK LAWRENCE VERNON.

St. Mark's Episcopal Hospital Auxiliary

Chairman

MRS. JOHN A. BROWN, JR.

As there seems to be no prospect of installing a Mortuary Chapel at the present time in the Episcopal Hospital, and there was pressing need of a Radiographic and Fluoroscopic Tilting Table, costing $1600.00, the Chairman wrote individually to the subscribers of the St. Mark's Auxiliary for the Episcopal Hospital for permission to use the funds in hand for this purpose, which they unanimously agreed to do.

Consequently, the Hospital bought the table, realizing $600.00 on the sale of their old one, and the sum of $1000.00 was paid on December 30th from our funds.

The balance now in hand is $66.08.

MRS. JOHN A. BROWN, JR.,
Chairman.

Thursday Sewing Class

MRS. JOSEPH LUCAS, Gibbsboro, N. J.

St. Mark's Parish Branch of the Woman's Auxiliary has continued its work for the year as usual; with regular meetings being held on the first Thursday afternoon of each month from November to May inclusive, and speakers from the various Mission fields at all the meetings but one.

The weekly sewing class, under the direction of Mrs. Joseph Lucas, finished their allotment of 135 garments, and in addition made some knitted articles. Eighty-one dollars was subscribed for the work.

The Mission Study Class, with Mrs. John Thomas as Leader and Sister Helen to give the Meditations, was a great inspiration and most helpful and interesting.

The Needlework Guild of America, under Mrs. Charles P. Maule, reported 394 garments sent, $21.50 in money given, and $11.35 given to the Shoe Fund.

On account of the hard times and great distress amongst the poor last winter, the City Mission appealed for clothes and money from the parishes. St. Mark's, through Mrs. David English Dallam, sent 269 articles of clothing and $71.00 in money, between December and June.

We greatly need the vital interest of every woman who is a member of St. Mark's Parish in attending the meetings, and forwarding the work of the Auxiliary, as we have lost, through death, so many of our faithful members in the last few years, so that in these days of stress and strain, each one of us may be a true messenger in helping to send the Church to those who need it so sorely.

CAROLINE B. COOKE,
Recording Secretary.

FIFTY-NINTH ANNUAL REPORT

We have to record with deep regret the death of one of our most faithful contributors, Dr. Charles H. Vinton. Though living in Atlantic City, he never failed to remember us.

Despite our many losses, we have been able to continue at the usual times our treats to the little cripples in the House of St. Michael and All Angels.

St. Mark's League of Intercession

President: THE RECTOR
Committee in Charge: MRS. HORACE BROCK

Day after day our League continues steadily its work of corporate prayer for the world, the Church, and for all conditions of men. It was for this that it was organized and never, not even in the World War, was it more needed than today.

In the Collect for the fifth Sunday after Trinity, the Church gives us a prayer that covers the whole situation in a few words. The wonderful way the old Collects do this. We may say it a dozen times a day; when we read the morning papers, as we go about our tasks and as we discuss with others the threatened war in the East, the League of Nations at Geneva, or the lawlessness, distress and disquietude in our own land, and feel our utter helplessness. But we Catholic Christians are not helpless. The world is helpless, and we have the power to help. Our League is dedicated to this work. Its rule is very simple—fifteen minutes a week to be given to intercessions for the Church in all its parts which may be at one time or divided into periods. The world needs a great volume of prayer, and the Church needs it. Will you join us?

D. N. C. BROCK, *Chairman.*

St. Mark's Branch of the Guild of All Souls

The Secretary-Treasurer reports with deep regret that since our Annual Meeting in November, 1930, three members of the Branch have departed this life. They are:

SUSAN FARNUM WHEELER
KATHARINE HOLMES FISKE
CHARLES HARROD VINTON

"Grant them Life Eternal, O Lord, and let Light perpetual shine upon them."

There have been seven new members admitted in the past year and there are at present on the list—seven Reverend Clergy, two Religious Members, fifteen Life Members, and thirty-three Annual Members, making a total membership of fifty-seven.

Probably the most important event of the year has been the Annual Meeting of the Guild, which was held in St. Mark's Church on Monday, the 27th of April.

The High Mass was very reverently and beautifully sung and the sermon was preached by the Reverend Father Mabry of Brooklyn. Both the luncheon, which was generously subscribed to by a few members of the Branch, and the Annual Meeting which followed in the afternoon, were largely attended.

It is a matter of no little regret that it has not been possible this year to make our usual gift to the Christian Burial Fund, toward the reverent burial of some poor patient dying in the Philadelphia Hospital, but we shall hope to be able to do so in the new year that lies before us.

ST. MARK'S BRANCH OF THE MOTHERS' UNION

The Mothers' Union is composed of forty women who were formerly members of St. Michael's Mission at 19th and Lombard Streets, and they are under the care of Sister Helen, with Father Cornell as the Chaplain. Their object is to foster the sanctity of the home.

Meetings are held in the church on the first Friday of each month, from October to June, at eight o'clock, and after a short service they have a social hour with light refreshments in the Parish House.

The women give freely of their services in helping with the Choir suppers in Lent, and also with the breakfasts after the nine o'clock Mass on the first Friday of the month. They also help with the mending of the Acolytes' Cottas. Also at Christmas time they gave a very generous gift to the House of St. Michael and All Angels for the children.

Emily B. Taylor,
Second Directress.

YEAR BOOK

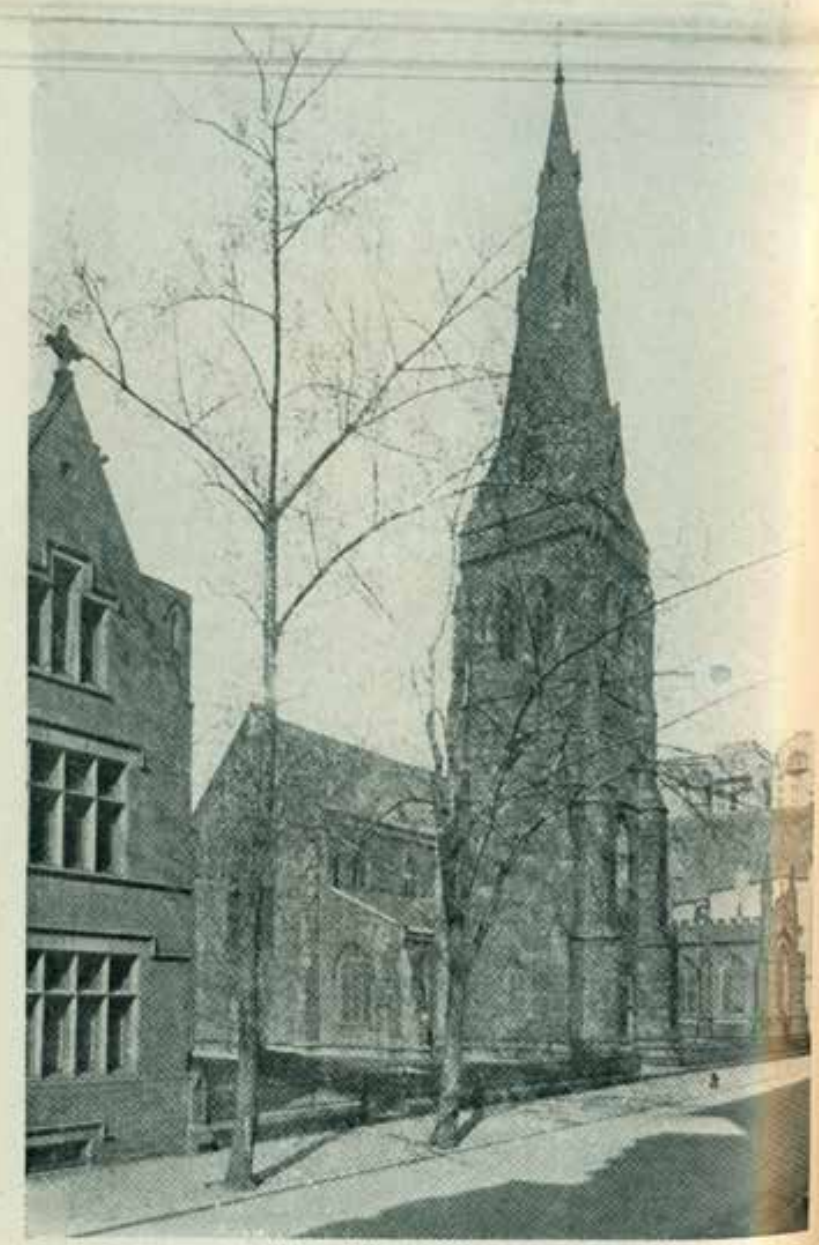

of

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

1933

ST. MARK'S CHURCH, PHILADELPHIA

PREFACE

My Dear People:

Our list of the faithful departed is as follows:

Claire M. Gulick
Annie F. M. Steel
Mary E. E. deGuzman
David English Dallam
Sarah Clement Price
Charles B. Wright
Ethel Reed Hartel
Wm. A. Foster
Pauline B. Townsend
Anna Douglas
Sara Parker Staley
Anne H. L. Scollay
Deborah N. C. Brock

May they rest in peace and may light perpetual shine upon them.

The history of the past year is recorded in this book. The reports have been carefully prepared. I trust that they will be carefully read. A Year Book is a necessity in a parish like our own. Our parishioners, many of them, live miles away from the parish church. Some of them come from beyond the county and state borders. Between Sundays many whose daily occupation engages them in the city come to us for Sacramental Ministration, for public services and for private devotion. When sickness sends them to the hospital it is our privilege to minister to them.

Our flock is in a sense beyond count, if we attempt to reckon the number of those who come under the influence of Saint Mark's, directly and indirectly. They are all remembered in our daily intercessions. From our Altars the energy of prayer goes literally around the world, and into the unseen, interpenetrating world of Saints and faithful departed. The work of prayer

is the first concern. The Eucharistic Presence in the Tabernacle is the magnet. "I, if I be lifted up, will draw all men unto me."

Saint Mark's is a shrine of devotion. It is a happy, peaceful, potent shrine. We are not perplexed by neighborhood problems. Our Altars make our people one in the family of God. Our work is to continue instant in prayer. Doing this, we leave our temporal needs with God. No appeal for money is ever made in Church.

I think that after you have studied the reports you will find cause for thanksgiving. Our parochial budget balances. Our missionary offering indicates that Saint Mark's ranks first in the city and third in the diocese. No salaries have been cut. No reduction in the staff has been made. Substantial saving has been effected by closely watching repairs, telephone, printing and electric bills. A great saving was made in the price of coal, by timely purchase and prompt payment.

The total amount of legacies which we received during the past year has increased our Endowment Fund by the sum of $35,730.84.

The business administration has been carried through with a degree of good judgment, care and efficiency which would bear the scrutiny and merit the commendation of any first rate business corporation. For this our Accounting Warden, Mr. Maule, has been responsible. To him and to his associates of the Vestry I pay the tribute of grateful appreciation which is their just due. I could not have wiser counsellors or more loyal friends.

One of our intercessory prayers reads: "Regard we beseech Thee, most gracious Lord Jesus Christ, all our associates in prayer, and let our united devotion redound to Thy glory and the supply of our individual needs, not according to our unworthiness, but according to the truth of Thy most holy promise, so that having now agreed together for Thy worship, we may together worship Thee face to face in the visible unity of Thy glorified Body." Here is expressed our ideal as a parish. We are "associates in prayer agreed together for worship." Each development of devotional and ceremonial practise has come by agreement of associates in prayer. Whatever we do we do together. The fruit of Christian piety is Christian charity.

So we go on our way through another year. For days that lie ahead we pray, "Grant that we whose lot Thou hast cast in so goodly a heritage may strive together the more abundantly by prayer, by almsgiving and by every other appointed means to extend to others what we so richly enjoy, and as we have entered into the labors of other men, so to labor that in their turn other men may enter into ours."

Affectionately in Our Lord,

FRANK LAWRENCE VERNON.

Eighteen Mass settings have been used, chosen from different schools of compositions as follows: Four Plainchant settings, appropriate to their seasons; two Polyphonic (early Italian, unaccompanied); four from the English Cathedral School; three Modern English; three from the Viennese and Continental; one Modern Italian for men's voices; one Modern American (polyphonic) for men's voices, unaccompanied.

Polyphonic compositions have been introduced into the repertoire for the first time in the history of St. Mark's, and these two compositions (Cavaliere and Casciolini) are avenues for the development of this style of singing. There is a great tradition to draw upon in this school, it is pre-eminently suitable for Mass use, but extremely difficult to prepare, as it is always without the support of the organ. We expect to add another setting of the Mass by the 17th century English composer, Farrant, early in the year 1933, and have already sung the "Kyrie Eleison" by Vittoria, as an introduction to the use of his complete Mass "O Quam Gloriosum." The Viennese and Continental type have included Mozart in B flat, Schubert in C, Gounod in E flat; and we have also in our repertoire, Schubert in G and Dvorak in D.

For the Evening Canticles we have largely used settings by the English Cathedral organists, but with the ten different settings of this type, we have sung five Plainchant settings with faux-bourdons. Here again, this is a new phase in our choral use.

The anthems are chosen mainly from the English Cathedral composers, but we have included music by the masters; Handel, Mozart, Beethoven, Franck and Brahms; and our Christmas carol lists have been compiled from many traditional schools.

The hymns are chosen for their particular bearing upon the intention of the Mass; the Hymnal of the American Church is used, supplemented by selections from the English Hymnals, of which some twenty-five were used during the year, being especially suitable for their particular purpose.

Permit me to include my appreciation of the faithfulness of the choir members and their devotion to our work. The average attendance is very gratifying, and over two hundred and thirty rehearsals and services have been sung. Many boys have missed less than ten attendances during the year, and practically all of the men have perfect records. We are much encouraged and helped by the spirit of loyalty and pride which prevails.

The work on the care of the vestments is devotedly carried on by Miss Elizabeth Cooke and her sister, Miss Caroline. I have the highest appreciation of their efforts, for our vestments are mostly old and need a great deal of repair work to put them in condition to be used Sunday after Sunday. The faithfulness with which these ladies perform their self-imposed duties is commendable.

St. Mark's Episcopal Hospital Auxiliary

Owing to the times, it was with great trepidation that I sent out the appeal for the St. Mark's Auxiliary for the Episcopal Hospital last February. I have been well rebuked for my want of faith, as in the twelve years' existence of this Auxiliary there has never been such a generous response.

One devout and devoted member alone sent an anonymous donation of $800 towards the Children's Ward with the request that the plate on the door should read, "A Thank Offering from St. Mark's Church for Manifold Blessings granted to it." Another parishioner sent $250 for the Solarium in memory of Josephine Bispham Page.

Consequently with the balance of $66.08 from last year, we have in hand $1,508.08.

The Children's Ward is a great addition to the hospital and will reflect much credit on St. Mark's. It is hoped that all who are interested and have subscribed will go and see it when it is completed.

Chairman.

In Memoriam

SARAH PARKER STALEY

On the bright festival of All Angels our faithful coworker, Sarah Parker Staley, died at her old home, Carlisle, Pennsylvania. Her body was brought to St. Mark's and rested in the Lady Chapel until her burial on October 1st. The Requiem and Burial Service were held that morning and she was laid to rest in the family vault in Old St. Peter's Churchyard.

When Mrs. Staley came to live in Philadelphia, she made St. Mark's her spiritual home, and a real home it was to her always, for here in sacraments, worship and work she found comfort, strength and refreshment, and in the lonely years of bereavement after the death of her husband and daughter—an only child—like the holy Anna, she practically lived within its walls.

She was a member of the League of Intercessions, the Confraternity of the Blessed Sacrament, the Guild of All Souls, an associate of the Sisters of St. Margaret, and an active member of the Altar Society in

charge of all silk vestments, until the infirmities of age compelled her to give up this work. But it was in the Woman's Auxiliary that her heart and life were centered. From its organization she had been its treasurer, and when obliged to relinquish this office she retained the treasurership of the United Thank Offering, to which she had been appointed by Bishop Nicholson before there was a Woman's Auxiliary in the Parish.

The four walls of her room might confine her body, but they could not confine her spirit. She lived in China, Japan and Africa; in Alaska and the Philippines; on the prairies of our western lands and in the mountains of Tennessee. These missions and missionaries she carried in her heart and in her prayers.

Therefore be it resolved, that we, her fellow members of St. Mark's Branch of the Woman's Auxiliary, place upon our minutes the record of her long and devoted service, and, as we thank God for it, ask Him for grace to follow her example.

DEBORAH NORRIS COLEMAN BROCK

At her home in Lebanon on St. Thomas' Day, the soul of Deborah Norris Coleman Brock passed from this life to her rest in Paradise; and we as fellow-members of the Woman's Auxiliary are called upon to mourn her loss in this work which is indeed a serious one.

Her unflagging energy, zeal and widespread interest in the missionary work of the church at large were unfailing, and in quiet ways many priests working in lonely and isolated places were helped and cheered in their work by her gifts of books and tracts.

Her deep spirituality and devotion to the Blessed Sacrament and Intercessory Prayer were among the outstanding features of her life; and she spent many hours in prayer in the Sisters' Chapel.

She founded and carried on the League of Intercession in St. Mark's Parish, which has spread to be world-wide and has helped many a worker in far-away Mission fields through days and nights of discouragement.

Her prayers will continue with us and for us in our work here, and her example should be a stimulus to carry on what she has laid down on earth, and our prayer for her is: Eternal rest grant to her, O Lord.

St. Mark's Parish Branch of the Woman's Auxiliary has continued its work as in former years, with meetings held monthly on the first Thursday at 3 P. M., from November to May inclusive; having speakers from the various fields at all but one meeting.

The weekly Thursday Sewing Class, under the direction of Mrs. Joseph Lucas, finished its allotment in February, and took work for the City Mission until April. Fifty dollars was given. Woolen articles were knitted and donated.

Eighteen Dollars was paid by a member for the work of the unemployed.

A Day's Institute was given by Mrs. Hill on January 26, 1932, which was well attended. Two addresses were made in the morning and one after lunch.

The Needlework Guild, under Mrs. Charles P. Maule, reported 571 garments given, being 177 more than last year. Also $35.75 in money was given and $5.00 for the Shoe Fund.

This year we are again called to mourn the loss of two of our most valued members of the Woman's Auxiliary—Mrs. Frank Staley, for twenty-five years our Treasurer and for over forty years the United Thank Offering Treasurer, and Mrs. Brock, Founder of the League of Intercession thirty-three years ago.

We know their prayers will continue in the "life beyond" for the work they loved so dearly on earth. "May they rest in peace."

And now that our ranks are thinning each year, we need the active co-operation of more of the women of St. Mark's to carry on the work of the Auxiliary. Let each of us try this year to rouse the zeal of some one for Missions, and the Missionaries, who are so bravely giving their lives for the spread of Christ's Church on earth.

Caroline B. Cooke,
Recording Secretary.

St. Mark's Branch of the Guild of All Souls

The Secretary-Treasurer reports with deep regret that since our Annual Meeting in 1931, one member of the Branch has departed this life. We pray today for the repose of the soul of Sara Parker Staley. "Grant her Rest Eternal, O Lord, and let light perpetual shine upon her!"

Two new members have been added in the past year and two have withdrawn from the Branch. There are on the list of members today: seven Reverend Clergy, three Religious Members, fifteen Life Members and thirty-two Annual Members.

The annual subscriptions of one dollar per year have been paid almost entirely and the interest in the Branch sustained. It has been possible to pay the yearly expenditure on the lot at Mt. Moriah Cemetery, and we have been able to extend thanks for the generous gift of one member, the sum of $50.00 to the Philadelphia City Mission for the Christian Burial Fund, thereby ensuring decent, reverent burial for at least one poor patient dying in the Christian Faith in our great City Hospital—known as Blockley. The sum required for each simple funeral is $49.00.

Through a Memorial Gift from another member we have purchased five dozen copies of the sermon preached by the Rev. Father Joiner, our President General, at the Jubilee Meeting last year in New York, and these have been sent to each member of the Guild.

St. Mark's Branch of the Mothers' Union

The Mothers' Union have held their meetings regularly once a month during the past year. A picnic in June to Atlantic City was a great success and pleasure. The luncheon was provided by two of the Mothers.

The autumn found all ready for the meeting, Mrs. William Taylor, our leader, being present at the first meeting. Then came her serious illness, and what were we to do? Mrs. David English Dallam kindly came to our assistance.

We are looking forward to having our leader soon with us, which will be a joy to all.

During the past year one Mother has died, and one is seriously ill.

YEAR BOOK

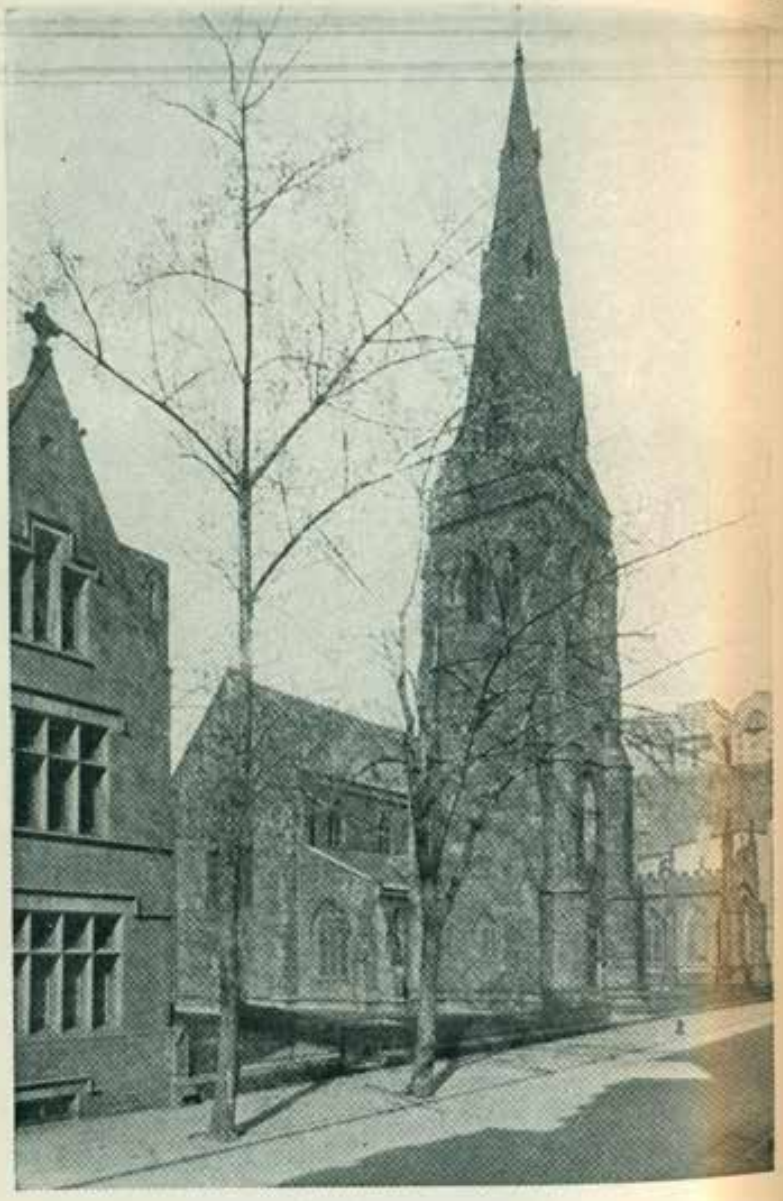

of

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

1934

ST. MARK'S CHURCH, PHILADELPHIA

PREFACE

My Dear People:

Our list of the faithful departed is as follows:

Elizabeth Forbes Dallam	William F. H. Reed
Virginia M. Hart	Martha W. Brinckerhoff
Annie Wilson	Louisa B. Rush
Willis Musser	Emma H. Carroll
Rev. S. Norris Craven	Edwin T. Eisenbrey

Father Craven served Saint Mary's Chapel for twenty years. Stricken with a malady beyond human power to cure, he continued to serve until he had exerted his best and his last effort. He made his last Confession. He received his last Communion. He received his last Annointing. He died supported by the last Rites which he himself had so often administered to others. His body was brought to rest before the Altar of his beloved Chapel, which was filled by a devoted congregation assisting at the Requiem offered for the repose of his soul.

As you will see by reading this book, the past year has been well filled with the activities belonging to our parochial vocation. We have and know our vocation as a parish. In order that we may walk worthy of the vocation wherewith we are called, our first and right concern is to continue steadfastly in the apostles' doctrine and fellowship, and in breaking of bread and in prayers.

As a community of Christians living in the world, we are no less obligated to the rule of life suitable to our vocation, which is the practise of the precepts of the

Christian Religion, than are those who, living in monastic institutions are obligated to the practise of the counsels. Our life vows are our Baptismal vows. Our parish is a community of Christians living in the world under life vows of Renunciation, Faith and Obedience.

The Liturgy is our rule of prayer. The daily offering of the Holy Sacrifice and the public recitation of the Divine Office is the rule of prayer for the priests. The peoples' rule of prayer is to attend on days of obligation and on such other days as their secular avocations permit. To this each adds such private intercession, meditation and spiritual reading as may be adaptable. The secular avocations cease to be secular when they are devoted to God as means for earning money for the support of the parish and the missionary work of the Church.

The parish which is concerned with finding its life will lose it. The parish which is content to lose its life for the Church will find it. The parish which is true to its vocation, without regard for the praise or blame of the world, will not be without power to impress the world which it seems to disregard. It will not allow itself to be caught in the meshes of fictitious activity nor to be disastrously diverted from the pursuit of the good works which God has prepared for it to walk in. By faithful perseverance in observance of our rule, we may hope to realize our ideal of serenity, stability and strength.

In December Father Cornell left us to join the staff of Trinity Church, New York. His faithful, sympathetic, pastoral ministry endeared him to the many who will never cease to gratefully remember him.

This year we considered it to be prudent to reduce our parochial expenditures. This involved sacrifices. We have accepted the sacrifices with cheerfulness and reticence. But we did not allow the Church at large to suffer. We exceeded our missionary quota by over a thousand dollars. We tried, and God gave us grace to be true to our vocation. So we end the year with a thanksgiving.

During the year the legacies which were received have increased our Endowment Fund in the amount of $12,105.00.

As the years go on I believe that Saint Mark's will be more and more used as a peoples' shrine. A shrine of the ancient religion which long since loved, is being resought and recaptured. A true shrine of the people must be supported by the people, rich and poor. Those who have had much, have given plenteously. Those who have little must be no less diligent to give of that little gladly. Every parochial offering should be a united thank-offering. Its true value is the unity of spirit which prompts it. A grateful offering is a great offering. The rich and the poor have equal opportunity and equal share of responsibility.

God bless and guide and guard you.

Affectionately in Our Lord,

FRANK LAWRENCE VERNON.

St. Mark's Episcopal Hospital Auxiliary

The Children's Ward of the Episcopal Hospital, which was furnished by the St. Mark's Auxiliary, was dedicated with the rest of the new wing by Bishop Taitt on May 6, 1933, after a short Service in the Chapel, which was attended by more than five hundred people.

St. Mark's Auxiliary, under the able direction of Mrs. Hand, took charge of serving ice cream and cake during the inspection of the new building of the Hospital. A number of graduate nurses assisted in serving the refreshments, and graduate and student nurses acted as ushers.

The Children's Ward, which is composed of three rooms, is very attractively finished in pink and green color schemes. It is reflecting great credit on St. Mark's.

Now that St. Mark's Auxiliary has undertaken the Children's Ward, in the future their attention must be devoted to its upkeep.

Mrs. John A. Brown, Jr.,
Chairman.

St. Mark's Ward of the Confraternity of the Blessed Sacrament

Objects

1. The Honor due to the Person of our Lord Jesus Christ in the Blessed Sacrament of His Body and Blood.
2. Mutual and special Intercession at the time of and in union with the Eucharistic Sacrifice.
3. The promotion of the observance of the Catholic and primitive law of receiving the Holy Communion fasting.

Rules

1. To Communicate, or at least to be present, on Sundays and the greater Festivals and other Holy days, when the Holy Eucharist is celebrated, unless prevented by sickness or other urgent cause.

2. To promote, by all legitimate means, frequent and reverent Celebrations of the Holy Eucharist, as the Chief Act of Divine Service.

3. To make such special Intercessions as shall be from time to time directed.

Thursday Sewing Class

MRS. JOSEPH LUCAS, Gibbsboro, N. J.

Needlework Guild

MRS. CHARLES P. MAULE, 2217 Rittenhouse Street

St. Mark's Parish Branch of the Woman's Auxiliary has continued its work for the past year as usual, with monthly meetings being held on the first Thursday afternoons from November to May inclusive, and speakers from Mission fields at every meeting but one.

The weekly sewing class, under Mrs. Joseph Lucas' direction, finished their allotment and also sent in a large number of knitted articles and extra work for the Red Cross.

The Needlework Guild of America, under Mrs. Charles P. Maule, reported 585 garments sent in, with $5.00 for the Shoe Fund, and $50.00 from members.

We need more members to take a real interest in the work of the Auxiliary and to come to the monthly meetings, as each year we lose some of our faithful members and we want our ranks filled up so we can all work more earnestly for the spread of Christ's Kingdom on earth.

CAROLINE B. COOKE,
Recording Secretary.

St. Mark's Branch of the Guild of All Souls

The Secretary-Treasurer reports with deep regret that since our Annual Meeting in 1932, three members of the Branch have departed this life. They are:

DEBORAH NORRIS COLEMAN BROCK
MARTHA WETHERILL BRINCKERHOFF
ELIZABETH PENDLETON KENDRICK

"Grant them Rest Eternal, O Lord, and let Light Perpetual shine upon them!"

One new member has been added to the Branch, and there are now on the list: Seven Reverend Clergy, three Religious Members, fourteen Life Members, and thirty-one Annual Members.

Despite the very great financial depression, almost all the annual subscriptions have been paid and the Branch has been enabled to maintain the care of the Mission Lot in Mt. Moriah Cemetery. And once again one of our faithful members has generously given the Fifty Dollars for our gift to the Christian Burial Fund, which makes decent, reverent burial possible for some poor patient, dying in the Christian Faith, in our great City Hospital.

St. Mark's Branch of the Mothers' Union

The Mothers' Union had their usual meetings once a month, from the late Autumn of 1932 until June, 1933. The last meeting for the season was a very happy party, given by Mrs. William J. Taylor at her home.

Sister Elisabetha gave an interesting illustrated lecture on Haiti, and the Mothers gave a donation for supplies to be sent the Haitian Orphanage. As each Mother was leaving the party, she was presented with a beautiful red geranium. Last year we did not have our usual picnic to Atlantic City and whether we have it this coming year depends upon circumstances beyond our control.

We have very happy meetings, and the Mothers are always ready to do any Church work in which they may be called upon to assist. They prepare the supper for the Choir during Lent and the Sunday morning breakfast on the first Sunday each month.

YEAR BOOK

of

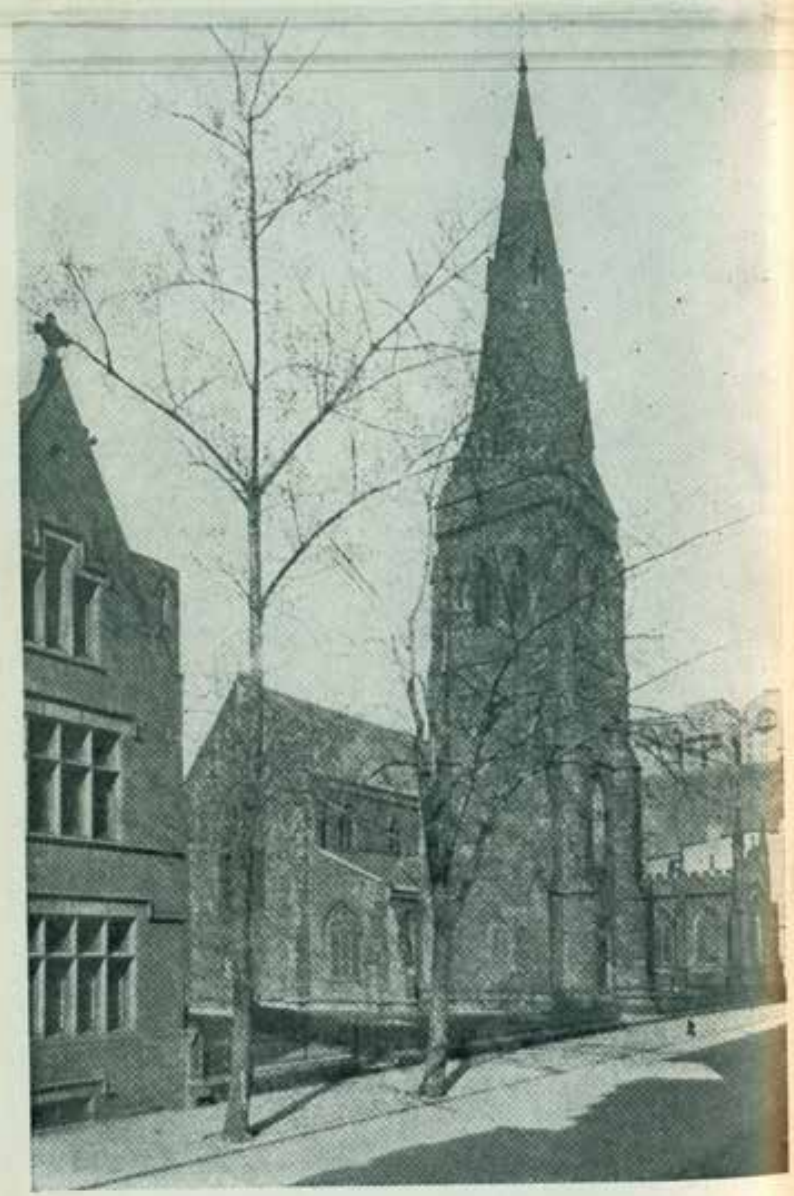

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

1935

[For the Year 1934]

ST. MARK'S CHURCH, PHILADELPHIA

PREFACE

My Dear People:

Our list of the faithful departed is as follows:

Mary A. Cooke
Mary V. L. Sayres
Anne McK. Biddle
Thomas L. Josephs, D.D.
Anna Longstreth Everly
Anna Newbold Chetwood
Warner J. Steel
Susan S. K. S. Montgomery
John E. Dunn
Ernest Scott, Jr.
Mary May Cousland
Mary Franklin Baker
John Wanamaker, Jr.

May they rest in peace and may light perpetual shine upon them.

The Year Book brings to you its Annual Report. I trust that you will read it through. It will tell you the true story of the year, so far as statistics can tell it. Statistics are proverbially dry reading. But after all they do help one to know something about the parish.

It goes without saying that one can only know a parish by living in it. The parish life is the thing that matters. Yet the method of maintenance is of practical interest, and of deep concern to those who bear their fair share of responsibility.

As you know it is my rule never to mention financial matters at hours of worship. The necessary statements of needs are conveyed to you by letters written and sent to you, by the Wardens and Vestry, to be read by you at your convenience. By the Year Book only will the yearly summary reach you. I hope that you will keep it conveniently at hand for reference.

You will note that our income has met our expenses, and automatically liquidated our small debt by one-third, and this without appeal for additional offerings. You will also note that we exceeded our Missionary Expectation of Ten Thousand Dollars by three hundred and some odd dollars.

The Fiske Legacy (Mr. and Mrs. Louis S. Fiske) provides for the education in normal training of Christian boys of American parentage. One boy is being educated at the Church Farm School, and two are in the Tome School in Maryland. Last year we were able, because of accrued interest in the Fund, to maintain ten extra boys, for one year, at the Church Farm School. By so doing we contributed a total of $8,250 to the school.

Attention should be called to this legacy. It is a most generous bequest, providing for a most useful object, entrusted to Saint Mark's by two devoted parishioners in memory of their son.

During the year we received from the Will of Mrs. Martha Brinckerhoff a legacy of $18,000, to be used in designated proportions for Saint Mark's and the Chapels of Saint Michael and Saint Mary.

We also received from the Eisenbrey Estate a Trust Fund of One Hundred Thousand Dollars ($100,000), the income to be used for the Chapels.

We have received an ivory crucifix, several hundred years old, belonging to Mrs. Emma Ridgway Comly, presented through Mrs. Richard P. Tatum. This crucifix hangs in the Baptistry.

Also we received from Mr. Albert Christie an exquisitely wrought gold and ivory crucifix, a miniature replica of the Crucifix on the High Altar. This crucifix is in memory of Mr. Christie's mother, Mrs. Martha S. Christie. It is awarded from year to year for individual excellence to a boy in Saint Mark's Choir, who has merited the honor. The crucifix has been awarded this year to Howard Voss.

The parish life, if it is faithfully lived, consists in seeking first the Kingdom of God and His righteousness. If it is faithfully lived, all things necessary for the temporalities will be added. God has shown this to us, year after year. Upon this foundation of faith we

rest. The expression of our faith is set before us, by the words engraved upon our seal—Serenity, Stability, Strength.

The Reverend Vincent Fowler Pottle has been installed as Vicar of Saint Mary's Chapel. He is doing constructive work as pastor and teacher. The people of St. Mary's have responded. Both priest and people received gracious commendation from the Bishop, on the occasion of the visitation for Confirmation. It is a satisfaction to have our chapel in the centre of a district where it is needed, known and appreciated.

The Reverend Frank Williamson has accomplished a notable work at Saint Michael's, Yeadon. The congregation has grown steadily. The devotion and enthusiasm of the people are remarkable. Each year has justified our venture. And here again we have reason to be thankful that our work is thriving. In the centre of the city, in South Philadelphia, and at the suburban rim, we are maintaining our work, serving the people, and witnessing to the faith, to which we pledged ourselves more than eighty years ago.

The daily offering of the Holy Sacrifice, the daily public recitation of the Divine Office, the daily Intercession before the Blessed Sacrament, these are the pulse beats of our life at Saint Mark's.

Our Lord is the well-spring of our life here. May He grant that His will may be done in us, through us, for us, by us and concerning us.

Affectionately in Our Lord,

FRANK L. VERNON.

St. Mark's Episcopal Hospital Auxiliary

In February, 1934, an appeal was made to the members of St. Mark's Episcopal Hospital Auxiliary for the upkeep of the Children's Ward at the Episcopal Hospital. In response, $257.00 was received, which, with last year's balance of $210.98, brought the total up to $467.98. A check was sent for $367.98, with which twenty bedside cabinets and a bathing table were installed in the Children's Ward.

As the Auxiliary has undertaken the Children's Ward, an appeal was again sent out in February to continue the necessary repairs which occur from time to time.

St. Mark's Ward of the Confraternity of the Blessed Sacrament

Objects

1. The Honor due to the Person of our Lord Jesus Christ in the Blessed Sacrament of His Body and Blood.
2. Mutual and special Intercession at the time of and in union with the Eucharistic Sacrifice.
3. The promotion of the observance of the Catholic and primitive law of receiving the Holy Communion fasting.

Rules

1. To Communicate, or at least to be present, on Sundays and the greater Festivals and other Holy days, when the Holy Eucharist is celebrated, unless prevented by sickness or other urgent cause.
2. To promote, by all legitimate means, frequent and reverent Celebrations of the Holy Eucharist, as the Chief Act of Divine Service.

3. To make such special Intercessions as shall be from time to time directed.

Thursday Sewing Class

MRS. J. ALISON SCOTT, 336 S. 16th Street

Needlework Guild

MRS. CHARLES P. MAULE, 2217 Rittenhouse Street

St. Mark's Parish Branch of the Woman's Auxiliary has continued its work for the past year as usual, with monthly afternoon meetings being held on the first Thursday, from November to May inclusive, and speakers from various Mission fields at all but one meeting.

The Thursday Morning Sewing Class, under Mrs. Joseph Lucas, finished its allotment of 142 garments. The knitting section sent in 14 large sweaters, 8 pairs of socks, 13 pairs of mittens, 6 cap and scarf sets, and baby sweaters, amounting in all to $116.50.

We record with deepest regret the continued illness of our President, Mrs. John A. Brown, Jr., and hope that before long she will have a complete recovery.

The Needlework Guild of America reported 540 garments and $19.00 in money from members, with $42.00 donated to the Shoe Fund. The Public Schools appealed for shoes and rubbers for the children this year, which this fund helped to supply.

It was decided at the May meeting of the Auxiliary to hold a Fair for the work of the Auxiliary. This Fair was held in November and was most successful, $334.00 being realized. Three Hundred Dollars was divided among the five Committees; $10.00 was given to the Church Periodical Club and the remainder was added to the General Fund.

We note with sincere regret the resignation of Mrs. Joseph Lucas and Mrs. John Thomas, both of them having moved away from Philadelphia.

Mrs. J. Alison Scott was elected to take the place of Mrs. Lucas and the work of the Sewing Class has gone on very successfully since November.

Mrs. William J. Taylor resigned as Educational Secretary and Mrs. Edward Bendere was appointed in her place.

Miss Helen Plumly also sent in her resignation.

It is to be hoped that many more women in the parish will take an active interest in the work of the Auxiliary this year and aid, by their prayers and zeal, the spread of Christ's Kingdom in the world.

CAROLINE B. COOKE,
Recording Secretary.

St. Mark's Branch of the Guild of All Souls

The Secretary-Treasurer reports with deep regret that since our Annual Meeting in 1933, two members of the Branch have departed this life. They are:

EMMA HAZELTON CARROLL
SUSAN KEIM MONTGOMERY

"Grant them Rest Eternal, O Lord, and let Light Perpetual shine upon them!"

Three new members have been added to the Branch and we now have on the list: Seven Reverend Clergy, three Religious Members, fourteen Life Members and thirty-two Annual Members, making a total of fifty-six members.

The Branch has been enabled to care for, and keep in repair, the Mission Lot in Mt. Moriah Cemetery, and through the kindness of one Member especially, to send the Annual gift of fifty dollars to the Philadelphia City Mission for the Christian Burial Fund at the City Hospital—Blockley.

The Annual Meeting of the Guild of All Souls, being held this year in April at St. Clement's Church, many of our Members were able to be present, both at the Requiem Mass in the morning, and at the Conference in the afternoon.

St. Mark's Branch of the Mothers' Union

The Mothers meet here at the Church on the first Friday evening of each month, and after a short service, go to the Parish House for a social meeting.

Last spring they also had a special meeting on Thursdays, during the month of May and part of June, after the 9.30 Mass. They met in the Parish House and made sixteen very attractive dresses, which were sent to a girls' Home in the South.

This year we are looking forward to again doing some sewing for Missions, the materials being provided with funds from the Mothers' Union.

ANNUAL REPORT

of

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

For the Year 1937

PREFACE

This book will give ample and accurate information concerning the temporalities of the Parish.

This brief preface will give what in my judgment is the keynote of the spiritualities. God gives us spiritual privileges in order that we may make full use of them for His glory and our salvation. For these privileges we thank Him.

Our gratitude must be expressed by sharing our privileges with others. This sharing must begin at the centre and reach out to the circumference. It must begin in Locust Street and reach to the uttermost ends of the world.

You know what manner of Life, of Worship, Sacraments and Prayer is maintained daily throughout the year in Saint Mark's. You know that the doors are open from early morning until evening every day in the year. You know that the number of persons who are accustomed to make visits for private devotion is beyond count. Many come from distant parishes and many are of religious affiliations other than our own. It is a fact that Saint Mark's is a Metropolitan Shrine.

You know that we maintain at two important centres two Chapels which provide the full privileges of the Church for residents in these centres.

You know also that our Missionary Expectation is our first consideration. We have economized on our parochial expenses, but never once have we even thought of economizing on our missionary expenses.

You know that through the agencies of the League of Intercession and the Church Periodical Club we send literature far and wide. In one year the circulation reached ten thousand.

This I think is enough to indicate the scope of the missionary work of the Parish. The keynote of the spiritualities is that we show our thankfulness for our privileges by giving without weariness and without rest.

Affectionately in Our Lord,

FRANK LAWRENCE VERNON.

CERTIFICATE OF ACCOUNTANTS

We have examined the recorded cash receipts and disbursements records of the Accounting Warden of St. Mark's Parish for the year ended December 31, 1937. In our opinion, and subject to comments in letter of our report, the foregoing statements of receipts and disbursements and of allocated balances, designated exhibit A and supported by schedules A-1 to A-6, inclusive, are in agreement with the records of the Accounting Warden and fairly present the financial transactions for the year ended December 31, 1937.

ANNUAL REPORT

of

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

For the Year 1938

PREFACE

This book conveys to you the annual report from which you may obtain definite information concerning the temporalities of the Parish.

The report concerning the spiritualities can hardly be made in quite the same way. You will find the necessary statistics which indicate the outward signs of the opportunities for receiving the means of grace.

The inward and spiritual life made possible by grace can only be recorded by God Himself. This much can be said, however. The sacramental and prayer life is the source of the power which enables and directs our work for God. Whatever has been accomplished would have been impossible without God's direction in all our doings and without His furthering us with His continual help.

Upon our spiritual life depends our hope that in all our doings we may glorify His holy Name. Therefore it is our bounden duty to render as individuals, and as a parish, the presentation of our bodies a living sacrifice, holy, acceptable unto God, which is our reasonable service.

So long as we seek first the Kingdom of God and His righteousness, all things necessary for the support of the temporalities will be added unto us.

So long as we continue our witness to the Faith once delivered to the Saints, so long as we are faithful stewards and ministers of the mysteries of Christ, so long as the parish Church remains a house of prayer, so long will faithful Christians find Saint Mark's none other than the House of God, and the Gate of Heaven.

Affectionately in Our Lord,

FRANK LAWRENCE VERNON.

St. Mark's Evening Branch of the Woman's Auxiliary

Chairman—MRS. EDWARD H. BENDERE, JR.
Vice-Chairman—MISS MARGARET EVANS
Secretary and Treasurer—MISS REBA E. JOACHIM

The Evening Auxiliary was organized in 1938 to enable the women of the parish, who by their duties are prevented from attending the afternoon meetings of the Woman's Auxiliary, to learn about the missionary work of the Church and to take some part therein. Our meetings are usually held on the second and fourth Mondays of the month. We have had occasional speakers and during Lent Mrs. Bonynge conducted a Mission Study Class on Rural America.

Our membership is not very large, but compares favorably with similar organizations in other parishes.

The Mothers' Union

The Mothers' Union Meetings have been held regularly each month from the Autumn of last year, and will continue until the late Spring of this year.

Last year twenty-five dresses were made and sent to Haiti for the Haitian girls, which are under the care of St. Margaret's Sisters.

Two dozen dolls were dressed and sent to the St. Mary's Sisters at Sewanee for the Mountain children.

The Mothers also paid for the regilding of a Chalice and Paten used daily at St. Mark's.

Two of the Mothers prepare Breakfast on the first Sunday of each month for those who come from a distance for their Communion and would not have time to go home and return for the mid-day service.

Sister Helen Margaret, S.S.M.

CERTIFICATE OF ACCOUNTANTS

TO THE VESTRY,
ST. MARK'S PARISH,
PHILADELPHIA:

We have examined the recorded cash receipts and disbursements records of the Accounting Warden of St. Mark's Parish for the year ended December 31, 1938. In our opinion, and subject to comments in letter of our report, the foregoing statements of receipts and disbursements and of allocated balances, designated exhibit A and supported by schedules A-1 to A-6, inclusive, are in agreement with the records of the Accounting Warden and fairly present the recorded financial transactions for the year ended December 31, 1938.

Philadelphia,
February 24, 1939.

ANNUAL REPORT

of

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

For the Year 1939

PREFACE

The Year Book gives an accurate record of the temporalities of the Church.

It is a record for which we may be thankful. Thankful most of all because there is nothing unusual in the record. As it has been this year, so it has been in all years. You have supported your parish. You have supported the missionary work of the Church.

You have always done this. Why? Because you are devoted to your religion. You value your religious privileges. You consider it your duty to share with others what God has given to you.

So the temporalities are founded upon the spiritualities. The two never are, never can be, separated. Your offerings are outward and visible signs of an inward and spiritual dedication of all that you are and all that you have.

"All things come of thee, O Lord, and of thine own have we given thee."

St. Mark's Episcopal Hospital Auxiliary

In 1939, the Hospital Auxiliary succeeded in securing for the Children's Ward three cribs for large children, ten or eleven years old, who are sometimes almost as tall as adults, at the cost of $207.61.

These beds are being used for heart cases and are so equipped that the head and foot can be raised by means of a crank without disturbing the patient.

St. Mark's Evening Branch of the Woman's Auxiliary

Chairman—MRS. EDWARD C. BENDERE, JR.
Vice-Chairman—MISS MARGARET EVANS
Secretary and Treasurer—MISS REBA JOACHIM

The Evening Auxiliary was organized to give an opportunity to those whose duties prevent attendance at daytime meetings to learn about and take some part in the missionary work of the Church. Meetings are ordinarily held on the second and fourth Monday of each month from October to May.

During the past year the Auxiliary raised $100 which was sent to Mrs. Grafton Burke at Fort Yukon, Alaska, and which counted on the Parish quota. A box of dresses, sweaters and toys was also sent to Mrs. Burke. At Christmas small presents were made and sent to the House of Rest. The Auxiliary has also undertaken the sale of the Forward Movement booklets.

The Mothers' Union

In addition to their regular monthly meetings, a Retreat, conducted by the Rev. Francis F. E. Blake, was held in Advent at St. Margaret's House.

On the first Sunday of each month two of the members prepare breakfast for the choir boys who come for their Communions on that day.

The mending of cottas and cassocks, and the making of several cottas, has been among the other works of parish service contributed by the Mothers.

A new Missal for the Lady Chapel was presented to St. Mark's by the Mothers at Christmas.

ANNUAL REPORT

of

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

For the Year 1940

PREFACE

My dear People:

The Annual Report provides you with information concerning the administration of the temporalities of the Parish for the year 1940.

The Report also records the work of the various parochial organizations.

The purpose of this Preface is to express my appreciation of the faithful service rendered by those who have devotedly served in the work of St. Mark's; for the Parish, the Diocese and the Church in the world-wide mission, for which we consider ourselves to be corporately responsible.

For as we have many members in one body, and all members have not the same office: So we being many, are one body in Christ, and every one members one of another.

Having then gifts differing according to the grace that is given to us, let us wait on our ministry. There are diversities of gifts, but the same spirit.

Personal dedications to varieties of vocations worketh that one and the self-same spirit, dividing to every man severally as he will. The fruit of sacramental life is a devotion to Our Lord which prompts one to pray, "Lord, what wilt thou have me to do?"

REPORT OF
CERTIFIED PUBLIC ACCOUNTANTS

Philadelphia, March 4, 1941.

Mr. Charles P. Maule, Accounting Warden,
St. Mark's Parish,
Philadelphia.

Dear Sir:

In accordance with your request we have made an examination of the accounts and financial records of St. Mark's Parish for the year ended December 31, 1940. This examination consisted of the verification of recorded cash receipts and disbursements for the year under review as hereinafter described. The results of our examination are presented in this report, which includes: (1) text of comments and explanatory detail; (2) summary statement of cash receipts and disbursements, year ended December 31, 1940; and (3) schedules supplementing this statement. A list of the statement and of the supplementary schedules is presented in the index preceding the text of this report.

During the year under review we made a special examination comprising the physical verification of documents and securities in possession of The Pennsylvania Company, etc., as agents and attorneys for the various trust funds of the Parish, as reported upon by us under date of October 4, 1940. Proper entries had been made on the records of the Parish for remittances made to it by that institution throughout the year under review, as presented by statements submitted to you. Records of the principal changes of the several trust funds and subsidiary investment ledgers with corresponding subdivisions are maintained by your employees. We compared entries in the records of principal changes with statements submitted by The Pennsylvania Company, etc. for the year ended December 31, 1940 and reviewed the listings of principal balances in the investment ledgers as at that date. Such listings were in agreement with the respective control balances.

To complete our special physical examination of the documents and securities representing investments of the trust funds of the Parish we inspected certain documents contained in a

storage vault of The Fidelity-Philadelphia Trust Company, as reported upon by us under date of December 27, 1940.

Recorded cash receipts for the year under review were verified by comparison with deposits as shown by statements of your banking depositories. Recorded cash disbursements were verified by comparison with cancelled checks.

At December 31, 1940 cash was on deposit as follows:

Checking account:		
The Pennsylvania Company, etc.		$6,960.41
Savings fund accounts:		
The Western Saving Fund Society of Philadelphia:		
Emma Newbold Brock Insurance Fund	$1,442.38	
St. Mary's Improvement Fund	105.58	
		1,547.96
Total balances on deposit—December 31, 1940		8,508.37
Deduct: Deposits from November 22 to December 31, 1940, representing contributions for the year 1940 entered in parish records under date of January 2, 1941, as follows:		
Budget contributions	$ 890.00	
Envelopes	284.00	
		1,174.00
Balance, December 31, 1940—exhibit A		$7,334.37

Balances on deposit with the several institutions were confirmed by direct correspondence.

The cash receipts and disbursements records of the parish for special and trust funds, as presented in schedule A-3, include items representing checks drawn to the order of institutions designated by the contributors but which are forwarded to such institutions by the office of your parish for the purpose of enabling the parish to obtain credit for contributions of this nature. These checks, being drawn to the order of others, are not deposited in the parish bank accounts.

Following your usual procedure in the preparation of financial reports for the parish and in accordance with your wishes, we have grouped items of disbursements into the classifications presented in the attached statements. The records of the Parish present such expenditures in complete detail.

Insurance policies and the indemnity bonds were examined by us and compared with the insurance register. All policies listed by the register as being in force at the date of our examination were accounted for and summarized as follows:

The following Reports have been presented by the several organizations for inclusion in this Year Book:

St. Mark's Episcopal Hospital Auxiliary

With the money collected by the Hospital Auxiliary in 1940, the Chairman purchased the following equipment for the Children's Ward: 1 Heated Bassinet, 1 Lombard Oxygen Outfit and 1 Electrical Croup Kettle.

The Hospital was exceedingly grateful for all these articles, especially mentioning the Croup Kettle, which was a great improvement over the old one and far easier for the children to use.

During the past year we have had a Quiet Evening conducted by the Rector and a Mission Study Class conducted by Mrs. Bonynge, in addition to other speakers from the mission field. Sixty-one garments were made for the Red Cross during the summer.

In the fall we decided to hold one meeting a month hereafter, on the first Monday, and to assess dues at $1.00 per member to cover purchases of supplies from the Supply Bureau. At Christmas we made favors for the House of Rest. Also contributed $83.78 to the United Thank Offering.

All women who are interested are invited to attend our meetings. We especially invite those who are employed or otherwise engaged during the day.

The Mothers' Union

The Mothers' Union has a total of 39 members. During 1940, in addition to their regular monthly meetings and the usual services rendered by the various members, a group of Mothers met each week during the spring and made children's garments, which were sent to Haiti, Canada and Sewanee, Tennessee.

On the Feast of the Annunciation 21 members received Holy Communion, with 20 members of the Diocesan Mothers' Union joining them. This was followed by breakfast for all in the parish hall, and later in the Lady Chapel Father Blake admitted two more members into the organization.

On December 11 a Retreat, conducted by Rev. V. F. Pottle, was held at St. Margaret's House.

ANNUAL REPORT

of

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

For the Year 1941

PREFACE

My dear People:

The Year Book presents the report of the temporalities of the Parish and invites careful reading.

A balanced budget and the fulfillment of the missionary responsibilities of the Parish afford evidence of loyalty and stability of a devoted congregation, faithful to the traditions of Saint Mark's.

The reports of our Chapels are well worth your attention. Our Vicars and their Congregations are to be commended for their work in their respective areas, and for their devotion to the corporate life of the Parish.

This preface is concerned with the spiritualities. The daily services begun in 1849 are maintained. The daily Sacramental ministrations are the means of the supply of the inward and spiritual grace by which we live.

The open church provides a place for private devotion throughout every day, known and loved throughout the city and its suburbs. In the Presence of Our Lord all who seek Him find rest and help in time of need. He draws all men to Him.

Our spiritual function is to provide everything that His Church has been empowered by Him to give. May He enable us to continue to do His will.

Short Report of Certified Public Accountants

To the Vestry,
St. Mark's Parish,
Philadelphia:

We have examined the recorded cash receipts and disbursements of the Accounting Warden of St. Mark's Parish for the year ended December 31, 1941. In our opinion, and subject to comments in letter of our report, the foregoing statements of receipts and disbursements and of allocated balances, designated exhibit A and supported by schedules A-1 to A-6, inclusive, are in agreement with the records of the Accounting Warden and present fairly the recorded financial transactions for the year ended December 31, 1941.

CHARLES S. ROCKEY & Co.,

President—Miss Margaret Evans
Vice President—Miss Charlotte Eckfeldt
Secretary and Treasurer—Miss Reba Joachim
Educational Secretary—Mrs. Albert Haas

The Evening Auxiliary meets on the first Monday of the month. This year we have had our usual Quiet Evening conducted by the Rector. In addition the Rector has also conducted a Bible Class after Evensong on the first Monday of the month. Judging by the response, the Bible Class seems to fill a real need.

At Christmas we sent a large amount of clothing and books to the mountain mission at Sewanee and made small presents for the House of Rest.

Sixty-two garments were made for the Supply Department and 15 garments and 5 sweaters for the Red Cross. We cordially invite any women who may be interested to attend our meetings.

The Mothers' Union

The service work of the Mothers' Union for the year 1941 includes the making of 26 girls' dresses, 9 boys' shirts and the collection of other clothing and gifts for missions in Bracebridge, Canada, Port-au-Prince, Haiti, and St. Andrew's School, Tennessee. Also the making of four pairs of Tabernacle curtains and two palls for the Chapel of the Episcopal Hospital.

The Mothers' also kept the Acolytes' Cassocks in repair and served the Choir Boys' breakfasts on the first Sunday of each month.

In addition to regular monthly meetings, the members attended a Retreat conducted in Advent at St. Margaret's House by the Reverend Theodore E. LeVan.

ANNUAL REPORT

of

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

For the Year 1942

PREFACE

My dear People:

I commend the Year Book, which presents the report of the temporalities of the Parish, to your careful attention. The report speaks for itself.

I take this opportunity of expressing my appreciation of the conscientious support of the work of the parish in the Mother Church and its Chapels.

Our parochial responsibilities for the work of the Parish, the Diocese and the Church at Large depend upon the personal interest, prayers and support of each individual. What we do, we do together. The temporalities become spiritualities when they are offered to God for His greater Glory and for the faithful service to the necessities of those who have the right to look to us for service in God's Name.

The daily sacramental ministrations of the Church, the open Church for public and private devotion, are appreciated not only by our own people but many in all parts of the city. I suppose we shall never know the miracles of grace shown to those who come to St. Mark's without always making themselves known to us. To share with them what we ourselves have received is our best way of returning thanks.

We have an enormous opportunity for fulfilling here at home a missionary obligation which undoubtedly is bringing aid and comfort to many whom we may never know. We must include in our daily prayers all who come under the influence of the Parish, directly or indirectly. For the rest we depend upon God's blessing, which has never failed us.

March 26, 1943.

Mr. Charles P. Maule, Accounting Warden,
St. Mark's Parish,
Philadelphia.

Dear Sir:

In accordance with your request we have made an examination of the accounts and financial records of St. Mark's Parish for the year ended December 31, 1942. This examination consisted of the verification of recorded cash receipts and disbursements for the year under review as hereinafter described. The results of our examination are presented in this report, which includes: (1) text of comments and explanatory detail, and (2) the statement and schedules listed in the index preceding the text of this report.

Proper entries had been made on the records of the Parish for remittances of trust fund income made to it by the Pennsylvania Company, etc., throughout the year under review, as presented by statements submitted to you. Records of the principal changes of the several trust funds and subsidiary investment ledgers with corresponding subdivisions are maintained by your employees. We compared entries in the records of principal

changes with statements submitted by The Pennsylvania Company, etc., for the year ended December 31, 1942, and reviewed the listings of principal balances in the investment ledgers as at that date. Such listings were in agreement with the respective control balances.

Recorded cash receipts for the year under review were compared with deposits as shown by statements of your banking depositories. Recorded cash disbursements were compared with cancelled checks.

At December 31, 1942, cash was on deposit and war savings stamps were owned as follows:

Checking Account:		
The Pennsylvania Company, etc.		$13,374.32
Savings Fund Accounts:		
The Western Saving Fund Society of Philadelphia:		
Emma Newbold Brock Insurance Fund	$1,358.40	
Wm. H. Newbold Choir Fund	—	
Employment Society	.57	
F. Avery Jones Memorial Fund	.23	
War Savings Stamps	75.00	
		1,434.20
Total Balances on Deposit—December 31, 1942		$14,808.52
Deduct: Deposits from December 4 to December 31, 1942, representing contributions for the year 1943 entered in parish records under date of January 2, 1943, as follows:		
Budget Contributions	$ 770.00	
Envelopes	328.00	
		1,098.00
Balance, December 31, 1942—Exhibit A		$13,710.52

Balances on deposit with the several institutions were confirmed by direct correspondence.

The cash receipts and disbursements records of the parish for special and trust funds, as presented in schedule A-3, include items representing checks drawn to the order of institutions designated by the contributors but which are forwarded to such institutions by the office of your parish for the purpose of enabling the parish to obtain credit for contributions of this nature. These

checks, being drawn to the order of others, are not deposited in the parish bank accounts.

Following your usual procedure in the preparation of financial reports for the parish and in accordance with your wishes, we have grouped items of disbursements into the classifications presented in the attached statements. The records of the Parish present such expenditures in complete detail.

Insurance policies and indemnity bonds were examined by us and compared with the insurance register. All policies listed by the register as being in force at the date of our examination were accounted for and are summarized as follows:

The Mothers' Union

The Mothers' Union has continued its monthly meetings on the first Friday of the month.

The Annual Corporate Communion, with breakfast, was held on the Feast of the Annunciation. A Retreat, by the Rev. Alfred Langlois, was conducted at St. Margaret's House in the early winter.

Some missionary sewing was done and a box was sent to St. Andrew's School, St. Andrew's, Tennessee.

We were saddened by the death of Mrs. Elizabeth McHenry, for many years our Secretary. Mrs. Ernest Dunn was elected Secretary in her place. Mrs. James Greeby is now our Treasurer.

PREFACE

My dear Friends:

Most people find figures and statistics, which necessarily comprise a large part of a Year Book, dry and uninteresting. And so they are, until one learns to read between the lines and behind the figures the spiritual activities which are associated with these material and financial factors.

Money and time consecrated to God become almost sacramental in character, and the generous support of the work of St. Mark's, both in the Mother Church and in the Chapels, has made it possible for the Grace of God to have fuller course in the hearts and lives of many who are unknown, by name or even by face, to us.

We believe that St. Mark's has a great Mission for the future as in the past, and that means an inescapable missionary duty and responsibility resting upon each and every one of us. In these tragic days, when stricken humanity is longing for a source of comfort and healing, we who know the one Secret, must find a very urgent summons, both as individual Christians and as a parish, to bring men into the fellowship of the Crucified, Risen and Ascended Saviour.

I wish to express my own appreciation of the cordial welcome and cooperation which I have found at St. Mark's, and I am confident that as we pray with deep affection for the happy repose of the soul of our beloved Father Rector, we shall seek to give ourselves anew to the faith and to the work of love, springing from that faith, which is so dear to his heart, and above all, to the Heart of our Blessed Lord.

Schedule A-4—St. Michael's Chapel, Yeadon. Statement of cash receipts and disbursements, year ended December 31, 1943.

Schedule A-5—St. Mary's Chapel. Statement of cash receipts and disbursements, year ended December 31, 1943.

May 5, 1944.

Mr. Charles P. Maule, Accounting Warden,
St. Mark's Parish,
Philadelphia.

Dear Sir:

In accordance with your request we have made an examination of the accounts and financial records of St. Mark's Parish for the year ended December 31, 1943. This examination consisted of the verification of recorded cash receipts and disbursements for the year under review to the extent hereinafter described. The results of our examination are presented in this report, which includes: (1) text of comments and explanatory detail, and (2) the statement and schedules listed in the index on the preceding page.

Proper entries had been made on the records of the Parish for remittances of trust fund income made to it by the Pennsylvania Company, etc., throughout the year under review, as presented by statements submitted to you. Records of the principal changes of the several trust funds and subsidiary investment ledgers with corresponding subdivisions are maintained by your employees. We compared entries in the records of principal changes with statements submitted by The Pennsylvania Company, etc., for the year ended December 31, 1943, and reviewed the listings of principal balances in the investment

ledgers as at that date. Such listings were in agreement with the respective control balances.

Recorded cash receipts for the year under review were compared with deposits as shown by statements of your banking depositories. Recorded cash disbursements were compared with cancelled checks.

At December 31, 1943, cash was on deposit as follows:

Checking Account:		
The Pennsylvania Company, etc.		$15,328.64
Savings Fund Accounts:		
The Western Saving Fund Society of Philadelphia:		
Emma Newbold Brock Insurance Fund	$1,296.76	
Wm. H. Newbold Choir Fund	6.78	
Wm. H. Newbold Christmas Fund	1.82	
Employment Society	6.75	
F. Avery Jones Memorial Fund	.46	
		1,312.57
Total Balances on Deposit—December 31, 1943		$16,641.21
Deduct: Deposits from November 26 to December 31, 1943, Representing contributions for the year 1944 entered in parish records under date of January 1, 1944, as follows:		
Budget Contributions	$ 990.00	
Envelopes	340.00	
		1,330.00
Balance, December 31, 1943—Exhibit A		$15,311.21

Balances on deposit with the several institutions were confirmed by direct correspondence.

The cash receipts and disbursements records of the parish for special and trust funds, as presented in schedule A-3, include items representing checks drawn to the order of institutions designated by the contributors but which are forwarded to such institutions by the office of your parish for the purpose of enabling the parish to obtain credit for contributions of this nature. These checks, being drawn to the order of others, are not deposited in the parish bank accounts.

Following your usual procedure in the preparation of financial reports for the parish and in accordance with your wishes, we have grouped items of disbursements into the classifications presented in the attached statements. The records of the Parish present such expenditures in complete detail.

Insurance policies and indemnity bonds were examined by us and compared with the insurance register. All policies listed by the register as being in force at the date of our examination were accounted for and are summarized as follows:

The following Reports have been presented by the several organizations for inclusion in this Year Book.

St. Mark's Episcopal Hospital Auxiliary

Due to the increased cost of materials and priorities, it was thought inadvisable to make any purchases for the Children's Ward last year. Therefore the money subscribed by the members of the Auxiliary during 1943 is being held in the Treasury until more normal conditions.

The Evening Branch of St. Mark's Woman's Auxiliary, which is primarily for business and professional women, has met regularly on the first Monday of each month.

We have had a Quiet Evening, conducted by the Rector, and interesting talks by Mrs. Sumner Cross, Mrs. Francis R. Packard and Father Pottle.

We supplied the Red Cross with ten kits and money for other kits and also seven pairs of Navy gloves. Three boxes were sent to St. Mary's School, Sewanee, Tennessee, at Christmas and our money was disbursed according to the Treasurer's report below.

All women of the Parish are cordially welcome.

The Mothers' Union

Secretary—MRS. ERNEST DUNN
Treasurer—MRS. JAMES GREEBY
Associates—MRS. CLAYTON MCELROY, MRS. H. H. NORTON, MISS CAROLINE B. COOKE.

The Fiftieth Anniversary of St. Mark's Branch of the Mothers' Union was celebrated in January. A Service of Thanksgiving and of Intercession was conducted by Father Vernon in the Lady Chapel, and a Golden Jubilee Luncheon was held in a nearby tea room.

The service work of the Mothers during the past year included the sending of cards and calendars to the men of the Parish who are in the Armed Forces; the making of 'ditty bags' for Army men and men of the Merchant Marine; the gift of Church-Year Calendars to the Seamens' Church Institute, and assistance rendered to certain needy people.

A Quiet Day was held at St. Margaret's House in Advent, conducted by the Rev. Frank Williamson, Jr.

ANNUAL REPORT

of

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

For the Year 1944

PREFACE

My dear People:

I commend the Year Book, which presents the report of the temporalities of the Parish, to your careful attention. The report speaks for itself.

I take this opportunity of expressing my appreciation of the conscientious support of the work of the parish in the Mother Church and its Chapels.

Our parochial responsibilities for the work of the Parish, the Diocese and the Church at Large depend upon the personal interest, prayers and support of each individual. What we do, we do together. The temporalities become spiritualities when they are offered to God for His greater Glory and for the faithful service to the necessities of those who have the right to look to us for service in God's Name.

The daily sacramental ministrations of the Church, the open Church for public and private devotion, are appreciated not only by our own people but many in all parts of the city. I suppose we shall never know the miracles of grace shown to those who come to St. Mark's without always making themselves known to us. To share with them what we ourselves have received is our best way of returning thanks.

We have an enormous opportunity for fulfilling here at home a missionary obligation which undoubtedly is bringing aid and comfort to many whom we may never know. We must include in our daily prayers all who come under the influence of the Parish, directly or indirectly. For the rest we depend upon God's blessing, which has never failed us.

WILLIAM H. DUNPHY.

Report of Silk and Linen Committee

No new silk vestments have been needed during the past year. The following articles have been renovated: the green frontal for the High Altar, the violet frontal for the Lady Chapel, the humeral veil, one violet stole. Much minor mending has been done.

A pyx case was made (in memory of Mrs. Herbert Goddard). New cere-cloths have been provided for the three altars.

May 25, 1945.

Mr. Charles P. Maule, Accounting Warden,
St. Mark's Parish,
Philadelphia.

Dear Sir:

In accordance with your request we have made an examination of the accounts and financial records of St. Mark's Parish for the year ended December 31, 1944. This examination consisted of the verification of recorded cash receipts and disbursements for the year under review to the extent hereinafter described. The results of our examination are presented in this report, which includes: (1) text of comments and explanatory detail and (2) the statement and schedules listed in the index page above.

Proper entries had been made on the records of the Parish for remittances of trust fund income made to it by the Pennsylvania Company, etc. throughout the year under review, as reflected by statements submitted to you. Records of the principal changes of the several trust funds and subsidiary investment ledgers with corresponding subdivisions are maintained by your employees. We compared entries in the records of principal changes with statements submitted by The Pennsylvania Company, etc. for the year ended December 31, 1944 and reviewed the listings of principal balances in the investment ledgers as at that date. Such listings were in agreement with the respective control balances.

Recorded cash receipts for the year under review were compared with deposits as shown by statements of your bank depositories. Recorded cash disbursements were compared with cancelled checks.

At December 31, 1944 cash was on deposit as follows:

Checking account:		
The Pennsylvania Company, etc.		$14,203.92
Savings fund accounts:		
The Western Saving Fund Society of Philadelphia:		
Emma Newbold Brock Insurance Fund	$1,271.08	
Wm. H. Newbold Choir Fund	14.76	
Wm. H. Newbold Christmas Fund	4.04	
Employment Society	14.18	
F. Avery Jones Memorial Fund	1.09	
Mary Weir Flower Fund	.36	
		1,305.51
Total Balances on Deposit—December 31, 1944		$15,509.43
Deduct: Deposits from December 5 to December 31, 1944, representing contributions for the year 1945 entered in parish record under date of January 1, 1945, as follows:		
For parochial purposes	$577.50	
For missionary purposes	352.50	
		930.00
Balance, December 31, 1944—Exhibit A		$14,579.43

Balances on deposit with the several institutions were confirmed by direct correspondence.

The cash receipts and disbursements records of the parish for special and trust funds, as presented in schedule A-3, include items representing checks drawn to the order of institutions designated by the contributors but which are forwarded to such institutions by the office of your parish for the purpose of enabling the parish to obtain credit for contributions of this nature. These checks, being drawn to the order of others, are not deposited in the parish bank accounts.

Following your usual procedure in the preparation of financial reports for the parish and in accordance with your wishes, we have grouped items of disbursements into the classifications presented in the attached statements. The records of the parish present such expenditures in complete detail.

Insurance policies and indemnity bonds were examined by us and compared with the insurance register. All policies listed by the register as being in force at the date of our examination were accounted for and are summarized as follows:

Chapel of St. Michael and All Angels

Wallace Street, East of 43rd

REV. THOMAS W. S. LOGAN, *Vicar*

St. Michael and All Angels, 43rd and Wallace Streets, was designated as a parochial Mission Chapel of St. Mark's on July 1, 1939. While the mother parish has not accepted any financial responsibility for the operation and maintenance of the Chapel, such assistance has never been called for or needed. The Chapel has been self-supporting throughout.

The connection arose because a member of St. Mark's Parish built and gave the Chapel in which the work is carried forward and imposed a condition in the Deed whereby the Chaplain is to be appointed by the Rector of St. Mark's.

The Chapel has a membership of 507 of which number 115 are under twenty-one years of age and from Ash Wednesday to Low Sunday 331 members made their Communion. They have 79 members in the Armed Forces.

During the year 1944 their records show as follows:

Baptisms	57
Confirmations	47
Burials	10
Weddings	6

They have various organizations including a Sunday School with an average attendance of 55 scholars.

With the full approval of the Rector and Vestry of St. Mark's this Chapel has now requested full status as an independent parish. This application was granted at the last diocesan convention.

PREFACE

My dear People:

The life of the Church has its earthly side as well as its heavenly side. Of its earthly temporal progress we may learn something from statistics. Those who read and analyze the figures in this Year Book with care can learn much of the progress of the Parish. It is a matter of thankfulness that we are constantly undertaking new responsibilities and enlarging our gifts accordingly. Our expenses have increased. Our receipts likewise have increased. This is as it should be. "Freely have ye received, freely give."

During the past year Mr. Maule found it necessary to resign as Accounting Warden on account of ill health. He has been made Accounting Warden Emeritus. I cannot sufficiently express my gratitude for what he has done for the parish these many years. The healthy financial state of the Parish is due in very large measure to him. It is a source of keen satisfaction that Mr. McElroy has taken over the duties of Accounting Warden with the same devotion and with the same generous giving of time and effort.

Figures, of course, tell only a part of the story. The larger part, the more important part, is hidden from the eyes of men, but not from the eyes of God and His Holy Angels. The generosity of spirit, the faith, hope and love, the self-denial and self-sacrifice that have gone into these gifts, small and large, God alone knows. The Father Who now sees in secret will hereafter reward openly those who have given so largely of themselves and their substance to the work of His Kingdom. God has blessed us abundantly in the years past. May He give us strength to go forward with renewed zeal in His Service in the days that lie ahead. May His Holy Name be praised.

God bless you all.

Affectionately in Christ,

WILLIAM H. DUNPHY

Having come to the end of my first year as Accounting Warden, I think it only fitting that I call your attention to a few major items in the Receipts and Disbursements Accounts which are not itemized in the General Statement.

By comparing 1945 with 1944, you will note that there is a difference in the balance carried forward at the beginning of the year of approximately $4,000. This was due primarily to the expense of cleaning the organ, which amounted to $2,500, and the installation of a new boiler at St. Mary's, $1,000 of which was paid for in 1945, the balance being carried over to 1946. You will also note that St. Mark's allowance to the Chapels was approximately $2,000 more in 1945 than in 1944, $1,000 of which is explained above.

Because of your generous gifts to the Missionary Expectation, it was not necessary for us to augment our pledge from the St. Mark's General Account. And because of the generous gift under Miss McCall's Will received in 1945, the repairs to the Church and property were not as much of a drain on the General Account as they were in 1944. Therefore, our disbursements for the year are very little more than in the preceding year.

We have four sources of income other than endowments, namely, budget subscriptions, envelopes, loose cash offerings, and pew rents. These increased $2,000 during 1945 while the endowment income dropped $4000, making the gross receipts for the year approximately $2,000 less than the year before. With the Endowment income still decreasing in the current year, with expenses up, with no increase possible in pew rents, it is easy to see that increases must occur in our other sources of income.

During the summer months of 1946, it was necessary to make extensive repairs to the Church spire, amounting to about $4,500, and I sincerely hope your contributions for the balance of the year and the years to come will make it possible for us to maintain not only the same standard of worship that we have had at St. Mark's and the Chapels, but permit us to keep the Church and buildings in repair and a credit to St. Mark's Congregation.

Yours very truly,

St. Mark's Episcopal Hospital Auxiliary

Last year a check for $231.00 was sent to the Episcopal Hospital by the Auxiliary for the purchase of new equipment for the Children's Ward. Dr. Wilson, Superintendent, has advised us that with this money they were able to purchase 2 wheel chairs, 2 scales and 1 tray cart, which are greatly appreciated. With the small balance on hand, needed articles will be purchased as soon as they are obtainable.

The Brotherhood assists the Clergy in their work of bringing men to our Lord. By prayer and personal effort the members try to fulfill assignments of this type. Meetings are held once a month.

St. Mark's Evening Branch of the Woman's Auxiliary

President—Miss Margaret Evans
Vice-President—Miss Jessie S. Christie
Treasurer—Miss Maria B. Samuel
Secretary—Mrs. Mabel W. Clarke

The Evening Branch of St. Mark's Woman's Auxiliary meets the first Thursday evening of each month at 8 P.M. All women are invited to attend, especially business and professional women.

During the Fall of 1945 and Spring of 1946 we have centered our attention on problems confronting the National Convention which holds its session here in Philadelphia in September of this year. Fr. Dunphy and Fr. Fifer have met with us to discuss these issues.

We sent out Christmas folders, which we made, to the "Shut-Ins" of the Parish. Also our usual box to St. Mary's Mission in Sewanee. We once more sponsored the School of Religion conducted by the Rector during Lent. Some of us have helped with the Choir Boys' breakfast once a month, and have also assisted with the sewing and mending of robes and linens. A Chapter of the Needlework Guild is sponsored by us.

As our chief interest this year was our Parish, our most important work was done largely in individual and common prayers and retreats, with our Parish and Clergy as our special intentions.

Schedule A-2—General account, statement of cash receipts and disbursements, year ended December 31, 1945.

Schedule A-3—Special and trust funds. Statement of cash receipts and disbursements, year ended December 31, 1945.

Schedules A-4—St. Michael's Chapel, Yeadon. Statement of cash receipts and disbursements, year ended December 31, 1945.

Schedule A-5—St. Mary's Chapel. Statement of cash receipts and disbursements, year ended December 31, 1945.

June 17, 1946.

Mr. N. Crenshaw McElroy, Accounting Warden,
St. Mark's Parish,
Philadelphia.

Dear Sir:

In accordance with your request we have made an examination of the accounts and financial records of St. Mark's Parish for the year ended December 31, 1945. This examination consisted of the verification of recorded cash receipts and disbursements for the year under review to the extent hereinafter described. The results of our examination are presented in this report which includes: (1) text of comments and explanatory detail and (2) the statement and schedules listed in the index on the preceding page.

Proper entries had been made on the records of the Parish for remittances of trust fund income made to it by the Pennsylvania Company, etc. throughout the year under review, as reflected by statements submitted to you. Records of the principal changes of the several trust funds and subsidiary investment ledgers with corresponding subdivisions are maintained by your employees. We compared entries in the records of principal changes with statements submitted by the Pennsylvania Company, etc. for the year ended December 31, 1945 and reviewed the listings of principal balances in the investment ledgers as at that date. Such listings were in agreement with the respective control balances.

Recorded cash receipts for the year under review were compared with deposits as shown by statements of your bank depositories. Recorded cash disbursements were compared with cancelled checks.

At December 31, 1945 cash was on deposit as follows:

Checking account:		
The Pennsylvania Company, etc.		$16,614.43
Savings fund accounts:		
The Western Saving Fund Society of Philadelphia:		
Emma Newbold Brock Insurance Fund	$1,244.23	
Wm. H. Newbold Choir Fund	22.90	
Wm. H. Newbold Christmas Fund	6.30	
Employment Society	21.76	
F. Avery Jones Memorial Fund	1.73	
Mary Weir Flower Fund	.76	
		1,297.68
Balance, December 31, 1945—Exhibit A		$17,912.11

Balances on deposit with the several institutions were confirmed by direct correspondence.

The cash receipts and disbursements records of the parish for special and trust funds, as presented in Schedule A-3, include items representing checks drawn to the order of institutions designated by the contributors but which are forwarded to such institutions by the office of your parish for the purpose of enabling the parish to obtain credit for contributions of this nature. These checks, being drawn to the order of others, are not deposited in the parish bank accounts.

Following your usual procedure in the preparation of financial reports for the parish and in accordance with your wishes, we have grouped items of disbursements into the classifications presented in the attached statements. The records of the parish present such expenditures in complete detail.

Insurance policies and indemnity bonds were examined by us and compared with the insurance register. All policies listed by the register as being in force at the date of our examination were accounted for and are summarized as follows:

ST. MARK'S CHURCH:	*Type*	*Coverage*
Building	Fire	$ 68,000 CP

ANNUAL REPORT

of

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

For the Year 1946

PREFACE

My dear People:

We are approaching the One Hundredth Anniversary of our life as a Parish. St. Mark's was founded to stand definitely for Tractarian principles, that is to say, for the Catholic religion as set forth in the Book of Common Prayer and in the tradition of God's Holy Church throughout the world, under the guidance of her Bishops. The men who founded St. Mark's Parish were men of profound conviction and they were ready to give and sacrifice generously, and if need be, to suffer ridicule or persecution for these convictions. They were also men of vision and of missionary fervor.

For the greater part of its history St. Mark's Parish has stood loyally for the worship and faith expressed in the Book of Common Prayer and for the Catholic religion as this Church of ours has received it. Never was this witness more necessary than at the present day. At a time when some clergy and laymen are apparently doing all they can to make the Church a pale imitation of Rome, and when many others are doing everything in their power to blot out the difference between the Apostolic Church of Christ and the denominations of human origin round about us, it is particularly necessary that we should pledge ourselves anew to the cause for which this Parish was raised up in God's Providence by His loyal and devoted servants.

We at St. Mark's have entered upon other men's labors. God has blessed us abundantly in our heritage, but as Father Vernon was never tired of repeating, "What has been given to us, must be given through us." We are stewards of what has been given us, and like all stewards we shall have to give account to the real Owner.

Of late there have been many signs of new life stirring in this old parish. The figures in the Year Book tell part of the story. Only God knows how much generosity and real sacrifice has gone into the gifts which are reflected in these figures. I am confident that with God's help we shall rise up to meet the call and the opportunity of the present hour, and that we shall increasingly give of our prayers, our substance and ourselves to the forwarding of God's work. "This is the generation of them that seek Thee, even of them that seek Thy face, O God of Jacob." Our gifts, our efforts and our prayers will help make this come true. May every blessing come to you from Him Who, though He was rich, yet for our sakes He became poor, that we through His poverty might become rich.

Affectionately in Christ,

WILLIAM H. DUNPHY

ACCOUNTING WARDEN'S REPORT

In going over the statement of Cash Receipts & Disbursements in the general account for the Year of 1946, I would like to call your attention to a few of the major items and compare them with the 1945 report.

It is most gratifying to me to note that the receipts in loose cash increased approximately $1300.00, the envelopes, $900.00, the pew rents, $200.00. The income from endowments increased $1685.54 which was due partially to income received from the estate of Miss Katharine Buckley and to advantageous reinvestment of funds by your Trustees of Endowments. In order to try to prepare for the cleaning of the organ in the future, the balance of $255.37 in the Catherwood Fund for the up-keep of the organ was put into a special account so that in the next nine years we will be in a position to have this necessary work done. By careful planning and budgeting, the disbursements increased only $1103.99 so that we ended the year with a balance of $4068.96 which is $233.66 less than our balance at the end of December, 1945. The repairs to the steeple were not billed or paid until 1947. These amounted to $4500.00, so in order to meet this expense, we will have to show similar increases in the receipts from loose cash, envelopes, and budget subscriptions during 1947.

Again in 1946, your generous gifts to the Missionary Expectation exceeded the $6000.00 pledge. For 1947, we have pledged $7000.00 which is in keeping with the other parishes in the Diocese. I sincerely hope your continued generosity will enable us to meet this increase and maintain the same high standards at St. Mark's.

Yours very truly,

During the past year the following supplies were purchased: 4 credence covers, 2 dust covers, 3 surplices, 8 albs. Repairs were made to the white Altar cloth and the chalice veil. An estimate received for repairing a stole was considered too expensive and the work was not done. The question of cleaning and repairing all the priests' vestments has been taken under advisement and estimates for this work are being procured.

Treasurer of United Thank Offering—Mrs. Alfred Hand

During the years 1945-1946 the Woman's Auxiliary of St. Mark's has been reorganized to conform to changes made in the National or Diocesan organizations.

The monthly programs have been skilfully planned to consider the five elements of "service, study, gifts, fellowship and worship." Guest speakers were: Mrs. Beath, Diocesan Vice-President in charge of Promotion, who reported the Triennial; Mrs. Rile, U. T. O. Custodian, who spoke of the work accomplished through this offering; Dr. Shryock, who talked on "Prayer." The member delegates who faithfully attend all Diocesan meetings kept us well informed. During Lent Sister Dorthea, S.S.M., held a mission study class on Africa, which was well attended and proved an inspiration to further prayer and service. The faithful sewers completed the quota of garments for the Supply Committee. Much interest was taken in "Material Aid" for Europe. The congregation, through the Woman's Auxiliary, contributed $550.06 for medical supplies and vitamins, $141.54 for the food and heifer fund, and shipped 14 cartons, averaging approximately 700 pounds, for this urgent need.

Instead of dues, appeals and monthly collections to obtain the necessary funds to meet our obligations, a yearly pledge system was inaugurated. The pledges for 1946 were offered at High Mass in January. The Auxiliary accepted a budget based on these pledges presented by the Finance Committee for $1,158.70. In addition to the pledges we have the "Spire Fund" which is for missionary purposes only and is divided equally between the five Missionary Committees. (In imagination we build

St. Mark's Spire in pennies.) It takes 16,000 and we gratefully receive the help of the congregation in this project. Total gifts for 1946 are $1,424.44 (Spire Fund $218.00) thus exceeding the budget by $265.74.

In May, Mrs. William P. Remington was our guest and told many interesting experiences of her life in the mission field. Tea was an occasion for increased fellowship among ourselves and those who came from the Chapels of St. Michael and St. Mary.

The aim and desire of the women of St. Mark's Auxiliary are best expressed in Archbishop Temple's words:

"Hearts open to the love of God,
Minds nurtured by the truth of God,
Wills devoted to the purpose of God."

Respectfully submitted,
Madeleine Hart Jenkins, *President.*

Director—F. ASHLEY FAUGHT, M.D.
Vice-Director—JOHN M. GATES
Number of Members—20

Meetings are held the third Sunday of each month, except July and August, and are preceded by a Corporate Communion.

During the past year the Brotherhood sponsored a dinner for returning servicemen and a campaign to recruit confirmation candidates. Certain members have acted as ushers each Sunday, assisted the Clergy in parochial visits, and helped organize a cottage night for West Philadelphia members of the parish.

President—MISS JESSIE CHRISTIE
Vice-President—MISS CHARLOTTE ECKFELDT
Treasurer—MISS MARIA B. SAMUEL
Secretary—MRS. MABEL W. CLARKE

The Evening Branch of St. Mark's Woman's Auxiliary meets the first Thursday evening of each month, at 8 P. M. All women are invited to attend, especially business and professional women.

During 1946 we sent out Christmas folders, which we made, to the "Shut-Ins" of the Parish. Also our usual box to St. Mary's Mission in Sewanee. We once more sponsored the School of Religion, conducted by the Rector, during Lent. Some of us have helped with the Choir Boys' breakfast once a month, and have also assisted with the sewing and mending of robes and linens. A Chapter of the Needlework Guild is sponsored by us.

As our chief interest this year was our Parish, our most important work was done largely in individual and common prayers and retreats, with our Parish and Clergy as our special intentions.

March 24, 1947.

Mr. N. Crenshaw McElroy, Accounting Warden,
St. Mark's Parish,
Philadelphia.

Dear Sir:

In accordance with your request we have made an examination of the accounts and financial record of St. Mark's Parish for the year ended December 31, 1946. This examination consisted of the verification of recorded cash receipts and disbursements for the year under review to the extent hereinafter described. The results of our examination are presented in this report which includes: (1) text of comments and explanatory detail and (2) the statement and schedules listed in the index on the preceding page.

Proper entries had been made on the records of the Parish for remittances of trust fund income made to it by the Pennsylvania Company, etc. throughout the year under review, as reflected by statements submitted to you. Records of the principal changes of the several trust funds and subsidiary investment ledgers with corresponding subdivisions are maintained by your employees. We compared entries in the records of principal changes with statements submitted by the Pennsylvania Company, etc. for the year ended December 31, 1946 and reviewed the listings of principal balances in the investment ledgers at that date. Such listings were in agreement with the respective control balances. An inventory of securities by The

Pennsylvania Company, etc. at December 14, 1946, was compared with the investment ledgers. All items were found to be in agreement.

Recorded cash receipts for the year under review were compared with deposits shown by statements of your bank depositories. Recorded cash disbursements were compared with cancelled checks.

At December 31, 1946 cash on deposit was as follows:

Checking account:		
The Pennsylvania Company, etc.		$14,028.71
Savings fund accounts:		
The Western Saving Fund Society of Philadelphia:		
Emma Newbold Brock Insurance Fund	$1,262.83	
Wm. H. Newbold Choir Fund	29.13	
W. H. Newbold Christmas Fund	8.03	
Employment Society	27.56	
F. Avery Jones Memorial Fund	2.59	
Mary Weir Flower Fund	1.44	
		1,331.58
		$15,360.29
Less: 1947 budget subscriptions received in 1946		1,460.00
Balance, December 31, 1946—Exhibit A		$13,900.29

Balances on deposit with the several institutions were confirmed by direct correspondence.

The cash receipts and disbursements records of the Parish for special and trust funds, as presented in Schedule A-3, include items representing checks drawn to the order of institutions designated by the contributors but which are forwarded to such institutions by the office of your Parish for the purpose of enabling the Parish to obtain credit for contributions of this nature. These checks, being drawn to the order of others, are not deposited in the Parish bank accounts.

Following your usual procedure in the preparation of financial reports for the Parish and in accordance with your wishes, we have grouped items of disbursements into the classifications presented in the attached statements. The records of the Parish present such expenditures in complete detail.

Insurance policies and indemnity bonds were examined by us and compared with the insurance register. All policies listed by the register as being in force at the date of our examination were accounted for and are summarized as follows:

ANNUAL REPORT

of

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

For the Year 1947

PREFACE

"This is the Victory that overcometh the world, even our faith." St. Mark's Church was built expressly to bear witness to the Catholic faith and to be a shrine of Catholic worship. It was not built to set forth as much of the faith as was palatable to men of the age, but to set forth the fulness of the faith once for all delivered to the Saints, the whole faith of the whole Church. The men who founded it were men of faith, men too who were absolutely loyal to our own branch of the Church Catholic, and equally averse from the innovations of modern sectarianism or of medieval or modern Romanism. They were eager, moreover, that the faith in its fulness should be expressed in worship—in the beauty of holiness.

Wordsworth, in one of his Ecclesiastical Sonnets, inspired by a founder of our parish (Henry Reed), speaks of the widespread fashion of

" . . . worship neither raised nor limited
Save by self-will."

St. Mark's Church on the contrary has stood for the carrying out of our Lord's will in worship as well as in faith and life. From 1869 the Lord's own Service has been the principal act of worship on the Lord's Day as well as on all Holy Days at St. Mark's. While daily prayers have been the custom at St. Mark's since the year it was opened for Divine Service, and while the Church has the full round of Prayer Book Services, (daily Matins and Evensong, and the Litany at least every week) the centrality of our Lord's own Service stands out clearly. Our spiritual forebears at St. Mark's took seriously our Lord's dying command, "Do this for my re-calling," and took seriously also the age-old Catholic tradition that this re-calling of our Lord, this bringing back of our Lord's Real Presence to the Altar of His Church, should take place at least every Sunday.

Nor could they rest content with this. As St. Mark's was one of the first Episcopal Churches in America to restore the weekly Celebration of Holy Communion, so likewise it was one of the first to restore the daily Eucharist—surely a return to the primitive Church if ever there was one. The Altar has from the first been the center of our faith, our worship and our life.

We have much to be thankful for as we celebrate our One Hundredth Year. God has blessed us abundantly and made our Church a means of blessing to many beyond its

own parish limits during the century just closed. The last few years have brought us fresh experiences of God's goodness and grace. Our numbers have greatly increased, both at the daily and at the Sunday Services. We have a larger proportion of men at the late Eucharist on Sunday than almost any other parish in Philadelphia. The young people's work, which had almost disappeared, has sprung into new life and vigor. The gifts for parish purposes and for missionary activity have been greatly enlarged. An increasing number of parishes throughout the country look to St. Mark's for leadership in loyalty at once to the Catholic tradition and to the letter and spirit of the Book of Common Prayer.

St. Mark's is almost unique in having as its main service every Sunday morning a Choral Celebration of the Holy Eucharist, rather than a monastic service of human origin, yet having this service in strict accordance with the letter and spirit of the Prayer Book. It is one of the few parishes to have daily Matins and Evensong and the weekly Litany. It has been in the forefront of the parishes which stress as their basis, not the feelings or experiences of men, but the mighty acts which God has wrought for our redemption, especially those set forth in the second paragraph of the Creed. St. Mark's offers the inspiring spectacle of a parish which stands four-square for Catholic faith and worship as this Church has received the same, without compromise either in the direction of sectarianism or of Romanism.

Let us, on this glad occasion of our Centenary, dedicate ourselves anew to God at His Altar. Let us strive to realize anew the victory that overcometh the world, even our faith. Let us seek to deepen ourselves in this faith. Let us seek to lose ourselves and find ourselves in the glory of the worship which this faith inspires. Then let us give ourselves whole-heartedly to God in the keeping of His Commandments, above all the great Commandment of love. Let us pray more earnestly, give more generously, work more devotedly to bring all to the knowledge of this conquering faith, and to this worship of God in Christ. And may the God of Peace Who brought again from the dead our Lord Jesus Christ, that great Shepherd of the sheep, through the blood of the everlasting covenant, make you perfect in every good work, working in you that which is well pleasing in His sight, through Jesus Christ our Lord, to Whom be glory and dominion for ever and ever. Amen.

WILLIAM H. DUNPHY

ACCOUNTING WARDEN'S REPORT
1947

The year 1947 was marked by preparations necessary to our Centennial Celebration which was climaxed on St. Mark's Day, Sunday, April 25th, 1948, when confirmation was administered by the Rt. Rev. Oliver J. Hart, Bishop of the Diocese of Pennsylvania.

You will note that the "Repairs" account was rather large this year due to the installation of the lighting fixtures in the Church and the Chancel. Entirely new and up-to-date wiring had to be installed in order to meet the requirements of the Fire Underwriters, but this is another improvement and safety measure of which we can be justly proud.

Salaries were increased in 1947 and again at the beginning of 1948 in order to help offset some of the general increases in cost facing our faithful employees. Maintenance costs are still on the increase and our receipts from the Endowments and Parishioners decreased so that we had a deficit in the amount of $1,367.82 although thanks to our reserve we ended the year in the Black. Our reserve is almost entirely gone and certainly will not carry us through 1948 unless everyone gives as generously as possible.

Many parishioners contributed either partially or $100 to the Centennial Fund during the year so that they have very small balances, if any, remaining to meet the requested minimum of $100 from every parishioner. Thus the amount received to date will be a nucleus with which to start our Centennial Fund Drive under the leadership of Mr. J. Kennard Skilling, which is getting under way as this is being written.

St. Mark's is wealthy in Tradition only and it is earnestly hoped that when you are given the opportunity of contributing to the Centennial Fund and the general running expenses of the Church, you will do so gladly and to the best of your ability.

Yours very truly,
N. Crenshaw McElroy

The gradual increase of attendance and of interest at meetings has marked this year and the spirit of cooperation and willingness to take responsibility has grown among us. Well planned programs, with committee reports and special Speakers, have given us much for thought and for prayer.

During Lent Sister Darthea S.S.S.M. led a Mission Study Class on India which provoked discussion and developed concern for this very timely subject.

The "Sacristy Pilgrimage" was a high point in our program. In cooperation with the Altar Society we invited all women of the Diocese to attend. In spite of inclement weather, between 250 and 300 women came to the afternoon and evening sessions. Father Dunphy explained the need and use of ceremonial, with Father Fifer and servers illustrating the action. The Vestry brought on a few of the treasures of St. Mark's which, with many beautiful vestments, were displayed in the library. It was an enlightening and stimulating occasion, and its influence far reaching.

Another outstanding occasion was a luncheon given for the Rt. Rev. Quentin Huang, Bishop of Yun-Kwei. The story of this Diocese in the remote interior of China was so moving that a special gift of $200 was sent to Bishop Huang for a new church planned, to be called St. Mark's.

Material Aid to Europe continued and clothing, food and money were sent through Church World Service and the Presiding Bishop's Fund for War Relief.

The "Spire Fund," a collection of pennies in special envelopes and in which the congregation joins, is an important adjunct to our budget, augmenting funds raised through our pledges. The "spire pennies" are divided equally between the missionary committees.

Finally may I acknowledge with gratitude the great helpfulness of the clergy and members which has marked this year.

Respectfully submitted,
MADELEINE HART JENKINS, *President*

Brotherhood of St. Andrew

Director—F. ASHLEY FAUGHT, M.D.
Vice-Director—JOHN M. GATES
MEMBERS—10

Meetings are held the third Sunday of each month at 9:30 a.m., except during July and August. The meetings are always preceded by a Corporate Communion at the 8 o'clock Mass.

During 1947 the Brotherhood sponsored both a Social Evening and a Quiet Hour for the men of the parish; helped organize "Cottage Nights" for members of the parish residing in North Central and North Philadelphia, and assisted the Clergy in parochial visits. Certain members continued to serve as ushers each Sunday.

The Chapter regrets the passing of one of its active members during 1947, Mr. John M. Carpenter. "Rest eternal grant unto him, O Lord, and let light perpetual shine upon him."

St. Mark's Evening Branch of the Woman's Auxiliary

President—MISS CHARLOTTE C. ECKFELDT
Treasurer—MISS MARIA B. SAMUEL
Secretary—MRS. MABEL W. CLARKE

The Evening Branch of St. Mark's Woman's Auxiliary meets the first Thursday evening of each month, at 8 P.M. All women are invited to attend, especially business and professional women.

During 1947 we sent out Christmas folders, which we made, to the "Shut-ins" of the Parish. Also our usual box to St. Mary's Mission in Sewanee, as well as several boxes of used clothing. We once more sponsored the School of

Religion, conducted by the Rector, during Lent. Some of us have helped with the Choir Boys' breakfast once a month, and have also assisted with the sewing and mending of robes and linens. A Chapter of the Needlework Guild is sponsored by us. Calendars and household articles were sold as a means of raising money for missionary purposes.

As our chief interest this year was our Parish, our most important work was done largely in individual and common prayers and retreats, with our Parish and Clergy as our special intentions.

YOUTH WORK

St. Mark's Young People's Group, under its present organization, began on September 21st, 1947, when a small group of young persons met for a Corporate Communion, was laid for the work of the year 1947-48. As the group took its place in the life of the parish, it began to take on its own responsibilities, and elected its own officers.

The New Year pointed out several things which would strengthen our work among young people. It was soon discovered that the parish needed two groups: one group primarily for "teen-agers," the other for those in the twenties. Those twenty and above are now in the process of forming what is to be known as the "20 Plus Club." The "Teen-agers" have grown steadily, and new members are added monthly.

It was also felt that the Young People should have a room peculiarly their own, a room smaller and less formal than the Guild Hall. Consequently, we decided to move our headquarters to the basement of the Parish House. The Young People cleaned up and re-decorated the large basement room, naming the room St. Mark's "Rec. Room."

Highlights of our program have been a hay-ride, a trip to the Catholic Congress at Washington, singing Christmas Carols to the patients at the Penna. Hospital for Mental and Nervous Diseases, to the shut-ins of the parish and to the guests at St. Anna's Home.

Every person attending young people's meetings is also a member of Mr. Skilling's Senior Church School Class. Each young person is involved in some form of parish activity, such as Acolytes, Junior Altar Guild and Church School. All the young people are much involved with the parish and show a real love for St. Mark's.

During the Centenary Celebration, the Young People acted as guides and ushers for many of the events. Their interests are not only parochially centered, but reach even beyond the Diocese into National Church Affairs.

I would that the parish pray not only for more contacts with Young People, but also for the intensifying of the spiritual life among our Young People.

Mr. N. Crenshaw McElroy, Accounting Warden,
St. Mark's Parish,
Philadelphia
Dear Sir:

In accordance with your request we have made an examination of the accounts and financial records of St. Mark's Parish for the year ended December 31, 1947. This examination consisted of the verification of recorded cash receipts and disbursements for the year under review to the extent hereinafter described. The results of our examination are presented in this report which includes: (1) text of comments and explanatory detail and (2) the statement and schedules listed in the index above.

Proper entries had been made on the records of the Parish for remittances of trust fund income made to it by the Pennsylvania Company, etc., throughout the year under review, as reflected by statements submitted to you. Records of the principal changes of the several trust funds and subsidiary investment ledgers with corresponding subdivisions are maintained by your employees. We compared entries in the records of principal changes with statements submitted by The Pennsylvania Company, etc., for the year ended December 31, 1947 and reviewed the listings of principal balances in the investment ledgers at that date. Such listings were in agreement with the respective control balances. An inventory of securities

by The Pennsylvania Company, etc., at December 14, 1947 was compared with the investment ledgers. All items were found to be in agreement.

Recorded cash receipts for the year under review were compared with deposits shown by statements of your bank depositories. Recorded cash disbursements were compared with cancelled checks.

At December 31, 1947 cash on deposit was as follows:

Checking account:		
The Pennsylvania Company, etc.		$11,989.47
Savings fund accounts:		
The Western Saving Fund Society of Philadelphia		
Emma Newbold Brock Insurance Fund	$1,281.77	
Wm. H. Newbold Choir Fund	35.45	
Wm. H. Newbold Christmas Fund	9.78	
Employment Society	33.44	
F. Avery Jones Memorial Fund	3.59	
Mary Weir Flower Fund	2.25	
		1,366.28
		$13,355.75
Less: 1948 budget subscriptions received in 1947		987.00
Balance, December 31, 1947—exhibit A		$12,368.75

Balances on deposit with the several institutions were confirmed by direct correspondence.

The cash receipts and disbursements records of the Parish for special and trust funds, as presented in schedule A-3, include items representing checks drawn to the order of institutions designated by the contributors but which are forwarded to such institutions by the office of your Parish for the purpose of enabling the Parish to obtain credit for contributions of this nature. These checks, being drawn to the order of others, are not deposited in the Parish bank accounts.

Following your usual procedure in the preparation of financial reports for the Parish and in accordance with your wishes, we have grouped items of disbursements into the classification presented in the attached statements. The records of the Parish present such expenditures in complete detail.

Insurance policies and indemnity bonds were exam-

ined by us and compared with the insurance register. All policies listed by the register as being in force at the date of our examination were accounted for and are summarized as follows:

ANNUAL REPORT

of

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

For the Year 1948

PREFACE

The past year has been a stirring one for us at St. Mark's as we kept our One Hundredth Birthday. We had a very happy time keeping our centenary. The high point, of course, was the High Mass and Corporate Communion on the Octave of St. Mark's, though we also remember very happily the Bishop's Visitation for Confirmation and the Pontifical High Mass on this occasion, the visit of the Bishop of Albany as our special preacher, and many other events, including the Community Hymn "Sing," the display of the Treasures, the exhibition of the Vestments, etc. We had occasion to look back over the history of the parish and to thank God for His many blessings.

During the past year we began the drive for the Centennial Fund. The Young People's Group has made distinct strides. We now have a fine and active group of young people. The radio program on Sunday afternoons was instituted. It is to be hoped that this radio program may become in a true sense a parish project, supported by our own parishioners. If we are to live and function in the twentieth century we must make use of twentieth century devices in proclaiming the message of Christ to all whom we can reach.

Was the keeping of the centenary worthwhile? The answer to that question lies in the immediate future, and it rests with us to make it. If parishioners triumphantly celebrate the achievements of their spiritual forefathers, if they laud the glories of the past and then proceed to rest on their laurels, such a celebration can be a curse instead of a blessing. If on the other hand we are moved to deeper thankfulness to God, if we are stirred to a deeper missionary zeal, to more generous self-giving in prayer, almsgiving and good works, if our faith and vision are renewed, and if that renewal of faith and vision expresses itself in a renewal of self-dedication to the love of God and man, then the Centenary was well worthwhile. If we have a keener sense of stewardship, not only of our money but of all our talents and gifts, if each of us is inspired to "buy up the opportunity" to be a missionary and a witness to Christ wherever He has placed us, then our celebration has not been in vain, and we may humbly hope that the greatest days of the parish lie, not in the past, but in the future.

WILLIAM H. DUNPHY

REPORT OF ACCOUNTING WARDEN

Our Centennial Year 1948 was marked by many delightful and several discouraging incidents; the most discouraging of which was the fact it was necessary for us to borrow $5,000.00 in order to meet our running expenses. The delightful incidents will be told to you at another time, but I would like to endeavor to clarify for you the financial picture of St. Mark's Parish as it now stands; with the hope that by so doing, we may all put our shoulders to the wheel and bring our budget into balance before it is too late.

The complete report of our accountants, Charles S. Rockey & Co., is printed on the following pages; but for those of us who are disturbed by a lot of figures, I would like to try to condense all of these figures into a few which may be understandable.

Disbursements

Salaries, Clergy Maintenance and Pensions		$25,677.49	
Music, Organist and Choir		9,860.32	
Operating Expenses, Taxes, Insurance, etc.		14,227.15	
Diocesan Assessments		1,776.53	
Allowance to Chapels:			
St. Mary's	$3,189.47		
St. Michael's	2,265.07		
	$5,454.54		
Less Income from Eisenbrey Trust Fund for support of Chapels	4,465.61		
		988.93	
			$52,530.42

Receipts

Received from Envelopes, pledges, pew rents		$13,289.54	
Received from Loose Cash, etc.		4,338.89	
Income from Trust Funds		27,002.15	
			44,630.58
Deficit for 1948			$7,899.84
Deficit financed by:			
Decrease in cash balance Jan. 1, 1948		$ 2,956.51	
Bank Loan		5,000.00	
			7,956.51
Balance on hand Jan. 1, 1949			$ 56.67

You will see from the above that the amount received from our parishioners falls short of paying the Salaries, Clergy Maintenance and pensions by a little more than $8,000.00; and if it were not for a substantial income from our trust funds, St. Mark's could never again open its doors.

Our total deficit for 1948 was $7,899.84 which was financed by a bank loan in the amount of $5,000.00 and by a decrease in our cash balance at the beginning of 1948 of $2,899.94, which left us with a cash balance as of January 1, of $56.67.

A number of you have been under the impression that our Centennial celebrations were, in part, responsible for our deficit. I should like to call your attention to the fact that all these expenses were financed by individual gifts and did not affect St. Mark's budget in any way. The Centennial fund which was started with the hope of obtaining a minimum of $100.00 from every Parishioner fell far short of its goal, as, to date, 42 Parishioners have subscribed $8,525.00, $5,000 of which has been invested in a first-class mortgage and the balance of $3,525.00 is in a savings account. It is still my hope that this fund will be added to, in large or small amounts, over the next few years until a minimum of $50,000 is reached.

There are in St. Mark's 450 active Parishioners, 197 of whom in 1948 subscribed, through the envelope system, pledges, and pew rents, $13,289.54, which amounts to 57 cents per week, per Parishioner, or $1.29 per week per subscriber. This amount must be substantially increased in the years to come if we are to carry on the high standards which have been traditional in St. Mark's for the past one hundred years.

Yours very sincerely,

St. Mark's Ward of the Confraternity of the Blessed Sacrament

Objects

1. The Honor due to the Person of our Lord Jesus Christ in the Blessed Sacrament of His Body and Blood.
2. Mutual and special intercession at the time of and in union with the Eucharistic Sacrifice.
3. The promotion of the observance of the Catholic and primitive law of receiving the Holy Communion fasting.

Report: 1947-1948

From October through May the Litany of the Blessed Sacrament is said immediately after Evensong on the third Sunday of each month, followed by a short and very helpful meditation by our Superior, Father Williamson.

Three members were added to the Ward—Miss Caroline B. Cooke, Mrs. George W. Lee, Jr., Mr. J. Stanley Bibie. It is to be

hoped more of our people will want to join the C. B. S. in its work of prayer and good works.

The year of 1948 for the Woman's Auxiliary has been marked by steady faithful work and attendance of its members. Our interests have been varied, stimulated by able speakers at the monthly meetings. An outstanding occasion was the luncheon given for the Rev. Canon Charles Bridgman who spoke of conditions in Palestine where, for many years, he had represented the American Church and worked under the Anglican Bishop of Jerusalem.

Offerings were given to the appeals of Diocesan Committees as reported by the delegates. A special offering was made for a portable altar for use among the lepers of Kusatsu, Japan.

The faithful sewers completed the parish quota of work for the supply department.

During Lent Sister Darthea's Mission Study Class on "Evangelism" broadened our horizons and our intercessions.

Church World Service continued to receive clothing, "seeds for peace" and money for Europe.

The Woman's Auxiliary notes with sorrow the deaths of Marion Andrew Burton, Helen Wright Dallam, May Marien and Louise Swayne.

Finally thanks are due to the clergy who have responded so cheerfully to all demands made on their time and interest.

Respectfully submitted,
Madeleine Hart Jenkins.

St. Mark's Evening Branch of the Woman's Auxiliary

The Evening Auxiliary of St. Mark's holds its meetings the first Thursday of each month, October through May. The meetings are preceded by suppers held in the parish house. All ladies of St. Mark's are invited to the meetings and suppers.

During the year of 1947-48, the topic under discussion was "The Mission Work of the Episcopal Church in Philadelphia."

The following persons spoke to the Auxiliary.

Miss Blanche D. Nicola of St. Martha's House
Father Smith of Slating Farms
Father Morris, Chaplain at the Episcopal Hospital

At Christmas a box of clothes and toys was packed and sent to St. Mary's, Sewanee, Tennessee, and book marks were sent to St. Mark's shut-ins.

During Lent, the Auxiliary sponsored the Bible Class which Father Dunphy conducted.

Meetings are held the third Sunday of each month at 9.30 a.m., except July and August. The meetings are always preceded by a Corporate Communion at the 8 o'clock Mass.

The Brotherhood sponsored the Diocesan Brotherhood Corporate Communion held at St. Mark's on Washington's Birthday, with a total of 420 present.

During 1948 the Brotherhood sponsored a Card Party and Chinese Auction. Members served during the One Hundredth Anniversary Celebration as guides and guards. They also assist the clergy in parochial visits and certain members continue to serve as ushers.

We regret the passing of one of our members during 1948, Mr. A. Craig Schultz. "Rest eternal grant unto him, O Lord, and let light perpetual shine upon him."

The Chapter also had the following treasures repaired:

2 Chalices
Crucifix on St. John's Altar
Large silver tankcord
Tray
Cruets and trays, tighten stones
Replaced and set Sapphire Missing in Morse
Tightened stones in Bread Box
Replaced and lacquered brass candlesticks on altar
Replated Missal Stand in gold
Cleaned, repaired and lacquered alms basin
Cleaned and lacquered 4 offering plates

New members are always welcomed.

Owing to the illness in November of the late Secretary-Treasurer, Mrs. David English Dallam, the Annual Meeting was not held, as usual, on All Souls Day. A special meeting was held February 24th, 1949, when the new Secretary-Treasurer took office.

Cards were sent to the members, announcing Mrs. Dallam's death on December 26th. Her name is inscribed in a Book of Remembrance at the Church House. Many masses and prayers have been offered for the repose of her soul. She will always be remembered by those who knew her.

The Society of "Our Lady of Mt. Carmel"

This Society is an organization founded by the Reverend Father Jesu John Alvarez, of North Collins, N. Y., in the year 1934. The group of Philadelphia holds special services once a month, during which services the members wear the garment in devotion to Our Lady of Mount Carmel.

At monthly meetings, the members give prayers for the peace of the world, for the health and well being of our clergy, and for the welfare of our congregation. The members make a retreat three times each year, to North Collins, where they meet their Reverend Father to thank him for various favors received.

Like societies exist in Pittston and Buffalo, N. Y., also founded by Father Jesu John Alvarez. Throughout the year persons from all walks of life, far and near, visit this Divine person, seeking benefits and blessings. Those who have sought with strong faith have received great returns, while the curious and inquisitive have been duly disappointed.

This organization is strongly devoted to Father Alvarez, for all members have received benefits of one kind or another. He speaks highly of the Episcopal Church, and many persons have turned to that Church, because he suggested this change, a change which all have found to be far better, and those who are included in this change are aware that the Episcopal clergy have proven to be most sincere, devout and reverent.

April 19, 1949.

Mr. N. Crenshaw McElroy, Accounting Warden,
St. Mark's Parish,
Philadelphia.

Dear Sir:

In accordance with your request we have made an examination of the accounts and financial records of St. Mark's Parish for the year ended December 31, 1948. This examination consisted of the verification of recorded cash receipts and disbursements for the year under review to the extent hereinafter described. The results of our examination are presented in this report which includes: (1) text of comments and explanatory detail and (2) the exhibit and schedules listed in the index above.

Proper entries had been made on the records of the Parish for remittances of trust fund incomes made to it by The Pennsylvania Company for Banking and Trusts throughout the year under review, as reflected by statements submitted to you. Records of the principal changes of the several trust funds and subsidiary investment ledgers with corresponding subdivisions are maintained by your employees. We compared entries in the records of principal changes with statements submitted by The Pennsylvania Company for Banking and Trusts for the year

ended December 31, 1948 and reviewed the listings of principal balances in the investment ledgers at that date. Such listings were in agreement with the respective control balances. An inventory of securities by The Pennsylvania Company for Banking and Trusts at December 14, 1948 was compared with the investment ledgers. All items were found to be in agreement.

Recorded cash receipts for the year under review were compared with deposits shown by statements of your bank depositories. Recorded cash disbursements were compared with cancelled checks.

At December 31, 1948 cash on deposit was as follows:

Checking account:		
The Pennsylvania Company for Banking and Trusts		$14,830.92
Savings fund accounts:		
The Western Saving Fund Society of Philadelphia:		
Emma Newbold Brock Insurance Fund	$1,300.99	
Wm. H. Newbold Choir Fund	41.87	
Wm. H. Newbold Christmas Fund	11.56	
Employment Society	39.41	
F. Avery Jones Memorial Fund	4.62	
Mary Weir Flower Fund	3.09	
		1,401.54
		$16,232.46
Less: 1949 budget subscriptions received in 1948		893.00
Balance, December 31, 1948—exhibit A		$15,339.46

Balances on deposit with the several institutions were confirmed by direct correspondence.

The cash receipts and disbursements records of the Parish for special and trust funds, as presented in schedule A-3, include items representing checks drawn to the order of institutions designated by the contributors but which are forwarded to such institutions by the office of your Parish for the purpose of enabling the Parish to obtain credit for contributions of this nature. These checks, being drawn to the order of others, are not deposited in the Parish bank accounts.

At December 31, 1948, the Parish was obligated to The Pennsylvania Company for Banking and Trusts on a $5,000 loan. The note bears interest at 4% and it is due March 29, 1949.

In the meeting of January 13, 1948, the Trustees of Endowments for St. Mark's Church passed a resolution to set up a sinking fund in which approximately $500 should be paid annually. This sinking fund was to be provided for the purpose of reducing the cost of the property at 2117 Pine Street to a more normal value. No such sinking fund was established in 1948.

Following your usual procedure in the preparation of financial reports for the Parish and in accordance with your wishes, we have grouped items of disbursements into the classifications presented in the attached statements. The records of the Parish present such expenditures in complete detail.

Insurance policies and indemnity bonds were examined by us and compared with the insurance register. All policies listed by the register as being in force at the date of our examination were accounted for.

We express our appreciation for the courtesies and cooperation extended to us during the course of the examination.

Yours very truly,

CHARLES S. ROCKEY & Co.

ANNUAL REPORT

of

Saint Mark's Parish

PHILADELPHIA
PENNSYLVANIA

Founded 1847

For the Year 1949

PREFACE

The year after a Centennial Celebration is likely to be somewhat dull and pedestrian. There may be even a marked recession in attendance and in giving as compared with the anniversary year. St. Mark's Church is no exception to this general experience, although the recession has been less than might have been expected. But we must not be content merely to hold the ground gained in recent years, we must energetically push forward in the cause of Christ.

Our parish has for years ceased to be a wealthy parish—in fact it has very few people of even moderate wealth on its rolls. It is not a cause of disappointment, but rather of rejoicing, if our parish now includes people in all walks of life, and in all social and economic strata. But it does need to be emphasized that the death or removal of wealthy members and the shrinkage of our endowments means that we are increasingly dependent on a large number of gifts and regular pledges from people in moderate circumstances, rather than on a few large pledges and donations. A glance at the figures in this report will have much to teach us in this connection.

At a time when the Catholic Movement is under attack as disloyal to the Church and her Prayer Book, a parish like St. Mark's, which combines loyalty to Catholic faith and worship and strict fidelity to the Book of Common Prayer, is a beacon light to those who are perplexed and distressed by the doctrinal and liturgical anarchy prevalent in some quarters. Returned missionaries have said how much of an inspiration the faith and liturgical practice of St. Mark's have been to them.

We cannot rest on the achievements of the past, glorious as these have been. Forgetting those things which are behind, let us press on boldly as individuals and as a parish to the mark of our high calling in Christ Jesus our Lord.

WILLIAM H. DUNPHY

REPORT OF ACCOUNTING WARDEN

The complete report of our accountants, Charles S. Rockey & Co., is again discouraging inasmuch as it shows a decrease in the amount received from the parishioners for the support of their parish.

You will see by comparing the condensed figures printed below that although the gross receipts were higher last year than the year before due to a substantial increase in our Trust Fund income and our gross expenditures were considerably less than 1948 we still ended the year with a deficit of $2,432.43 in addition to the bank loan which amounts to $2,887.50, the original loan of $5,000.00 having been reduced by $2,112.50 received from the Henry Fell Legacy.

The Future is up to us!

On Thanksgiving Day the Acolytes were the guests of the parish at the Pennsylvania-Cornell football game and pre-game luncheon. On Christmas Day the Acolytes attended a Corporate Communion at 8 a. m. followed by a breakfast at the Hotel Warwick. Early in January of this year the Acolytes met at the church for Evening Prayer and instructions by Father Fifer, the warden of the Guild, on the privileges and duties of serving at God's Altar. After this meeting for prayer and instruction the Acolytes were the guests of the parish at a neighborhood restaurant. The Acolytes are grateful to the parishioners for this entertainment provided by their contributions.

St. Mark's Ward of the Confraternity of the Blessed Sacrament

Objects

1. The Honor due to the Person of our Lord Jesus Christ in the Blessed Sacrament of His Body and Blood.
2. Mutual and special intercession at the time of and in union with the Eucharistic Sacrifice.
3. The promotion of the observance of the Catholic and primitive law of receiving the Holy Communion fasting.

Report: 1948-1949

From October through May the Litany of the Blessed Sacrament was said immediately after Evensong on the third Sunday of each month, followed by a short and very helpful meditation by our Superior, Father Williamson.

Two of our Life Members died during the year: Mrs. Frank Burton and Mrs. David E. Dallam.

One new member was added to St. Mark's Ward, Mr. Theodore Kopf, who later resigned. Miss Eleanor Diller was transferred to us from St. Luke's, Germantown.

"Lord revive thy work, beginning with me." The first emphasis and our primary aim has been spiritual growth. Our Prayer and Worship Chairman has been leading us through prayer to a deeper concept of our responsibility and our need. To some women in the church the work is merely an activity; to others, joy in service.

Believing that we must be intelligently informed as to the full scope of work, we have pointedly directed our attention to subjects practical and informative: we have become quota-conscious.

What and how do we give? How is it used? How far does it go?

Our Spire Fund is now a dependable supplement to our missionary fund. Our sewing allotment is dispatched capably and promptly.

We are making a practical demonstration of "One World for Christ" in collecting and sending clothes through Church World Service, sending seeds for Peace and contributing to our charities at home.

Sister Darthea's Mission Study Class on "The Acts of the Apostles" was received with true appreciation of its inspirational value.

We were happy to be hostess in January to the Woman's Auxiliary of the Convocation of South Philadelphia.

May I close my report with an ancient homily: Therefore dearly beloved, let us not forget this exceeding love of God, our Saviour.

"Let us confess Him with our mouths,
Praise Him with our tongues,
Believe on Him with our hearts,
Glorify Him with our good works."

Respectfully submitted,

Grace B. Lee

St. Mark's Evening Branch of the Woman's Auxiliary

The meetings of the Evening Auxiliary are held on the third Wednesday of the month at eight o'clock in the Parish House, and are preceded by supper. The program for 1949-1950 was planned to familiarize the members with the work of the Woman's Auxiliary. Speakers from the Five Committees were invited to tell about their work.

On November 19, 1949, the Evening Auxiliary held a bazaar in the Parish House and made $206.29.

At Christmas time three boxes of clothing and toys were sent to St. Mary's, Sewanee, and 300 Christmas cards and 300 stamps were sent to the Harrison Home. They also sponsored the Tuesday afternoon Lenten Talks by Father Dunphy.

Meetings are held the third Sunday of each month at 9.30 a. m. except the month of August. The meetings are always preceded by a Corporate Communion at 8 a. m. and breakfast at 8.45 a. m.

During the year 1949 the Chapter sponsored the following activities:

February 22—Corporate Communion of all Chapters in the Philadelphia area at St. Mark's, followed by breakfast at Sylvania Hotel. Over 360 men attended.

April 2—A Retreat at St. Mark's Church from 3 p. m. to 9 p. m.

May 24—Lantern slide travel lecture by Dr. Faught.

Many of the members attended the Retreat and Conference held at Haverford College Friday, Saturday and Sunday.

The members also assist the clergy in parochial visits, sick calls. Several members serve as ushers at the 11 o'clock Mass on Sundays.

We regret the illness of our past Director, Mr. Howard N. Bryan, but are glad to report he is now convalescing.

New members are always welcome, also any visitors.

St. Mark's Branch of the Guild of All Souls

The Annual Meeting of the Guild was held on All Souls Day, at which time a new Secretary-Treasurer was appointed. Warm thanks were extended to Miss Nancy McKean for her work as Secretary-Treasurer.

The Guild continues to function as an intercessory group, praying for the souls of its departed members. There are no social activities other than two business meetings a year. All Masses on All Souls Day are offered for its departed members by name, while a great number of Requiems are offered for the general intention throughout the year. The Guild strives for a wider remembrance of the Faithful Departed throughout the Church as well as Catholic funerals for all those who hold the faith.

The Society of "Our Lady of Mt. Carmel"

The Society of Our Lady of Mt. Carmel is a religious group having a membership of 44 persons. This group holds regular monthly meetings to ask the prayers of Our Lady of Mt. Carmel, its patron saint. Prayers are offered for the general welfare of the clergy, the parishioners, the state and country and for the members of the society.

Four business meetings are held every year, the purpose of these being to collect funds for flowers, missionary work, for the Episcopal Hospital, and for a Christmas offering to St. Mark's Church.

During the year of 1949 the following contributions were made by the society:

Easter — for Flowers	$30.00
May 22 — for Missionary Work	50.00
Thanksgiving — for Episcopal Hospital...	25.00
Christmas — to St. Mark's Church	50.00
	$155.00

This group is making an effort, in its limited way, to meet its financial obligations.

The society wishes to acknowledge the kindness extended to them by the clergy and members of St. Mark's Church. They are grateful to the clergy, Father Dunphy in particular, for conducting an additional 8.30 Mass for them every month.

Respectfully submitted,

ALFRED RUSSO.

The Junior Altar Guild has taken on increased responsibilities during the past year. They have assisted in making some linens, and in mending the vestments. They have regularly scheduled times each week to care for the sacred vessels and vestments, in addition to the care of the Altar rails, both in the Lady Chapel and at the High Altar. They meet on the second Sunday of each month for a Corporate Communion and breakfast meeting.

Schedule A-5—St. Mary's Chapel—Statement of cash receipts and disbursements, year ended December 31, 1949.

March 20, 1950.

Mr. N. Crenshaw McElroy, Accounting Warden,
St. Mark's Parish,
Philadelphia.

Dear Sir:

In accordance with your request we have made an examination of the accounts and financial records of St. Mark's Parish for the year ended December 31, 1949. This examination consisted of the verification of recorded cash receipts and disbursements for the year under review to the extent hereinafter described. The results of our examination are presented in this report which includes: (1) text of comments and explanatory detail and (2) the exhibit and schedules listed in the index on the preceding page.

Proper entries had been made on the records of the Parish for remittances of trust fund income made to it by The Pennsylvania Company for Banking and Trusts throughout the year under review, as reflected by statements submitted to you. Records of the principal changes of the several trust funds and subsidiary investment ledgers with corresponding subdivisions are maintained by your employees. We compared entries in the records of principal changes with statements submitted by The Pennsylvania Company for Banking and Trusts for the year ended December 31, 1949 and reviewed the listings of principal

balances in the investment ledgers at that date. Such listings were in agreement with the respective control balances. An inventory of securities by The Pennsylvania Company for Banking and Trusts at December 14, 1949 was compared with the investment ledgers. All items were found to be in agreement.

Recorded cash receipts for the year under review were compared with deposits shown by statements of your bank depositories. Recorded cash disbursements were compared with cancelled checks.

At December 31, 1949 cash on deposit was as follows:		
Checking account:		
The Pennsylvania Company for Banking and Trusts		$6,951.11
Savings fund accounts:		
The Western Saving Fund Society of Philadelphia:		
Emma Newbold Brock Insurance Fund	$1,320.50	
Others	116.85	
		1,437.35
		$8,388.46
Less: 1950 budget subscriptions received in 1949.		928.00
Balance, December 31, 1949—Exhibit A		$7,460.46

Balances on deposit with the several institutions were confirmed by direct correspondence.

The cash receipts and disbursements records of the Parish for special and trust funds, as presented in schedule A-3, include items representing checks drawn to the order of institutions designated by the contributors but which are forwarded to such institutions by the office of your Parish for the purpose of enabling the Parish to obtain credit for contributions of this nature. These checks, being drawn to the order of others, are not deposited in the Parish bank accounts.

At December 31, 1949, the Parish was obligated to The Pennsylvania Company for Banking and Trusts on a $2,887.50 loan. The note bears interest at 4% and it is due March 29, 1950.

In the meeting of January 13, 1948, the Trustees of Endowments for St. Mark's Church passed a resolution to set up a sinking fund in which approximately $500 should be paid annually. This sinking fund was to be provided for the purpose of reducing the cost of the property at 2117 Pine Street to a more normal value. No such sinking fund was established to December 31, 1949.

Following your usual procedure in the preparation of financial reports for the Parish and in accordance with your wishes, we have grouped items of disbursements into the classifications presented in the attached statements. The records of the Parish present such expenditures in complete detail.

Insurance policies and indemnity bonds were examined by us and compared with the insurance register. All policies listed by the register as being in force at the date of our examination were accounted for and are summarized as follows:

	Type	*Coverage*

St. Mark's Ward of the Confraternity of the Blessed Sacrament

Objects

1. The Honor due to the Person of our Lord Jesus Christ in the Blessed Sacrament of His Body and Blood.
2. Mutual and special intercession at the time of and in union with the Eucharistic Sacrifice.
3. The promotion of the observance of the Catholic and primitive law of receiving the Holy Communion fasting.

Report: 1949-1950

Vespers of the Blessed Sacrament have been said the third Sunday of each month, (except for January, February, March), beginning in October, 1949. We also held two meetings; one in October, one in April.

Mr. Theodore Kopf withdrew September 28, 1949.

Two of our members have died during the past year: Miss Ethel Smith, a Life Member, on June 5, 1949, and Mr. Charles McIlwain on April 19, 1950.

St. Mark's Branch of the Woman's Auxiliary to the National Council

President—MRS. GEORGE W. LEE, JR.
Vice-President—MRS. THEODORE F. JENKINS
Secretary—MRS. SARA HALL VETTERLEIN
Treasurer—MRS. HAROLD M. LUFKIN
Treasurer of United Thank Offering—MRS. ALFRED HAND

The Woman's Auxiliary endeavors to enlist all women of the Parish in the whole work of the Church. This can be accomplished only if the spiritual life of each woman is awakened.

Each year we look forward hopefully toward another year of service; the past year has shown us to have a strong unified purpose and true devotion has strengthened our sense of fellowship. Our attendance has been small, due to increasingly difficult traffic problems, and also to removals.

Our guest speakers have been interesting and thought-provoking. The Rev. Thomas Parker gave us an instructive talk, and made a clear picture of the Urban Church, a subject of timely interest.

Mrs. Victor Perrin's talk on our Educational Program was much needed. Mrs. Reed charmed us all with her delightful account of our work in Alaska. Miss Cutler, from Divinity School, came to us with a stirring message. As this goes to press, we are looking forward to having Mrs. Jacob Disston with us at the May meeting.

Our group is unique in that we have had excellent book reviews on religious subjects, and congratulate ourselves upon having Miss Amy Clapp with us to contribute to our programs in this delightful way.

Church World Service is an outlet through which, by concentrating our good will in service, we offer gifts of food and warm clothing to the other side of the world, where food is not taken for granted, and shelter and warm clothes are uncertain.

It was with regret that we accepted the resignation of Miss Caroline B. Cooke as Chairman of the Thursday Sewing Class for Supply Committee, after years of efficient and faithful service. We now have no active sewing group, but our quota for the Department of Supplies goes to help buy "ready-mades."

Our budget shows not mere dollar interest, but through the reach of God's love, we try to make it live.

We note with sorrow the deaths of Helene A. Baugh, Mary Erben Kelsey, Charlotte Root Pepper and Jane G. R. White.

Respectfully submitted,

GRACE B. LEE

St. Mark's Evening Branch of the Woman's Auxiliary

The meetings of The Evening Auxiliary are held on the first Thursday of the month at seven-thirty, in the Parish House, preceded by supper. The program for 1950-51 was planned to bring to the attention of the members the work that the National Church and the Diocese is doing in education. There were two outside speakers but the other meetings were addressed by members of The Evening Branch on The Church's teaching series of books.

On November 18, 1950, The Evening Auxiliary held a bazaar in the Parish House and made over $190.00.

Christmas boxes were sent to St. Mary's, Sewanee. Christmas cards were sent to The Harrison Home. Candy and cigarettes were sent at both Christmas and Easter to The Philadelphia General Hospital.

Brotherhood of St. Andrew

Director—CLAUDE GILKYSON
Vice Director—HOWARD N. BRYAN
Secretary—ANTHONY BADAGLIACCO
Treasurer—WILLIAM H. CREAMER
MEMBERS—17

Meetings are held the third Sunday of each month at ten o'clock a. m. except during July and August. The meetings are always preceded by a Corporate Communion at eight o'clock and a breakfast at nine o'clock.

The Brotherhood sponsored a service on the evening of March 22nd in which Bishop Armstrong was the Speaker, and a service on the evening of April 17th when Rev. C. H. Gabrielides spoke on the Order of the Holy Sepulchre. After this service a social hour was held, which was attended by 60 members from St. George's Greek Catholic Church.

The Chapter also had the following treasures repaired:

The "Sterling" Chalice and three other Chalices

The Chapter also sold Christmas cards.

A Junior Chapter was constituted on Sunday, December 17th. The service was held in the Lady Chapel and conducted by Father Dunphy and Mr. Morton Nase, Field Manager, who came down from York, Pa. to constitute the order.

A Junior Chapter was considered during the month of September and Mr. Morton Nace, Field Manager of Brotherhood of St. Andrew, came down from York, Pa. on October 15, 1950, to organize the Junior Chapter and place the new members on probation. On December 17, 1950, he again visited the Church to constitute the Chapter. The Service was held in the Lady Chapel, following communion for the Senior and Junior members. Nine boys were made members:

Collection of Dues for 1951, January	$14.00
Dues Paid, January	14.00
Outstanding Dues	4.00

They have made calls on the sick, and welcome young men to the Church. Chapter Meetings are held weekly with a communion on the third Sunday of each month.

St. Mark's Branch of the Guild of All Souls

The Annual Meeting of the Guild was held on All Souls' Day, at which time a new Secretary-Treasurer was appointed. Warm thanks were extended to Richard Herschel for his work as Secretary-Treasurer during the past year.

The Guild continues to function as an intercessory group, praying for the souls of its departed members. There are no social activities other than a business meeting each year. All Masses on All Soul's Day are offered for its departed members, while a great number of Requiems are offered for the general intention throughout the year. The Guild strives for a wider remembrance of the Faithful Departed throughout the Church. During the past year we lost one faithful member — Miss Helene Baugh.

Exhibit and Schedules in Report Upon Examination of Accounts and Financial Records Year Ended December 31, 1950

Exhibit A—Summary statement of cash receipts and disbursements.

Schedule A-1—Statement of allocated balances.

Schedule A-2—General account—Statement of cash receipts and disbursements.

Schedule A-3—Special and trust funds—Statement of cash receipts and disbursements.

Schedule A-4—St. Michael's Chapel, Yeadon—Statement of cash receipts and disbursements.

Schedule A-5—St. Mary's Chapel—Statement of cash receipts and disbursements.

May 7, 1951.

Mr. N. Crenshaw McElroy, Accounting Warden,
St. Mark's Parish,
Philadelphia.

Dear Sir:

In accordance with your request we have made an examination of the accounts and financial records of St. Mark's Parish for the year ended December 31, 1950. This examination consisted of the verification of recorded cash receipts and disbursements for the year under review to the extent hereinafter described. The results of our examination are presented in this report which includes: (1) text of comments and explanatory detail and (2) the exhibit and schedules listed in the index on the preceding page.

Proper entries had been made on the records of the Parish for remittances of trust fund income made to it by The Pennsylvania Company for Banking and Trusts throughout the year under review, as reflected by statements submitted to you. Records of the principal changes of the several trust funds and subsidiary investment ledgers with corresponding subdivisions are maintained by your employees. We compared entries in the records of principal changes with statements submitted by The Pennsylvania Company for Banking and Trusts for the year ended December 31, 1950 and reviewed the listings of principal balances in the investment ledgers at that date. Such listings were in agreement with the respective control balances. An in-

ventory of securities by The Pennsylvania Company for Banking and Trusts at December 14, 1950 was compared with the investment ledgers. All items were found to be in agreement.

Recorded cash receipts for the year under review were compared with deposits shown by statements of your bank depositories. Recorded cash disbursements were compared with cancelled checks.

At December 31, 1950 cash on deposit was as follows:

Checking account:		
The Pennsylvania Company for Banking and Trusts		$ 9,913.05
Saving fund accounts:		
The Western Saving Fund Society of Philadelphia:		
Emma Newbold Brock Insurance Fund	$1,340.30	
Others	133.36	
		1,473.66
		$11,386.71
Less: 1951 budget subscriptions received in 1950.		1,238.00
Balance, December 31, 1950—Exhibit A.....		$10,148.71

Balances on deposit with the several institutions were confirmed by direct correspondence.

The cash receipts and disbursements records of the Parish for special and trust funds, as presented in schedule A-3, include items representing checks drawn to the order of institutions designated by the contributors but which are forwarded to such institutions by the office of your Parish for the purpose of enabling the Parish to obtain credit for contributions of this nature. These checks, being drawn to the order of others, are not deposited in the Parish bank accounts.

At December 31, 1950, the Parish was obligated to The Pennsylvania Company for Banking and Trusts on a $2,887.50 loan. The note bears interest at 4% and is due March 29, 1951.

In the meeting of January 13, 1948, the Trustees of Endowments for St. Mark's Church passed a resolution to set up a sinking fund into which approximately $500 should be paid annually. This sinking fund was to be provided for the purpose of reducing the cost of the property at 2117 Pine Street to a more normal value. No such sinking fund was established to December 11, 1950.

Following your usual procedure in the preparation of financial reports for the Parish and in accordance with your wishes,

we have grouped items of disbursements into the classifications presented in the attached statements. The records of the Parish present such expenditures in complete detail.

Insurance policies and indemnity bonds were examined by us and compared with a list presented to us by your insurance agents, Stokes, Packard and Smith, Inc. All policies listed by your insurance agents as being in force at the date of our examination were accounted for and are summarized as follows:

THE ACOLYTES GUILD

Chaplain—REV. PAUL C. KINTZING, JR.
Warden of the Guild—MR. JAMES F. GORDY

The parochial Guild of Servers consists of about twenty young men who have dedicated themselves to God's service at His Altar, under the direction of the parish clergy, serving both at the Sunday High Mass and at Low Masses on Sunday and during the week.

Regular monthly meetings of the Guild are held, but during Lent weekly meetings for the study of serving are added as a part of the Guild's activities. In times past there has been an Acolyte Guild—The Order of St. Vincent—functioning in the parish, with its definite rule of life and straight forward plan of serving, as approved by the National Guild of Servers, and plans are under way to revitalize this Society for our own acolytes.

All men wishing to assist at the Altar, either on weekdays or Sundays, are asked to get in touch with Mr. Gordy or with one of the clergy in the parish, as there are still Masses for which servers are needed.

St. Mark's Ward of the Confraternity of the Blessed Sacrament

Objects

1. The Honor due to the Person of our Lord Jesus Christ in the Blessed Sacrament of His Body and Blood.
2. Mutual and special intercession at the time of and in union with the Eucharistic Sacrifice.
3. The promotion of the observance of the Catholic and primitive law of receiving the Holy Communion fasting.

Needlework Guild of America

For many years Mrs. Charles Price Maule was a member of the National Association of the Needlework Guild of America and President of Section 37, St. Mark's Branch. She gave much time and thought to making a success of this interesting work, and her enthusiasm will be missed.

Mrs. Robert D. Jenks and Miss Elsie Lowrey have consented to take over Mrs. Maule's work in Section 37.

St. Mark's Branch of the Woman's Auxiliary to the National Council

President—Mrs. George W. Lee, Jr.
Vice-President—Mrs. Theodore F. Jenkins
Secretary—Mrs. Sara Hall Vetterlein
Treasurer—Mrs. Harold M. Lufkin
Treasurer of United Thank Offering—Mrs. Alfred Hand

"The Woman's Auxiliary is an instrument of the Church, through which women may express in action their conviction that the hope of the world lies in the redeeming power of God's love." This demands true evaluation of its pattern of fellowship, worship and work. Our program is the program of the Church.

With this objective as our goal, our Planning Committee has brought speakers to us who were helpful in directing our thoughts, and expanding our vision for greater usefulness.

We were happy to welcome Father Paige at our opening meeting in October.

"The Faith of the Church" reviewed by Miss Clapp was an excellent opening study. Mrs. Sumner H. Cross, President of the

Diocesan Altar Guild, made us realize that aside from the routine work, there are experiences, thrilling and inspiring, in this work.

Miss Hazel King was most enthusiastic in presenting her work with college students. We were indebted to Father Steele of St. Luke's, Germantown, for a stimulating and helpful presentation of the subject: "Spiritual and Mental Healing." Mrs. Edward Parnum, from Gloria Dei, described the work of the Diocesan Committee. We were impressed by her zeal for the work.

Devotions were conducted by Father Kintzing for our Lenten meeting in April. And in May our new officers, elected to serve three years, will be installed by the Rector in the Lady Chapel, proceeding later to the Parish Parlor for our closing meeting.

Sister Darthea chose as the subject for the Mission Study Class this year, "The Life of St. Paul." The consistent attendance of those registered was a true indication of their interest and appreciation.

I wish to tender my grateful thanks to the officers who have served so faithfully with me, and to all of our group who have given encouragement by their presence at our meetings.

The Woman's Auxiliary notes with sorrow the deaths of Charlotte Root Pepper, Mary W. Pancoast, Elizabeth R. P. Maule and Josephine Poe Duer.

St. Mark's Evening Branch of the Woman's Auxiliary

The meetings of the Evening Branch of the Woman's Auxiliary are held in the Parish House on the first Thursday of the month at seven-thirty, and are preceded by supper. The program for 1951-1952 was planned to acquaint the members with different aspects of the Church. The *Faith of the Church* was reviewed by Miss Amy Clapp; a talk on the revival of drama to be given in churches by Miss Jane Low, and a series for the two Lenten meetings by Sr. Darthea on *The Altar and Its Appointments.* It is very gratifying to report that attendance at the meetings has increased throughout this year.

On November 16th and 17th the Evening Auxiliary held its bazaar in the parish house. Tea was served the first afternoon and luncheon on the second day.

The two branches, afternoon and evening, cooperated in acting as hostesses at the coffee hour after High Mass on the first and third Sundays of each month.

Christmas boxes were sent to St. Mary's, Sewanee, and Christmas cards were send to the shut-ins of St. Mark's parish. Christmas cards were also sent to the Harrison Home. Candy was sent to the Philadelphia General Hospital at both Christmas and Easter.

Brotherhood of St. Andrew

Director—RAYMOND HOWE
Vice Director—JAMES GRANAHAN
Secretary—CHARLES MILLER
Treasurer—WM. H. CREAMER
MEMBERS—28

Meetings are held the third Sunday of each month at ten a. m. except during July and August, and are preceded by a Corporate Communion at eight o'clock and breakfast at nine o'clock. Extra business meetings are held on the first Monday evening of each month.

The Brotherhood work consists of visiting the sick and new people in the community.

On the Sunday before Christmas, members of the Senior and Junior Brotherhood visited with the patients at Philadelphia General Hospital, distributing 245 Christmas cards, candy canes and boxes of candy to them. They also gave 250 cards of St. John's Altar and the High Altar to the Episcopal Hospital to be placed on breakfast trays on Christmas morning.

Memorial flowers were placed on the Altar in memory of Mr. Howard Bryan, former director of the Brotherhood, who passed away during 1951.

The Brotherhood acts as host at the coffee hour after High Mass on the fourth Sunday of the month.

A card party was sponsored by the Brotherhood in June.

St. Mark's Branch of the Guild of All Souls

The Guild of All Souls was founded in March 1873 in England, and in America shortly thereafter.

There has been a Branch in St. Mark's since 1893.

The object of the Guild is prayer; prayer for the dying, for the repose of the souls of deceased members, and for all the Faithful Departed.

The Guild also provides Mass Vestments for Requiems to be given or loaned to poor parishes who desire them, and publishes and distributes literature pertaining to the Guild.

The annual dues are 75 cents and each member is asked to give a small donation of 25 cents or more for the general work of the Guild.

Provide that prayers will be offered for the repose of your soul by joining the Guild.

The Young People's Fellowship

Advisor—FR. KINTZING
Seminarian Advisor—MYRON HERRICK
President—WILLIAM MACLAREN
Vice President—WARD MCMASTERS
Secretary—RITA GRISAFI
Treasurer—RALPH PURVIS

The Parish Fellowship is a local division of the Diocesan Young People's Fellowship and its program is based upon the four ideals of Y.P.F.—worship, study, service and fellowship.

During the past year twenty-four members of our parish fellowship participated actively in a series of devotional meetings, visits to other fellowships, a Christmas Pageant, entertainment for shut-ins and several parties and dances in St. Mark's Parish Hall. Meetings are held every Sunday Evening at 7 p. m., usually opening with devotions and followed by a short business meeting and the evening's program.

All young people of teen age in the parish are urged to affiliate themselves with our local chapter and both help and enjoy a worthwhile program.

The Society of "Our Lady of Mt. Carmel"

The Society of "Our Lady of Mt. Carmel" is a religious group having a membership of some 44 persons.

Monthly meetings are held by the group. Social activities are limited to business meetings, which are conducted quarterly, with the specific purpose of collecting funds for flowers, missionary work, the Episcopal Hospital, and for Easter and Christmas offerings to St. Mark's Church. During the year 1951 the following contributions were made by the Society:

Choir Boys' Camp Fund	$ 10.00
Easter Flowers	50.00

July 8, 1952.

Mr. N. Crenshaw McElroy, Accounting Warden,
St. Mark's Parish,
Philadelphia.

Dear Sir:

In accordance with your request, we have made an examination of the accounts and financial records of St. Mark's Parish for the year ended December 31, 1951. This examination consisted of the verification of recorded cash receipts and disbursements for the year under review to the extent hereinafter described. The results of our examination are presented in this report which includes: (1) text of comments and explanatory detail and (2) the exhibit and schedules listed in the index on the preceding page.

Proper entries had been made on the records of the Parish for remittances of trust fund income made to it by The Pennsylvania Company for Banking and Trusts throughout the year under review, as reflected by statements submitted to you. Records of the principal changes of the several trust funds and subsidiary investment ledgers with corresponding subdivisions are maintained by your employees. We compared entries in the records of principal changes with statements submitted by The Pennsylvania Company for Banking and Trusts for the year ended December 31, 1951 and reviewed the listings of principal balances in the investment ledgers at that date. Such listings

were in agreement with the respective control balances. An inventory of securities by The Pennsylvania Company for Banking and Trusts at December 14, 1951 was compared with the investment ledgers. All items were found to be in agreement.

Recorded cash receipts for the year under review were compared with deposits shown by statements of your bank depositories. Recorded cash disbursements were compared with cancelled checks.

At December 31, 1951 cash on deposit was as follows:

Checking account:		
The Pennsylvania Company for Banking and Trusts		$17,728.09
Savings fund accounts:		
The Western Saving Fund Society of Philadelphia:		
Emma Newbold Brock Insurance Fund	$1,360.40	
Others	150.12	
		1,510.52
		$19,238.61
Less: 1952 budget subscriptions received in 1951		609.00
Balance, December 31, 1951—exhibit A		$18,629.61

Balances on deposit with the several institutions were confirmed by direct correspondence.

The cash receipts and disbursements records of the Parish for special and trust funds, as presented in schedule A-3, include items representing checks drawn to the order of institutions designated by the contributors but which are forwarded to such institutions by the office of your Parish for the purpose of enabling the Parish to obtain credit for contributions of this nature. These checks, being drawn to the order of others, are not deposited in the Parish bank accounts.

In the meeting January 13, 1948, the Trustees of Endowments for St. Mark's Church passed a resolution to set up a sinking fund into which approximately $500 should be paid annually. This sinking fund was to be provided for the purpose of reducing the cost of the property at 2117 Pine Street to a more normal value. No such sinking fund was established to December 31, 1951.

Following your usual procedure in the preparation of financial reports for the Parish and in accordance with your wishes, we have grouped items of disbursements into the classifications presented in the attached statements. The records of the Parish present such expenditures in complete detail.

Insurance policies and indemnity bonds were examined by us and compared with a list presented to us by your insurance agents, Stokes, Packard and Smith, Inc. All policies listed by your insurance agents as being in force at the date of our examination were accounted for and are summarized as follows:
